Dear Dr Selladurai

Indian Society of Systems for Science and Engineering (ISSE) is a professional body for interdisciplinary collaboration to promote systems engineering approach in science and engineering. ISSE is unique among the systems oriented institutions having the objective of bringing together scholars and practitioners from academic, business and R&D organizations for promoting the systems concept. ISSE plays a major role in providing a common platform for inter-disciplinary collaboration and sharing of thoughts. The society is helping its members in developing systematic practice of Systems Engineering and Reliability. The society has 13 chapters and about 6000 members all over the country with its headquarters at Thiruvananthapuram.

ISSE has instituted 'Fellow membership' which will be given to eminent ISSE members who have made outstanding contributions in the field of systems engineering and also for the progress of the society.

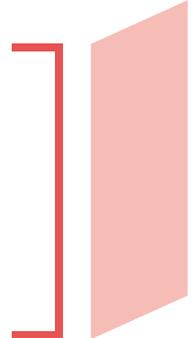

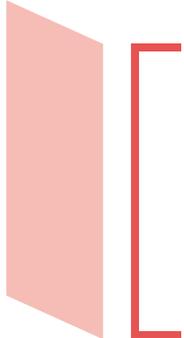

ISSE National Governing Council is very pleased to select you for the Fellow Membership-2022, considering your outstanding contributions for promoting systems engineering concepts. The membership will be presented during the inaugural function of ISSE National conference INAC-05 on 24th March 2023 at Osmania University, Hyderabad.

I request you to grace the occasion with your presence and receive the fellow membership.

With warm regards

V Narayanan

Research Associate Professor of MaPS

BACKGROUND

In April 2015, the Gene Therapy Center received a \$2 million endowment from the Horae Oriental Shenzhen Investment Company of Guangdong, China. The Center was formally renamed the Horae Gene Therapy Center in recognition of this most generous gift on August 17, 2015. Using annual fair market return of this endowment fund, the Horae Gene Therapy Center decided to establish the Horae Gene Therapy Post-Doctoral Scholarship Program.

The Horae Gene Therapy Center is now pleased to announce a Research Fellowship opportunity open to all GTC postdoctoral fellows.

PROPOSAL INFORMATION

- This is a two year research fellowship award. Up to \$40,000 per year for a maximum of two years will be provided for salary support (Fringe benefits to be paid by the recipient's mentor).
- Applications will be reviewed and scored for scientific merit by an internal independent grant review committee, organized by the Office of Sponsored Programs, UMMS.
- The Proposal with the highest score will be awarded the Fellowship.
- Please use the NIH R21 grant application format with the six page limit.
- Please provide a Curriculum Vitae.

ELIGIBILITY

- Must be a GTC postdoctoral fellow.

KEY DATES

- The deadline for submission is: 6/30/2022
- Please submit your research proposal as a single PDF document to: Dr. Guangping Gao at Guangping.gao@umassmed.edu.
- The start date of the Fellowship is August 21, 2022, ending on August 20, 2024.

Dear Sandhiya:

I am writing delightfully to inform you that your application entitled “*A novel miRNA-based gene therapy to promote bone formation in osteoporosis using bone-targeting rAAV*” received the second highest score from a highly competitive reviewing process conducted by an external review committee. Therefore, you are an awardee for 2022 Horae Gene Therapy Postdoctoral Fellowship which represents a great honor reflecting your academic excellence in gene therapy research.

Previously, this fellowship with a \$40,000 support per year for two years was awarded to a single recipient with the highest score. However, due to a large number of high quality applications this year, your application was scored closely to the application with the highest score. To encourage high quality postdoctoral research, HGTC decided to award two fellowships with a \$40,000 support per year for one year only for each recipient. I apologize for a shorter term of funding support as we are limited by the useable amount of Horae endowment each year. Thank you very much in advance for your understanding and support to another excellent postdoc colleague of yours.

Please see pated below a summary statement including reviewers’ insightful comments and scores for your application. I look forward to your success in the research project proposed by this application.

Congratulations!
