Dear Manoj,

Congratulations, it gives me great pleasure to inform you that your application has been approved for admission as a non-resident to the MS in Industrial Engineering program with a major in Industrial Engineering in the College of Engineering at Wayne State University for the fall 2015 semester.

By enrolling at Wayne State, you will be joining a premier research university that combines academic excellence with the unique experience of living and studying in an urban environment. The Carnegie Foundation for Advancement of Teaching designates Wayne State in its highest research category, a distinction held by 3.6 percent of U.S. institutions of higher education. This means that our faculty, programs and research initiatives are at the forefront of their disciplines.

The [Office of International Students and Scholars \(OISS\)](#) handles the entire I-20 procedure. Your I-20 will be processed within 3-5 days, and you will receive it in the mail after 6-8 weeks. You can [check the status](#) online, but please [contact OISS](#) if you have additional questions.

Check the [registrar's calendar](#) to see if the schedule of classes has been posted online and if registration for your term has started. Once the [Class Schedule](#) is available you can explore the courses your program is offering, and then consult with your program to determine the best selection of courses for you. If registration is available, you may enroll in classes at any time up to 30 days before they begin; after that point, you will not be able to add or drop any classes until you arrive on campus. Once you are able to register, simply logon to our intranet, [Pipeline](#), using your Access ID and password. Your Access ID is **fx9224** and your initial password is **004513458**; your password must be changed after your first login. If you have previously received an Access ID, you may need to re-set your password. For assistance, contact our Help Desk at (313) 577-4778.

When you arrive in Detroit, you will need to check in with the [Office of International Students and Scholars \(OISS\)](#), attend an orientation program. You will also need to finalize [housing](#) arrangements, and pay fees before beginning graduate coursework. The OISS will contact you with instructions on check-in procedures.

Please remember: Your admission is valid only for the fall 2015 semester. If you do not validate your admission by registering for classes for the term offered in this letter, you will need to reapply for a subsequent semester to be reconsidered by your intended academic program.

If you have any questions or need assistance, please feel free to contact the [Office of Graduate Admissions](#).

We welcome you to the Wayne State University family!

Sincerely,

Dr. K. MARIMUTHU, Ph.D.,

Dear Vignesh,

We are pleased to learn that you have been offered admission to the doctoral program in mechanical engineering. We are very happy to welcome you to the Rensselaer community of scholars.

In recognition of your academic excellence and potential, the School of Engineering is offering you a financial aid package consisting of a stipend of \$18,500 and tuition remission (excluding fees) for the 2014 academic year in the Department of Mechanical, Aerospace and Nuclear Engineering. This offer is only valid if you enroll in the Fall 2014 semester and is contingent upon compliance with all U.S. laws. This award is renewable for up to 4 years of total support and has an estimated value of over \$250,000. The continuation of your award is based on an annual review of your academic progress and completion of your duties, and funding availability.

Details regarding your responsibilities and obligations will be sent to you by your department. Additionally, your department will be in touch with you concerning a visit to campus.

Rensselaer supports the Council of Graduate Schools resolution regarding graduate financial support (http://cgsnet.org/portals/0/pdf/CGS_Resolution.pdf). Acceptance of an offer of financial support completes an agreement that both student and graduate school expect to honor.

Should you have any questions regarding your admissions and the terms of your award, please contact your department.

If you decide to accept this offer, please complete and sign the attached offer form and return it by April 15, 2014 by email to awardlettersgrad@rpi.edu.

If we do not hear from you by this date, we will assume you have declined the offer.

Sincerely,

Yoav Peles
Professor and Associate Head for Graduate Studies
Department of Mechanical, Aerospace and Nuclear Engineering

Dear Vignesh,

Congratulations! I am pleased to inform you that you have been admitted to the Graduate School of Northern Illinois University for the Fall 2015 semester to pursue the Mechanical Engineering degree. To accept your admission go to the Student Center in MyNIU. Failure to do so will prohibit you from registering for classes.

You should arrange with your new department for an appointment to meet with an academic adviser prior to your first registration as a graduate student. Any deficiencies still to be resolved will be determined upon your arrival.

If you are unable to enroll for the stated semester/session you may petition the Graduate School, in writing, to defer your admission up to but not beyond one year. Such deferment is subject to approval by your major department or program and the Graduate School and your request must be received by the Graduate School no later than the end of the semester/session for which you have been admitted. **Failure to enroll for the stated semester/session or to defer admission by the last day of classes for Fall 2015 will result in cancellation your admission.**

If you have any questions, please do not hesitate to contact the Graduate School. Again, congratulations on your admission.

Sincerely,

Dear Kathie,

On behalf of San Jose State University, it is my pleasure to congratulate you on your admission for the Fall 2018 term.

As an SJSU graduate student in the heart of Silicon Valley, you will join a thriving community of scholars centered in an area known for innovation and creativity. Working with faculty engaged in cutting-edge research, you will gain hands-on experience and knowledge that will prepare you for the most pressing challenges of the 21st century.

Our community of Spartans embodies an array of cultures that will enrich your educational experience far beyond the classroom. Should you choose to attend California's first public institution of higher education, you will become part of a long legacy of individuals bound together by their shared creativity, passion and resilience.

Enclosed you will find instructions for accepting our offer of admission and completing the enrollment process. In addition, any department-specific instructions related to your admission are included on the back of this letter. Please read these documents carefully and contact us with any questions or concerns at admissions@sjsu.edu.

Details of your admission are listed:
