## CERTIFICATE OF COMPLETION

This is to certify that Yogeshwaran J underwent internship at M/s Pythian Technologies Pvt. Ltd. from 16<sup>th</sup> June 2021 to 15<sup>th</sup> December 2021. During this period, Yogeshwaran J was provided training as well as the opportunity to work on a live project called Event-driven Agile, Scalable and Reusable Microservices Approach to Training Management Software based on the Shiny web framework of the R programming language. His conduct during the execution of this project has been very good. He is very quick on the uptake and was able to contribute immensely in various modules of the project. The internship has equipped Yogeshwaran with new concepts and tools such as microservices based development, data wrangling, interactive data visualization, dashboarding as well as unsupervised learning algorithms for data inference. On behalf of the entire Pythian team, we wish him the very best in all future endeavors.

## CERTIFICATE OF INTERNSHIP

This is to certify that **Ishwarya J** (Roll No. 1732023) M.Sc. Data Science student at Coimbatore Institute of Technology, Coimbatore, Tamil Nadu has done her internship with **Witree Technology Solutions Pvt Ltd**, Madurai, Tamil Nadu from January,2022 to May,2022. Ishwarya has undergone and successfully completed all our training programs during the internship.

During the internship, Ishwarya was involved in our company's project work related to Medical Transcripts and Reports - Natural Language Processing, towards analysis of clinical trial reports. Ishwarya was responsible for extracting information from unstructured medical text accurately and identify relationship among extracted information using NLP models. Ishwarya undertook a particular module worked on all phases of that module including dataset collection, entity recognition, relationship extraction and sentiment analysis.

Ishwarya has been a very productive resource, played vital role in delivering her assigned task on time and with accuracy.

We appreciate her analytical and technical ability to apply her academic skills, work with different tools, evaluate, and contribute significantly to our projects during the internship.

We wish you the best for your future endeavors.
