 - If a choice is allotted in case of upward movement without any further confirmation, that choice will be allotted to the applicant. Otherwise, the applicant becomes automatically eligible for the next round of counselling, if there are further rounds of counselling.
 - The above option is not applicable if the tentatively allotted choice happens to be the first preferred choice of the applicant.
 - d) Decline the tentatively allotted choice and opt to participate in the next round of counselling as per the next round's vacancy position
 - The above option is not applicable if no further rounds of counselling are available.
 - e) Quit Counselling
- If none of the applicant's choice could be tentatively allotted on the basis of rank, the applicant can exercise the following options:
 - a) Opt for upward movement
 - if a choice is allotted in upward movement, it will be allotted to the applicant without any further confirmation. Otherwise, the applicant becomes automatically eligible for the next round of counselling, if there are further rounds of counselling.

As per Tamil Nadu Acts No.3 of 2007, dt: 05.03.2007 and G.O. If a student of the other Board secures 60 marks in Physics when the first mark in Physics in the same Board is 90, 60 marks will be considered to be equal to 66.66 marks as arrived below.

$$\frac{100 \times 60}{90} = 66.66 \%$$

For minimum eligibility, normalised marks will not be considered.
