Dear Tarun Kumar,

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Financial Engineering program at NYU Tandon School of Engineering as a Full Time student. I am also pleased to offer you a scholarship of \$4,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to the latest developments in your area of specialty.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

Be sure to accept the offer of admission and reserve a space in the Fall 2024 class before your deadline of Mar 1, 2024. To find instructions on how to accept your offer, visit engineering.nyu.edu/grad/accept-offer. You may also need to provide official and final transcripts for all previously attended academic institutions, including proof of degree completion for any institution for which you have previously attended. Failure to provide your final official transcripts, proof of degree completion and/or any other academic certificate will prevent you from registering and enrolling for any courses at NYU.

You also have access to your personalized dashboard at apply.engineering.nyu.edu/apply/status. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Tarun Kumar, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. It is my pleasure to welcome you to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Fern Ensweiler M.Ed
Assistant Dean, Admissions

*I certify that I have reviewed all of my application materials, including having previewed all uploaded documents, to insure that they are complete, correct, and legible. I agree to provide official and final transcripts for all previously attended academic institutions, including proof of degree completion for any institution for which I entered a degree conferral date in my application for admission. I acknowledge that failure to provide official transcripts, proof of degree completion and/or any other academic certificate will prevent me from registering, enrolling, and attending any courses at NYU.

I understand that my application fee is non-refundable. I certify that I have read and understood all instructions accompanying this application and

have answered all questions truthfully to the best of my knowledge. I understand that any misrepresentation or omission may be cause for denying admission or permission to register at any time. I understand that this application and all materials received in support of it become the property of New York University and will not be duplicated or returned to me for any reason. Furthermore, I understand that New York University reserves the right to deny admission or permission to register or require the withdrawal of any student at any time for any reason it considers sufficient, including scholarship, character, and personal conduct. Tandon reserves the right to share your application materials with other departments and programs within Tandon. I understand that this application may be superseded and that the University reserves the right to alter requirements or change deadlines. This form becomes part of your permanent record with the University. Please be sure all information is complete and accurate.

JRF AWARD LETTER

Dated: 29-02-2024 10:18:12

Roll No.: TN01009431

NTA Ref. No.: 230520618967

HARSHITHA M
Son/Daughter of RAVIKUMAR M
and M INDRANI

Subject: Management (including Business Admn. Mgt./Marketing / Marketing Mgt. /
Industrial Relations and Personnel Mgt. / Personnel Mgt. / Financial Mgt./Co-operative
Management

Dear Candidate

I am pleased to inform you that you have qualified for Junior Research Fellowship (JRF) and eligibility for Assistant Professor in the National Eligibility Test (UGC-NET) conducted for December 2023. The tenure of fellowship is five years and it commences from the date of declaration of NET result, i.e., 18-01-2024 (or) from the date of admission under M.Phil./Ph.D. (or) from the date of joining M.Phil./Ph.D. programme, whichever is later. The summary of financial assistance offered under the scheme is mentioned at Annexure I available on www.ugc.ac.in/netjrf

The Awardee is required to get admission and registration for regular and full time M.Phil./Ph.D. course in a University/Institution/College recognized by UGC at the first available opportunity but not later than three years from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter, in accordance with the procedure and available on www.ugc.ac.in/netjrf

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee (any bank) directly. UGC has developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities/Institutions/Colleges will link the data of the awardee with the master data on the UGC web portal with unique Maker/Checker Ids which have already been provided to them along with the password. The universities/Institutions/Colleges shall update the information in the master data (regarding monthly payment confirmation, HRA, up-gradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned universities/Institutions/Colleges, the payment of the fellowship will be made to the beneficiaries (Detailed process available at https://ugc.ac.in/ugc_notices.aspx?id=2153).

It may also be noted that UGC has proposed to link 'AADHAAR' with bank account of student so that there can be direct cash transfer and effective disbursement of fellowship into bank account of the student. In this regard, Secretary, UGC has already requested the university to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by Implementing / Awarding agency and it will also attract legal action against the Awardee in the following cases:

- I. If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship.
- II. Misconduct of Awardee.
- III. Unsatisfactory progress of research work.
- IV. Failure in any examination related to M.Phil./Ph.D..
- V. In case any other fellowship is drawn from other source(s).
- VI. Concealment of facts.

The e-Certificate of eligibility for Assistant Professor has been uploaded on <https://ugcnet.nta.ac.in> The eligibility of the candidate is to be ensured by the institution/appointing authority. The category in which the candidate had appeared may be verified from NTA. This electronic JRF award letter can also be verified by scanning the QR Code.

With best wishes,

Rajesh Kumar, IRS
Director (EXAM), NTA

Note: NTA has issued the electronic JRF award letter on the basis of information provided by the candidate in his/her online application form. The appointing authority should verify the original records/certificates of the candidate while considering him/her for JRF award or appointment, as the NTA will not be liable for any false information provided by the candidate. The NTA is only responsible for the result which can be verified from the repository available in the website of NTA (<http://ugcnet.nta.ac.in>). The candidate must fulfil the minimum eligibility conditions as laid down in the notification for UGC-NET.

A candidate is considered **qualified** if the marks secured are greater than or equal to the qualifying marks mentioned for the category, for which a valid category certificate, if applicable, must be produced along with this Score Card.

This Score Card is valid
up to 31st March 2027.

GATE SCORE COMPUTATION

The GATE 2024 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where

M is the marks obtained by the candidate in the paper mentioned on the GATE 2024 Score Card

M_q is the qualifying marks for general category candidates in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of all the candidates who appeared for the test paper

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here, μ is the mean and σ is the standard deviation of marks of all the candidates who appeared for the test paper.

Qualifying in GATE 2024 does not guarantee admission to a postgraduate program or scholarship/financial assistance. Admitting institutes may conduct additional tests or interviews for final selection of candidates.

Graduate Aptitude Test in Engineering (GATE) 2024 was organised by Indian Institute of Science, Bengaluru, on behalf of National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

Management Aptitude Test and Test Scores

1. The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
2. MAT is administered in five sections - Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Economic & Business Environment - each section testing a different ability relevant for management education.
3. All MAT administrations necessarily have different questions. Thus, one administration may be slightly more difficult or less difficult than another. Normalization and Scaling have been used to take care of these differences.
4. Normalized scores across multi session papers are based on the relative performance of all those who appeared for the test. The raw marks obtained are transformed into Normalized Score. Normalized scores are further scaled.
5. The scaled scores reported are standardized scores for respective sections. These scores are reported on a scale of 0 to 100.
6. The percentile below column indicates the percentage of candidates in the test who scored below that of the candidate in the section.
7. The Composite score is an overall scaled score based on all five sections of MAT. This is reported on a scale of 200 to 800.
8. The percentile below for the Composite Score represents the percentage of candidates whose composite scores are below the candidate's.
9. The MAT Score has a validity period of one year.
10. Personal data is as reported by the candidate.
11. The AIMA has taken due care while uploading the MAT Score. However, in case of any inadvertent error, the AIMA reserves the right to rectify the same at a later stage.

A candidate is considered **qualified** if the marks secured are greater than or equal to the qualifying marks mentioned for the category, for which a valid category certificate, if applicable, must be produced along with this Score Card.

This Score Card is valid
up to 31st March 2027.

GATE SCORE COMPUTATION

The GATE 2024 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where

M is the marks obtained by the candidate in the paper mentioned on the GATE 2024 Score Card

M_q is the qualifying marks for general category candidates in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of all the candidates who appeared for the test paper

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here, μ is the mean and σ is the standard deviation of marks of all the candidates who appeared for the test paper.

Qualifying in GATE 2024 does not guarantee admission to a postgraduate program or scholarship/financial assistance. Admitting institutes may conduct additional tests or interviews for final selection of candidates.

Graduate Aptitude Test in Engineering (GATE) 2024 was organised by Indian Institute of Science, Bengaluru, on behalf of National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

Dear Lakshmanan,

Thank you for applying through the international direct process. It is my pleasure to inform you that you have been accepted to the Business Analytics: Big Data Analytics (MS) program at the University of Massachusetts Boston for the Fall 2024 as part of the International Direct application process. Your acceptance is provisional contingent on the receipt of all final official transcripts indicating receipt of a baccalaureate degree (or its US equivalent) and all official test scores.

Please be prepared to submit your official transcripts and degree certificates upon arrival, as you will not be permitted to enroll in classes until the Office of Graduate Admissions receives them. Official test scores must be received directly from the testing agency prior to the start of the Fall 2024 semester.

At UMass Boston we are committed to high-quality teaching, research, innovation and collaborative engagement. Never in our university's history has there been a more exciting time to join UMass Boston's community of scholars, athletes, researchers, activists and achievers. Here you will grow and transform on our beautiful waterfront campus as you take advantage of the many unique opportunities afforded you at Boston's premier public research university. Your personal determination and academic qualifications demonstrate your ability to be both an impactful and successful member of the University.

With this letter you will receive information about next steps: your visa documentation and instructions, and health insurance among other useful informational pieces.

As you continue to move forward with the next phase in your educational career, we are here to help you and to answer any questions you may have about UMass Boston. Please contact the UMass Boston Global Admissions Office at admissions@umbinternationaldirect.org.

I congratulate you on your accomplishments and welcome you to the University of Massachusetts Boston community. We are confident that you will find us accessible and responsive to your needs and concerns and hope that you will not hesitate to call on us if the need arises. I wish you success in your graduate studies.

Sincerely,

IMPORTANT INFORMATION

This information forms part of your agreement with Deakin University

DATES

Key dates

Key dates including course start and finish dates for the main study periods, exam periods, census dates, public holidays and holiday breaks are outlined here: deakin.edu.au/important-dates.

Please note you are advised to check your course outline for information about study or placement requirements which may occur outside of these dates.

Expected completion date

The expected course completion date is stated in this offer and on your Confirmation of Enrolment (COE). This is the completion date of your course if you follow an agreed study plan and your course progress is at 100%. Should you fail any units, change major or stream, or transfer courses, your course completion date is likely to change.

Your COE end date has been confirmed by your faculty as the date you can complete your course by following the approved study plan.

Some mandatory or non-mandatory parts of this course must be taken on campus. Please ensure you read the course outline and university handbook carefully to understand these obligations.

ACCOMMODATION

Deakin offers on and off campus accommodation options for students at each of our four campuses. For full details, please view: deakin.edu.au/accommodation. For homestay accommodation, please refer to deakin.edu.au/international-students/dueli/where-to-live/homestay.

ORIENTATION

International students are strongly encouraged to attend orientation. You will find out about the services and facilities on your campus, get to know more about your course, meet other new students and learn important information that all international students need to know. Attending orientation will help you to feel more confident about starting your university journey at Deakin. For full details, please view: deakin.edu.au/getting-started.

For Deakin University English Language Institute (DUELI) orientation, please refer to deakin.edu.au/international-students/dueli/orientation.

STUDY REQUIREMENTS

Course and unit requirements

The Handbook contains course and unit information for all study periods. Course level information includes course structure, indicative workload and course rules (including any requirement to complete Work Integrated Learning (WIL)). Unit level information includes prerequisites, modes of study, contact hours, content, assessment and other requirements to complete the unit. For example - National Police Record Check, Working With Children Check or immunisations. For full details, please view: deakin.edu.au/handbook.

Work Integrated Learning (WIL) includes an industry work placement as a compulsory part of your degree. There are different types of industry work placements, including industry based learning (IBL), work based learning, career placement, community based placement and volunteering placement. These placements can start at any time and are not linked to a particular study period. Please check the Handbook for any compulsory WIL requirements relating to your course.

Online study

While onshore on a student visa, International students can undertake 33% (one third (or equivalent)) of their course online, with at least one unit of face-to-face study in a compulsory study period. The only exception is if you have one unit to complete in your final study period – this can be completed on-line.

Course progress

Student visa condition 8202 states that you must remain enrolled and maintain satisfactory course progress for each student period. Deakin reviews all students' academic progress each study period. For full details, please visit: deakin.edu.au/students/studying/assessment-and-results/academic-progress.

DUELI students undertake several assessments tasks throughout each teaching block. Students are required to pass these assessment tasks in order to progress to the next level, or meet the English language requirements to enter into the intended award course. Students who fail at a given level three times will be unable to progress to the next level. DUELI students are also required to attend 80% of scheduled classes. Students with unsatisfactory attendance will be reported and this may impact on your student visa.

Study support

Deakin has a team of staff and students dedicated to providing study support services to help get the most out of your learning experience. If you are failing assessments and/or do not feel that you are doing as well as you could, please seek help. For full details, please visit: deakin.edu.au/studying.

FEES

Tuition fees

Fees are subject to review each year and may increase to accommodate any increases in the cost of delivering the course and support during your studies. You can choose to pay more than 50% of your tuition fees before course commencement.

Non-tuition fees

Deakin's non-tuition fees and charges can be viewed at deakin.edu.au/other-fees-and-charges.

You may incur other costs while studying your course. For example, there may be costs associated with some units, such as the requirement to obtain a laboratory coat for a chemistry unit. These costs may also vary based on how you choose to obtain items. For example, purchasing text books through the university co-operative, or purchasing stationary online or at a supermarket. You may also find some items you require available as second-hand items.

Overseas Student Health Cover (OSHC)

All international students (and their dependants) are required to have OSHC for the duration of their student visa. Deakin's preferred provider is BUPA. Please refer to the information at the following website for details: deakin.edu.au/international-students/living-in-australia/health-and-safety.

For more information about the BUPA products you can purchase through the Deakin admission process, please visit the following links:

- Single: bupa.com.au/AdvantageOSHCVIC5
- Couple: bupa.com.au/AdvantageOSHCVICC
- Families: bupa.com.au/AdvantageOSHCVICF

The OSHC rate contained in this offer is correct at the time of offer. Please accept your offer as soon as possible to secure this rate. From time to time BUPA will adjust rates and these adjustments may affect the amount you are required to pay. You will be notified if there is a change in the BUPA rate prior to your acceptance.

Student visa condition 8501 states that you must maintain OSHC during your stay in Australia.

Department of Home Affairs funds capacity requirements

Financial capacity requirements including cost of living, schooling for school age dependents and access to funds are outlined here: homeaffairs.gov.au/Trav/Stud/More/Student-Visa-Living-Costs-and-Evidence-of-Funds.

Student visa condition 8516 states that you must continue to satisfy the requirements for grant of your student visa. This means, for example, that you continue to have sufficient financial capacity to support your study and stay in Australia.

REFUNDS

Students may be entitled to a full or partial refund in certain circumstances.

International students are entitled to a full refund if:

- you are refused a student visa by Australian Government authorities;
- an offer is withdrawn, or Deakin is unable to deliver the course of study at the campus location on the agreed start date, or if the course ceases to be delivered at the campus location after the course has started but before it is completed; or
- the Australian Government has limited Deakin's right to conduct courses for overseas students.

Refund policy for commencing degree & non-award students

International students in their first study period who have withdrawn after having paid their fees are entitled to a partial refund if you:

- withdraw from course/unit(s) at least four weeks prior to the start of the teaching period – a 90% refund is payable; or
- withdraw between four weeks prior to the start of the teaching period and the relevant census date – a 50% refund is payable.

If detailed in your Letter of Offer, non-refundable amount will be retained if you withdraw from your studies prior to the census date of your first teaching period. Please refer to the Letter of Offer for details.

No refunds are payable if you withdraw after census date.

To apply for a refund, please complete the Application for Refund of Fees: deakin.edu.au/refund-for-international-students.pdf and email to int.release.refund@deakin.edu.au.

Refunds will be made by electronic funds transfer in Australian dollars to the nominated person/sponsor who initially paid the fees. It takes four weeks for a refund application to be processed.

Students in their second and subsequent study periods will be eligible for refunds in accordance with continuing students refund policy: deakin.edu.au/withdrawal-dates-for-current-international-students.

Refund policy for DUELI courses

You are entitled a full refund if you:

- you are refused a student visa by Australian Government authorities;
- are unable to fulfil the conditions of an offer;
- fail to meet course progress requirements and you have paid fees for a future period where you are not permitted to enrol;

- submit written evidence of your intention not to commence the course more than four weeks prior to the commencement of the English language course.

You are entitled to a 50% refund if you provide advice less than 28 days prior to the commencement of the course. The maximum amount retained by Deakin will not exceed 12 weeks of the published tuition fee.

Non refundable fees:

- DUELI enrolment and DUELI orientation fee
- You will not be granted a refund of course fees if your course has commenced except if approval due to compassionate and compelling circumstances.

You may apply for a refund if compassionate or compelling circumstances exist. An application must be made in writing to the Director of DUELI. Attach proof of payment of the fees (e.g. an official receipt) and evidence of the reasons for applying for a refund must be provided.

Course duration is defined as the total length of your enrolment at DUELI.

Refunds will be made by electronic funds transfer in Australian dollars to the nominated person/sponsor who initially paid the fees. It takes four weeks for a refund application to be processed.

RIGHTS AND RESPONSIBILITIES

Collection and use of personal information

Deakin may disclose your personal information to Australian government agencies, including the Department of Home Affairs and the Department of Education and Training, where required by legislation or to support your visa application. Your personal information will also be disclosed to your overseas student health cover provider and, if you are under 18 years of age, to the carer appointed for you.

Deakin manages personal information it holds, including requests by individuals for access to their personal information, in accordance with the Privacy and Data Protection Act 2014 (Vic) and the Health Records Act 2001 (Vic). Deakin's Privacy Policy may be viewed at the Deakin Policy Library – policy.deakin.edu.au. For further information on privacy at Deakin please contact +61 3 5227 8524 or email privacy@deakin.edu.au.

Student visa condition 8533 states that you must notify Deakin of your residential address within 7 days of arriving in Australia, or within 7 days of changing your address. This includes your mobile number and email address. You must also supply Deakin with an emergency contact person and contact details for this emergency contact person.

The Education Services for Overseas Student (ESOS) framework

Australia provides rigorous protection for international students through the Education Services for Overseas Students framework, which protects and enhances Australia's reputation for quality education, provides tuition protection and supports the integrity of the student visa program. This framework includes the Education Services for Overseas Students Act 2000 (ESOS Act), the National Code 2018 and ELICOS Standards 2018. For further details, including information about the Tuition Protection Service (TPS), please view: dese.gov.au/esos-framework.

Your documents

The National Code 2018 requires you to keep a copy of this agreement and receipts or other evidence of payment of fees.

The Tuition Protection Service (TPS)

The TPS assists international students whose education provider is unable to fully deliver their course of study. The TPS ensures that students are able to complete their studies with another education provider, or receive a refund of unspent tuition fee. In the unlikely event that Deakin is unable to deliver a course and does not meet our obligations to offer you an alternative course, or issue a refund of unspent tuition fees, please contact the TPS: tps.gov.au/.

Complaints and appeals

Deakin is committed to providing outstanding services and administrative process. If for any reason you are dissatisfied with the service we have provided, or you have a suggestion about how we can improve, please contact us by emailing deakin-int-admissions@deakin.edu.au. If you are not satisfied with the response you have received and would like to make a formal complaint, please visit: deakin.edu.au/students/dean-of-students/complaints.

This agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law Applies.

Students Under 18 Years of Age

International student under 18 years of age must demonstrate that they have adequate welfare arrangements in place before they can be granted a student visa. The options are:

1. Nominate a parent / legal custodian or a relative over 21 years to be your student guardian. Information about the Department of Home Affairs welfare requirements can be found on their website homeaffairs.gov.au/Trav/Stud/More/welfare-arrangements-under18, or
2. Arrange for Deakin University to approve your welfare arrangements in accordance with the Deakin approved guidelines for acceptable welfare and accommodation arrangements. Information about Deakin guidelines for under 18 students can be found at deakin.edu.au/international-students/entry-requirements/students-under-18.

It is a condition of your enrolment that under 18 students must stay in approved accommodation and have care arrangements in place until they turn 18, including any period of non-enrolment. Any changes to welfare arrangements must be approved by Deakin. Under 18 students cannot enter Australia before the commencement of welfare arrangements. This is a student visa condition.

Release approval

Students transferring to Deakin University from another Australian education provider prior to completing six months in their principal course may be required to obtain approval for release. This release is required to enable Deakin to issue a Confirmation of Enrolment (COE) and finalise your acceptance to study at Deakin.

Autonomous sanctions

In accordance with the Department of Foreign Affairs and Trade (DFAT) autonomous sanctions requirements, Deakin will complete a consolidated list check of all applicants from sanctioned countries prior to processing the offer acceptance form. Australian law restricts the use of funding obtained from various foreign persons and entities. Information about these restrictions and lists of entities to which restrictions apply are available on the Department of Foreign Affairs and Trade website at dfat.gov.au/icat/unsc_financial_sanctions.html. You must check the website and ensure that you do not make or arrange any payments using funds obtained from any prohibited person or entity.

Terms and Conditions

DEAKIN - DEAKIN INDIAN MERIT SCHOLARSHIPS 25% POST GRAD

Congratulations on being awarded the Deakin India 25% Merit scholarship!

The scholarship has been offered to you subject to the Terms and Conditions outlined below. These terms and conditions relate to the Deakin India 25% Merit Scholarship that you have been offered in your letter of offer. If you wish to accept the scholarship, please ensure you carefully read the terms and conditions and sign and return this document to Deakin.

1. The maximum value of the scholarship is 25% of the total indicative tuition fee payable to Deakin University as stated in your letter of offer.
2. This scholarship is only applicable to students who are a citizen of India, living in India and applying through a Deakin authorised agent based in India.
3. If your letter of offer is conditional upon providing final transcripts/results from your previous studies, grant of this bursary is conditional upon successfully meeting the condition(s) of your letter of offer and achieving one of the following criteria:) 80% overall in Year 12 scores of CBSE / ICSE / State Board;) 10 Overall in the General Certificate of Secondary Education (GCSE) / A level;) 32 Overall in the International Baccalaureate Diploma Programme (IBDP);) 75% overall grade in undergraduate degree.
4. The scholarship is only available for the specified award course, intake and credit points indicated in your letter of offer. Any approved credit transfer or recognition for prior learning (RPL) reduces the number of credit points required to complete your course and therefore reduces the total value of your scholarship.
5. The scholarship will not be applied to additional credit points required for course completion in the event that you fail, repeat units or undertake additional units. Additional units to complete the course will be at your own cost and the scholarship will not be applicable to these units.
6. The scholarship is only applicable to the course detailed in your letter of offer. Course transfers will require University approval. In the event of an approval, your scholarship will be re-assessed and equal the number of credit points in your initial course and cannot be extended should a transfer to a longer course be approved.
7. The scholarship cannot be deferred from the commencement date stated in your letter of offer. Deferrals will require University approval and the scholarship will be re-assessed if you defer your course.
8. The scholarship will not continue to be applied if you discontinue your studies at Deakin. If you apply for readmission and wish to be considered for scholarship you must re-apply for a scholarship and/or meet the scholarship eligibility criteria based on your most recent studies and have at least 8 credit points to complete your Deakin course.
9. The value of the scholarship cannot be redeemed for direct payment. If you withdraw within a refund period, the scholarship is not refundable. If you apply for intermission, no benefit is payable or financial credit accrued during the period of intermission.
10. The scholarship does not cover Overseas Student Health Cover or any other costs associated with your studies at Deakin University.
11. The scholarship will not be applied to your record without an enrolment status of good standing; for example, for reasons of non-payment of fees or having an encumbrance on your enrolment record.
12. To sustain this scholarship you must maintain an academic performance of a minimum of 65% Weighted Average Mark (WAM) in each trimester of study at Deakin.
13. The scholarship is only available to commencing students enrolled in an international fee paying place at Deakin.
14. If you are applying for more than one scholarship/bursary and are waiting on an outcome for a scholarship/bursary; or if your letter of offer is conditional, you should still accept this scholarship. Please note that if you are offered more than one Deakin scholarship/bursary, only one scholarship/bursary will be applied to your student record when you enrol at Deakin. In most cases, the scholarship/bursary of higher value will be applied, provided you accept within the specified timeframe and/or satisfy the conditions of that scholarship/bursary (if applicable).

About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

If your scores are not available for any reason, you will see “Not Available” in Your Test Score History.

GRE test scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2021, are reportable through July 2, 2026. Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Beginning in September 2023, the subscores on the Physics and Psychology Tests will be reported as percent correct scores (i.e., the percentage of questions in a subscore area answered correctly). Subscores earned after September 2023 should not be compared with scaled subscores earned prior to September 2023.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Free GRE Diagnostic Service

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

Retaking a GRE Test

You can take the GRE General Test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can retake a GRE Subject Test once every 14 days.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see <https://www.ets.org/gre/test-takers/general-test/scores/understand-scores.html>.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

A candidate is considered **qualified** if the marks secured are greater than or equal to the qualifying marks mentioned for the category, for which a valid category certificate, if applicable, must be produced along with this Score Card.

This Score Card is valid
up to 31st March 2027.

GATE SCORE COMPUTATION

The GATE 2024 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where

M is the marks obtained by the candidate in the paper mentioned on the GATE 2024 Score Card

M_q is the qualifying marks for general category candidates in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of all the candidates who appeared for the test paper

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here, μ is the mean and σ is the standard deviation of marks of all the candidates who appeared for the test paper.

Qualifying in GATE 2024 does not guarantee admission to a postgraduate program or scholarship/financial assistance. Admitting institutes may conduct additional tests or interviews for final selection of candidates.

Graduate Aptitude Test in Engineering (GATE) 2024 was organised by Indian Institute of Science, Bengaluru, on behalf of National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

Biomedical Sciences*

Dear Abinanda,

Congratulations from the Icahn School of Medicine at Mount Sinai!

I am very pleased to offer you a place in the Master of Science in Biomedical Data Sciences program (MSBDS) in the Graduate School of Biomedical Sciences, for the Fall 2024 term. New Student Orientation will begin the week of August 5th and classes will start the week of August 12, 2024.

The program is 30 credits and can be completed in 1½ years. For a typical course sequence visit: [Program Structure & Curriculum](#).

Since the program is an integrated part of an active health system, we require all students to complete a toxicology screening prior to matriculation and an online HIPAA training during orientation. Please note that your acceptance is contingent upon the results of your toxicology screening and the completion of all other pre-enrollment requirements.

As you consider your decision, please do not hesitate to reach out regarding any questions you may have. You can contact me, eric.sobie@mssm.edu, or our Program Manager, Roland Pinzon (roland.pinzon@mssm.edu).

Please let us know your decision to enroll by June 14, 2024 by 5:00 pm EST. You must submit your decision by logging in to your account: [Online Application](#) along with a \$200 deposit. Once you have accepted our offer online, you will receive details about the enrollment process via email. If this timeline is problematic, please contact the program manager directly at roland.pinzon@mssm.edu.

We look forward to having you as a member of our Master's Program, which is on the frontiers of biomedical data science innovation. Congratulations!

Sincerely,

Eric Sobie, PhD

About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

If your scores are not available for any reason, you will see “Not Available” in Your Test Score History.

GRE test scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2021, are reportable through July 2, 2026. Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Beginning in September 2023, the subscores on the Physics and Psychology Tests will be reported as percent correct scores (i.e., the percentage of questions in a subscore area answered correctly). Subscores earned after September 2023 should not be compared with scaled subscores earned prior to September 2023.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Free GRE Diagnostic Service

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

Retaking a GRE Test

You can take the GRE General Test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can retake a GRE Subject Test once every 14 days.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see <https://www.ets.org/gre/test-takers/general-test/scores/understand-scores.html>.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

This Score Card is valid
up to 31st March 2027.

GATE SCORE COMPUTATION

The GATE 2024 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where

M is the normalised marks obtained by the candidate in the paper mentioned on the GATE 2024 Score Card

M_q is the qualifying marks for general category candidates in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of all the candidates who appeared for the test paper (i.e., including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared for the test paper.

SCORE CARD

COMPUTATION OF NORMALISED MARKS

Computer Science and Information Technology (CS) and Civil Engineering (CE) were conducted in two sessions in GATE 2024. For such multisession papers, a suitable normalisation is applied to take into account any variation in the difficulty levels of the question papers across sessions. The normalisation is done based on the assumption that, in multisession GATE papers, the distribution of the abilities of the candidates is nearly the same across sessions. This assumption is reasonable because the number of candidates appearing for the test papers is large, the number of candidates allotted to the sessions are comparable, and the procedure for allocation of candidates to the sessions is random.

The normalised marks of the j^{th} candidate in the i^{th} session, denoted by \hat{M}_{ij} , are computed as

$$\hat{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{ti} - M_{iq}} (M_{ij} - M_{iq}) + M_q^g$$

where

M_{ij} is the actual marks obtained by the j^{th} candidate in the i^{th} session

\bar{M}_t^g is the average marks of the top 0.1% of the candidates considering all sessions

M_q^g is the sum of mean and standard deviation of marks of the candidates in the paper considering all sessions

\bar{M}_{ti} is the average marks of the top 0.1% of the candidates in the i^{th} session and

M_{iq} is the sum of the mean and standard deviation of marks in the i^{th} session.

Qualifying in GATE 2024 does not guarantee admission to a postgraduate program or scholarship/financial assistance. Admitting institutes may conduct additional tests or interviews for final selection of candidates.

Dear Raksheka Rajakumar,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Electrical and Computer Engineering (Machine Learning within the Andrew and Erna Viterbi School of Engineering for Fall 2023). Your objective is the Master of Science. Please include your USC ID (5272-5407-68) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which includes specific information about registration and enrollment. You will also find a link to the portal at you.usc.edu when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Timothy V. Brunold

COURSE CREDIT/UNIT VALUE

A semester unit is a credit of one hour week for one semester (14 to 15 week in length).

COURSE NUMBERING SYSTEM

1st year, 100-199; 2nd year, 200-299; upper division without graduate credit, 300-399; upper division with graduate credit, 400-499; graduate years, 500-599; Dentistry, Pharmacy, Medicine & Law with 100, 300, 400 and 500 respectively and extend as many hundreds as years in course.

THE GRADING SYSTEM

The following grades are used: A-excellent; B-good; C-fair; D-minimum passing at undergraduate level, failing at graduate level; F-Failed. In addition, plus and minus grades are used, with the exceptions of A plus, F plus, and F minus. The grade of F indicates that the student failed at the end of the semester or was doing failing work at the time of officially dropping the course after the twelfth week of the semester. CR-credit (passing grade for non-letter graded courses equivalent to B quality or better for graduate students. C quality or better for undergraduate students). NC-no credit (failing grade for non-letter-graded courses). For undergraduates, P-pass (passing grade equivalent to C quality or better for letter-graded courses where a student elects to take it on a Pass/No Pass basis). For graduate students, P – pass (passing grade equivalent to B quality or better for letter-graded courses where a student elects to take it on a Pass/No Pass basis). NP-no pass (failing grade for courses taken on a Pass/No Pass basis).

The following marks are also used: W-withdrawn; UW-unofficial withdrawal; NR-no record or attendance; MG-missing grade (an administrative mark used in cases where an instructor fails to submit a final course grade for a student); IN-incomplete (work of passing quality through the twelfth week of the semester but not completed because of illness or other good reason). Undergraduates must remove incompletes in undergraduate level courses by the end of the semester following the one in which in IN was assigned. Graduate students are allowed one year from the date of assignment of the mark of IN in graduate level courses. If not removed within the specified time limits, marks of IN automatically become grades of IX (expired incomplete) and the units calculate in the grade point average with zero grade points. IP-in progress (interim mark for course exceeding one semester).

A system of grade points is used to determine a student's general average or standing. Grade points are assigned to grades as follows for each unit in the credit value of a course; A, 4 points; A-, 3.7 points; B+, 3.3 points; B, 3 points; B-, 2.7 points; C+, 2.3 points; C, 2 points; C-, 1.7 points; D+, 1.3 points; D, 1 point; D-, 0.7 points; F, 0 points; IX, 0 points; UW, 0 points. Marks of CR, NC, P, NP, W, NR, MG, IN and IP do not affect a student's grade point average.

About Your GRE® Score Report
Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see “Not Available” in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Yogalakshmi Saravanan**Most Recent Test Date: August 30, 2021**

Date of Birth: September 18, 1999

Registration Number: 9775118

Retaking a GRE Test

You can take the GRE® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and GRE® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/understand.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Organising Institute: Indian Institute of Technology Kharagpur

General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,
 M is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard
 M_q is the qualifying marks for general category candidate in the paper
 M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
 $S_q = 350$, is the score assigned to M_q
 $S_t = 900$, is the score assigned to M_t

In the GATE 2022 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

Dear Rahul Adithyaa Ravichandran,

Congratulations! You have been selected for provisional admission to the Industrial and Systems Engineering MS program at Binghamton University. Your academic and professional accomplishments are impressive, and we are confident that you will be an excellent addition to the University community. We sincerely hope that you will join us for the Fall 2022 semester.

Your offer of admission is provisional because we have not yet received immigration and financial documentation required by the United States Department of Homeland Security.

Once we receive and verify this documentation, your application will automatically be moved forward in the admission process.

Please make sure the following items are uploaded to your status page:

Date: 20th May, 2022

Dear Uthraa K R
(Application No: 221M02314),

Congratulations on your admission to IIT Gandhinagar! You are about to join a dynamic institution that is committed to innovation and excellence in education. We take tremendous pride in our novel approach to academics and our futuristic outlook, and look forward to having you join us soon in this exciting endeavour. Our vision and mission statements are enclosed.

You have been selected for admission to the M.Tech-Regular Programme in the discipline of Chemical Engineering-CL. The general terms and conditions of your admission are also enclosed (Enclosure 1), along with details on fee payment (Enclosure 2). You will receive Institute fellowship as per norms.

As an institution, we are committed to adopting the best standards and practices in education. We therefore take an uncompromising position on ethical conduct and human values. We believe in equal opportunities for all and are committed to a policy of non-discrimination against any individual based on his/her ethnicity, caste, religion, gender or socio-economic status. We also have a "zero tolerance" policy towards ragging, harassment and bullying of any sort (Enclosure 3). You are also required to submit a signed statement on good conduct and academic honesty (Enclosure 4).

Students will be provided with hostel accommodation and access to other facilities of the Institute on their arrival (Enclosure 5). Hostel rooms may have to be shared with other students. The Institute can currently accommodate only very limited guests of the students inside the campus. Students are not permitted to accommodate guests in their rooms. All guests are expected to make their own arrangements for guest accommodation outside the campus.

IIT Gandhinagar is a modern campus with a number of facilities available for our students. The list of campus facilities is available at <https://campus.iitgn.ac.in/facility/>. We are also a green campus, and all members of the community are encouraged to adopt sustainable use of all resources. In particular, we strongly encourage walking and bicycle use, and use of personal motor vehicles by the students inside the campus is not permitted.

You are required to arrive at the Institute campus by 5 PM on 17 July 2022. The joining and registration procedures have to be completed on 18 July 2022. You are required to attend the orientation programme, "Aarohan" details of which will be shared in due course. If you are unable to register on 18 July 2022, we will presume that you are not interested in admission to IIT Gandhinagar. At present there is no requirement of quarantine but you must be fully vaccinated before you arrive on campus. However, if the Institute quarantine norms changes in view of the evolving pandemic situation, a revised schedule of arrival on campus will be intimated in due time.

Please do not hesitate to contact the Academic Office if there are any questions. We look forward to personally welcoming you at IIT Gandhinagar soon.

With best wishes,

Kabeer Jasuja

Most Recent Test Date: December 15, 2020

Date of Birth: September 4, 1999

Registration Number: 8532474
Print Date: December 24, 2020**About Your GRE® Score Report****Score Reporting Policies**

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/understand.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Management Aptitude Test and Test Scores

- 1 The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
- 2 MAT is administered in five sections-Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Indian & Global Environment-each section testing a different ability relevant for management education.
- 3 All MAT administrations necessarily have different questions. Thus one administration may be slightly more difficult or less difficult than another. Scaling has been used to take care of these differences.
- 4 The scaled scores reported are standardised scores for respective sections. These scores are reported on a scale of 0 to 100. Extreme scores (below 15 or above 85) are rare.
- 5 The percentile below column indicates the percentage of candidates in the test who scored below that of the candidate in the section.
- 6 The Composite score is an overall scaled score based on the first four sections of MAT. This is reported on a scale of 199 to 801.
- 7 The percentile below for the Composite Score represents the percentage of candidates whose composite scores are below the candidate's. The composite score has a validity period of one year.
- 8 All scores and percentile below figures are reported after rounding off to the nearest whole number.
- 9 Personal data is as reported by the candidate.

* Normalized marks for Civil Engineering (CE), Computer Science and Information Technology (CS) and Mechanical Engineering (ME) Papers.
** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard.

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard
M_q is the qualifying marks for general category candidate in the paper
M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
S_q = 350, is the score assigned to M_q
S_t = 900, is the score assigned to M_t

In the GATE 2021 score formula, M_q is 25 marks (out of 100) or μ + σ, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Programme: 3 Year LL.B Programme

Scaled Score	Score Band	Percentile	Test Administration
440	438—442	10.32%	May/June 2021

This LSAT—India Score Report includes the following information:

- LSAT—India Scaled Score
- LSAT—India Score Band
- LSAT—India Percentile

Scaled Score: Your LSAT—India scaled score is based on the number of questions you answered correctly (your raw score) and is an estimate of your actual proficiency in the skills tested. As there are slight differences in the difficulty of different versions of the LSAT—India across test administrations, these raw scores are not directly comparable. For this reason, your raw score is converted to an LSAT—India scaled score that ranges from 420 to 480, with 420 being the lowest possible score and 480 being the highest possible score. LSAT—India scaled scores can be directly compared across different administrations and testing years.

Score Band: LSAT—India scaled scores are reported along with a score band because the estimate of proficiency provided by a given LSAT—India scaled score is not perfectly accurate. Your actual proficiency in the skills tested on the LSAT—India may be slightly higher or slightly lower than that reflected by the score you received. The score band indicates a range of scores, including scores slightly higher and slightly lower than the score you received. Your actual proficiency in the skills measured by the LSAT—India is likely to fall within this range.

Percentile: To aid you in interpreting your LSAT—India scaled score, a percentile for your scaled score is also reported. Your percentile reflects the percentage of candidates for your programme whose scores were lower than yours within the test administration you took. For example, a percentile of 79.66% indicates that you scored higher than 79.66% of test takers for your programme who took the LSAT—India within the same administration. Note that the percentile of test takers seeking entrance to a 5 Year Integrated Law Programme cannot be compared to the percentile of those seeking entrance to a 3 Year LL.B Programme.

By accepting your offer of a place, a Student Contract will be formed between you and the University. A copy of the 22/23 Student Contract will be sent in due course, which you will be signing up to when you enrol. A copy of the [21/22 Student Contract](#) can be found on our website. This Offer Letter, the 22/23 Student Contract (and the documents referenced within it), detail the rights and the obligations you will be bound by during your time as a student and contain the obligations that the University will owe to you. You should read the Student Contract before you accept an offer of a place and before you enrol at the University.

Your Student Contract with the University begins as soon as you accept your offer. If you want to cancel your place, you have the right to do so within 14 days of accepting the offer. Within that 14 day cooling off period, you do not have to give a reason for cancelling. However, you must tell us that you want to cancel your place in a clear, written statement. If you need help making your statement clear, you can fill out the cancellation form attached to the enclosed 22/23 Student Contract and email it to applications.io@coventry.ac.uk.

Enrolment Details

Further information will be sent to you by email advising you on how to enrol, most importantly:

- Ensure you do bring originals of the academic documents used by the Admissions team to issue your CAS to you [these would be stated on your CAS in the evidence to obtain offer section.] for verification by the University's Compliance team
- Ensure your personal details including your full names and date of birth on your original academic documents **do match** the same details on your passport. If there are any discrepancies between these documents and your passport you need to provide a supporting letter from your previous institution confirming you are indeed the same person who studied with them and was awarded the qualification. Please note the University **does not accept** affidavits and these would not be accepted for enrolment.
- You must have paid up to £8000.00 before you arrive to enrol.

Further information can be found at <https://www.coventry.ac.uk/london/student-life/arrival/>

Document Verification – Academics and Evidence of English Proficiency

At enrolment, we will need to verify your academic and English qualifications stated on your CAS or Unconditional Offer letter. You **MUST** bring these original documents with you to enrol onto your course. Photocopies or electronic copies will **NOT** be accepted and you will not be able to enrol. Likewise, you may not be allowed to attend classes if originals of these are not provided.

Tuition Fees

The University will charge tuition fees in accordance with the 'Tuition Fee Terms and Conditions and Refund Policy. **Please ensure that you read the 'tuition fee terms and conditions'**':

<https://www.coventry.ac.uk/the-university/key-information/registry/withdrawal-refunds/>

International Students (Non-EU) are required to pay a tuition fee deposit at each Academic Stage/Year to secure a place. Before you can fully enrol onto your course, or each Academic Stage/Year, **£8000.00 of your full tuition fees for the relevant Academic Stage/Year must be received by the University**. Please ensure you allow sufficient time (approx. 7- 10 working days) for your payment to be processed by your bank, received by the University and credited in to your student account. You may not be able to attend classes and have full access to University facilities, if you do not fulfil all the requirements for enrolment.

If you have to extend your studies beyond the normal duration of the course (e.g. to repeat a year or re-sit examinations) the University reserves the right to charge you fees at a higher rate during the additional period of study.

This offer is produced on our understanding that you are an overseas fee payer. If for any reason you believe you are a Home student, you need to complete a fee assessment form and provide all supporting documents for us to assess and confirm your fee status. We will need this completed at least 8 weeks to the start of your course. No applications for fee assessment will be accepted if we will not have enough time to process your request and make an informed decision to confirm your fee status before you are enrolled on the course. If you commence your studies as an overseas fee payer, without a fee assessment, you will remain an overseas fee payer for the duration of your course, unless there is a significant change in your immigration status and at the University's discretion.

Please note you may be asked to provide evidence of your financial documents before your CAS is released to you. Your financial documents must meet the requirements for a student visa application. You can find more information here: <https://www.gov.uk/student-visa>

EU Students

If you have the right to live in the UK, including under the UK Government's EU Settlement Scheme or because you are from the Republic of Ireland, you may be exempt from paying international fees and we encourage you to contact us via ukadmissions@coventry.ac.uk to discuss this further. Please note you will be required to provide documentation to prove your fee status eligibility.

Relevant Unspent Criminal Convictions

The University asks all individuals seeking sponsorship by the University to declare any relevant unspent criminal convictions in accordance with its 'Disclosure of Criminal Convictions Policy and Procedure'. If you accept this offer, you will receive an email with a declaration form which you must return to the University for consideration before your CAS will be issued to you.

You can see the 'Disclosure of Criminal Convictions Policy and Procedure' [here](#)

How to Pay (you will need to quote your Student ID number and full names when making payment):

- Online (for the London Campus): [Here](#)
- By bank transfer*** and other methods- see information: [Here](#)

*** In some instances, we may need to track your payment in order to process your application further, so please include a scanned copy of your MT103 form when you send us your evidence of payment by email.

Please note that students or 3rd parties may no longer be able to pay in Cash deposits at the branch counters at some UK banks. So we strongly advice you make your tuition payment(s) using one of the options highlighted above.

Tuition Awards and Scholarships

If you have been awarded a tuition award or scholarship, you will only be able to apply them onto your final tuition payment (not towards your second instalment). If paying your full fees upfront, at once before enrolment, we recommend that you deduct the value of the tuition award or scholarship before making your full payment. Refunds could take numerous weeks to process.

Academic Progression

If you have ever studied in the UK prior to joining the University, you must provide details of any study undertaken, including results and copies of visas held. You should also inform us of any courses you have failed or failed to complete for any reason. Failure to disclose this may result in visa refusal or withdrawal of our sponsorship of your study in the UK.

If you are being sponsored by a UKVI approved organisation (such as your Government or your employer), please ensure you provide us with a formal and acceptable letter of Sponsorship confirming the terms of the sponsorship, in accordance to the tuition and maintenance fees stated above.

Please note that the University does not accept MOHE sponsored student onto Undergraduate courses that are less than 3 years in length.

Completing the under- 18 Parental Consent and Guardianship Form (if required)

If you are under the age of 18 at the time you accept this offer, you need your parent or guardian's consent and you must fill in the form providing us with contact details of a UK-based parent/guardian, who will be accessible to the University should the need arise.

We will not issue your CAS letter if this form is not completed fully and returned to us.

Alternative Offers

Please note that admissions onto our courses are subject to you fulfilling our minimum entry requirements. If we assess your application and qualification(s) (with you providing a portfolio, undergoing a faculty interview where required) for a particular course, we may have offered you an alternative course that is more suitable to you based on your qualifications and skill set. Please note, alternative courses offered may take place at one of our other campuses. Please read the offer details above very carefully.

MDes or MEng Programmes are over four years with the possibility of doing an Industry Enhancement year. This is reflected within the exit titles associated with the four-year courses, either Sandwich BA/BEng (Hons) qualification or an integrated Masters course with an MDes/MEng qualification. The Integrated Masters route is designed for high achieving students to continue their studies and to develop advanced technical skills; as such, achievement attained during level 2 is used to determine suitability for progression. Additionally, a three year BA (Hons) degree is available for those wishing to omit the Industry Enhancement year. We would only issue an offer and CAS for a standard 3 year or 4 year BA/BSc Degree and not for an integrated masters.

If you opt to extend the length of your course after your visa has been granted and this extension does not involve an Industrial placement, you will be required to return to your home country in order to extend your student visa. You will be responsible for covering all additional costs associated with this including visa applications and return travel.

Data protection

The University has a comprehensive Data Protection Policy which can be found on our website.

You can find out more about how the University handles student data and your rights in relation to data protection in our Fair Processing Notice for students a copy of which can be found on our website at <https://www.coventry.ac.uk/the-university/gdpr-and-data-protection/information-for-students/>. It is important that you read this Fair Processing Notice as it will tell you what personal information we collect from you, why, what we do with it and who we may share it with.

Personal Details

Please notify us if you change your address, email or telephone contact details so that we will keep in touch with you until enrolment. Good luck with your preparations and we hope you will be able to join us at the University soon. If you have any further queries please do not hesitate to contact us.

We look forward to having you as a student at Coventry University London.

Yours Sincerely

October 8, 2021

Mr. Ganesh Jothilingam
No. 9, 1st Mainroad HI Colony Pa, Pammal
Chennai, Tamil Nadu 600075
India

Dear Mr. Jothilingam,

We are pleased to offer you admission to pursue full-time graduate study in the Civil Engineering M.S. program at Stony Brook University beginning the Spring 2022 semester. We are delighted that you elected to apply to Stony Brook and we know that your presence here will contribute to the excellence of our graduate program.

This offer does not include any financial support. However, depending upon academic progress, support may become available from a faculty member with research grants. Usually students make such arrangements with a faculty advisor once they become familiar with various research projects in the Department.

Financial support for graduate students may also come from the SPIR (Strategic Partnership for Industrial Resurgence) Program, which is a New York state sponsored economic development program that allows NY based companies to work with the university. Please note that in virtually all cases funding through SPIR cannot be arranged prior to your arrival. Other possible sources of funding may be available to you through the campus [Financial Aid Office](#). Additional tuition and fees information regarding estimated expenses while you are a student at Stony Brook can be found [here](#).

Housing for graduate students is extremely limited. If you are interested in on-campus housing, please visit: www.stonybrook.edu/housing or call: 631-632-4863.

If you accept our offer of admission, the Graduate School's ['New Student Road Map'](#) is particularly helpful in helping you navigate your next steps. I encourage you to visit this site at your earliest convenience.

As a newly admitted student, you are also required to view the online orientation podcasts and acknowledge you have successfully done so in your SOLAR account (found under "Holds" in the "Action Center" section). The online orientation podcasts can be found under the New and Current Students tab on the Graduate School website.

Your initial academic advisor will be myself, but you may choose another, permanent academic advisor based on your interests. Please note that students in the Civil Engineering M.S. Program may elect to complete a thesis, however a thesis advisor must be identified within your first semester in the program. Otherwise, you will be placed in the project track for the M.S. degree.

If you have any additional questions please email Ms. Erin Giuliano, our acting Graduate Coordinator at Erin.Giuliano@stonybrook.edu or you may reach her by phone: (631) 632-8777.

This offer reflects our high opinion of your academic potential, and we hope that you will choose Stony Brook. Please click on the link below to accept our offer of admission. We would appreciate your response as soon as possible, but no later than November 15, 2021.

We look forward to welcoming you next semester at Stony Brook!

Sincerely yours,

Ruwen Qin, Ph.D.
Associate Professor and Graduate Program Director

About Your GRE® Score Report**Score Reporting Policies**

With the ScoreSelect® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the GRE® Information Bulletin for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see 'Not Available' in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the GRE® General Test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and GRE® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/understand.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-809-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7.45 p.m. (New York Time).

Dear Tejoram,

Welcome to Kettering University! Congratulations on your official acceptance to the MS in Engineering - MEN program for Fall 2021.

Kettering University is a global leader in applied research, mobility, and automotive technology. The faculty at Kettering are world-class, actively engaged in research, and perfectly-suited to train the engineers and tech-savvy business leaders of the future.

As a graduate student at Kettering University, you will have access to cutting-edge research instrumentation and facilities. Within the campus footprint, Kettering University has constructed the 21-acre state-of-the-art GM Mobility Research Center. This facility can be utilized for numerous dynamic testing measurements and, combined with a dedicated wireless cellular research network, it is ideal for V2X development and testing. There is also an industry recognized crash lab facility giving Kettering University a truly unique research capability. Since 2012, Kettering faculty have received twelve Major Research Instrumental awards from the National Science Foundation, more than any other Michigan-based institution of higher education in this period.

A Kettering graduate education is designed to not only prepare you for a productive career but also provide a transformational life experience. Imagine participating in an industrial or government-funded research project, working as a full-time paid intern with one of Kettering's leading industrial partners, being part of a student-led competition such as the AutoDrive Challenge, and networking with Kettering alumni, many of whom (1000+) are currently serving as C-level executives.

Funding your graduate education has never been easier. In addition to optional paid Graduate Internships, Kettering University offers a number of financial resources and programs. The Graduate Assistantship (GA) program, for example, provides support in the form of teaching or research assistantships and stipends. Kettering Graduate Tuition scholarships are also available on a competitive basis to highly qualified students.

Welcome to Kettering University. As Graduate Dean, I look forward to seeing you on campus in the near future.

Sincerely,

Scott W. Reeve, PhD

About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Test Report Form

ACADEMIC

NOTE Admission to undergraduate and post graduate courses should be based on the ACADEMIC Reading and Writing Modules.
GENERAL TRAINING Reading and Writing Modules are not designed to test the full range of language skills required for academic purposes.
It is recommended that the candidate's language ability as indicated in this Test Report Form be re-assessed after two years from the date of the test.

DIVISION *of* GRADUATE STUDIES

Welcome to the University of California, Santa Cruz!

March 18, 2021

Dear Mr. Nandha Ramakrishnan,

I am pleased to offer you admission into the Electrical and Computer Engineering (ECE Department) M.S. program at the University of California, Santa Cruz beginning in the fall 2021 quarter. As you may know, admission to graduate standing at UC Santa Cruz is highly competitive; by accepting this invitation, you will be joining a select group of advanced students whose academic records evidence their potential for superior scholarly achievement.

Please note that students in the master's degree program do not receive any form of financial support from the department. It is therefore your responsibility to ensure that you have sufficient financial support for completing the master's degree program.

If you are planning a visit to campus, please be aware that there will be a limited number of staff and faculty available due to COVID-19 protocols. You are encouraged to contact the program before deciding to visit campus. Our [website](#) has directions and lodging information.

You must respond to this offer no later than April 15, 2021 by 11:59pm Pacific Time, the form is available on your [Application Status](#) page; scroll towards the

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of j^{th} candidate in the i^{th} session \bar{M}_{ij} was computed using the formula

$$\bar{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{ti} - M_{iq}} (M_{ij} - M_{iq}) + M_q^g$$

where

M_{ij} is the actual marks obtained by the j^{th} candidate in i^{th} session

\bar{M}_t^g is the average marks of the top 0.1% of the candidates considering all sessions

M_q^g is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

\bar{M}_{ti} is the average marks of the top 0.1% of the candidates in the i^{th} session

M_{iq} is the sum of the mean marks and standard deviation of the i^{th} session

Graduate Aptitude Test in Engineering (GATE) 2020 was organised by Indian Institute of Technology Delhi on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Human Resources Development (MHRD), Government of India.
