With reference to your research proposal entitled "Real Time Exam Supervision System using Deep Learning Techniques" the Management of our Institution is happy to sanction an amount of Rs. 1,20,000/- (Rupees One Lakh Twenty Thousand only). The details of the items to be procured as per your proposal are given below and the procurement process should be initiated after receiving at least a minimum of three quotations from the vendors and should be carried out as per norms.

Item	Cost (INR)
HIKVISION8/10 channel, DVR Camera, Electronic components, Facial recognition software, Server with low cost GPU.	1,20,000
Total	1,20,000

For Information:

1. Kindly follow the State Government norms (i.e. three quotations for the purchase of items having a cost of more than Rs.5000/-).
2. The duration of the project is one year from 10th August 2023 to 9th August 2024.
3. The following document should be submitted within two months of the completion of the project:
 - a. Utilization certificate as per enclosed format.
 - b. Report with deliverables.
 - c. At least one Published / Accepted copy of the research paper as outcome of your research project.
