

# INNOVATOR 2026

## SHOWCASE

PRESENT YOUR NOVEL IDEAS & WORKING PROTOTYPES

@

Date :  
3<sup>rd</sup> June 2026

Venue :  
Coimbatore Institute of Technology, India

Showcase Innovation. Inspire the Future.

As part of the 4th International Conference on Advanced Materials for Clean Energy and Health Applications (AMCEHA 2026), we are proud to present the Innovator Showcase 2026 - a dynamic platform for young innovators, research scholars, startups, and technology enthusiasts to exhibit their novel ideas, innovative prototypes, and breakthrough technologies addressing global challenges in energy, advanced materials, and healthcare.

This is your opportunity to present your innovation to an international audience of scientists, academicians, industry experts, and investors, and transform your ideas into real-world impact.

### INNOVATION DOMAINS

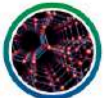

Clean Energy Technologies

Energy Storage Systems

Solar & Hydrogen Technologies

Advanced Functional Materials

Modelling, Simulation & AI in Materials Research

Health & Biomedical Applications

### Why Participate?

Showcase your innovation to global experts

Connect with leading researchers and industry professionals

Enhance your academic and professional profile

Explore higher study and collaboration opportunities

Earn recognition, awards and expert feedback

### What You Can Present

- ✓ Innovative project ideas
- ✓ Working prototypes
- ✓ Proof-of-concept demonstrations
- ✓ Technological solutions for real-world challenges

### Who Can Participate

- ▶ Research Scholars
- ▶ Startups
- ▶ Student Innovators
- ▶ Individual and Team Entries are Welcome

### Awards & Recognition

Total Prize Worth

**Rs.1,00,000**

for the Best Innovative Ideas & Models

REGISTER

**NOW !**

Last Date for Registration:  
15 May 2026  
Limited Display Slots Available
