

**Event Organized, Awareness Program conducted, and
Project Proposal submitted for UBA-CIT**

**Submitted by Dr Ashok Kumar R. Assistant Professor,
UBA Co-ordinator of CIT and faculty of Department of
Computer Applications, Coimbatore Institute of Technology,
Coimbatore**

Subject: 1) Event organized and conducted as a UBA Co-ordinator representing MCA department on spreading computer awareness and 2) Proposal submitted to CIT Management on Solar power ATM to CIT Adopted villages on **25.01.2020**

- 1) Event Organized as UBA Co-Ordinator and Visited villages and spread computer awareness on the first phase to senjariputhur, S.Ayyampalaya, Malaipalayam, Periyakalandai village, Sultanpet Block.(adopted villages by CIT).

Conducted event with MCA students of our department and visited to villages along with other students of CIT and conducted computer awareness programme to the school students and villagers of adopted villages of CIT.

- 2) On behalf of MCA department, I represented and submitted a Project Proposal on Integrating

- a)Solar power with ATM machine

- b)Creating Awareness of Banking Transactions and

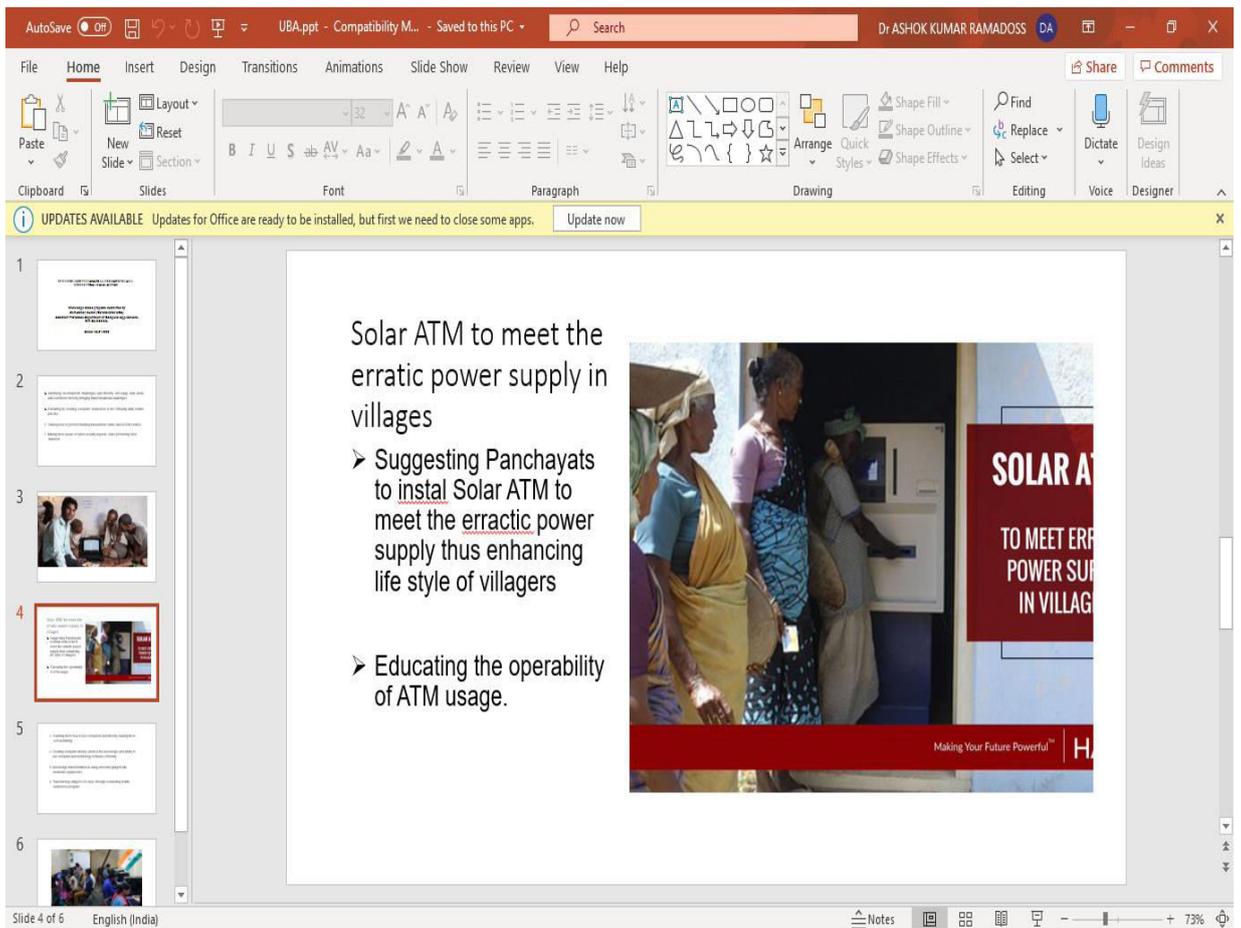

- c) Making them aware of cyber security aspects, while performing fund transfers.

- The above was done with a motive to Identifying Development challenges and thereby self-equip rural areas with confidence thereby bringing transformational challenges.

Feedback from management

On seeing the Project Proposal our Principal appreciated and said good to me that the above submitted proposal is really good and my proposal was forwarded to Director CIT.

Supporting documents

The screenshot shows a Microsoft PowerPoint presentation slide. The title bar indicates the file is 'UBA.ppt - Compatibility M...' and the user is 'Dr ASHOK KUMAR RAMADOSS'. The slide content is as follows:

Solar ATM to meet the erratic power supply in villages

- Suggesting Panchayats to instal Solar ATM to meet the erratic power supply thus enhancing life style of villagers
- Educating the operability of ATM usage.

The slide includes an image of a solar ATM machine with a sign that reads 'SOLAR ATM TO MEET ERRATIC POWER SUPPLY IN VILLAGES'. The status bar at the bottom shows 'Slide 4 of 6' and 'English (India)'.

Students Awareness Program

An awareness program was conducted by the students of CIT to the primary school in Malaipalayam, Coimbatore on 19th February, 2020 from 10.30 am to 12.15 pm.

AWARENESS CONDUCTED ON :

- Importance of sanitation
- Safety Measures for Children
- Significance of Education

CLEANLINESS AWARENESS :

“Cleanliness is next to Godliness”

- The awareness camp began by teaching students about the importance of cleanliness for a healthy living.
- The students were taught of the ways for maintaining cleanliness and hygiene.

- The steps in hand washing were illustrated through a video and the children were made to follow it.
- The cleanliness measures in both self and surroundings were educated.
- The effects and consequences of unsanitary living were explained and they were encouraged to follow the sanitary measures for disease-free living.
- They were encouraged to teach these sanitary measures to their siblings and families.
- To boost up the children, a lively song which stresses the importance of cleanliness was played and the children enthusiastically sang along with it.

TEACHINGS ON THE SAFETY MEASURES FOR CHILDREN :

“Prevention is better than cure”

- The safety measures that are to be followed by the children in homes, roads and in public places were taught.
- The dangers in playing with electricity, sharp objects, stairs were discussed and the children were advised to avoid it.
- They were informed of the ways to stay safe in the outdoors.
- The safety measures to be followed in roads were educated.

- The children were also taught to be obedient and respectful towards their elders.
- They were given chances to come out and speak about what they know.

EDUCATIONAL AWARENESS :

“The hope of the nation lies with the education of its youth”

- The students were taught of the importance of education.
- They were encouraged to pursue higher education in the subject they were interested in.
- To cultivate their extra-curricular skills, many events were conducted and they were made to come out and speak in front of others.
- The eager students were praised and applauded.

- The faculties also interacted with the students and they stressed about the importance of education.
- The students participated eagerly and were cooperative throughout the camp.

FACULTIES WHO GUIDED THE CAMP:

Mr.C.Murale	Assistant Professor, Information Technology
Ms.M.Prabhavathy	Assistant Professor, Computer Science and Engineering
