

ABOUT DEPARTMENT OF ECE

The Department of Electronics & Communication Engineering was established in the year 1968. It is very well equipped with highly commendable facilities and is effectively guided by a set of devoted and diligent staff members. The Department offers Under Graduate programme in ECE. The Department has also successfully completed many projects with grants received from various funding agencies.

ABOUT QUBITRON

QUBITRON, our National Technical Symposium, is a dynamic platform where students from all colleges converge to explore cutting-edge developments in science, engineering, and technology. Through keynote speeches, paper presentations, workshops, and diverse technical events, QUBITRON fosters innovation and collaboration, creating valuable opportunities for knowledge exchange and networking.
