

ABOUT THE DEPARTMENT

The department of Electronics & Communication Engineering was established in the year 1968. It is very well equipped with highly commendable facilities and is effectively guided by a set of devoted and diligent staff members. The department offers Under Graduate programme in ECE. The Department has also successfully completed many projects with grants received from various funding agencies.

ABOUT THE SYMPOSIUM

Pinnacle is a dynamic platform where professionals, researchers, and students converge to share and explore the latest advancements in science, engineering, and technology. These events typically feature keynote address, paper presentations, workshops, technical and non technical events, fostering an environment for the exchange of ideas and knowledge. It's a chance to learn, meet people, and find out what's new in the fields of engineering. These events help us work together and come up with new ideas.

PRESIDENT

Dr. A. Rajeswari
Principal,
Coimbatore Institute of Technology

CONVENER

Dr. S. Uma Maheswari
Professor & Head - Department of ECE
Coimbatore Institute of Technology

FACULTY COORDINATOR

Dr. M. Poongothai
Professor, Department of ECE
ECE Association Staff Advisor
Coimbatore Institute of Technology

FACULTY CO-COORDINATORS

Dr. T. Balakumaran
Assistant Professor (Sr.Gr), Department of ECE
IE(I) Students' Chapter Staff Advisor
Coimbatore Institute of Technology

Dr. B. Bhuvaneshwari
Assistant Professor, Department of ECE
IETE Students' Forum Staff Advisor
Coimbatore Institute of Technology

Mrs. C. Subha Priyadharshini
Assistant Professor, Department of ECE
ECE Association Staff Advisor
Coimbatore Institute of Technology

STUDENT COORDINATORS

Raswanth M
Secretary of IETE Students' Forum

Shashwanth KB
Secretary of IE(I) Students' Chapter

Nithiya A
Treasurer of IETE Studnets' Forum

Jeya Surya K
Treasurer of IE(I) Students' Chapter

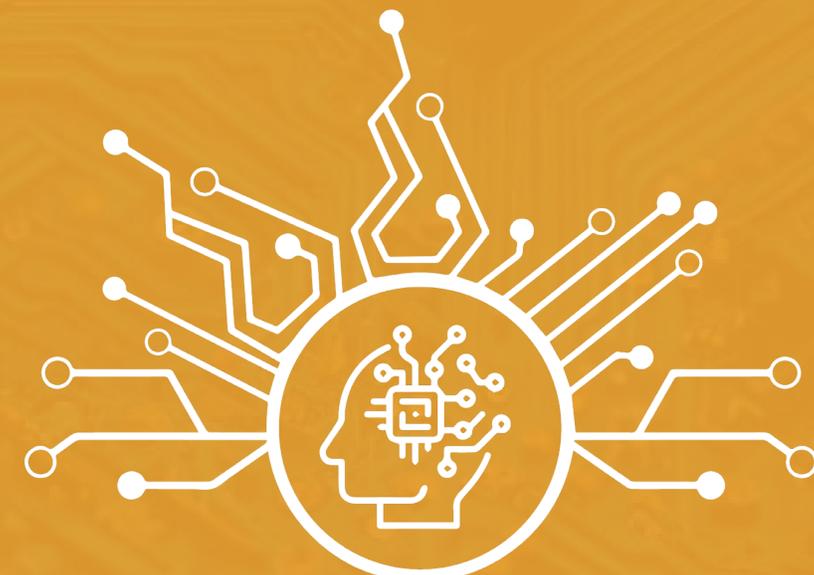

COIMBATORE INSTITUTE OF TECHNOLOGY

DEPARTMENT OF
ELECTRONICS & COMMUNICATION ENGINEERING
Jointly with
ECE ASSOCIATION,
IETE STUDENTS' FORUM & IE(I) STUDENTS' CHAPTER

Proudly Presents

NATIONAL LEVEL TECHNICAL SYMPOSIUM

PINNACLE
2K24

during

22nd & 23rd MARCH 2024

VENUE
AUDITORIUM
CIT
COIMBATORE

SPONSORS

This event provides stage for students from various colleges to participate in technical and non-technical events.

PLATINUM SPONSOR – Rs. 50,000/-

- Displaying logos frequently in workshops and events.
- Displaying logo in premium space.
- Setting up photo booths with branded props.
- Periodic social media shoutouts for brand promotion.
- Displaying collaboration posters on social media handles.

GOLD SPONSOR – Rs. 25,000/-

- Sharing posts on social media.
- Displaying sponsor logos on event website.
- Verbal announcements during sessions and events.
- Placing banners at venue entrance.
- Opportunity for product showcases.

SILVER SPONSOR – Rs. 15,000/-

- Intermittent LED wall display.
- Placing logos in events and collateral.
- Distribution of visiting cards/coupons to students.
- Social media mentions and tags.
- Designated exhibition space.

BRONZE SPONSOR – Rs. 5,000/-

- Inclusion in event marketing materials.
- Acknowledgement in event programs.
- Access to networking breaks and receptions.
- Inclusion in sponsor thank-you messages.

WELL WISHER – Rs. 2,000/-

- Logos featured in event promotion materials and videos.
- Distribution of visiting cards/coupons to students.
- Periodic social media shoutouts for recognition.

TECHNICAL EVENTS

- **Circuit debugging** – This event involves identifying and fixing problems in electronic circuits, improving troubleshooting and problem-solving skills.
- **Paper presentation** – Participants present and discuss their research findings in front of the panel members which helps to showcase their research and innovative skills.
- **Coding contest** – Participants develop programs using any coding language to solve given problems within a specified time frame which promote creative problem-solving and identify talented coders.

- **PCB Design & Fabrication** – It is a hands-on training where participants learn the basics of PCB design process using Eagle software.

- **3D/AR/VR Development with Echo3D** – It is a recorded workshop about 3D/AR/VR development using echo3D.

- **Tech Quiz** – A technical quiz is a competitive event to test the participant knowledge in the field of electronics and communication engineering and also design to test their problem solving skills.

- **Machine Learning with one API**—through the Intel Developer Cloud – This course aims to learn how to accelerate machine learning workloads with packages like scikit-learn, XGBoost, NumPy, SciPy, and pandas—all powered by oneAPI.
