Dear Dr Selladurai

Indian Society of Systems for Science and Engineering (ISSE) is a professional body for interdisciplinary collaboration to promote systems engineering approach in science and engineering. ISSE is unique among the systems oriented institutions having the objective of bringing together scholars and practitioners from academic, business and R&D organizations for promoting the systems concept. ISSE plays a major role in providing a common platform for inter-disciplinary collaboration and sharing of thoughts. The society is helping its members in developing systematic practice of Systems Engineering and Reliability. The society has 13 chapters and about 6000 members all over the country with its headquarters at Thiruvananthapuram.

ISSE has instituted 'Fellow membership' which will be given to eminent ISSE members who have made outstanding contributions in the field of systems engineering and also for the progress of the society.

ISSE National Governing Council is very pleased to select you for the Fellow Membership-2022, considering your outstanding contributions for promoting systems engineering concepts. The membership will be presented during the inaugural function of ISSE National conference INAC-05 on 24<sup>th</sup> March 2023 at Osmania University, Hyderabad.

I request you to grace the occasion with your presence and receive the fellow membership.

With warm regards

  
V. Narayanan  
President, ISSE  
Director, LPSC, ISRO
