Dear Prakatheeswari Ravi,

I am very pleased to inform you of your admission to the Masters of Science in Business Analytics program for Fall 2022. Congratulations! All of us on the admissions team enjoyed getting to learn about you through your application. We are confident that you can contribute in many ways to the Leavey School of Business community while using the opportunity to develop yourself intellectually and personally so that you can have the practical skills and confidence to shape your future. On a personal note, having seen the caliber of applicants, I believe that it is a real honor to be selected for this opportunity, so I want to congratulate you.

As a student in the program, you will join a cohort of diverse students who will be studying to earn a Master of Science degree. You will also be joining the broader Santa Clara University Bronco network that includes many of Silicon Valley's most elite executives, connecting every geography, industry, and sector. We expect you to benefit from this association, as well as share your own personal experience and knowledge with others, as you grow in the program.

### **How to Hold Your Place in the Entering Class**

To hold a place in the entering class is a **2-step** process:

1. Respond to our offer on your application status page
2. Pay a non-refundable **\$1000** deposit no later than **03/02/2022**

Upon accepting our offer, you will be required to submit a deposit. In approximately 1 business day *after* submitting this reply form, a new link will appear in your application status portal prompting you to pay your deposit using one of the following options:

- echecks
- credit card

Keep in mind that [I-20 processing](#) (if applicable), will not be possible without having submitted your non-refundable deposit.

### **Admissions Prerequisites**

Because of the rigors of the program, for you must take 1 course of college-level calculus and 1 course of college-level statistics. no later than July 15, 2022, and show proof of completion. Courses from Coursera, Udacity, edX, or the like, are not accepted. Prerequisites must be taken at an accredited university. Applicants may take the prerequisites through a University of California Extension, though a comparable university or community college is accepted if accredited. Based on your academic credentials, your admission prerequisite status is as follows:

***prerequisites have been met***

### **Merit Scholarship**

It is with great pleasure that I write to inform you that you have been selected by the Admissions Committee to

receive a merit-based scholarship in the total amount of **\$6000**.

You presented a strong application and we believe that your professional interests and competencies will enrich the Masters of Science community here at Santa Clara University.

Your scholarship, and exact distribution amounts per quarter will be reflected in your eCampus account prior to the start of the Fall quarter. Receipt of scholarship funds in your third quarter of enrollment is contingent upon earning and maintaining a minimum of a 3.3 GPA and enrollment of at least 6 units.

Please note, students utilizing United States Federal Aid and/or other forms of University Institutional Aid may have other requirements that they need to adhere to. It is the student's responsibility to understand those requirements and abide by them.

Your Leavey School of Business scholarship is distributed over 2 quarters. The distribution will take place in the following quarters of enrollment.

Fall 2022: Distribution Amount: **\$3000**

Spring 2023: Distribution Amount: **\$ 3000**

We look forward to having you on campus and are pleased to be able to extend this scholarship to you.

Because we want you to become fully informed about your decision, we encourage you to be knowledgeable about important [deadlines](#), [schedules & calendars](#), [course offerings](#), [housing](#), and [services](#) available on campus by visiting University websites. Acceptance to the program must be exercised in the quarter for which you have been admitted.

There will be an on-campus orientation for which more details will be available before the start of the Fall quarter. This orientation allows you to become acquainted with program expectations and administrative issues. In addition, it provides a wonderful opportunity to meet current students, as well as members of your own cohort.

Again, welcome to Santa Clara University. An exciting, challenging, and valuable experience awaits you. We look forward to having you on campus and getting to know and work with you. If you have any questions, please do not hesitate to email me at [rfernandez@scu.edu](mailto:rfernandez@scu.edu).

Date: 20<sup>th</sup> May, 2022

Dear Uthraa K R  
(Application No: 221M02314),

Congratulations on your admission to IIT Gandhinagar! You are about to join a dynamic institution that is committed to innovation and excellence in education. We take tremendous pride in our novel approach to academics and our futuristic outlook, and look forward to having you join us soon in this exciting endeavour. Our vision and mission statements are enclosed.

You have been selected for admission to the M.Tech-Regular Programme in the discipline of Chemical Engineering-CL. The general terms and conditions of your admission are also enclosed (Enclosure 1), along with details on fee payment (Enclosure 2). You will receive Institute fellowship as per norms.

As an institution, we are committed to adopting the best standards and practices in education. We therefore take an uncompromising position on ethical conduct and human values. We believe in equal opportunities for all and are committed to a policy of non-discrimination against any individual based on his/her ethnicity, caste, religion, gender or socio-economic status. We also have a "zero tolerance" policy towards ragging, harassment and bullying of any sort (Enclosure 3). You are also required to submit a signed statement on good conduct and academic honesty (Enclosure 4).

Students will be provided with hostel accommodation and access to other facilities of the Institute on their arrival (Enclosure 5). Hostel rooms may have to be shared with other students. The Institute can currently accommodate only very limited guests of the students inside the campus. Students are not permitted to accommodate guests in their rooms. All guests are expected to make their own arrangements for guest accommodation outside the campus.

IIT Gandhinagar is a modern campus with a number of facilities available for our students. The list of campus facilities is available at <https://campus.iitgn.ac.in/facility/>. We are also a green campus, and all members of the community are encouraged to adopt sustainable use of all resources. In particular, we strongly encourage walking and bicycle use, and use of personal motor vehicles by the students inside the campus is not permitted.

You are required to arrive at the Institute campus by 5 PM on 17 July 2022. The joining and registration procedures have to be completed on 18 July 2022. You are required to attend the orientation programme, "Aarohan" details of which will be shared in due course. If you are unable to register on 18 July 2022, we will presume that you are not interested in admission to IIT Gandhinagar. At present there is no requirement of quarantine but you must be fully vaccinated before you arrive on campus. However, if the Institute quarantine norms changes in view of the evolving pandemic situation, a revised schedule of arrival on campus will be intimated in due time.

Please do not hesitate to contact the Academic Office if there are any questions. We look forward to personally welcoming you at IIT Gandhinagar soon.

With best wishes,

Dear Sadhana S,

**Sub: Admission to the MS Programme at IIT Madras: July-Nov 2022**

Congratulations!

I am pleased to inform you that you have been offered provisional-admission to the **MS** programme in the Department of Electrical Engineering at IIT Madras under the **Project-NHTRA** scheme.

I thank you for participating in our online interview process. This year's applicant pool was exceptional, and our admission committee was impressed by your performance. You will join a community of innovative, smart, and enterprising students, faculty, and alumni who are making significant contributions to our society. Our department is home to a large research community with 70 faculty, 200 Ph.D. scholars, and 100 M.S. scholars. Their areas of research in EE can be found at <http://www.ee.iitm.ac.in/research/>.

As part of the provisional-admission, you have been allotted the roll number **EE22S041**. This will enable you to access the world-class facilities that are enjoyed by the student community at IIT Madras, including library collections, computing facilities, and software licenses.

Please convey your acceptance of this offer on or before **25 June 2022** by completing the formalities and paying the tuition fees. The terms of the provisional-admission, formalities to be completed, and procedures for fee payment can be found on the second page of this letter. If you need any clarifications, please use the FAQ and query links provided on the following page.

You should report for admission at **10.30 a.m. on 11 July 2022(Monday)**. Please follow instructions given in the second page of this letter.

Classes for research scholars are expected to start from **25th July 2022**. An orientation session will be organized by our department on **18 July 2022**. You will be informed about the courses appropriate to your area of research, registration procedures, and the conduct of online classes during the orientation session.

Once again, I welcome you to our department. I look forward to your being a part of the IIT Madras family.
