மன்ற துவக்க விழா

* மன்ற துவக்க விழா தமிழ்த்தாய் வாழ்த்துடன் தொடங்கியது.இசை மன்ற மாணவர்கள் மற்றும் அனைவரும் தமிழ்த்தாய் வாழ்த்து பாடினர்.

* வரவேற்புரைக்கு பின் நமது பாரம்பரிய நடனமான " பரதநாட்டியம்" அரங்கேற்றப்பட்டது.
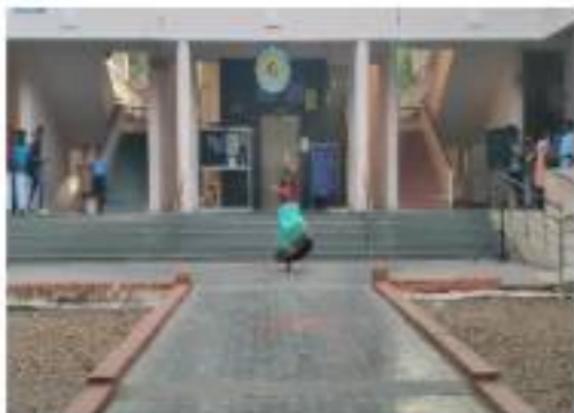

- நமது கல்லூரி மாணவிகள் மூலம் தமிழர்களின் வீர விளையாட்டாக இகழும் "சிலம்பம்" நடைபெற்றது.

- பறை மூலம் ஒவ்வொரு நிகழ்வும் தொடங்கியது.

- தாரணி என்ற நமது குழு மாணவி " தெற்கு சூரியன் " என்ற தலைப்பில் பேசினார்

- தமிழ் பாரம்பரியம் சமூகம் சார்ந்து பாடப்பட்டது.

- ஐந்து பேர் கொண்ட நமது குழு உறுப்பினர்கள் வாயிலாக ஒயிலாட்டம் நடைபெற்றது.

- இறுதியாக நன்றி உரையுடன் இனிதே விழா நிறைவுபெற்றது.

- மன்ற உறுப்பினர்கள் அனைவரும் பாரம்பரிய உடை அணிந்து கலந்து கொண்டனர் என்பது குறிப்பிடத்தக்கது.

நாள் : 11/12/2023

நேரம்: மதியம் 12.30 முதல் 1.30 மணி வரை

இடம்: எம் பி சி ஹெச்

பங்கேற்பாளர்கள்: 50

     பாரதியார் பிறந்த நாளை ஒட்டி 6.12.2023 அன்று கல்லூரி மாணவர்களுக்கு பாரதியும் பாரதமும் சார்ந்த தலைப்புகளில் பேச்சு போட்டி நடைபெற்றது. இதில் இரண்டு மூன்று மற்றும் நான்காம் ஆண்டு மாணவர்கள் பங்கு பெற்றனர். பதினைந்திற்கும் மேற்பட்ட மாணவர்கள் தங்களது பேச்சத் திறனை வெளிப்படுத்தினர். பேச்சப் போட்டிக்கு நடுவர்களாக கோவை தொழில்நுட்பக் கல்லூரியின் தமிழ்த்துறை ஆசிரியர் திருமதி இராஜலட்சுமி அவர்களும் கோவை தொழில்நுட்பக் கல்லூரியின் முத்தமிழ் மன்ற ஆசிரிய ஆலோசகர் முனைவர் திருமதி ராஜலட்சுமி அவர்களும் இருந்தனர். இதில் சிறந்த விளங்கிய மாணவர்களுக்கு பரிசத்தொகையாக தலா ஐந்தாயிரம் மூன்றாயிரம் இரண்டாயிரம் வழங்கப்பட்டது.

     இப்பேச்சப் போட்டியின் பரிசளிப்பு விழா பாரதியாரின் பிறந்த நாளான 11/12/2023 அன்று எம் பி சி ஹெச் அறையில் நடந்தது. பரிசளிப்பு நிகழ்ச்சி தமிழ்த்தாய் வாழ்த்தி குத்துவிளக்கேற்றி இனிதே தொடங்கியது. இவ்விழாவிற்கு சிறப்பு விருந்தினராக கோவை தொழில்நுட்பக் கல்லூரியின் முதல்வர் முனைவர் திருமதி ராஜேஸ்வரி அம்மாள் தலைமை தாங்கினார். அவர் மாணவர்களின் செயல்களை பாராட்டி மேன்மேலும் அவற்றை வளர்த்துக் கொள்ள அறிவுரை வழங்கி சிறப்புரையாற்றினார்.

     செம்மொழித் தமிழாய்வு மத்திய நிறுவனம் பாரத செம்மொழிகளின் இருவிழா - பேச்ச போட்டியின் கீழ் நடைபெற்றது என்பது குறிப்பிடத்தக்கது. போட்டியில் முதல் பரிசாக மாணவி சுஷ்மிதா, இரண்டாம் ஆண்டு, கணினி அறிவியல் துறை, இரண்டாம் பரிசாக ரூத்ரா, தகவல் தொழில்நுட்பவியல் துறை. இரண்டாம் ஆண்டு, மூன்றாம் பரிசாக மாணவர் சைவத்தீஸ்வரன், இயந்திரவியல் துறை, முதலாமாண்டு ஆகியோர் பெற்றனர். அவர்களுக்கான பரிச தொகையை சிறப்பு விருந்தினர் வழங்கினார். மேலும் பங்கு பெற்ற அனைவருக்கும் புத்தகமும் சான்றிதழும் வழங்கப்பட்டது

நாள் : 11/01/2024

நேரம்: மதியம் 2.00 முதல் மாலை 6.30 வரை

இடம்: கபடி வளாகம்

பங்கேற்பாளர்கள்: 100

பொங்கல் பண்டிகை திருநாளை ஒட்டி 11/01/2024 அன்று கல்லூரி மாணவர்களுக்கு பொங்கல் திருவிழா நடைபெற்றது. இவ்விழா இசை மன்றம், தற்காப்பு கலை மன்றம், நடனம் மற்றும் நாடக கலை மன்றம் ஆகிய மன்றகளுடன் இணைந்து நடைபெற்றது. மேலும் விருப்பம் கொண்ட அனைத்து ஆண்டு மாணவர்களும் பங்கேற்றனர்.

முதல் நிகழ்வாக பொங்கல் வைத்தல், கல்லூரி கோவில் முன்பு நிகழ்ந்தது. இதில் மன்ற உறுப்பினர்கள் அனைவரும், குழுவாக பிரிந்து மண்பானையில், பொங்கல் வைத்து மகிழ்ந்தனர். அனைவரின் பொங்கலும் இறைவன் முன்னிலையில் வைத்து, இறைப்பாடு செய்து, திருவிழாவைக் கொண்டாடினர்.

அடுத்த நிகழ்வாக, மன்றங்களின் நிகழ்ச்சிகள் தொடர்ந்து தற்காப்பு கலை மன்றம் சார்பாக கயிறு இழுத்தல் போட்டி நடைபெற்றது. விருப்பம் உள்ளோர், குழுவாக பிரிந்து போட்டியில் பங்கேற்றனர். பின், இசை மன்றம் சார்பாக இசை நிகழ்ச்சி நடைபெற்றது. இசை குழுவினர்கள், தமிழ் மண் மற்றும் வாசம் வீ பாடல்களைப் பாடினர்கள். அடுத்த நிகழ்வாக, நடனம் மற்றும் நாடக கலை மன்றம் சார்பாக, தனி நபர் நடனம் மற்றும் குழு நடனம் அரங்கேறியது. அனைத்து மாணவர்களும் உற்சாகத்துடன் கொண்டாடினர்.

இறுதியாக, தற்காப்பு கலை மன்றம் சார்பாக, சிலம்பாட்டம் நடைபெற்றது. சமதிளையில் தண்ணீர் வைத்த தராசினைக் கொண்ட நிகழ்வும் நடைபெற்றது. அனைவரும் சேர்ந்து பொங்கல் பண்டிகை திருநாளாக, அந்நாளை திருவிழா கோலம் கொண்டு கொண்டாடினர்.

நாள் : 11/01/2024

நேரம்: காலை 9:00 முதல் மதியம் 12:00 வரை

இடம்: ஆடிட்டோரியம்

பங்கேற்பாளர்கள்: 300

தமிழ் வளர்ச்சியை முன்னிட்டும் வளர்ந்து வரும் தொழில்நுட்பங்களில் தமிழை எப்படி பயன்படுத்தலாம் என்பதை விளக்கும் விதமாக 12:02:2024 அன்று கல்லூரி மாணவர்களுக்கு மாபெரும் தமிழ் கலை விழா நடைபெற்றது. இவ்விழா அனைத்து ஆண்டு மாணவர்களுக்கும் நடைபெற்றது மேலும் விருப்பம் கொண்ட அனைத்து ஆசிரியர்களும் பங்கேற்றனர்

முதல் நிகழ்வாக கல்லூரி முதல்வர் மாண்புமிகு பேச்சாளர் திரு முத்து குமார் ராஜு அவர்களை அழைத்து வந்து நினைவு பரிசு வழங்கினார். மேலும் மாவட்ட ஆட்சியர் அவர்களின் தனி உதவியாளர் இதன் நிகழ்வில் கலந்து கொண்டார். மேலும் தமிழ் கலை விழாவின் நிகழ்விற்கு புத்தகங்களும் கொடுக்கப்பட்டது.

அதனை தொடர்ந்து, விழாவின் நோக்கத்தை விளக்கும் வகையில் மாணவர்களின் விழிகளுக்கும் செவிகளுக்கும் விருந்தளிக்கும் வகையிலும், தமிழ் மொழியின் மேன்மைகளை எடுத்துரைக்கும் வகையிலும் காணொளி ஒளிபரப்பப்பட்டது. இந்நிகழ்விற்குப் பின் மாண்புமிகு பேச்சாளர் திரு முத்து குமார் ராஜு அவர்கள் உரையாற்றினார் அவரின் உரையால் மாணவர்களின் செவிகள் குளிர்ந்து அறிவுத்திறன் மேம்பட்டு தொழில்நுட்பத்தில் தமிழை எப்படி பயன்படுத்தலாம் என்பதன் விளக்கம் நன்றாக தெரிந்துகொண்டனர்.

இறுதியாக, மாணவர்களிடம் வினா விடை அமர்வு நடைபெற்றது அதில்
மாணவர்கள் தங்களின் கேள்விகள் அனைத்தையும் மாண்புமிகு பேச்சாளர்
அவர்களிடம் கேட்டு அறிந்துகொண்டனர். இனிதே மாபெரும் தமிழ் கனவு
நிகழ்வு முடிவடைந்தது.

கோவை தொழில்நுட்பக் கல்லூரி, கோவை – 641 014

முத்தமிழ் மன்றம் மற்றும் இளம்பறவை

நாள் : 17/03/2024

நேரம்: காலை 9:00 முதல் மாலை 5:00 வரை

இடம்: ஆடிட்டோரியம்

பங்கேற்பாளர்கள்: 50

"உரியர் பிறர்க்கு" என்ற மாபெரும் விழா, 17/03/2024 அன்று நம் கல்லூரியில் சிறப்பாக நடைபெற்றது. இந்நிகழ்வில் நம் கல்லூரியின் முத்தமிழ் மன்றம், 4 ஆசிரமங்களில் இருந்து சிறுவர் சிறுமியர்களை அழைத்து வந்தது. இச்சிறுவர் சிறுமியர்களை அழைத்து வர கல்லூரி பேருந்துகள் பயன்படுத்தப்பட்டன.

முதலில், முத்தமிழ் மன்ற ஆலோசகர், பேராசிரியர் _____ அவர்கள் நிகழ்வைத் தொடங்கி, நிகழ்வின் முக்கியத்துவம் மற்றும் சமூக பொறுப்பின் இன்றியமையாமையை பற்றி உரையாற்றினார். அவரது உரையில், சிறுவர் சிறுமியர்களின் வளர்ச்சியில் சமூகத்தின் பங்கு குறித்து பேசப்பட்டது.

அதன் பின், நிகழ்வை சிறப்பிக்கும் வகையில் வரவேற்பு நடனம் நிகழ்த்தப்பட்டது. பின்னர் தமிழ் தாய் வாழ்த்து பாடப்பட்டது. குழந்தைகளுக்கு வரவேற்பு உரை வழங்கப்பட்டது. இதனால் அவர்கள் இந்நிகழ்வின் முக்கியத்துவத்தைப் புரிந்துகொள்ள முடிந்தது.

அதனைத் தொடர்ந்து, குழந்தைகளின் உற்சாகத்தை மேம்படுத்தும் வகையில் பல்வேறு போட்டிகள் மற்றும் விளையாட்டுக்கள் நடத்தப்பட்டன. இவற்றில் ஓவியப்போட்டி, விளையாட்டு போட்டிகள், கலை நிகழ்ச்சிகள் போன்றவை இடம்பெற்றன. இந்நிகழ்வுகளில் குழந்தைகள் உற்சாகத்துடன் பங்கேற்று தங்களின் திறமைகளை வெளிப்படுத்தினர். முத்தமிழ் மன்ற உறுப்பினர்கள், குழு உறுப்பினர்கள் மற்றும் தொண்டு விடுவிப்பாளர்கள், குழந்தைகளை

போட்டிகள் மற்றும் விளையாட்டுகள் நடைபெறும்
இடங்களுக்கு அழைத்துச் சென்றனர்.

போட்டிகள் முடிந்த பிறகு குழந்தைகளுக்கு கல்லூரி மையத்தில்
ஆரோக்கியமான மதிய உணவு வழங்கப்பட்டது. இந்த உணவின்
ஏற்பாட்டை கல்லூரியின் உணவக குழுவினர் சீரிய முறையில்
செய்திருந்தனர்.

மதிய உணவிற்கு பின், போட்டிகளில் வெற்றி பெற்ற குழந்தைகளுக்கு
பரிசுகள் வழங்கப்பட்டன. இப்பரிசுகள் குழந்தைகளின் உற்சாகத்தை
மேலும் உயர்த்தின.

இந்த நிகழ்வை முன்னிட்டு, ஆசிரமங்களின் தேவைகளை பூர்த்தி செய்ய
மாணவர்கள் மற்றும் ஆசிரியர்களிடமிருந்து நிதி சேகரிக்கப்பட்டது.
சேகரிக்கப்பட்ட நிதி மூலம், நம் கல்லூரியின் முத்தமிழ் மன்றம், இந்த
நிகழ்வில் கலந்து கொண்ட ஆசிரமங்களுக்காக விளையாட்டு பொருட்கள்,
அரிசி மற்றும் அத்தியாவசிய பொருட்கள் வழங்கியது.

Lovable buddies at CIT college today 😊

பரிசுகள் வழங்கப்பட்ட பின், முத்தமிழ் மன்றத்தின் உறுப்பினர்கள் மற்றும் தொண்டு விடுவிப்பாளர்கள் குழந்தைகளை மீண்டும் அவர்களின் ஆசிரமங்களுக்கு அழைத்து செல்வதற்கான ஏற்பாடுகள் செய்யப்பட்டன. குழந்தைகள் கல்லூரி பேருந்துகளில் அழைத்து செல்லப்பட்டனர்.

நிகழ்வு முடிவில் நன்றி உரை நிகழ்த்தப்பட்டது. இதில் விழாவின் வெற்றிக்கு பங்களித்த அனைவருக்கும் முத்தமிழ் மன்றம் நன்றியைத் தெரிவித்துக் கொண்டது.

இந்நிகழ்வு சிறப்பாக முடிவடைந்து "உரியர் பெர்க்கு" விழா இனிதே நிறைவேற்றது.

நாள் : 17/03/2024

நேரம்: காலை 9:00 முதல் மாலை 5:00 வரை

இடம்: ஆடிட்டோரியம்

பங்கேற்பாளர்கள்: 100

முதலாம் ஆண்டு முடிவையொட்டி அனைத்து முதலாம் ஆண்டு மாணவர்களுக்கும் கல்லூரியின் மாணவர் மன்றத்தின் சார்பில் நக்ஷத்திரா நிகழ்வு நடைபெற்றது

"வண்ணத்தில் வண்ணம்" போட்டியில் பங்கேற்பாளர்களுக்கு பல வண்ண நிறத்தின் பெயர்கள் திரையில் பட்டியலிட்டு அவர்கள் உற்சாகத்துடனும் ஆர்வத்துடனும் பங்கு பெற்று குறிப்பிட்ட நேரத்தில் வாசித்தனர்

"கொஞ்சம் நடிங்க பாஸ்" போட்டியின் மூலம் மாணவர்களின் பன்முக திறன் வெளிவந்தது.

"செந்தமிழ் பழகு" இந்நிகழ்ச்சியில் பல்வேறு ஆங்கில சொற்களுக்கு ஏற்ற செந்தமிழ் சொற்கள் கண்டுபிடிக்க மாணவர்களிடையே மிகுந்த ஆர்வமும் தமிழ் மீதான பற்றும் தெரியவந்தது

"ஒரு வார்த்தை ஒரு லட்சம்" போட்டியில் கலந்துகொண்டு மாணவர்கள் வார்த்தை புதிரோடு இணைந்து ஆர்வத்துடன் விளையாடினர்.

"முத்தமிழரசன் முத்தமிழரசி" இரண்டு கட்டங்களாக நடத்தப்பட்டது முதல் கட்டத்தில் இலக்கண இலக்கியம் சார்ந்த வினாடி வினா நடத்தப்பட்டது. அதில் ஏறத்தாழ 50 மாணவர்கள் பங்குகொண்டார்கள்.அதில் அவர்கள் பெற்ற மதிப்பெண்கள் அடிப்படையில் 6 மாணவர்களை தேர்வு செய்தோம்.அதில் தேர்வு செய்யப்பட்ட மாணவர்களுக்கு இரண்டாம் கட்டமாக நேர்காணல் நடத்தப்பட்டது அதிலிருந்து தேர்வு செய்யப்பட்ட ஒரு மாணவருக்கு "முத்தமிழரசன் முத்தமிழரசி" என பட்டம் அளித்தோம்.

அனைத்து போட்டிகளிலும் கலந்து கொண்டு சிறப்பாக பங்கேற்ற ஒரு மாணவருக்கு "விடைகவி" என்னும் மன்றத்தின் பட்டம் வழங்கப்பட்டது

COIMBATORE INSTITUTE OF TECHNOLOGY

WOMEN EMPOWERMENT CELL

ARIMUGAM

DATE - 05-10-23
TIME - 3:00 PM
VENUE: LBCH

The year kicked off with the grand inauguration of 'Arimugam,' a significant ceremony dedicated to introducing the Women Empowerment Club (WEC) members for the year 2023-2024. The event, attended by 250 enthusiastic participants, served as a pivotal moment to celebrate the club's mission and vision for the year ahead.During the ceremony, each new member was introduced and welcomed with a personalized acknowledgment of their unique strengths and potential contributions. The event featured inspiring from senior members and faculty advisors, who emphasized the importance of unity, collaboration, and the collective goal of empowering women within the community. The speakers highlighted the critical role that the WEC would play in promoting gender equality and fostering leadership among its members. To further build a sense of camaraderie, the event included interactive ice-breaker activities, allowing members to connect with one another and begin forming strong bonds that would carry through the year.The event concluded with a networking session, where members exchanged ideas and aspirations, laying the foundation for a vibrant and supportive WEC community in the year to come.

BREAST CANCER AWARENESS EVENT

DATE- 31/10/23, Tuesday

VENUE- MBCH

TIMING- 4.30- 5.30pm

On October 31st, the Women Empowerment Cell (WEC) organized an event at MBCH to raise awareness about breast cancer, in honor of Breast Cancer Awareness Month. The chief guest, Dr. G. Balamurugan, Professor and Head of Surgical Oncology at the Regional Cancer Centre, Coimbatore Government Medical College, shared valuable insights from his professional and personal experiences. The event, attended by 50-60 students and faculty members, began with a prayer song, followed by speeches from Mr. Thirumarimurugan, AO of CIT, and Dr. Balamurugan. An interactive session with students added depth to the discussion. The event concluded with a vote of thanks and the presentation of mementos to the chief guest.The event was a significant step in promoting awareness and educating the audience about breast cancer prevention and early detection. Dr. Balamurugan's emphasis on regular check-ups and self-examination resonated with the attendees. The active participation of students in the interactive session highlighted their eagerness to learn and engage with the topic. The success of this event reflects WEC's commitment to addressing critical health issues and empowering the community through knowledge and awareness.

MENIFEST

DATE- 20/11/2023 – 27/11/2023

Menifest 2023, hosted by the Women Empowerment Cell, was a successful event combining Fun Games and Sports Tournaments. The Fun Games segment on November 20, 2023, saw participation from 20-25 students at the Ball Badminton gallery. The Sports Tournaments, held from November 22-27, 2023, featured knockout-style competitions in Volleyball (7 teams), Football (12 teams), and Badminton (singles and doubles). The event showcased students' sportsmanship and camaraderie, with closely contested matches creating an electrifying atmosphere. Thanks to the organizing team's efforts, Menifest 2023 was executed seamlessly, leaving participants with lasting memories and setting a positive precedent for future student gatherings.

The success of Menifest 2023 highlighted the importance of such events in fostering a sense of community among students. By blending fun games with competitive sports, the organizers created an inclusive environment that appealed to a wide range of interests and skill levels. This approach not only promoted physical activity but also encouraged teamwork, leadership, and social interaction. The event's positive impact extended beyond the playing field, contributing to a vibrant campus culture and providing students with valuable experiences outside the classroom.

CRAZE FUSION

DATE - 19-02-2024
TIME - 5:00 PM
VENUE - LBCH

The Women Empowerment Club (WEC) hosted 'Craze Fusion,' an event aimed at reducing stress and promoting relaxation among students. The event offered a break from academic pressures through fun activities designed to foster camaraderie and inclusivity. Highlights included a 'Two Lies and One Truth' game testing general knowledge and teamwork, a balloon passing challenge focusing on prominent women figures, and a sing-along session. Participants appreciated the opportunity to unwind and interact with peers from different disciplines. The event received positive feedback, with students expressing gratitude for the much-needed break and the sense of community it fostered.The success of Craze Fusion demonstrated the importance of such events in enhancing student well-being and campus life. By providing a platform for students to engage in light-hearted activities and socialize outside the classroom, WEC contributed to a more balanced and enjoyable college experience. As a result, Craze Fusion not only served as a stress-reliever but also as a subtle yet effective tool for promoting the club's mission and values.Looking ahead, the positive reception of Craze Fusion has inspired WEC to consider making it a regular feature in the event calendar.

FEMINA

In celebration of International Women's Day, the Women Empowerment Club (WEC) hosted a week-long event named FEMINA from March 5th to March 15th, 2024. The event aimed to celebrate womanhood, promote gender equality, and empower women through a series of engaging activities.

Day 1 (05/03/2024): Warrior She

The week kicked off with a self-defence session titled 'Warrior She,' conducted in collaboration with the Martial Arts Club. This session empowered female participants by teaching essential self-defence techniques, making it both fun and informative.

Day 2 (06/03/2024): Mr. AND Mrs. BHARAT

In collaboration with the Ek Bharat Shreshta Bharat Club, participants engaged in a variety of activities including a taste test, connections game, rangoli competition, and a thrilling treasure hunt, fostering creativity, teamwork, and cultural appreciation.

Day 3 (07/03/2024): Sketch or Slam Story

Partnering with the Literary Club, WEC hosted a two-round event where participants first identified words or sentences through actions and then sketched them within a time limit, combining creativity with quick thinking.

Day 4 (08/03/2024): FEMINA Stalls and Funtastic Fiesta

On International Women's Day, WEC organized a day filled with vibrant stalls and a Funtastic Fiesta in collaboration with Kalam Knowledge Club.

The stalls showcased student and vendor businesses, while the Fiesta engaged participants in educational games and tributes to influential women.

Day 5 (12/03/2024): Talent Hunt

The event concluded with a Talent Fest exclusively for girls, where participants showcased their talents in various categories, including dance, music, skits, live drawing, and more. The event celebrated female creativity and concluded with a grand valediction ceremony honoring the winners.

CYBERAWARE

DATE - 03-07-2024
TIME - 3:00 - 4:30pm

The CYBERAWARE program, a joint initiative by the Women Empowerment Cell and Cyber Security Cell, was a pivotal event focused on raising awareness about cyber threats and safety measures. The event began with a keynote by Mrs. Shreelekha, who underscored the rising importance of cybersecurity, highlighting threats like phishing, malware, and ransomware. Mr. Jambulingam, Head Constable of the Cyber Women Cell, provided a comprehensive overview of cybercriminal tactics and their impact, sharing real-world case studies.

An interactive session led by Sub-Inspector Mr. M. Nagarajan engaged participants in recognizing phishing attempts and securing personal devices, offering practical tips on cybersecurity. A standout feature was the live demonstrations of hacking techniques and defensive measures by experts, giving participants a hands-on understanding of both offensive and defensive cybersecurity strategies.

The event concluded with a panel discussion featuring members of the Cyber Security Cell of Tamil Nadu, who explored emerging cybersecurity trends, the role of AI, and the importance of government and private sector collaboration. The CYBERAWARE program effectively raised awareness about cyber threats and educated participants on protecting themselves, fostering a sense of collective responsibility for cyber safety.

VALEDICTION

02/05/2024

VALEDICTION

Date: 02/05/2024

Location: MBCH

Organizer: Photo Club, CIT

Introduction:

The Photo Club organized its annual valediction event to bid farewell to the graduating members of the club. The event aimed to celebrate the achievements of the seniors and to reminisce about the memorable moments shared during their time in the club.

Event Overview:

The valediction event commenced with an opening address by the club secretary, who welcomed the attendees and highlighted the significance of the occasion. This was followed by a series of speeches by the club members, expressing their gratitude to the seniors for their guidance and mentorship.

Activities and Highlights:

- Photo Exhibition: A photo exhibition showcasing the best works of the seniors was organized, allowing the attendees to appreciate their talent and creativity.

-Advisor's address: The club advisor, also addressed the gathering, sharing his thoughts and reflecting on the journey of the seniors during their time in the club. He commended their dedication and passion for photography, and wished them success in their future endeavors.

- Award Ceremony: The club honored the seniors with memorable gifts in recognition of their contributions to the club.

- Interactive Sessions: The event also included interactive sessions where the seniors shared their experiences and offered advice to the junior members.

Conclusion:

The valediction event concluded with a vote of thanks by the club secretary, expressing gratitude to everyone who contributed to the success of the event. The seniors were bid farewell with best wishes for their future endeavors, and the event ended on a nostalgic note, marking the end of a memorable chapter for the Photo Club.

KLIC STUDIOS

Feedback and Reflection:

The valediction event received overwhelmingly positive feedback from the attendees, who appreciated the efforts of the club in organizing a memorable farewell for the seniors. The event served as a poignant reminder of the bonds formed and memories created through the shared love for photography.

Conclusion:

The valediction event was a resounding success, providing a fitting farewell to the graduating members of the Photo Club. It served as a testament to the club's commitment to fostering a community of photography enthusiasts and celebrating the art of capturing moments through lenses.

The Student Induction Programme was an opportunity to introduce our club to the new first-year students. The Dramatix club proudly showcased the rich legacy of DX, which has been celebrated for years, demonstrating our commitment to WE EXIST TO ENTERTAIN THEM. The performers' impressive choreography and graceful movements captivated the audience, earning thunderous applause from the first-year spectators. We were allotted a 30-minute time slot, which was divided into six parts, featuring a variety of performances. The boys and girls each had two separate slots to showcase their talents. Their collaboration helped us not only introduce our club's history and achievements but also set the stage for what the new students can look forward to in the coming years. Short Report of the Program	Event Photographs and their Captions
The 2009 batch conducted the Reminiscence event, where we warmly welcomed them back to CIT to rekindle their memories. The alumni cherished every moment spent on campus. They sponsored gifts, providing each alumnus with a hamper containing printed t-shirts and delicious brownies. They also created a memory board filled with their favourite moments and signatures. There were photo sessions and games like cricket, volleyball, and football. Lunch was provided for the alumni, their families, and our DX members. We coordinated with the alumni, kept them engaged, and organized fun activities for the kids. Our 30-minute performance slot was divided into six parts, with separate segments for the 2009 crew, girls, and boys. The event concluded successfully by 7 pm, leaving our alumni with happy hearts as they returned home.	 Caption: Performance of Dramatix Girls

Programme Title: Muthamizh Mandram

Date & Time: 17/03/2024
Venue: IT 211
No. of Participants: 25 - 30
Short Report of the Programme:
Magazine Release - Institute Day
Proudly presented by Muthamizh Mandram.

Programme Title: Magazine Release

Date & Time: 06/04/2024, 10:00 AM to 4:00 PM
Venue: Auditorium
No. of Participants: 230
Short Report of the Programme:
Institute Day celebrated on 6th April on behalf of the day of the Institute Opened , The Literary Club organised the events.

Programme Title: RJ Hunt

Date & Time: 19/04/2024, 5:00 PM to 7:00 PM

Venue: IT 211
No. of Participants: 20
Details of judges (Internal): - club members

Short Report of the Programme:
A thrilling competition where participants stepped into the shoes of a radio jockey, showcasing their voice modulation, creativity, and on-air charisma.

Captions to Photographs:
Caption: Active participant prize giving.

Programme Title: Nakshatra

Date & Time: 09/08/2024 to 10/08/2024, 9:00 AM to 12:30 PM
Venue: Main Block 313
No. of Participants: 40
Details of judges (Internal): - club members

Short Report of the Programme:
A vibrant event featuring a mix of intellectual and creative challenges. Activities included Connection, a test of quick thinking; Essay Writing, where ideas met eloquence; Sing it or Eat it, a fun musical dare; Open Mic, for unfiltered expressions; and Spell Bee, a battle of words and wit. Nakshatra was a celebration of talent and versatility!

SEED BALL FESTIVAL

Date	: 29/07/2023
Mode	: Offline
Venue	: Thiyagi.N.G.Ramaswamy Memorial Higher Secondary School
Duration	: 4 Hours
No.of participants	: 150

NSS Secretaries

Faculties In-charge

Dr. R.Pabhakaran,

Dr. S. Jayanthimani,

Dr.S.Nandakumar,

Dr.K.V.Hemalatha,

Dr.P.Suresh.

An offline event called "Seed ball event" took place on July 29, 2023. The event started at 9:00 a.m. Around 6,000 people, including schoolchildren and volunteers, took part in the initiative at Thiyagi N.G. Ramaswamy Memorial Higher Secondary School in the city on Saturday.

Over 10 lakh seed balls were made in 30 hours by students and volunteers at the "Seed Ball Festival, organised by Thiyagi N.G. Ramaswamy Memorial Higher Secondary School and Ruthambra Yoga Centre in the city.

The festival that began on Saturday culminated at 6 p.m. on Sunday.

Explaining the efficiency of seed balls, Mr. Sadhasivam said that the seeds would last for nearly two years with an 80% chance of sprouting as they were covered with a mixture of mud, cow dung, and compost.

After the seed balls are ready, they will be dropped in select locations with the help of the Forest Department, he added.

S.V. Nandagopal, one of the organizers, said seed balls can even be prepared at home using compost and seeds from vegetables and fruits.

The festival was inaugurated by Chief Education Officer R. Murugan in the presence of Ruthambra Yoga Centre founder Pathanjali Eswaran on Saturday.

On September 21, 2023, the National Service Club organized a significant event to commemorate Peace Day. With the aim of promoting peace within the college community and beyond, students, faculty, and club members were invited to participate in a symbolic gesture by imprinting their fingerprints on a representation of peace, embodied by a dove. Participants were provided with non-toxic, washable ink pads and guided to imprint their fingerprints onto the dove symbol. This act symbolized their commitment to promoting peace and solidarity. Each fingerprint left a unique mark, representing the diverse individuals coming together for a common cause.

This event served as a powerful reminder of the collective responsibility to strive for peace and harmony. By physically imprinting their fingerprints on the symbol of peace, participants expressed their solidarity and commitment to fostering understanding, compassion, and unity.

The event witnessed enthusiastic participation from students, faculty, and club members alike. Through the simple yet meaningful act of imprinting fingerprints on the symbol of peace, participants reaffirmed their commitment to building a more harmonious and compassionate world. The event exemplified the spirit of unity and solidarity, inspiring individuals to become ambassadors of peace in their own communities.

	Dr.K.V.Hemalatha.,
	Dr.P.Suresh.

The National Service Scheme (NSS) organized a week-long Python classes event aimed at empowering government school students with essential programming skills. Commencing on September 24 and concluding on September 30, 2023, the event unfolded within our college campus. Each day was meticulously planned to cover fundamental aspects of Python programming. On the first day, students were introduced to Python along with its practical applications across various industries. The session delved into the significance of Python in modern technology and its role in areas like web development, data analysis, and artificial intelligence. Subsequently, participants were acquainted with Python syntax, laying the groundwork for their understanding of the language's structure and conventions. Additionally, the importance of comments in code readability and documentation was emphasized, highlighting their role in enhancing program comprehension and collaboration. Through interactive lectures and hands-on exercises, students gained foundational knowledge of Python programming, setting the stage for a week of immersive learning and skill development.

DAY 2

Date	: 30/07/2023
Mode	: Offline
Venue	: CIT CAMPUS

During the Python Classes for Government school students organized by the National Service Scheme (NSS) within our college campus from September 24 to September 30, 2023, Day 2 focused on imparting knowledge about Python variables, data types, and simple programming concepts. With a dedicated team of 60 members, the session began with an introduction to the fundamentals of Python programming language, emphasizing the significance of variables in storing and manipulating data. Through interactive discussions and practical examples, students were introduced to various data types such as integers, floats, strings, and booleans, along with their respective uses and applications. Furthermore, simple programming exercises were conducted to reinforce the understanding of these concepts, allowing students to apply their newfound knowledge in real-time scenarios. The session aimed to lay a strong foundation in Python programming for the participating government school students, equipping them with essential skills to pursue further learning in computer science and programming. Overall, Day 2 of the Python Classes was marked by enthusiastic participation and a collaborative learning environment, fostering a passion for technology and innovation among the students.

DAY 3

Date	: 31/07/2023
Mode	: Offline
Venue	: CIT CAMPUS
Duration	: 2 hrs
No.of participants	: 60

NSS Secretaries : Varsha R

Dinesh K

Dr.K. V.Hemalatha ,

Dr.P.Suresh.

On the third day of the "Python Classes for Government School Students" event organized by the National Service Scheme, held on September 26, 2023, the focus shifted to essential programming concepts including Python strings, Boolean logic, and operators. With a vibrant attendance of 60 eager participants from various government schools, the day commenced with an interactive session introducing the fundamentals of strings, emphasizing their importance in programming and practical applications.

Subsequently, participants delved into the realm of Boolean logic, learning about the foundational principles behind true/false values and logical operations. The session aimed to enhance their problem-solving skills and logical reasoning abilities through engaging discussions and hands-on exercises.

Moreover, the exploration of operators in Python provided attendees with valuable insights into manipulating data and performing various computations within the language. Through guided programming exercises, students had the opportunity to apply their newfound knowledge, reinforcing their understanding of these critical concepts.

DAY 4

Date : 01/08/2023
Mode : Offline
Venue : CIT CAMPUS
Duration : 2 hrs
No.of participants : 60

NSS Secretaries : Varsha R
Dinesh K
Pradeep Kumar P
Vengatesan B
Jagadeeswararajan S
Swetha S

Faculties in-charge : Dr. R.Pabhakaran,
Dr. S. Jayarehmani,
Dr.S.Nandakumar,
Dr.K.V.Hemalatha ,
Dr.P.Suresh.

On the fourth day of the "Python Classes for Government School Students" event, held by the National Service Scheme (NSS), the focus was on Python lists and programming exercises related to lists. With a vibrant participation of 60 members, including students and facilitators, the day was marked by enthusiastic learning and practical engagement. The session began with an introduction to Python lists, explaining their significance in programming and their versatile nature for storing and manipulating data. Participants were guided through various operations on lists, including creation, appending, slicing, and sorting. They were encouraged to actively participate in coding exercises designed to reinforce their understanding of list concepts. Additionally, real-world examples were shared to illustrate the practical applications of lists in solving problems and organizing data. The interactive nature of the session fostered a collaborative learning environment, where participants exchanged ideas and supported each other in grasping the concepts. Overall, Day 4 of the event provided an enriching experience, equipping participants with valuable skills in Python programming and enhancing their confidence to tackle programming challenges involving lists

DAY 5

Date	: 02/08/2023
Mode	: Offline
Venue	: CIT CAMPUS
Duration	: 2 hrs
No.of participants	: 60

NSS Secretaries
: Varsha R
Dinesh K
Pradeep Kumar P
Vengatesan B
Jagadeeswararajan S
Swetha S

Faculties in-charge
: Dr. R.Pabhakaran,
Dr. J. Jayarethinam,
Dr.S.Nandakumar,
Dr.K.V.Hemalatha ,
Dr.P.Suresh.

The week-long event "Python Classes for Government School Students," organized by the National Service Scheme, commenced on September 27, 2023, with the noble objective of empowering students with essential programming skills. With a robust attendance of 60 eager participants from various government schools, the initiative aimed to bridge the digital divide and provide students with practical knowledge in Python programming. Throughout the week, the curriculum focused on fundamental Python concepts, including sets, tuples, and dictionaries, supplemented with hands-on programming exercises. Each day was dedicated to a specific topic, ensuring comprehensive understanding and application. Expert instructors guided the students through interactive sessions, fostering a conducive learning environment. Moreover, real-world examples and projects relevant to the students' academic and professional pursuits were incorporated, enhancing engagement and comprehension. By the end of the week, participants not only acquired proficiency in Python programming but also gained confidence in their ability to leverage technology for problem-solving and innovation. This initiative underscores the NSS's commitment to educational empowerment and skill development among underserved communities, laying a strong foundation for future academic and career endeavors.

DAY 6

Date	: 03/08/2023
Mode	: Offline
Venue	: CIT CAMPUS
Duration	: 2 hrs
No.of participants	: 60

NSS Secretaries : Varsha R
Dinesh K
Pradeep Kumar P
Vengatesan B
Jagadeeswararajan S
Swetha S

Faculties in-charge : Dr. R.Pabhakaran,
Dr. J. Jayanthimani,
Dr.S.Nandakumar,
Dr.K.V.Hemalatha ,
Dr.P.Suresh,

On the sixth day of the Python Classes for Government school students organized by the National Service Scheme, held on September 28, 2023, the focus shifted to the topic of Python loops. With a cohort of 60 enthusiastic participants, the session aimed to deepen the students' understanding of loops, a fundamental concept in programming. Through interactive lectures, hands-on exercises, and practical examples, the students were introduced to different types of loops such as for loops, while loops, and nested loops. Emphasis was placed on understanding the syntax, logic, and practical applications of loops in solving real-world problems. The session encouraged active participation, allowing students to experiment with writing their own loop-based programs and debugging any errors they encountered. By the end of the day, students had gained a solid foundation in Python loops, empowering them to tackle more complex programming challenges with confidence. The engaging and comprehensive nature of the session ensured that students left with valuable insights and practical skills they could apply beyond the classroom.

DAY 7

Date	: 04/08/2023
Mode	: Offline
Venue	: CIT CAMPUS
Duration	: 2 hrs
No.of participants	: 60

NSS Secretaries

: Varsha R
Dinesh K

Swetha S

Faculties in-charge

: Dr. R.Pabhakaran,

Dr. J. Jayarthmani,

Dr.S.Nandakumar,

Dr.K.V.Hemalatha ,

Dr.P.Suresh,

On the final day of the "Python Classes for Government School Students" event, conducted by the National Service Scheme (NSS) over the course of one week, a comprehensive session on Data Structures programs using Python was delivered. With a participation of 60 enthusiastic members, the session aimed to equip students with fundamental skills in organizing and manipulating data efficiently. Throughout the week-long program, students were introduced to the basics of Python programming, gradually advancing to more complex concepts. The final day's focus on data structures underscored the practical application of Python in handling real-world problems. Participants engaged in hands-on activities and coding exercises to reinforce their understanding of concepts such as lists, dictionaries, tuples, and sets, essential components in data manipulation. By the end of the session, students gained valuable insights into the versatility of Python programming language and its significance in modern-day computing. The event culminated with a sense of accomplishment among participants, as they showcased their newfound proficiency in Python and eagerness to explore further in the field of computer science.

	Dr.P Suresh

As members of the National Service Scheme (NSS), we orchestrated a dynamic orientation program meticulously tailored for our incoming first-year participants. This event served as a pivotal introduction, equipping newcomers with the essential knowledge, skills, and camaraderie needed to embark on their NSS journey with purpose and passion. Our multifaceted program comprised interactive workshops, enlightening seminars, and team-building exercises designed to foster a sense of belonging and empowerment among our newest members. We delved deep into the ethos of NSS, elucidating its rich history, core values, and overarching mission of community service. Furthermore, we provided practical guidance on project planning, communication strategies, and effective collaboration, empowering our novice volunteers to take on leadership roles and drive positive change within their communities. By nurturing a supportive and inclusive environment, we endeavored to cultivate a vibrant cohort of enthusiastic change makers ready to make a tangible difference in the world through their NSS endeavors.

	Dr.P Suresh

As members of the National Service Scheme (NSS), we organized a highly successful event titled "Product Outcome Program" at CIT (Community Institute of Technology) focusing on engineering machines. This event aimed to showcase the practical applications and innovations in the field of engineering, particularly in the realm of machinery. Through interactive demonstrations, informative workshops, and hands-on activities, we provided participants with valuable insights into the design, functionality, and significance of various engineering machines. Our event featured presentations from experts in the field, highlighting cutting-edge technologies, advancements, and real-world examples of engineering machines in action. Participants had the opportunity to engage directly with industry professionals, gaining firsthand knowledge and expertise. Furthermore, the event fostered a collaborative environment where students, faculty, and industry professionals could exchange ideas, share experiences, and explore potential avenues for collaboration. By promoting dialogue and networking opportunities, we aimed to inspire and empower the next generation of engineers to drive innovation and make a positive impact in their respective fields. Overall, the "Product Outcome Program" served as a platform to celebrate the ingenuity and creativity within the field of engineering while providing valuable learning experiences and networking opportunities for all involved.

As impassioned members of the National Service Scheme (NSS), we embark on a noble journey to uplift and empower the students of government schools through our dedicated coaching initiative for the National Means Cum Merit Scholarship (NMMS) exam. With a shared vision of creating a more inclusive and equitable society, we recognize the pivotal role education plays in breaking the cycle of poverty and fostering socio-economic mobility. Driven by our commitment to service and social justice, we extend a helping hand to those students who face financial hurdles in accessing quality coaching for academic enrichment.Our endeavor is not merely about imparting knowledge but about instilling confidence, igniting passion, and nurturing potential. Through our coaching sessions, we create a supportive and nurturing environment where every student feels valued and empowered to excel. We believe in harnessing the inherent talents and strengths of each individual, guiding them towards academic success and personal growth.In the spirit of collaboration and solidarity, we harness the collective energy and expertise of our NSS community to deliver impactful coaching that transcends traditional boundaries. Beyond the confines of the classroom, we strive to inspire a culture of lifelong learning and curiosity, equipping students with the skills, knowledge, and resilience needed to navigate the challenges of the modern world.Together, as champions of education and agents of change, we stand united in our mission to unlock the boundless potential of every student, regardless of their background or circumstance. Through our unwavering

dedication and tireless advocacy, we sow the seeds of hope and opportunity, paving the way for a brighter future for generations to come.

	Dr.P.Suresh

As members of the NSS, we took the initiative to host an enriching online webinar titled "Mathematical Sciences on Society" during the first week of our program. This event was designed to delve into the intricate connections between mathematics and various aspects of society, shedding light on its profound influence in shaping our world. Through dynamic presentations, interactive discussions, and expert insights, participants were provided with a comprehensive understanding of how mathematical sciences permeate diverse fields such as economics, technology, healthcare, and beyond. Our webinar aimed not only to elucidate the practical applications of mathematics but also to inspire a deeper appreciation for its significance in driving innovation and progress. By showcasing real-world examples and case studies, we sought to demonstrate how mathematical principles underpin crucial decision-making processes and contribute to the advancement of society as a whole. Additionally, the event served as a platform for participants to engage with esteemed experts in the field, facilitating meaningful exchanges of ideas and perspectives. The overwhelming positive response from participants reaffirmed the importance of fostering dialogue and understanding around the role of mathematics in society. As members of the NSS, we remain committed to organizing such impactful events that not only educate and inform but also inspire and empower individuals to recognize the transformative potential of mathematical sciences in shaping a better future for all.

	Dr.P.Suresh

On 6/12/2023 an offline event **"National Means Cum – Merit Scholarship"** took place. The event was organized by NSS under the guidance of staff advisors. Event was started at 10 am by a welcome address. This event took place to train the school students to approach the scholarship scheme. The speaker Mr. K. Ganesh participated in the session. **Mr. K. Ganesh** started the event with an introduction to the scheme. He gave a good explanation about intake period and Procedure. Objective of which is extending the classroom learning and focusing on well-planned interactive session. Finally, Dr. P. Suresh sir added few information on that event and encouraged the students. The session was ended at 12.30 pm.

Then the session moved to the next part. The Social Science session provided a comprehensive overview of key topics within the field, exploring diverse aspects of human society and behavior. The class was handled by Mr.Ganesh and Ashnitha student of CTI. The session was comprised of 46 students. Delivered by knowledgeable speaker, the session covered a range of subjects, fostering a deeper understanding of societal structures, cultural dynamics, and historical perspectives. The session was interactive. Participants engaged in thought-provoking discussions, gaining valuable insights into the complexities of the social sciences and their relevance to contemporary issues.

	Dr.K.V.Hemalatha &
	Dr.P.Suresh.

The offline Math class took place on 23-12-2023. This productive event was organized by the students of CIT. The Mathematics session was an interactive exploration of visual reasoning and problem-solving. Participants delved into exercises involving finding the missing number and letter in various figures, honing their analytical and pattern recognition skills. The session also included engaging activities with Venn diagrams, challenging attendees to identify relationships and intersections between sets. The session was composed of 44 students. Overall, the session aimed to enhance participants' mathematical thinking and problem-solving abilities through hands-on exercises and visual puzzles.

PHOTOS OF THE SESSION:

Week 4

Date	: 30/12/2023
Mode	: Offline
Venue	: IT 211
Time	: 10 am to 12.30 pm
No. of participants	: 40
NSS Secretary	: Varsha R

	Dr.K. V. Hemalatha &
	Dr P. Suresh.

The session on **"Direction, blood relation, encoding &decoding"** was held on third consecutive week. The session on direction, blood relation, encoding, and decoding offered a dynamic learning experience in the realm of logical reasoning. Participants engaged in exercises exploring spatial awareness with direction-related problems, unraveling family ties through blood relation challenges, and deciphering codes through encoding and decoding puzzles. The session was comprised of 40 students. The session aimed to sharpen participants' analytical skills, enhance problem-solving abilities, and foster a deeper understanding of logical concepts. Attendees actively participated in decoding patterns and navigating through complex scenarios, making the session an engaging exploration of logical reasoning.

PHOTOS OF THE SESSION:

Week 5

Date	: 06/01/2024
Mode	: Offline
Venue	: CIT Campus
Duration	: 5 HOURS
No. of participants	: 36
NSS Secretary	: Varsha R
	Dinesh K
	Swetha S

	Yergatesan R
	Jagadeeswararajan
Faculties in-charge	Dr. E. Jayanthimani,
	Dr.S.Nandakumar,
	Dr.K.V.Hemalatha &
	Dr.P.Suresh.

The Social Science session offered a captivating exploration into the diverse facets of human society. Participants immersed themselves in discussions covering topics such as history, geography, sociology, and political science. The session was comprised of 36 students. The session provided insights into the complexities of societal structures, cultural dynamics, and historical events. Through interactive discussions and engaging activities, participants gained a broader perspective on the interconnectedness of various social sciences. The aim of the session was to foster a deeper understanding of the world we live in and encourage critical thinking about the social fabric that shapes our lives.

PHOTOS OF THE SESSION:

Week 6

Date	: 13/01/2024
Mode	: Offline
Venue	: IT 213
Time	: 10 am to 12.30 pm
No. of participants	: 36

NSS Secretary	: Varsha R

Faculties In charge	: Dr. K. Jayanthimani,
	Dr.S.Nandakumar,
	Dr.K.V.Hemalatha &
	Dr.P.Suresh,

The comprehensive session on the Number System, Geometry, and Real-life Mathematics provided a holistic exploration of mathematical concepts. Participants delved into the intricacies of the Number System, tackling mathematical operations and understanding numerical relationships. The Geometry segment facilitated a visual understanding of shapes, angles, and spatial relationships. Real-life Mathematics bridged theory with practical application, illustrating how mathematical principles are embedded in everyday scenarios. For the sixth consecutive week the session was comprised of 36 students. This session aimed to equip participants with a well-rounded grasp of mathematical fundamentals, fostering both theoretical understanding and practical application in real-world contexts.

PHOTOS OF THE SESSION:

Week 7

Date	: 20/01/2024
Mode	: Offline
Venue	: IT 213
Time	: 10 am to 12.30 pm
No. of participants	: 36

NSS Secretary	: Varsha R
	Dinesh K

	Dr.K.V.Hemalatha &,
	Dr.P.Suresh.

The scholarship class conducted by Mr. Ganesh for school students encompassed aptitude and science subjects. With a total of 36 students participating, the sessions aimed at enhancing critical thinking and scientific inquiry skills. Mr. Ganesh adeptly guided the students through challenging concepts, fostering intellectual growth and academic excellence. The class provided a platform for students to explore their potential and excel in these crucial subjects. Through interactive lessons and engaging activities, students were equipped with the necessary tools to succeed academically and beyond. The scholarship class proved to be a valuable opportunity for students to thrive and reach their full potential.

Dr.P.Suresh,

The final class of the NMMS scheme was conducted with great enthusiasm, engaging 46 students in a memorable session. Subjects covered included mathematics, science, and language arts, offering a comprehensive review of key concepts. To inject fun into learning, interactive quizzes and group activities were organized, fostering teamwork and critical thinking skills. A motivational speech delivered by the instructor inspired students to strive for excellence and pursue their goals with determination. The session concluded with a heartfelt thank you note, expressing gratitude to the NSS club of CIT for organisation and dedication throughout the program. The NMMS scheme not only provided academic support but also instilled a sense of confidence and motivation in the students, empowering them to excel in their educational journey.

As members of the National Service Scheme (NSS), we organized a special event aimed at inspiring and supporting visually impaired individuals in their pursuit of success in the Tamil Nadu Public Service Commission (TNPSC) exams. Recognizing the unique challenges faced by blind individuals in accessing educational resources and preparing for competitive exams, our event sought to provide them with encouragement, guidance, and resources tailored to their needs. Through interactive workshops, motivational talks, and personalized coaching sessions, we endeavored to instill confidence and empower visually impaired individuals to excel in the TNPSC exams. Our volunteers worked closely with participants to provide assistance in accessing study materials, navigating exam formats, and developing effective study strategies adapted to their individual needs. Moreover, we facilitated peer support networks and mentor ship opportunities to foster a sense of community and solidarity among visually impaired aspirants. By creating a supportive and inclusive environment, we aimed to break down barriers and create equal opportunities for all individuals, regardless of their physical abilities. Ultimately, our event was not just about preparing visually impaired individuals for the TNPSC exams but about recognizing their potential, celebrating their achievements, and advocating for greater exclusivity and accessibility in the realm of competitive exams and education as a whole. As members of the NSS, we remain committed to championing the rights and aspirations of all individuals, and we will continue to work towards building a more inclusive and equitable society for Everyone.

	Dr.S.Nandakumar,
	Dr.K.V.Hemalatha ,
	Dr.P.Suresh.

On December 28th, the CIT 73 Golden Jubilee Coordination Committee organized a momentous event to commemorate the institution's milestone. The event brought together alumni members to celebrate fifty years of academic excellence and shared memories. The National Service Scheme (NSS) played a pivotal role in ensuring the success of the event by providing invaluable assistance and support to the alumni community.

The NSS, as an integral part of the organizing committee, contributed significantly to the smooth coordination and execution of various activities during the event. Volunteers from NSS were actively involved in logistical arrangements, registration processes, and managing guest hospitality. Their dedication and commitment ensured that the alumni members felt welcomed and appreciated throughout the event.

Additionally, NSS volunteers assisted in facilitating interactive sessions and networking opportunities for alumni, fostering camaraderie and connections among attendees. Their presence added an extra layer of warmth and inclusivity to the event, creating a memorable experience for all participants.

Dr.K.V.Hemalatha,
Dr.P.Suresh.

On January 5, 2024, the National Service Scheme (NSS) club organized a significant event aimed at facilitating discussions with headmasters of various government higher secondary schools regarding career guidance for students. This initiative sought to provide valuable insights and assistance to students in making informed decisions about their future endeavors.

The NSS club members visited three government higher secondary schools: 1. Government Higher Secondary School, Ramanathapuram; 2. Government Higher Secondary School, Sidhapudhur; and 3. Government Higher Secondary School, V.H. Road. At each school, discussions were held with the respective headmasters to understand the current practices in career

guidance and explore avenues for improvement.

During the discussions, the NSS members emphasized the importance of comprehensive career guidance programs that cater to the diverse interests and aspirations of students. They exchanged ideas on effective strategies for providing information about various career options, vocational training opportunities, higher education pathways, and skill development programs.

The event was of significant importance as it aimed to bridge the gap between academic learning and practical career exploration. By engaging with headmasters, the NSS club sought to identify areas where additional support and resources could enhance the career guidance initiatives within these schools.

	Dr P Suresh.

On January 25, 2024, the National Service Scheme (NSS) club organized the "Naan Mudhal Scheme" career guidance event, specifically tailored for 12th standard government school students in and around Coimbatore. The event aimed to provide valuable insights and assistance to students in making informed decisions about their future academic and career paths. Dr. Muthu Subramanian, Assistant Professor of our college, played a pivotal role in the event by engaging directly with the students. Dr. Subramanian interacted with the students, highlighting the various facilities available at our college and providing detailed information about placement opportunities. Through informative discussions and engaging presentations, Dr. Subramanian effectively conveyed the benefits and opportunities awaiting students at our college. His insights into the academic programs, infrastructure, and placement assistance served to inspire and motivate the students to consider our college as a viable option for their higher education journey. The event not only provided valuable career guidance but also fostered a sense of enthusiasm and optimism among the participating students, empowering them to pursue their dreams with confidence and clarity.

NSS Secretaries	: Varsha R Dinesh K Pradeep Kumar P Vengatesan R Jagadeeswararajan S Swetha S
Faculties In-charge	: Dr. R.Pahbakaran, Dr. E. Jayanthirmani, Dr.S.Nandakumar, Dr.K.V.Hemalatha , Dr.P.Suresh.

The Rake Lake event, organized by the National Service Scheme, took place on February 16, 2024, with 40 enthusiastic volunteers participating in the cleaning initiative. The event aimed to address the environmental concerns surrounding the lake, focusing on removing litter and debris to restore its natural beauty and ecological balance. Volunteers worked diligently, armed with gloves, trash bags, and other cleaning equipment, to collect and dispose of various forms of waste found around the lake area. Their efforts not only helped to enhance the aesthetic appeal of the surroundings but also contributed significantly to the preservation of the local ecosystem. The event fostered a sense of community and environmental stewardship among participants, inspiring them to continue advocating for the protection and conservation of natural resources in their locality. Overall, the Rake Lake event was a resounding success, demonstrating the positive impact that collective action can have on improving the environment.

INTERNATIONAL YOGA DAY AND FITNESS DAY - 2023

COIMBATORE INSTITUTE OF TECHNOLOGY

"The nature of yoga is to shine the light of awareness into the darkest corners of the body."

On June 21st, the Coimbatore Institute of Technology reverberated with energy and enthusiasm as the Yoga Club and Fit India club of CIT joined forces to celebrate Yoga and Fitness Day. This remarkable event aimed to promote holistic well-being and inspire individuals to embrace a healthy lifestyle. With a myriad of activities ranging from invigorating yoga sessions to engaging fitness challenges, the day served as a catalyst for physical, mental, and spiritual rejuvenation. Students, faculty, and staff came together to experience the transformative power of yoga, fostering unity and harmony. The event was a testament to CIT's commitment to nurturing a culture of wellness and vitality among its vibrant community.

- Coimbatore Institute of Technology envisioned celebrating Yoga Day with a vibrant array of competitions in exploring creativity through drawing, slogans, essays, silhouettes, and dance.
- The slogan competition encourages participants to craft compelling and thought-provoking phrases that resonate with the spirit of yoga.
- The essay competition invites students to articulate their insights on the transformative power of yoga in a written form.
- The silhouette competition challenges participants to showcase their grace and flexibility through captivating yoga poses.
- The dance competition infuses energy and rhythm, blending the art of dance with the ancient practice of yoga.
- These diverse competitions offer an opportunity for students to showcase their talent and embrace the holistic benefits of yoga, fostering a sense of creativity, mindfulness, and wellbeing.

11.	Vote of thanks and national anthem	12:20 to 12:30

On 21st June 2023, the International Yoga and Fitness Day was celebrated with great enthusiasm. The event took place at a grand venue, and it was graced by esteemed dignitaries. The dignitaries present were Dr. A. Rajeswari, principal of Coimbatore Institute of Technology. Ms.Sumathi Buvaneeswaran (chief guest) yoga instructor from real age yoga center along with Dr. Shanmogapriya and Dr. Marimuthu, club advisors of the Yoga Club of CIT and Ms.J.Asha, the Fit India Club advisor, also joined the event. The ceremony commenced at 9:30 a.m. and it began on a serene note with a soulful prayer song.

Welcoming the gathering in a pleasant way adds colour to the event. A warm welcome address was presented by Dr.Shanmugapriya, Staff advisor of Yoga club, CIT.

The dignitaries and secretaries then proceeded to light a ceremonial lamp, symbolizing the enlightenment and unity of the occasion.

Following that the Principal honored the Chief guest by presenting a small memento.

The winners of the pre-event competitions were announced. Medals and certificates were presented to them by principal and chief guest.

An amazing silambam performance !!

Through practice comes yoga, through yoga comes knowledge, through knowledge love and through love bliss.

Following the performances, a small PowerPoint presentation was also presented about importance of yoga and fitness.

Yoga is like music. The rhythm of the body, the melody of the mind, and the harmony of the soul that create the symphony of life. A rhythmic yoga performance was also carried out.

An energetic karate performance !!!

Yoga is not a work out it is a work in. And this the point of spiritual practice; to make us teachable; to open our hearts and focus our awareness so that we can know what we already are.

A refreshing yoga session was carried out by chief guest Ms. Sumathi Buvaneeswaran

Around 100 students actively participated in the session and they really enjoyed it.

Gratitude is a quality like electricity. It must be produced and discharged and used up in order to exist at all.

The Event was concluded with Vote of thanks by Ms Asha, the club advisor of FIT INDIA Club of CIT followed by the National Anthem

YOGA CLUB
INAUGURATION 2023 - 2024

Date	06/10/2023
Venue	LBCH
Time	5 PM to 7 PM
No of Participants	90
Event Incharge	Sivasankar M (2003084)
MC	Sathyapriya and Archana shree

Yoga Club Inauguration Ceremony for the Academic year 2023 - 2024 was held on 6th October 2023 and the ceremony started at 5 PM. This inauguration was held in Library Block Conference Hall (LBCH) in the presence of staff advisor Mr. Marimuthu sir. The welcome address is given by Sudeesh. Lighting a lamp before a ceremony spreads divine grace. The lamp also shows everyone who is present how to rise upwards and dispel darkness... Following the welcome address, Lighting the lamp by staff advisor.

Then staff advisor Mr.Marimuthu gave an introduction of yoga and importance of yoga in daily life. The an energitic yoga performance is given by yoga club members. Atfirst Surya Namaskaram is given by 12 students.

Then group yoga performance is given by 8 students. They form 10 yoga formations on stage.

The letter YOGA is also performed with yoga poses by 4 students of the yoga club.

Then Rhythmic yoga performance is given by 3 students. They perform for the Siva thandavam song and their steps are awesome with this song.

Then prize distribution for online events is given by staff advisors.

Following the Yoga Performance, Board members for the academic year are announced with video and the yoga club logo is recreated.

COLLABORATION WITH NSS FOR YOGA DAY

Date & Time	27-07-2023
	6:30 AM to 7:30 AM
Mode	Offline
Venue	Infront of auditorium
No. Of. Participants	50

ABOUT THE EVENT:

This is the event conducted by NSS in collaboration with YOGA CLUB to spread awareness about yoga routine.

WARM-UP:

Incorporating a proper warm-up routine into yoga practice is essential for maximizing the benefits of yoga while minimizing the risk of injuries.

Therefore, some stretches are given before starting the session to prepare the muscles and joints and promote flexibility and mobility during the practice.

AASANAS DEMONSTRATION:

During the awareness session, participants were given a demonstration of how to perform Surya Namaskaram by our club members.
Additionally, the benefits of Surya Namaskaram, such as improved flexibility, strengthened muscles, enhanced circulation, and a sense of mental clarity, were highlighted. Following Surya Namaskaram, various easy asanas were demonstrated to juniors, and their importance was taught, emphasizing benefits such as increased flexibility, improved posture, enhanced strength, and relaxation of the mind and body.

FEEDBACK :

At the end of the session, we obtain genuine feedback from the participants to facilitate the progressive growth of the club.

"Yoga is the perfect opportunity to be curious about who you are."

DEEPAM DAY

Date	26.11.23–27.11.23
Mode	Online
No. Of. Participants	11

ABOUT THE EVENT:

This event is conducted on behalf of Karthigai deepam by our YOGA CLUB through online mode.
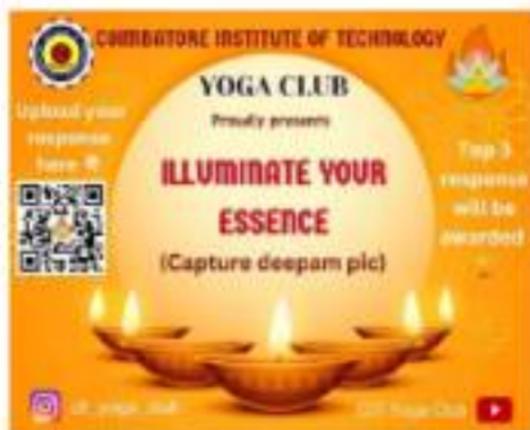

Fig 1: Deepam online event poster

CHERISHING THE BEAUTY OF DEEPAM:

A **"Deepam online event"** focusing on posting instagram pictures of deepam had been conducted as competition,where participants share their creative interpretations of deepam and share their beautiful pictures of Deepam lamps,decorations.

Fig 2: response from a participant

We got totally 11 responses and they proved that "Through the lens of Deepam,every moment is a masterpiece".We selected by posting all the responses collected through drive link in official instagram page of Yoga Club of CIT.

Considering all the combination of excellence,creativity and composition we finally selected 3 participant's responses as best and we rewarded them during vibe venture event.

"Find your inner light with our Yoga Club events, where we ignite the spirit of tranquility and wellness together."

VIBE VENTURE

Date & Time	22-02-2024 & 5-30 PM to 7:30 PM
Mode	Offline
Venue	IT – 213
No. Of. Participants	70

ABOUT THE EVENT :

Vibe Venture is the fun event conducted by the Yoga Club to spread awareness about the importance of yoga.

Fig 1 . Vibe Venture Event Poster

GUESS THE CITY NAME USING CONNECTIONS :

In the first fun event, the participants were given clues to find the city name by giving relevant images to the participants.

Fig 2 . Guess the city name using connections

SCREAMING CHICKEN BLINDFOLDED CHALLENGE :

The participants in teams were tied with a toy and a person from the other team who is blindfolded has to find the members of the team who have tied toys in their toes.

DANCE PASS CHALLENGE :

In this fun event, all the members of the team has to stand in a straight line. A member from the other team has to tell the series of dance steps to the first member standing in the straight line. The last member in the line has to repeat the steps as said by the member from the other team.

FLIP THE BOTTLE CHALLENGE :

In this fun event, the participants were given a certain time and the team with maximum number of flips will be declared as winner.

Fig 3 . Flip the bottle challenge

PRESENTATION CEREMONY :

The winners of the deepam contest conducted during Karthigai Deepam were congratulated with medals and prizes.

Fig 4 . Prize Distribution for Winners

YOGA PERFORMANCE :

Members from the yoga club performed various yoga performances and demonstrated the importance of yoga to the participants.

"Yoga is the journey of the self, through the self, to the self"

COLLAB WITH MUTHAMIZH MANDRAM FOR URIYAR PIRARKU EVENT

Date & Time	17-03-2024 10:00 AM to 4:00 PM
Mode	Offline
Venue	Main building
No. Of. Participants	80

ABOUT THE EVENT:

"Uriyar Pirarku" brought an abundance of joy to our campus as orphanage children from diverse homes joined us for a day of fun-filled activities. The Yoga Club organized few engaging games, including Mini Carrom, Roll the Dice and Win, Paper Tower, Find the Dice, and Dot Art. Mini Carrom tested their precision, while Roll the Dice and Win added an element of chance to win their favourite chocolate as reward. Paper Tower sparked creativity as they built structures, a Find the Dice,challenged their observation skills. Finally, Dot Art allowed them to express their creativity the These activities not only entertained but also fostered a sense of belonging among all participants.

It's not how much you give but

how much love we put into giving.

-MOTHER TERESA

OUR EXPERIENCE:

The participants genuine appreciation for the event and their eagerness to participate in every activity fueled our passion even more. Some children also performed yoga exercises very well which made us to wonder. We felt a deep connection forming, transcending barriers of age, background, and circumstance. It was a reminder that yoga is not just about physical exercise but also about unity, mindfulness, and joy. Each interaction, each shared moment of laughter and learning, left an indelible mark on our souls.

At the end of the day, as we bid farewell to our young guests, our hearts were overflowing with happiness and gratitude. Knowing that we had brought moments of happiness and empowerment to these children filled us with a sense of purpose that words cannot fully capture. The Uriyar Pirarku event was about spreading love, kindness, and joy, and we couldn't be more grateful for the opportunity to be a part of it.

COLLABORATION WITH NSS FOR YOGA AWARENESS

Date & Time	24-04-2024 and 25-04-2024 6:30 AM to 7:30 AM
Mode	Offline
Venue	Infront of auditorium
No. Of. Participants	100

I INSTALLATION CEREMONY

DATE	:09/05/2023
TIME	:5.00 pm – 6.00 pm
MODE	:Offline
VENUE	:LBCM
PARTICIPANTS	:55+
ORGANIZERS	:Shakthivel K , Danusri E (2nd year M.Sc. Software Systems)

DESCRIPTION:

The "Installation Ceremony 2k23" was conducted to mark the valediction of the 2022 board and installation of the 2023 board of FOSS CIT. The event highlighted the contribution of the fellow club members towards the welfare of the club and the college in their tenure. A momento of appreciation and gratitude was presented to mark the valediction of the 2022 board. The installation of the new board of 25 executives was celebrated through the support of the audience, seniors and other club members. The eventful day was celebrated with presentation of video, dance and games as an interaction with the fellow audience.

EVENT SNAPSHOT:

1.INSTA SERIES

DURATION:	10 Months
MODE:	Online
PLATFORM:	Instagram
ORGANIZER:	Damauri E (3rd year M.Sc Software Systems)
	Pathanshini (3rd year MSc AIML)

DESCRIPTION:

This event aims to engage FOSS-CIT's Instagram followers by posting daily questions via Instagram stories from Monday to Friday. These questions are designed to promote active participation and learning among followers, allowing them to test and enhance their knowledge in their free time. Additionally, the event fosters a sense of community among followers, providing an opportunity for them to interact and learn from each other's responses. Moreover, it encourages followers to share their insights and experiences related to the questions, fostering a collaborative learning environment.

EVENT SNAPSHOT:

3.OOPS FOR NOOBS – DAY 1

DATE:	23/05/2023
TIME:	5.00 pm- 6.00 pm
MODE:	Offline
VENUE:	CSM-102
PARTICIPANTS:	75+
ORGANIZER:	Shakthivel K (2nd year M.Sc Software Systems)

DESCRIPTION:

The first event of the board 2022-2023 - **"OOPS FOR NOOBS"** was conducted as a 3 day C++ Workshop which educated the participants, the fundamentals to the challenging concepts of C++. The workshop commenced with an informative session on the fundamentals of C++. The session created a foundation for further learning and exploration. Participants actively participated and were given an engrossing task at the end of the session to revise and take in the concepts taught. The workshop served participants from various departments, including engineering, M.Sc., etc. Introduction to C++ (basic concepts of OOPS) was taught with the aim of introducing students to object-oriented programming and enhancing their coding skills.

EVENT SNAPSHOT:

4.OOPS FOR NOOBS – DAY 2

DATE:	24/05/2023
TIME:	5.00 pm - 6.00 pm
MODE:	Offline
VENUE:	CM-102
PARTICIPANTS:	55+
ORGANIZER:	Kishore K (2nd year M.Sc Software Systems)
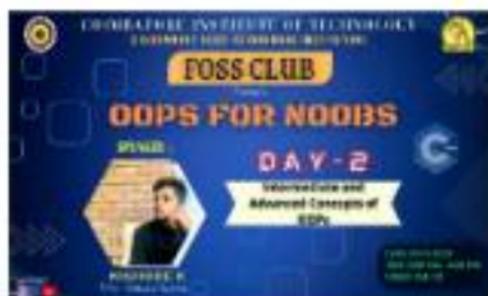

DESCRIPTION:

The second day event of the workshop "OOPS FOR NOOBS" delved into more advanced topics of C++. Session included object oriented programming, vector, arrays, stack, operator overloading, etc. The Speaker- KISHORE K (M.SC Software Systems) shared his knowledge and insights, providing demonstrations to illustrate the advance concepts of OOPs. Students actively participated and engaged in the discussion. The intermediate concepts were explained to enhance the coding knowledge among the participants. Participants were given examples and were asked to figure out the solution which was very interactive and interesting. Tasks were posted for the students at the end of the session to have an understanding and clarity over the concepts thought.

EVENT SNAPSHOT:

5.OOPS FOR NOOBS – DAY 3

DATE:	25/05/2023
TIME:	5.00 pm- 6.00 pm
MODE:	Offline
VENUE:	CM-102
PARTICIPANTS:	50+
ORGANIZER:	Shajith Rooban G G (2nd year M.Sc Software Systems)

DESCRIPTION:

The third and the final day event of the workshop "OOPS FOR NOOBS" focused on the topic "TEMPLATES" and "COMPETITIVE PROGRAMMING". Participants were provided with the knowledge on the deeper concepts such as STL etc. The session was very interesting and interactive since the participants actively engaged in the discussion and clarified their doubts. The Speaker- Shajith Rooban G G (M.Sc Software Systems) provided valuable insights on the concepts which enthralled the idea of coding and problem-solving. Exciting tasks were posted on the end of the session which on completion will be provided E-certificates. The event was successful in terms of active participants from various departments and the ideology of educating the object oriented programming language.

EVENT SNAPSHOT:

6.QUIZ-A-THON

DATE:	06.06.2023
TIME:	5.00 pm – 6.00 pm
MODE:	Offline
VENUE:	CM102
PARTICIPANTS:	35+
ORGANIZERS:	Maghashri A (2nd year M.Sc. Software Systems)

DESCRIPTION:

The "QUIZ-A-THON" event was conducted to build the competitive skills among the participants. The participants were divided into teams of their own and the team with the highest point was rewarded. The first round was about some technical questions to enhance the technical skills within them. The second round comprised of fun questions to keep them more interacted. The third round was an online round in which they had to play in kahoot app which consists of fun questions. This event's main objective was to improve the focus of the participants and to improve their attentive skills. The participants were able to learn new things and know about their own capability and master themselves in quiz.

EVENT SNAPSHOT:

7. THE DSA MASTERCLASS – DAY 1

DATE:	12/06/2023
TIME:	5.00 pm – 6.00 pm
MODE:	Offline
VENUE:	CM102
PARTICIPANTS:	85+
ORGANIZERS:	Pragathy V Y(2nd year M.Sc., Software Systems)

DESCRIPTION:

"The DSA Masterclass" Day-1, led by Pragathy V Y (M.Sc., Software Systems), was an enlightening event. Participants delved into the fundamentals of Data Structures and Algorithms, focusing on topics such as Introduction to DSA and asymptotic notation. The session emphasized calculating time and space complexities, enabling attendees to analyze algorithm efficiency. Additionally, an introduction to pointers and Dynamic Memory Allocation (DMA) provided valuable insights into memory management. Pragathy's expertise and engaging teaching style left the audience inspired and equipped with essential DSA knowledge. Day-1 set the stage for an exciting journey into the world of Data Structures and Algorithms.

EVENT SNAPSHOT:

8.THE DSA MASTERCLASS – DAY 2

DATE:	13/06/2023
TIME:	5.00 pm – 6.00 pm
MODE:	Offline
VENUE:	CM102
PARTICIPANTS:	70+
ORGANIZERS:	Shajith Roobaan G G (2nd year M.Sc,. Software Systems)

DESCRIPTION:

The DSA Masterclass Day-2, led by speaker Shajith Roobaan G G (M.Sc., Software Systems), focused on the fundamentals of stacks and infix/postfix expressions, along with the evaluation of Reverse Polish Notation (RPN). Participants gained a comprehensive understanding of stack data structure, infix-to-postfix conversion algorithms, and the evaluation process of RPN expressions. Shajith Roobaan's expertise and engaging teaching style made the session informative and interactive. Attendees left with a solid foundation in these key concepts, equipping them with valuable skills for algorithmic problem-solving. The event successfully provided a platform for participants to enhance their knowledge of data structures and algorithms.

EVENT SNAPSHOT:

9.THE DSA MASTERCLASS – DAY 3

DATE:	14/06/2023
TIME:	5.00 pm – 6.00 pm
MODE:	Offline
VENUE:	CM102
PARTICIPANTS:	75+
ORGANIZERS:	Danusri E , Meghasri A

DESCRIPTION:

The third day of "The DSA Masterclass" was a knowledge-packed session that delved into the fundamental data structures Queues and Linked Lists. The speaker Danusri E(M.Sc., Software Systems) provided clear explanations of the queue operations, including enqueue and dequeue, and emphasized their time complexities. Following the exploration of queues, the focus shifted to an in-depth introduction to linked lists delivered by Meghasri A(M.Sc., Software Systems).Different types of linked lists, such as singly linked lists, doubly linked lists, and circular linked lists, were thoroughly discussed, along with their respective node structures and traversal techniques. Tasks were posted for the students at the end of the session to have an understanding and clarity over the concepts taught.

EVENT SNAPSHOT:

10.THE DSA MASTERCLASS – DAY 4

DATE:	15/06/2023
TIME:	5.00 pm – 6.00 pm
MODE:	Offline
VENUE:	CM102
PARTICIPANTS:	35+
ORGANIZERS:	Lokhesh R J, Tarun S R

DESCRIPTION:

"The DSA Masterclass" Day 4 focused on the Introduction to Circular Doubly Linked Lists and their operations and searching algorithms. Participants delved into the intricacies of implementing and manipulating circular doubly linked lists, gaining valuable insights into their applications and benefits. The instructor elucidated the steps involved in performing common operations such as insertion, deletion, and traversal. Furthermore, various searching algorithms, including linear and binary search, were discussed, offering attendees a comprehensive understanding of their functionalities. The event fostered an interactive learning environment, enabling participants to enhance their data structures and algorithms knowledge effectively.

EVENT SNAPSHOT:

11.THE DSA MASTERCLASS – DAY 5

DATE:	16/06/2023
TIME:	5.00 pm – 6.00 pm
MODE:	Offline
VENUE:	CM102
PARTICIPANTS:	45+
ORGANIZERS:	Sri Jaya Vaishnaavi K S

DESCRIPTION:

"The DSA Masterclass" Day-5, the final day of the workshop, showcased an in-depth exploration of Sorting Algorithms. Participants eagerly immersed themselves in learning about Merge, Bubble, Quick, Selection, and Insertion Sorts. Expert instructors provided comprehensive explanations, practical demonstrations, and hands-on coding exercises. The event fostered an interactive environment, enabling attendees to grasp key concepts efficiently. Participants gained valuable insights into the time and space complexities, strengths, and limitations of each algorithm. DSA Masterclass Day-5 concluded with an invigorating Q&A session, leaving attendees equipped with a solid foundation in sorting algorithms, ready to tackle real-world coding challenges.

EVENT SNAPSHOT:

12.PLAYPALOOZA DAY-1

DATE:	22/08/2023
TIME:	5.00 pm – 6.00 pm
MODE:	Offline
VENUE:	CM-102
PARTICIPANTS:	45+
ORGANIZERS:	Nikhil S, Mithra V, Ana Dorthy L, Chandru B, Suhaina S

DESCRIPTION:

Play-palooza is an interactive event conducted to provide a fun themed session for the students of 2nd year of CIT. The event consisted of various playful quizzes and interactions. With the gathering of the audience in teams of two or three in each, the event commenced at 5.00pm. The events aimed to boost the level of team coordination and importance of team strength in any given situation. Based on the competitive tasks put forward, five best teams were selected for the next round to finalise the overall winner. The event successfully concluded at 6.00pm.

WINNERS:

TEAM	NAME	DEPARTMENT
1	Rooban	M.Sc. Decision and Computing Science
1	Yaseen	M.Sc. Decision and Computing Science
2	Hariprasath	B.E. Computer Science Engineering
2	Vinoth	M.Sc. Artificial Intelligence and Machine Learning

3	Omaga	M.Sc. Decision and Computing Science
3	Aakash	M.Sc. Decision and Computing Science
3	Rarheesh Kumar	M.Sc. Software Systems
4	Gowtham	M.Sc. Artificial Intelligence and Machine Learning
4	Sanjeev	M.Sc. Artificial Intelligence and Machine Learning
5	Dharaneesh	M.Sc. Software Systems
5	Pranav	M.Sc. Software Systems

EVENT SNAPSHOT:

13.PLAYPALOOZA DAY-2

DATE:	23/08/2023
TIME:	5.00 pm – 6.00 pm
MODE:	Offline
VENUE:	CM-102
PARTICIPANTS:	10
ORGANIZERS:	Kishore K, Meghashri A

DESCRIPTION:

The second day of Play-palooza posed as the final round through which the winner would be selected. Being a treasure hunt, each qualified team was identified by a unique color to enable smooth navigation and coordination with the organisers. The event started at 5.00pm and the teams paced their hunt using the initial clue given. The sight of exploration was within the CIT campus and teams were provided guidance when needed. The event concluded at 6.00pm with the selection of the final winner and completion of the hunt by all the teams.

WINNERS:

TEAM	NAME	DEPARTMENT
3	Omega	M.Sc. Decision and Computing Science
3	Aakash	M.Sc. Decision and Computing Science
3	Ratheesh Kumar	M.Sc. Software Systems

RUNNERS:

3	Dharmeesh	M.Sc. Software Systems
3	Pranav	M.Sc. Software Systems

2ⁿᵈ RUNNER UP:

4	Gowtham	M.Sc. Artificial Intelligence and Machine Learning
4	Sanjeev	M.Sc. Artificial Intelligence and Machine Learning

EVENT SNAPSHOT:

14.THE CODING SEASON 02

DATE:	31/08/2023
TIME:	5.00 pm – 6.00 pm
MODE:	Offline
VENUE:	CM-105
PARTICIPANTS:	108
ORGANIZERS:	Dansuri E (3rd year MSc Software Systems)
	Shakthivel K (3rd year MSc Software Systems)

DESCRIPTION:

The Coding Season 02, hosted by the FOSS Club of CIT, is a 15-week course focusing on implementing data structures using C programming. Covering basic and advanced concepts, participants will learn to create and manipulate various data structures such as arrays, linked lists, trees, and graphs. Through hands-on coding exercises, they will gain practical experience in writing, testing, and debugging code. By the end of the course, participants will be proficient in implementing data structures in C and applying best practices for code organization and documentation.

EVENT SNAPSHOT:

15. ANGULAR APEX

DATE:	14/09/2023
TIME:	5:00 pm – 6:00 pm
MODE:	Offline
VENUE:	CM-105
PARTICIPANTS:	38
ORGANIZERS:	Pragathy V Y

DESCRIPTION:

The "Angular Apex" event had a primary objective of delivering valuable insights and information concerning the most recent trends and best practices in the realm of web development. The event commenced promptly at 5:00 pm and was expertly led by our distinguished guest speaker, Midhun Chakravarthy, a seasoned 5th-year MSc SS student. Midhun's extensive expertise and experience within the field of web development lent a significant degree of excellence to the event. The event featured a comprehensive program, encompassing an introduction to AngularJS and its fundamental principles, a captivating live demonstration showcasing AngularJS in practical application, and an engaging Q&A session, allowing attendees to delve deeper into the subject matter and interact directly with our speaker.

EVENT SNAPSHOT:

16.HACKTOBERFEST 2023

DATE:	01/08/2023
TIME:	1 Month
MODE:	Online
PLATFORM:	Github
ORGANIZERS:	Shakthivel K , Shajith Roshan G G

DESCRIPTION:

Hacktoberfest is Digital Ocean's annual event, an Open-source development that encourages people to contribute to open source throughout October. It has many events throughout the month. It focuses on non-coding contributions, more on writing, design, advocacy, financial donations, etc. Hacktoberfest is all about contributing to projects, sharpening skills, and celebrating all things as open source, especially the people that make open source so special. Periodic reminders were given to the students about the contests and we encouraged them to show their presence to the challenges given by the developers.

17.CODESPRINT DAY-1

DATE:	17/10/2023
TIME:	7.00 pm – 8.00 pm
MODE:	Online
PLATFORM:	HackerRank
PARTICIPANTS:	30
ORGANIZERS:	Kishore K

DESCRIPTION:

In an effort to nurture and showcase coding talents, we are excited to present the "CODESPRINT". This event is designed to help participants prove their coding prowess, fostering excellence in the world of technology.Participants will be presented with a series of two stimulating programming problems, demanding logical thinking, algorithmic skills, and creativity. The participants will have a limited time frame of just 60 minutes to complete each challenge.

19.CODE COLLAB

DATE:	31/10/2023
TIME:	5:00 pm – 6:00 pm
MODE:	Offline
VENUE:	CM-102
PARTICIPANTS:	25
SPEAKERS:	Shakthivel K , Shajihrooban G G , Lekhesh R J

DESCRIPTION:

"CODE COLLAB" , A Hactoberfest Celebration by FOSS Club unveils three groundbreaking extensions—Quicksense, Ssytime Meterologist, and Netpulse Analyser—crafted by talented students. These extensions, now open source and available in FOSS Git repositories, embody innovation and problem-solving prowess. Join us in this celebration of collaborative creativity, where we showcase these game-changing tech solutions and invite enthusiasts to explore, contribute, and shape the future of these extensions. It's not just an event; it's a testament to the power of open-source community-driven development and the limitless potential it holds for technological advancement.

EVENT SNAPSHOT:

20.CLOUDSCAPE 101

DATE:	7/11/2023
TIME:	5.00 pm – 6.00 pm
MODE:	Offline
VENUE:	CM-102
PARTICIPANTS:	32
SPEAKERS:	Pragathy V , Pranavaraj K

DESCRIPTION:

"CLOUDSCAPE 101" , an immersive event designed to demystify the world of cloud computing. With an engaging speaker leading the session, participants embark on a journey from the origins of computing to the emergence and importance of cloud technology. Covering fundamental concepts, renowned service providers, virtualization deployment models, and a sneak peek into fog computing, attendees gain a comprehensive overview. By the event's conclusion, participants depart with a newfound understanding and a clear vision of the impact and potential of cloud computing in our digital age.

EVENT SNAPSHOT:

21.SCRIPT VISION DAY-1

DATE:	23/11/2023
TIME:	6:00 PM – 7.30 PM
MODE:	Online
PARTICIPANTS:	33
SPEAKERS:	Sudhaksha M K

DESCRIPTION:

In a captivating event, the speaker delved into the intricacies of Resource Acquisition Is Initialization (RAII), unraveling its complexities with remarkable ease. Through a seamless blend of clarity and expertise, the speaker elucidated the fundamental concept that underlies RAII, emphasizing its significance in modern programming. With a keen ability to break down complex ideas into digestible elements, the speaker artfully navigated the audience through the principles of RAII, illustrating how it simplifies resource management in software development. The audience was captivated by the speaker's ability to make RAII accessible, providing real-world examples and practical insights that demystified the concept and empowered attendees with a newfound understanding of this crucial programming paradigm.

22.SCRIPT VISION DAY-2

DATE:	30/11/2023
TIME:	6:00 PM – 7.30 PM
MODE:	Online
PARTICIPANTS:	20
SPEAKERS:	Sudhiksha M K

DESCRIPTION:

In an enlightening event, the speaker took the audience on an immersive journey into the realm of Java Development Kit (JDK) and Java Runtime Environment (JRE), crafting a narrative that breathed life into the intricacies of these vital components. With a dynamic and engaging presentation style, the speaker demystified the complexities surrounding JDK and JRE, illustrating their distinct roles in the Java ecosystem. From detailing the comprehensive toolset within the JDK to unraveling the runtime environment provided by JRE, the speaker showcased a profound understanding of Java's foundational elements. The event served as a comprehensive guide, equipping the audience with insights into the practical applications and nuances of JDK and JRE, leaving attendees inspired and well-versed in the pivotal aspects of Java development.

23.SCRIPT VISION DAY-3

DATE:	21/12/2023
TIME:	6:00 PM – 7.30 PM
MODE:	Online
PARTICIPANTS:	18
SPEAKERS:	Sudhiksha M K

DESCRIPTION:

In a thought-provoking event that held the audience's attention from start to finish, the speaker delved into the captivating world of Data Structures and Algorithms (DSA), with a particular emphasis on the fundamental concepts of stacks and queues. Merging an insightful and accessible approach, the speaker skillfully navigated through the intricate landscape of DSA, shedding light on the significance of these essential structures. Drawing upon vivid examples and relatable analogies, the speaker not only demystified the complexities of DSA but also delved into the specific roles of stacks and queues. Attendees, ranging from beginners to seasoned developers, found themselves immersed in the engaging narrative that made the seemingly intricate subject matter of stacks and queues accessible to diverse backgrounds. The event served as a gateway to mastering problem-solving in programming, leaving the audience inspired and armed with practical knowledge, especially in understanding the pivotal role that stacks and queues play in crafting efficient and elegant solutions within the vast realm of computer science.

24.SCRIPT VISION DAY- 4

DATE:	18/01/2024
TIME:	6:00 PM – 7:30 PM
MODE:	Online
PARTICIPANTS:	18
SPEAKERS:	Sudhiksha M K

DESCRIPTION:

The Script Vision online session on the fourth day of the series covered essential topics in computer science including hash functions for numerical data, mapping concepts, sets, and an introduction to trees such as binary trees and binary search trees (BST). Participants gained insights into the role of hash functions in mapping numerical values, the utilization of sets for managing unique data collections, and the hierarchical structure and operations of trees for efficient data organisation and retrieval. Interactive discussions and practical examples enriched the learning experience, fostering active participation and collaborative knowledge sharing among attendees. Overall, the session provided a comprehensive overview of fundamental concepts in data management and data structures essential for software development and computational problem-solving.

25.SCRIPT VISION DAY- 5

DATE:	01/02/2024
TIME:	6.00 PM – 7.30 PM
MODE:	Online
PARTICIPANTS:	18
SPEAKERS:	Sudhiksha M K

DESCRIPTION:

On the fifth and final day of the Script Vision online series, participants delved into advanced topics in computer science, culminating in an exploration of algorithms and complex concepts in Data Structures and Algorithms (DSA). The session covered essential algorithmic principles and introduced participants to advanced DSA concepts beyond the basics previously discussed. Topics included various algorithmic strategies, such as greedy algorithms, dynamic programming, and graph algorithms. Additionally, participants gained insights into advanced data structures and their applications in solving complex computational problems.

26.THE CODING SEASON 02 - ONLINE

DATE:	14.02.2024
TIME:	6.30 PM – 7.30 PM
MODE:	Online
PARTICIPANTS:	100+
SPEAKERS:	Dasari E , Shalshival K

DESCRIPTION:

The Coding Season 02, organized by the FOSS Club of CIT, continues as a 15-week online course with a focus on implementing data structures using C programming. Covering both fundamental and advanced concepts, participants will explore the creation and manipulation of various data structures, including arrays, linked lists, trees, and graphs. Through interactive online sessions and hands-on coding exercises, attendees will gain practical experience in writing, testing, and debugging code remotely. By the conclusion of the course, participants will have developed proficiency in implementing data structures in C programming in an online environment and will have acquired skills in applying best practices for code organization and documentation in virtual collaboration settings.

27.INTERN 101 - NFERENCE

DATE:	14.02.2024
TIME:	6.30 PM – 7.30 PM
MODE:	Online
PARTICIPANTS:	100+
SPEAKERS:	Danusri E

DESCRIPTION:

The Intern 101 event, led by Mr. Mukish S of M.Sc., AIML (4th year), outlined the nference interview process, covering technical assessments and subjective evaluations. It included aptitude tests, coding samples, debugging and CSV data analysis. Round 2 focused on advanced topics like dynamic programming, graphs, trees, arrays, and the Two Sum problem. Subjective evaluations gauged communication and problem-solving skills. Attendees learned about the importance of technical proficiency, algorithmic knowledge, and effective communication for intern positions, preparing them for future interviews and career.

28.INTERN 101 - BUSINESS ON BOT

DATE:	22/02/2024
TIME:	6.30 PM – 7.30 PM
MODE:	Online
PARTICIPANTS:	60+
SPEAKERS:	Shakthivel K

DESCRIPTION:

The Intern 101 event, hosted for the company Business on Bot, featured speakers Dharini K from MSc AIML(4th year), Gokula Krishnan S from MSc SS(4th year), and Abhinivesh S from MSc DCS(4th year). They detailed the interview process, encompassing technical assessments and subjective evaluations. Tasks in the initial round included full-stack app development and building bots, while the second round delved into SQL queries, full-stack questions, and projects developed in the first round. The final round consisted of an HR interview. Subjective evaluations assessed communication and problem-solving skills. Attendees gained insights into the significance of technical proficiency, knowledge, and effective communication in securing intern positions, equipping them for future interviews and career endeavors.

29.INTERN 101 - KLA TENCOR FOR WOMEN

DATE:	25/02/2024
TIME:	7.00 PM – 8.00 PM
MODE:	Online
PARTICIPANTS:	40+
SPEAKERS:	Meghashri A

DESCRIPTION:

The Intern 101 event, tailored for women candidates at KLA Tencor, featured speakers Abinaya, Sanjana and Amirtha Varshini from MSc SS (4th year). They outlined the interview process, which commenced with an aptitude round covering general aptitude topics. The second round combined HR and technical aspects exclusively. Tasks in this round included assessing both the candidate's interpersonal skills and technical proficiency. Attendees gained insights into the unique challenges and opportunities for women in the tech industry, emphasising the importance of confidence, technical acumen, and effective communication skills.

30.INTERN 101 - SAACHI

DATE:	17/05/2024
TIME:	6.00 PM – 7.00 PM
MODE:	Online
PARTICIPANTS:	50+
SPEAKERS:	Meghashri A

DESCRIPTION:

The Intern 101 event featured speakers Kamatha Nandhini and Ashvatharshini from MSc AIML(4th year). They provided valuable insights into the company's selection process. The event commenced with their overview of the interview process. The first round involved group coding sessions, where candidates collaborated on coding tasks to assess their coding skills collectively. The second round consisted of one-on-one coding sessions paired with HR interviews. This round allowed candidates to demonstrate their individual coding abilities and also assess their compatibility with the company's culture. Attendees gained insights into the specific procedures of Saachi's selection process and learned about the importance of coding proficiency and interpersonal skills in securing intern positions.

31.INTERN 101 - NGPWebSmart

DATE:	19/05/2024
TIME:	6.00 PM – 7.00 PM
MODE:	Online
PARTICIPANTS:	30+
SPEAKERS:	Danuari E

DESCRIPTION:

At the Intern 101 event hosted for the company NGPWebSmart, speaker Aswath A R from MSc SS(4th year) discussed the company's internship selection process.He provided an overview of the interview process, which included a technical assessment round as the first step, consisting of an online multiple-choice questionnaire (MCQ). The second round involved an HR interview conducted by the HR department. This interview format aimed to evaluate candidates' technical proficiency and suitability for the role. Throughout the event, attendees gained valuable insights into the importance of technical skills and effective communication in securing intern positions, preparing them for future career endeavors.

32.INTERN 101 - RootQuotient

DATE:	06/04/2024
TIME:	7.00 PM – 8.00 PM
MODE:	Online
PARTICIPANTS:	40+
SPEAKERS:	Danusi E

DESCRIPTION:

The Intern 101 event, hosted for Root Quotient, featured MohanaSundaram A. from MSc AIML (4th year) as the speaker. He provided an overview of the interview process, which commenced with an initial round of online multiple-choice questions (MCQs). Following this, candidates progressed to a technical assessment in the second round, followed by a third and final round of HR interviews. This comprehensive interview format aimed to assess candidates' technical prowess and suitability for the role. Attendees gleaned valuable insights into the significance of technical acumen and effective communication in securing internships, equipping them for future career opportunities.

33.INTERN 101 - SMARTAIL

DATE:	23/04/2024
TIME:	7:00 PM – 8:00 PM
MODE:	Online
PARTICIPANTS:	40+
SPEAKERS:	Ana Dorthy L

DESCRIPTION:

The Intern 101 event, hosted for Smartail, featured Vignaraj D and Rithik Suthan S from MSc SS(4th year) as the speaker. They provided an overview of the interview process, which commenced with an initial round of technical assessment conducted in offline. Following this, candidates progressed to a coding and HR interviews. This comprehensive interview format aimed to assess candidates' technical prowess and suitability for the role. Attendees gleaned valuable insights into the significance of technical acumen and effective communication in securing internships, equipping them for future career opportunities.

34.TECHTALES

DATE:	25/03/2024
TIME:	4.45 PM – 6.30 PM
MODE:	Offline
PARTICIPANTS:	25
SPEAKERS:	Shajith Rooban G G
	Kishore K

DESCRIPTION:

The event "TechTales," organized by Shajith Rooban and Kishore aimed to blend coding with fictional stories and characters. The initial round consisted of a quiz focused on technical topics such as programming languages and coding questions. The top 5 scorers from this round advanced to the next stage, a technical coding round. In this round, questions were framed around fictional characters like Barbie, Harry Potter, and Naruto. Contestants selected a fictional character and were assigned questions accordingly. They then had to code and showcase the required output, which was evaluated by them. Finally, the first three winners were recognized for their achievements.

EVENT SNAPSHOT:

35.ICONICONS

DATE:	25/05/2024
TIME:	4.45 PM – 6.30 PM
MODE:	Offline
PARTICIPANTS:	25
SPEAKERS:	Shajith Rooban G G
	Kishore K

DESCRIPTION:

The event "Iconicons" aimed to encourage all first-year students to participate in their inaugural event organised by us. It involved designing logos based on two themes: "recreating the GitHub Octocat logo for the Holi festival" and "creating a new logo for an IPL team representing Coimbatore city." Participants had the option to choose one theme or design logos for both. We provided a registration form and encouraged them to submit their logos within a four-day period. The best logos were recognised, and the winners' posts were featured on the official Instagram page of our club.

36.FUN-A-THON

DATE:	17.04.2024
TIME:	4.45 PM – 6.30 PM
MODE:	Offline
PARTICIPANTS:	35
SPEAKERS:	Vishal D, Gubashri

DESCRIPTION:

The event "Fun-a-thon" featured a series of engaging and entertaining sessions designed to test participants' memory, movie knowledge, friendship, and musical acumen. In the Picture Memorization Game, attendees viewed an image briefly before answering related questions to earn points. Mudinja Kandupudi challenged teams to identify a movie based on its dialogues, with four clues provided and just a minute to guess correctly. Nanban Yaaru da put friendships to the test, as pairs of friends answered seven questions to see how well they knew each other. Finally, in the Karaoke session, teams guessed songs from the tunes played, adding a musical twist to the festivities.

EVENT SNAPSHOT:

NAKSHATRA 2K24

DATE:	10/05/2024
TIME:	10:00 am - 2:00 pm
MODE:	Offline
PARTICIPANTS:	-
SPEAKERS:	Vishal D, Gulseri R

DESCRIPTION:

1. TYPE MASTER:

Each team consists of two players: a reader and a typist. During this activity, participants will be presented with a series of pictures, each containing a variety of objects, scenes, or themes. They will have a limited amount of time to study these images and memorize the sequence . This is phase one Once this is done in Phase Two the reader is presented with a paragraph. The typist listens to the reader and types out the text as quickly and accurately as possible. The competition begins with each team receiving their lines. Teams are timed from the

moment they receive the text until the typist finishes typing the complete paragraph. The team that accomplishes this task in the shortest amount of time and the more pictures they tell wins.

2. TECH TRIVIA

The session involves two phases: a trivia round and an image puzzle challenge. During the trivia round, each team, consisting of two participants, must answer at least 3 out of 5 tech-related questions correctly to advance. In the subsequent phase, teams are presented with an image puzzle of a tech personality and receive up to 3 clues to identify them. Winners are determined based on the number of correct trivia answers, the number of clues used, and the time taken to solve the puzzle. The session concludes once a team successfully identifies the personality in the image puzzle.

3. MELODY DETECTIVE:

The session features a team-based song enactment and balloon challenge. Each team, comprising two participants, will have one member listen to the actual song and enact its melody through gestures, while the other hears a random song and must guess the correct song based on the enactment. Participants will wear headphones throughout. For each correct guess, the team must blow up and burst a balloon. The challenge lasts 5 minutes, during which teams aim to identify as many songs as possible. Winners are determined by the number of correctly identified songs within the allotted time.

INFO SESSION

Date	: 28/08/2023
Mode	: Offline.
Venue	: CM 105.
No.of participants: 20+	
Presented by	: Thanushri.S

Description:

Esteemed members of our student fraternity and respected college faculties, were thrilled to introduce the dedicated individuals who comprised the board of the Google Developer Student Club (GDSC) at our institution. The primary objective of the "INFO SESSION" was to foster a collaborative and innovative learning environment that equipped our students with cutting-edge skills in technology, leadership, and community building. By participating in our future events, students will be benefited from hands-on workshops, industry insights, and networking opportunities.

Our roadmap for this year is filled with exciting events, workshops , coding competitions, and expert-led seminars. We were especially delighted to announce that we had launched the first- ever Google-sponsored event right here at our college, opening up a world of possibilities for our students. It was indeed an enriching journey , where knowledge met opportunity!

MINUTES OF MEETING

- Provided a brief introduction of the club ,introduced the board members for the upcoming year.
- Roadmap of the club's plan of action for the year .
- The secret was divulged and the google cloud computing campaign was launched .
- Onspot campaign registrations were done with the help of board members .

GOOGLE CLOUD STUDY JAM

Date   : 26/09/2023.
Mode   : Offline.

No. of participants: 5+

Presented by   : Ms. Thabitha

GOOGLE CLOUD STUDY JAMS

Discover the power of Google Cloud,
get expert insights, and have your cloud computing
questions answered!

Venue: CM 182
Date: 26/09/2023
(Tuesday)
Time 5:35 to 6:35 pm

Google Cloud

Facilitator
Thabitha P

🇬 GDSC CIT   @gdsc_cit

Description:

- "Google cloud study jam" was the event organised by GDSC, CIT. This was an
  informative event which is based on Cloud Computing. It is an intensive learning program
  designed to introduce participants to cloud computing concepts and technologies over a
  30-day period. Study Jams are community-run study groups for students on Google
  Developers content, on various product topics. The session was taken over by "P.Thabitha,
  Facilitator of this cloud campaign and also the Creative Head of GDSC club". The meeting
  ended at 6.00 pm. Reward Credits and some free goodies (from google) lined up for
  those who "complete" all the labs. Based on the course completion, google provided
  three tiers as goodies. This study jam has hands-on-labs which shows an active
  participation of participants. We will learn the fundamental tools and capabilities of
  Google Cloud with free access to hands-on labs. All Study Jam participants get one-month
  free access to QwikLabs. Users who complete designated quests receive Google Cloud
  badges, unlocking additional free access.

Minutes of the Meeting

- Learning Modules: Structured modules covering essential topics in cloud computing, such as cloud architecture, services (like computing, storage, databases), security, creating a project in that platform and more.

- Hands-On Labs: Practical exercises and labs that allow participants to gain hands-on experience with cloud platforms like Google Cloud, AWS, or Azure. These labs help participants understand how to use cloud resources effectively.

- Progress Tracking: Participants can track their progress throughout the 30-day journey, allowing them to see their growth and accomplishments. More than 150 participants were involved in this Cloud Campaign.

- Completion Certificates: Many programs offer certificates of completion, which can be a valuable addition to a resume.

- Challenges: Interactive challenges that encourage participants to apply what they've learned to solve real-world scenarios. These challenges promote critical thinking and problem-solving skills.

- Community Engagement: Online discussions, forums, and peer interaction to foster a sense of community among participants. This provides a platform for sharing insights, asking questions, and collaborating with others.

- Cloud Jam: 30 Days with Cloud is an excellent opportunity for students, professionals, and anyone interested in cloud technology to gain foundational knowledge and hands-on experience. It provides a structured learning path that can serve as a stepping stone for further exploration and specialization in cloud computing.

THE DSA PRO - FEAT C++ WORKSHOP

DATE	: 18/10/2023 TO 19/10/2023
MODE	: OFFLINE
VENUE	: CM-102
PARTICIPANTS	: 32
SPEAKER	: TARUN K T (M.Sc DataScience 3rd year)

DESCRIPTION:

The **DSA PRO - FEAT C++ WORKSHOP** event aimed at imparting the concepts of Data Structures and Algorithms in the perspective of C++. This event was conducted for students belonging to different academic years. The event helped the students to code and integrate the various advanced Data Structures into the C++ programming language. The speaker highlighted useful tips and techniques to tackle the logic and build the codes while integrating these concepts. This workshop provided a base layout about C++ to the students. The Data Structures concepts such as Tree Family, hashmaps, heap and graphs were covered throughout the two day workshop. The code representations of these Data Structures were discussed with a doubt session as well.

MINUTES OF MEETING:

Day 1 :

- 5:00pm– All Participants were asked to assemble at 5:00pm and the event started at 5:15pm
- 5:15pm – Introduction to OOPS concepts in C++ and Tree data Structure was given by the speaker
- 5:20pm – Binary Trees concepts were discussed in Theory
- 5:35pm – Binary Tree Operations were performed with the source code.
- 5:45pm – AVL Tree Concepts and Rotation techniques were discussed
- 6:00pm – AVL Tree Operations and Rotations were done in Source code.
- 6:15pm – The conclusion talk was done and moved to Photo session.

Day 2 :

- 5:00pm – All Participants were asked to assemble at 5:00pm and the event started at 5:01pm
- 5:01pm – Event Introduction talk was done.
- 5:10pm – Speaker started the introduction of Hashing and Hashing Techniques were discussed.
- 5:30pm – Discussion on Heaps was done
- 5:45pm – Heaps Operations and was discussed with source code.
- 6:00pm – Event was concluded with an introduction to the next event and moved to a photo session.

Career Boost Series: Resume Building

Date   : 26/10/2023
Mode   : Offline
Venue   : IT 212
No. of Participants : 40+
Presented by   : Sanjay Krishna R, Kishore Kumar R

DESCRIPTION:

Introduction:
In today's competitive job market, a compelling resume is your passport to success. To help you stand out and secure your dream job, we're excited to introduce our Resume Building Workshop – an intensive, knowledge-packed event designed to elevate your career prospects. In this comprehensive guide, we'll take you through the various facets of our workshop, from its objectives and key takeaways to the structure and real-world impact it can have on your professional journey.

I. Understanding the Workshop's Objectives:
Our Resume Building Workshop aims to equip participants with the essential skills and knowledge required to craft a winning resume, tailor it to job descriptions, and become a master of cover letters. We're on a mission to empower job seekers with the tools they need to make a lasting impression on potential employers.

II. The Workshop's Comprehensive Scope:
The workshop is structured into multiple modules, each focusing on a critical aspect of resume building and career development.

III. Key Findings and Recommendations:
Throughout the workshop, you'll gain access to valuable insights and data-driven recommendations that can significantly improve your job search:

- The importance of tailoring your resume to each job application to increase your chances of getting noticed.

- Strategies for effectively communicating your accomplishments and showcasing your skills.
- Tips for making a memorable first impression during interviews.
- The significance of networking and how to build lasting professional connections.
- Techniques for staying motivated and persistent in your job search.

IV. Real-World Impact:

Our Resume Building Workshop has already made a tangible difference in the professional lives of many participants. Attendees have reported improved job search results, more interview invitations, and ultimately landing their desired positions. It's not just a workshop; it's a transformative experience that can set you on the path to career success.

In an ever-evolving job market, having the right skills and tools at your disposal is crucial. Our Resume Building Workshop is a comprehensive, hands-on event that equips you with the knowledge and techniques you need to navigate your career journey effectively. Don't miss this opportunity to unlock your full potential and take the first step towards professional success. Join us, and let's supercharge your career! 🔥📋

MINUTES OF THE MEETING:

- 5:15 PM - 5:20 PM - Introduction
- The event began with a brief introduction to the topics that would be covered in the resume building workshop.
- 5:20 PM - 5:30 PM - Crafting a Winning Resume
- Discussion on the key principles of creating a winning resume, emphasizing clarity and relevance.
- 5:30 PM - 5:40 PM - Tailoring to Job Descriptions
- Strategies for customizing resumes to match specific job descriptions and increase the chances of success.

- 5:40 PM - 5:50 PM - Highlighting Achievements

- Techniques for effectively showcasing achievements and experiences on a resume.

- 5:50 PM - 6:00 PM - Design and Format Tips

- Importance of a clean and professional resume format, along with design tips for creating an impactful resume.

G-Quiz - (Mastering Google Technologies)

Date   : 24/02/2024

Mode   : Offline

Venue   : IT 212

No. of Participants : 35+

Presented by   : Raj Kishore S

Event Overview :

The G-Quiz event, titled "Mastering Google Technologies," was a technical quiz competition focusing on various Google technologies. Hosted by Raj Kishore, the event took place on February 24, 2024, from 5:00 PM to 6:00 PM in room IT 212. It garnered significant interest with over 45 online

registrations, indicating a strong enthusiasm among participants for Google's technological ecosystem.

Event Format and Content :

The quiz was structured into three rounds, each with a strict time limit for answering the questions. The content spanned a wide range of Google technologies, from YouTube to TensorFlow and Flutter, showcasing the diverse and innovative tools that Google offers.

Rounds: Each round featured multiple-choice questions with time constraints ranging from 10 to 15 seconds, depending on the round and the complexity of the questions.

Interactive Platform: Participants responded to questions via an online polling system, which facilitated a smooth and interactive experience.

Leaderboard: A real-time leaderboard was displayed after each question, enhancing transparency and competitiveness among the contestants.

Participation and Engagement :

The event was characterized by high levels of engagement, with participants actively voting in the polls and competing for the top positions on the leaderboard. The use of a timer for each question added an element of excitement and urgency to the quiz.

Awards and Recognition:

The top three winners of the G-Quiz were honored with cash prizes, recognizing their knowledge and quick thinking. Additionally, all participants received e-certificates, which served as a testament to their involvement and effort in the event.

Conclusion and Impact :

The G-Quiz event concluded with resounding success, marking it as a milestone for being the first self-initiated event by a board member, *Raj Kishore*, focusing on Google technologies. The event not only tested the participants' knowledge of Google's suite of technologies but also provided a dynamic and engaging platform for learning and competition. The successful execution of this event reflects the growing interest in technological literacy and the importance of understanding the tools and services that shape the digital landscape.

Googlethon

DATE   : 14/04/2024
MODE   : OFFLINE
VENUE   : IT - 211,212,213
PARTICIPANTS: 90+

DESCRIPTION:

We had around 23 teams participated on Googlethon event. Googlethon, a hackathon organized by GDSC at CIT, was a remarkable event aimed at fostering innovation and collaboration among tech enthusiasts. The event comprised two phases, with Round 1 serving as a filtering round to select the top 10 teams, followed by Round 2 to determine the top 3 teams.

Phase 1:

Round 1 of Googlethon witnessed enthusiastic participation from teams showcasing their creativity and technical prowess. Participants were tasked with solving real-world problems through innovative technological solutions. The judging panel, consisting of eminent personalities from the tech industry, including Mr.Arun Duraisamy (DevOps & Solution Architect at Wipro Limited) and Mr. Babu Shanmugam (Founder of Aalam), meticulously evaluated each project based on criteria such as innovation, feasibility, and implementation.

After rigorous deliberation, the top 10 teams were selected to proceed to the next phase of the competition. These teams demonstrated exceptional skills and ingenuity, setting the stage for an intense competition in Round 2.

Phase 2:

In Round 2, the top 10 teams engaged in a fierce battle to secure their position among the top 3. The competition intensified as teams presented their refined projects, incorporating feedback received during Round 1. The esteemed jury, led by Mr.Arun Duraisamy and Mr. Babu Shanmugam, closely scrutinized the projects, considering factors like scalability, impact, and technical proficiency.

After thorough evaluation, the top 3 teams emerged victorious, showcasing outstanding innovation and problem-solving abilities. Their projects demonstrated the potential to address significant challenges and make a positive impact in the tech industry.

Googlethon Hackathon at CIT, organized by GDSC, proved to be a resounding success, providing participants with a platform to unleash their creativity and tackle real-world problems. The event fostered a spirit of collaboration and innovation, inspiring future generations of technologists. We extend our heartfelt congratulations to all participants and winners and express gratitude to our esteemed jury, Mr.Arun Duraisamy and Mr. Babu Shanmugam, for their invaluable contributions and guidance throughout the event.

VANDE MATARAM

At 10 am, the Vande Mataram event began. The event's host was TM Sagarika.

The opening activity was a connections game hosted by TM Arun. By linking the images that are shown on the screen in the connections game, you can identify the name of a Freedom warrior. The participants were engaged the entire time since the game was interesting.

An intriguing icebreaker was then conducted by the host.

In the second portion of the program, the question "DID INDIA ATTAIN ITS FULL FREEDOM?" was discussed. TM Athishmithin was the one who conducted it. All of the participants expressed their views on freedom as a result of it.

It was a conversational meeting. As a result, the event ended at 11 am

<u>WEEKLY CHALLENGE – 1</u>

The weekly challenge was introduced by TMOD Dhivin Kumar before it began. He did a creative icebreaker that kept the audience from becoming bored.

TM Febiya Roy performed public speaking. She focused her remarks on her passion. She said that your passion will help you pick your future.

Review of the book was provided by TM Analice Ishamalar. She gave a Malayalam critique on Sundara Ramasamy's Tamil translation of the novel by Thagazhi Sivasankara Pillai. The plot centers on a sanitation worker who aspires to provide for his son's education against social tyranny that has been inflicted on their family for many generations.

TM Agalya provided some scientific facts. She gave an explanation of the plant defense mechanism.

TM Athishmithin conducted the topic discussion. He discussed Chandrayan 1 and Chandrayan 2 missions and failures. He discussed correcting mistakes from earlier expeditions to Chandrayan 3 in his speech.

The evaluation was carried out by TM Akshaya, a former KKC secretary. TM Atshaya was in charge of timing.

CHANDRAYAAN-3
(MOON SOFT LANDING)

The event was hosted by TM Sagarikka. She did an icebreaker so the audience could become energetic, and the event went well.

TM Athishnithia provided an introduction to Chandrayan-3 prior to the live event. He said that Chandrayan-3 is the third mission of Chandrayan, and it was launched by ISRO on July 20, 2023. He also added that this spacecraft entered lunar orbit on August 5, 2023, and the lander will touch down at the lunar south pole on August 23, 2023. One of the main objectives of the ISRO is to conduct experiments on the materials available on the lunar surface to better understand the composition of the moon".

This event drew approximately 125 members who were eager to participate. The students were curiously waiting for the landing of the Chandrayan-3.

The Vikram lander successfully landed on the lunar surface at 6:03 p.m. At the same time, the participants clapped their hands, indicating our victory.

Additionally, the event was celebrated simply by cutting the cake by our club adviser, Dr. M. Manihiswalam sir, and all our students celebrated the success of the landing of Vikram's lander on the lunar surface.

Finally, our club secretary, TM Analice Isbamalar, introduced our club to our students.

WEEKLY CHALLENGE-2

TM Febiya Roy began the weekly challenge by discussing the functions of the three forums of the club. She was very affective in her interaction and created a comfortable environment for the audience. The icebreaker conducted by her was quite unique and interesting.

TM Agalya discussed the potential sources of oxygen production on ancient Earth. She created a new vision of oxygen production in the oceans. She also emphasizes the conservation of waterbodies, which are a huge source of O2 production.

"How to Become a Public Speaker?" by TM Haripriya was a one-of-a-kind presentation. She listed the steps that are essential to becoming a public speaker. She gave some tactics to follow as a beginner public speaker.

TM Sowmiya reviewed a book called "ருங்கருப்ட்டீ குடிசையம்" by Baskar. The author was an alumni of CIT, which was very nice and moving to hear. She mentioned that books contained ideas about stress management and valuing relationships.

TM Atchaya spoke about some of the inspiring information about the moon and the Chandrayaan-3 mission. She also explained about the Luna 25 and its failure. She explained the functions of the lander and rover for the mission.

The evaluation was carried out by TM Dhivin Kumar. TM Dinesh was in charge of timing

WEEKLY CHALLENGE – 3

The weekly challenge was introduced by TMOD Sri Surya before it began. He began the weekly challenge by briefly introducing the three forums of the club. The gist given by him after each section was creative.

TM Dhivin Kumar gave a public speech. He spoke about the importance of teachers for the betterment of future generations. He also insisted that there is a teacher within all of us, and we can realise it only when we have the curiosity to learn new things by ourselves.

TM Arun Kumar provided a book review. He reviewed the book 'கற்பனைச் சாலியம்' by V Vairamuthu. The book contained the difficulties faced by a woman after her marriage. He recommended the book to all so that one can gain willpower during challenging times of life.

Science facts were given by TM Manisabari. He gave facts in the field of nanotechnology. He started the talk by explaining the boons of nanotechnology in today's world. He also gave an insight into the historical evolution of nanotechnology. He explained the application of nanotechnology in various fields of day-to-day life.

TM Dinesh led the topic discussion. He explained the origin of BRICS and the transformation of BRIC into BRICS. He briefly explained the functions and importance of the BRIC summit. He also explained the current BRIC summit being held in South Africa.

The evaluation was carried out by TM Snehapriya. Timing was managed by TM Agalya.

REEL DELIGHT

Reel Delight was a fun event that was only for second-year students.

At 5:15 p.m., TM Sri Surya introduced the club after TM Athishnithin offered a welcome speech. The second years were in contact with the taskmasters.

The participants were then divided into 10 teams, with each team consisting of six people, and the teams were overseen by taskmasters. The event commenced off around 5.30 p.m.

Reel Delight was a movie related event.

It was the event that caused the four letters to show up on the screen. The first letter seen on the screen stands in for the name of that particular movie hero. The initial letter of the name of the same movie heroine is shown as the second letter on the screen. The initial letter of the specific movie name is the third letter. The initial letter of the song from that movie is displayed as the fourth letter.

In this scenario, the letters are displayed on the screen, and the teams confer with one another to determine the solutions. Teams were invited to raise their hands if they can identify the solutions that particular teams' taskmasters are looking for.

Participants were enthusiastically participated in all of the games during the icebreakers. Kishore from team 5, Tamilselvan from team 6, and Sibiraj from team 3 are the participants that are actively involved.

Weekly challenge 4

Date :12.09.2023
Village: S.Ayyampalayam
Venue: Panchayat Union Middle School
Duration: One Day
Participants: 24 Volunteers

This educational event was conducted by the UBA club members of Coimbatore Institute of Technology. We conducted an educational event on September-12th,2023. We visited the panchayat union middle school in S.Ayyampalayam village and conducted events to the students, with the help of other clubs in our college.

1. Martial Arts club
2. Kalam Knowledge Club
3. YOGA Club
4. EBSB (Ek Bharath Shrestha Bharath)

The aim of this event was to create an engaging and interactive learning experience for the students of the school, fostering a love for education and personal growth.

STARTING OF THE EVENT

The event started with a friendly welcome from the organizers. They thanked everyone for their support and enthusiasm. This set a positive tone for the day and showed that we were all there to give an engaging and interactive learning experience for the students of the school.

Serjeri Ayyampalayam, Tamil Nadu, India

12/08/23 12:17 PM GMT +05:30

MARTIAL ARTS CLUB

The students from the Martial Arts Club introduced themselves and briefly explained the core principles and benefits of martial arts, such as discipline, respect, and self-defense.

PUNCHING PRACTICE

The participants were divided into smaller groups, and each group was assigned a dedicated club member who provided instructions and demonstrations on basic punching techniques. After the demonstrations, the school students had the opportunity to practice these

techniques with the guidance and support of the club members. This hands-on experience allowed them to understand the proper form and execution of each punch.

SILAMBAM

MAC club members demonstrated various Silambam techniques and then guided the school students through hands-on practice.

After the Silambam segment, the focus shifted to Kalari martial arts. Club members skilled in Kalari showcased dynamic movements and postures unique to this ancient art form. Participants were introduced to fundamental stances, kicks, strikes, and self-defense techniques.

KALAM
KNOWLEDGE CLUB
(KKC)

The Kalam Knowledge Club orchestrated an exhilarating and enlightening event that embraced both intellectual excellence and artistic expression. The event featured a stimulating Quiz Competition followed by a mesmerizing Dance Competition, tailored to engage and challenge school students.

The Quiz Competition commenced by testing participants' knowledge across a wide spectrum of topics, including science, literature, history, and current affairs.

This event was a platform for students to express their creativity and artistic abilities through the medium of dance. The competition not only celebrated diverse dance forms but also showcased the dedication and talent of the participants.

The participants, both solo and group performers, demonstrated exceptional talent and stage presence. Their confidence and passion were infectious, leaving a lasting impression on everyone present.

EK BHARATH SHRESTHA BHARATH (EBSB)

The Ek Bharat Shrestha Bharat (EBSB) Club organised an exciting and engaging event for school students, known as the "Cup Games." This event aimed to

promote teamwork, coordination, and creativity while celebrating the unity in diversity that defines our nation. The cup games included both team-based and solo activities where participants built pyramids using cups and straws.

What made this competition even more thrilling was that two teams competed simultaneously, each equipped with plastic or paper cups and straws. The objective was to create the tallest and most stable pyramid.

It's worth noting that the students displayed remarkable integrity throughout the games, adhering to the rules with the utmost honesty. They never attempted to cheat, ensuring a fair and competitive environment that contributed to the overall success of the event.

EB&B Club organised an inspiring drawing competition that celebrated the rich tapestry of traditional India. This event provided a platform for school students to showcase their artistic talents while highlighting the cultural diversity and heritage of our nation. The competition focused on creating drawings of traditional things, allowing participants to explore and depict various aspects of India's rich traditions.

The drawing competition revolved around the theme of "Traditional Things."Participants were encouraged to choose subjects that reflected the cultural heritage and traditional elements that are deeply rooted in Indian society.

YOGA CLUB

The Yoga Club facilitated a series of sessions that encouraged students to explore the transformative power of yoga.

This initiative aimed to promote physical and mental well-being while fostering an active and healthy lifestyle among the student body. The enthusiastic participation of students added vitality to the yoga program.

The yoga sessions promoted physical fitness, flexibility, and improved posture.Participants also learned stress-reduction techniques and mindfulness practices, empowering them to better manage the demands of academic and personal life.

The event received overwhelmingly positive feedback from participants who expressed gratitude for the opportunity to explore yoga and its myriad benefits. Many students mentioned feeling relaxed, rejuvenated, and mentally centered after the sessions.

PRIZE DISTRIBUTION

Prizes and certificates were distributed to students from all grade levels.
The event was a testament to the school's commitment to acknowledging every student's efforts and accomplishments.
Prizes and certificates were awarded to all participants of the one-day camp. This inclusive approach ensured that each attendee felt valued and appreciated for their active involvement.

THE EVENT'S
CONCLUSION

Throughout the event, attendees enjoyed a variety of activities and experiences. event concluded with a sense of fulfillment and accomplishment that will be remembered by all who participated. It was a testament to the strength of unity and collaboration in achieving meaningful goals and creating lasting memories. As everyone departed, they carried with them the inspiration and motivation to continue making a positive impact in their communities and beyond.

POWER KICK'UH

Power Kick'uh was a fun event that was only for second-year students.

At 5:30 p.m., TM Dhivin Kumar introduced the club after TM Febiya Roy offered a welcome speech. Interaction with the first years are done by the task masters.

The participants are divided into five teams each consist of 9 to 10 members and event started around 5:45 pm.

Power Kick'uh consist of 2 events. The first event was FIND IT which was conducted by TM Dhivin Kumar and TM Sri Surya.

It was the occasion when Taskmasters read the song's middle lyrics. The first line of the song was hidden from the participants. Six rounds were used to conduct it. Participants loved identifying the songs and were eager to participate.

The active participants of Find It were Yoga Sowarya, Siva Tharshini from team 6.

The second event was MUSICAL CHAIR which was started around 6:30 pm and it was conducted by TM Dhivin Kumar and TM Febiya Roy.

The situation was similar to a musical chair game. Each player received an alphabet that, when put together, forms a full word. One or two additional players must have extra letters for the same word. Neither the song's lyrics nor the music were played. When the participants accurately recognize the song, they usually take their seats according to the words. The participant were lose the round if they fail to take their seat.

The active participants of Musical Chair were Vasuth from team 3 and Nikhita from team 5.

WEEKLY CHALLENGE – 5

TMOD - TM Sowmiya

She began the weekly challenge by discussing the three forums of the club. She was very interactive and set a comfort environment for the audience. She made sure that all the events in the weekly challenge are completed. She had ice breakers that were spontaneous and fun.

PUBLIC SPEAKING: Suvarnamala

She gave a public speaking on the topic that focuses on courage. Courage is the most important character that takes a person to success. She started with a story that indicates the level of view differentiated between a courageous boy John and other fellow mates in reaching atop tip of a dangerous mountain. She used good irony, like ice cubes and iron rod to differentiate the blending quality within a comfort area.

TOPIC DISCUSSION: TM Aashika Laxmi

She explained about Bharath Mandapam, its history, its infrastructure. She explained about the sequence of events that take place in that venue. She also said facts about the 8ft tall Nataraja Statue in the venue and the challenges faced in its transportation because of its huge weight.

BOOK REVIEW : Sharmila

She reviewed the book "Attitude is Everything" by Jeff Keller. She compared the qualities of the Attitude to a window and the dirt over it. She provided an example in which a sentence can be, positive, negative as well as medium level attitude.

Today the books, 'Attitude is Everything' and 'The Blue Umbrella' was recommended for audience to read and it was borrowed by two of them.

SCIENCE FACTS: Mega

Title: 5 Colour River

She listed all the five colours in the River. She Explained the reason behind the appearance of the five colours in the river. She also said the seasonal adaptation of the colour in the river according to the temperature and its vicinity.

STEP-IN 2K23
OFFLINE EVENTS

*Day 1

TREASURE HUNT

Initially, the participants were divided into 10 teams, and each team were monitored by task masters. During this event, clues were distributed in various locations of the college. The clues were given as QR codes, and they were allowed to scan that code to move on to their next destination. All teams were provided photographs with a clue from social reformer Malala Yousafzai after all the clues had been discovered. The team that completed all the clues in correct order and also the team that correctly said the name of the social reformer were awarded point.

Day 1 totally consists 60 participants.

*Day 2

IPL AUCTION

The participants were divided into seven IPL teams. Each team were given placards with the cricket team name and logo. The event is similar to how the auction takes place in real time. Initially, a sum of 10 crores was given to each team, and they were asked to bid on the players within the amount provided. The players names, position of play, and base prices were projected and also given to teams in the paper. They were asked to bid for two batsmen, two bowlers, and a wicketkeeper. The teams enthusiastically bid the players. Finally, the team with the highest point is considered the winner. The Lucknow Super Giants team were selected as the winner, and the Chennai Super Kings team were the runnerup in the IPL auction.

Day 2 consists 48 participants.

+Day 3

VALEDICTION

The opening remarks were made by Sivaranjani. Then TM Bharath Wsj, our club's secretary for the current academic year, gave a brief overview of our club and its previous academic year's activities. Additionally, he discussed our club's impending KALAM THIRUVIZHA event. Dr. M. Mandhiraralam then gave a speech about each of our club's three forums. Participants received a variety of accolades. Top performers received Mr. and Mrs. Adrict, Astral, and Dynamic. The prices were distributed by Dr.M Mandhiraralam our club staff advisor.

Day 3 consists 25 participants.

YOUTH PARLIAMENT 2K24

In this Parliament simulation, students are organized into teams representing various ministries within a Lok Sabha setting. Notably, UPSC candidates are assigned pivotal roles like the speaker and prime minister. Each ministry presents legislation, subject to the legislature's vote, with the speaker wielding the authority to pass or veto bills based on the prevailing majority. This exercise mirrors real parliamentary procedures, fostering experiential learning and critical thinking.

SCIENTIFICALLY, IF I AM NOT WRONG

Scientifically, if I am not mistaken, this is an event conducted especially for the second year. In this event, our TM's conducted three games, namely connections, riddles, and mysteries. This event is arranged in such a manner that every participant can enjoy the event along with learning.

In the first round, riddles were conducted, and the participants were asked to solve the questions.

In the second round, mysteries were conducted, the five clues were given one by one to the participant. The mystery of the scientist's age, hair, profession, and famous personalities has been given as a clue.

In the third round, the connection games were conducted, the templates were given, and the participants were asked to connect the pictures and find the answers.

WEEKLY CHALLENGE - 13

The weekly challenge was introduced by TMOD Febiya Roy before it began. She did a creative icebreaker that kept the audience from becoming bored.

Ejas performed public speaking. He gave a small talk about how to overcome the fake criticisms that have fallen upon us. He also kept forward the real-time example of Nambi Narayan as an ideal role model. He explained his life in a short note.

Review of the book was provided by TM Sivaranmala.

Book title: two states

Author: Chetan Bhagat

The book is an autobiography of Chetan Bhagat; he shared his love story, "How He Got Married to His Wife," in this book. This book was written in very simple English, so it can be very useful for beginners. He had explained each and every feeling of a man who falls in love. This book also says that "two different states are not the barrier to true love.".

TM Athishathin provided some scientific facts about brain. He gave many unknown facts about the human brain.

TM Sri Suriya conducted the topic discussion on the topic Rules and Laws Against Child Rape. The acts passed before POCSO were only aimed at educating and protecting against them. POCSO was the game-changing act that made harassment a very important and severe issue. After POCSO, the rules were implemented against sexual offenders and their imprisonment objectives. Each act by the sexual offenders has its own duration and type of imprisonment. But even now, what is finally happening to the offenders, "the criminals"? Think and find.

The evaluation was carried out by TM Manisshari. TM Sowmiya was in charge of timing.

OFFLINE EVENTS

The Inspira – 2k24 is the last flagship event for the academic year 2023-24 conducted exclusively for second year students. It is a 2 days event which includes series of fun games on day-1. The day-2 was the club valediction ceremony of the Kalam Knowledge Club.

#Day 1

KADAL LAYE ILLAYAAM

Kadal laye illayaam is a fun event that is a combination of musical chairs and object-searching games. 10 members were allowed to sit around on chairs. On the count of three, an object is mentioned. The students sprinted towards a bag where numerous objects were present, and the participant should search and find out that object and come to the chair. The person who came last was lost.

KABEEM KUBAAM

Kabeem Kubaam is the game where connections are created based on various topics like movies and songs. And also, the translation of English words to Tamil was also part of the question. The Buzzer app was used to select the team to answer first.

LKG

LKG is the event, which is a small-scale simulation of the election process. This was conducted to spread awareness about elections and the importance of voting among the participants. Each team had a nominee who gave election promises for various problems prevailing in our college. Based on the practicability of their solutions, an election was conducted, and the winning party was chosen.

Day 1 totally consists 40 participants.

VALEDICTION CEREMONY

The valediction ceremony of the Kalam Knowledge Club for the academic year 2023–24 was organised on day 2. The event was honored by Dr. Mandhirasalam, Staff Advisor (Kalam Knowledge Club) and Dean of Library and ARRA, and the chief guest, Dr. A. M. Venkatachalam, Librarian and Director (Library and Student Affairs), K.S. Rangasamy College of Technology.

The event began with a welcome speech addressed by TM Abichaithin. The overview of club activities in the years 2023–2024 was addressed by TM Kamali.

An overview of the chief guest was delivered by TM Sowmmmala. Then Dr. Mandhirasalam shared his thoughts on club development and quoted about the chief guest.

Next, the chief guest, Dr. Venkatachalam, shared his words of wisdom. He mentioned the various activities led by the Readers' Club of K.S. Rangasamy College of Technology and also congratulated the activities led by the Kalam Knowledge Club. He also gave some tips for the upcoming board members to organize events that stimulate the area of reading among the students.

The momentum was given to the chief guest, Dr. Venkatachalam, by our staff adviser, Dr. Mandhirasalam. A gift of honor was given to Dr. Mandhirasalam by the final-year board members.

Next, a gift for the final-year board members was given by the third-year board members for appreciating their support throughout their era.

The prize distribution was done by Dr. Venkatachalam and Dr. Mandhirasalam for the winners and active participants of Inspira-2k24.

Then the board members for the next academic year were announced by TM Snehapriya. Dr. Mandhirasalam and Dr. Venkatachalam gave the certificates for welcoming the new board members.

Then the event successfully concluded with a vote of thanks delivered by TM Analice Ishameler.

Day 2 consists 40 participants.

DAY-2

GROUP PHOTO

Kalam Knowledge Club

Date : 23.04.2024
Mode : Offline
Venue : Book Corner, Library
No.of Participants : 25 members
In Charges : Febiya Roy
Duration : 1 hour

WORLD BOOK DAY

The event started with a club introduction by TM Febiya Roy. She spoke about World Book Day. Then Sriram reviewed the book of கலைப் பார்வை by Kavignar Kannadasan. He talked about the author of the book and gave a brief explanation about the story. After Megha reviewed the fourth-wing book by Rebecca Yarros, she shared her experience and interest in reading the book. The event was honored by Dr. Mandhirvealam, Staff Adviser (Kalam Knowledge Club) and Dean of Library and ARRA, and he spoke about the importance of book reading and about the upcoming book exhibition in Colombo in June. TM Dinvin Kumar gives his suggestions for reading the books and how to improve their reading, and then TM Atchaya shares her experience with the Karuvachi Kaviyam book reading. And TM Suvarnamala also shared her experience.

Day 2

Kalam Knowledge Club

Date	: 10.01.2024
Mode	: Offline
Venue	: Bosch Corner, Library
Duration	: 3 hour
No of Participants	: 18 members
In charge	: Athishnithin , Febiya Roy, Arun Kumar, Aashika Laxmi, Dinesh, Kavishakravarthy

MOCK INTERVIEW

The event was organised as a flagship event for the Nakshatra 2k24, which was exclusively for the first year. The mock interview was conducted to raise awareness about the UPSC interview process and to prepare the UPSC aspirants for the interview process. Questions were asked of the participants to test their critical thinking, reasonability, leadership skills, and current affairs. There were two panels with three interviewers each. The UPSC aspirants from their first years have participated in the mock interview and gained experience from it. Marks were awarded to each participant based on their skills.

Kalam Knowledge Club

Date	: 10.05.2024

No.of Participants	: 48 members
In charges	: Dhivin, Sri Surya, Suvarnamala

NAKSHATRA 2K24

The event was organised for the first-year students to step into the club. Out of four events, three were organised in M507: book reviews, knowing your country, and creative brains. The three events were started simultaneously in different areas of that room by TM Dhivin, TM Sri Surya, and TM Suvarnamala. The events are mentioned below:

EVENT NAME : BOOK REVIEW
No of participants: 16

This event is all about the participant reviewing any novels of their interest. This particular event was handled by TM Dhivin. The participants were evaluated based on their clarity of content and their capability to impress the audience. The participants started their book review briefly, and they were evaluated based on their performance.

EVENT NAME : KNOW YOUR COUNTRY
No of participants: 31

This event is about the participants being asked to locate the place on the map for the questions given on the question paper. Four different sets of question papers were distributed to the participants, and they started plotting the answers on the India map. Finally, they were evaluated by their answers.

EVENT NAME : CREATIVE BRAINS

No of participants: 15

This event is all about the participants creativity. They were provided with a balloon and asked to decorate it using a marker, and they were also asked to describe their work with a story. This particular event was handled by TM Sri Surya. The participants started drawing their thoughts in the balloons and reviewed their work with TM Sri Surya. The participants were evaluated based on their creative thinking and their efforts.

PODCAST

Title – Sinthanaithuligal

Every Saturday, an episode of Sinthanaithuligal is released on platforms like Spotify, YouTube, Google Podcasts, and Instagram.

Each episode is of a different genre, and the content is presented in such a way that it promotes awareness, gives motivation to overcome difficulties, and provides a positive mindset to listeners.

And also, special episodes were done for occasions like...

- Independence Day
- Teachers Day
- Engineers Day

- Episode 1: Hope
- Episode 2: Happiness
- Episode 3: நான் வீழ்வேன் என்று நினைத்தாயோ
- Episode 4 உள் விழிகளில்
- Episode 5 நம்ம கோயம்புத்தூர்
- Episode 6: How Does the Economic Machine Work?
- Episode 7: Unbelievable success stories of companies that were startups
- Episode 8: Gumbalangara
- Episode 9: Hyperfocus by Chris Bailey
- Episode 10: Kadakkalam
- Episode 11: Kalpana Saroj
- Episode 12: How to trick our brain to like doing hard things—Dopamine Detox

TEACHERS' DAY:

The gratitude towards the teaching community, which builds the future of our nation, was expressed.

HOPE:

In this podcast, the plane crash event in Indonesia was taken as an ideal example, and from that, the concept of hope was brought into the picture. The talk mainly focuses on how to improve the hope we have in ourselves.

UN VIZHIGALIL:

The significance of diverse viewpoints in shaping our understanding of the world. Through anecdotes and discussions, we advocate for empathy and open-mindedness, urging readers to embrace the richness of human experience.

GUMBALANGA :

Highlights the importance of standing out from the crowd by embracing your unique qualities and strengths. We encourage individuals to cultivate authenticity, confidence, and innovation in order to leave a lasting impression and achieve success in their endeavours.

How economic machine works? (Summary)

In that podcast episode, the timeless wisdom of Ray Dalio, a legendary American investor, was explored as he elucidated "How the Economic Machine Works." Listeners were provided with a clear understanding of economic cycles, debt cycles, and the role of central banks in driving the global economy.

BOOK REVIEW: HYPERFOCUS BY CHRIS BAILEY

The podcast aimed to present transformative insights from "Hyperfocus" by Chris Bailey, focusing on strategies for boosting productivity, managing digital distractions, enhancing creativity through mindfulness, and achieving goals effectively. The objective was to share practical insights and experiences from the book to help listeners unlock their full potential and achieve unparalleled results in work and life.

NAMMA COIMBATORE

This episode is a special dedication to celebrate Coimbatore district, the Manchester of South India. Everything about Coimbatore is explained in detail. Starting with the history of Coimbatore, the episode moves to discussing the specialties of the district, famous tourist places, and famous personalities (both from the cine field and non-cine field), and ends with the message that we must consider every place as our own place and every human as our own sibling.

UNBELIEVABLE SUCCESS STORIES OF COMPANIES THAT WERE STARTUPS

In this episode, unbelievable success stories of nine companies that were once just startups were elaborated, along with doses of motivation and lessons to be learned from each company's success at the end of each story. The companies discussed were Instagram, which was found by Kevin Systrom, Alibaba.com by Jack Ma; Pinterest by Ben Silberman; Airbnb by Brian Chesky and Joe Gebbia; Uber by Travis Kalanick; Paytm by Vijay Shekhar Sharma; Oyo Rooms by Ritish Agarwal; Zoom by Eric Yuan; and Zomato by Deepinder Goyal and Pankaj Chaddah.

KADHAIKKALAAM: BREAKING BOUNDARIES AND EMBRACING CHANGE

We usually worry about a particular thing, thinking about it again and again. This is of no use, as explained in the first story of this episode. We generally stay in our comfort zone. But it is mandatory for us to break the boundaries and go a step ahead in order to achieve success in life. This is explained in the second story of this episode.

HOW TO TRICK OUR BRAIN TO LIKE DOING HARD THINGS: DOPAMINE DETOX

In this episode, dopamine, homeostasis, tolerance, and how to do dopamine detox so that one can start liking to do hard things are discussed in detail with examples. Scientifically, what makes hard things harder and how to overcome this scenario are explained. Also, tips and tricks to keep oneself more productive are explained.

VELADICTION CEREMONY 2023- 2024

Date	26-04-2024
Venue	Library block conference hall -CIT
No.of Participants	60

The event was started with singing the state song- Tamilthaai vaazhthu. The introductory speech was given which was briefly about the Martial arts club. The presidential address was given by the club staff advisor Ms. Harini K, Assistant Professor- Department of ECE .

The staff advisor was honoured by delivery the special memento for their consistent valuable support to the club. The final year seniors also felicitated by delivering their special memento for their dedication in making the juniors talented by teaching martial arts and their active participation in the club from the earliest.

The virtual videos were screened. The current year and past two years journey of the club members and the club activities are displayed through it.

The second year students presented their lovable gifts to the last year graduating seniors. Those juniors expressed their gratitude to their respective seniors.

The last year students shared their wonderful experience through a few days by the individual. And also they gave advisories to the respective juniors to be the disciplined people in the training session and to be follow the same in their life.

The third year students delivered the prepared 3D printed club logo as key chain to their respective seniors.

Finally the final year students took their final group photo. Likewise the program was ended and the refreshments were given to all the participants.

Programme Title	INAUGURATION CEREMONY 2024-2025
Date & Time	27.05.2024 (5.00 PM – 7.00 PM)
Venue	IT-212
No. of Participants	45
Details of Chief Guest (Name, Organization etc.)	Dr. Mandhirasalam, Staff Advisor (Kalam Knowledge Club) and Dean of Library and ARRA
Details of Other Guests (External)& Internal (Correspondent, Coordinator, Principal etc.)	-
Short Report of the programme	Good Quality Photographs (2 Nos.). Photographs are also to be sent as an e-mail attachment.
TM Sri Surya led the event as MC. Dr. Mandhirasalam, the KKC Staff Advisor, graced the occasion, adding prestige to the event. The treasurer TM Dinesh extended a cordial welcome, setting the stage for the evening's proceedings. Dr. Mandhirasalam shared heartfelt anecdotes from his seven-year journey with KKC, commending the new members for their initiative. TM Fithiya Roy and TM Athishtathu, secretaries of 2024-25, addressed the upcoming board, offering guidance and support for the journey ahead. The ceremony concluded with Dr. Mandhirasalam felicitating the new board members, symbolizing their official induction into the club. The event was concluded with vote of thanks by reporting director TM Atchaya.	Caption: Participants

Programme Title	Analytics Breakout
Date & Time	30/05/2023, 5:00 PM – 6:00 PM
Venue	CM-105
No. of Participants	40
Details of Chief Guest (Name, Organization etc.)	
Details of Other Guests (External)& Internal (Correspondent, Coordinator, Principal etc.)	
Short Report of the programme	Good Quality Photographs (2 Nos.). Photographs are also to be sent as an e-mail attachment.
"Analytics Breakout" was the first event which was conducted by the new board members of the Datalytics club. The major motive of the event was to promote data analytics skills and create an engaging learning experience. The secretaries of the club (**Harish Kumar N, Aswathkrishna S D**) commenced the event by explaining the rules and procedures. Following that, the teams were guided to the escape rooms. All the participants solved the various technical and non-	Caption: Clues on the blackboard during the analytics breakout event.

technical problems in an enthusiastic manner. Finally, the event was wrapped up with a vote of thanks by the secretaries.	
Captions to Photographs	Caption: Participants at the Analytics Breakout event working diligently to decipher clues.

Programme Title	Unveiling Data Secrets
Date & Time	01/06/2023, 5:00 PM – 6:15 PM
Venue	CM-105
No. of Participants	45
Details of Chief Guest (Name, Organization etc.)	
Details of Other Guests (External)& Internal (Correspondent, Coordinator, Principal etc.)	
Short Report of the programme	Good Quality Photographs (2 Nos.). Photographs are also to be sent as an e-mail attachment.
"UNVEILING DATA SECRETS": The objective was to encourage creative thinking and data analysis through two rounds of activities. The sergeant of the club, Sri Jaya Karti S, commenced the event by explaining the rules and procedures. Following that, the teams were given graphs to analyse and answer questions. All the participants enthusiastically participated in framing a story from two different views. Finally, the event was wrapped up with discussions on potential future actions, such as further data analysis or implementing findings in decision-making processes. Programme Title	Data Destiny
Date & Time	08/06/2023, 5:00 PM – 6:00 PM
Venue	CM-105
No. of Participants	46
Details of Chief Guest (Name, Organization etc.)	
Details of Other Guests (External)& Internal (Correspondent, Coordinator, Principal etc.)	
Short Report of the programme	Good Quality Photographs (2 Nos.). Photographs are also to be sent as an e-mail attachment.
The Data Destiny event focused on conveying the background of various Data-Driven careers. The secretary (Aswathkrishna S. D) commenced the event by explaining the agenda. Then, Dinesh R and Tarun K T elaborated on the roles of a Data Analyst and Data Scientist, respectively. The participants were very engaged and enthusiastic throughout the event. The event was successfully wrapped up with a vote of thanks.	Caption: Engaged participants at the Data Destiny event absorb insights from the event.
Captions to Photographs	Caption: Speaker enlightens the audience on diverse Data-Driven career landscapes during the event.

Programme Title	R Programming and Statistics
Date & Time	21/03/2023 - 23/06/2023, 5:00 PM - 6:15 PM
Venue	CM-105
No. of Participants	80
Details of Chief Guest (Name, Organization etc.)	
Details of Other Guests (External)& Internal (Correspondent, Coordinator, Principal etc.)	
Short Report of the programme	Good Quality Photographs (2 Nos.). Photographs are also to be sent as an e-mail attachment.
The "R Programming & Statistics" Workshop spanned three days, offering comprehensive insights into R programming and statistics. Inaugurated by Head of Events (Dhivya, K.P), objectives were outlined. Ragav led day one, covering R programming fundamentals engagingly. Tarunika managed day two, skilfully integrating statistics with R. Ragav's return on day three brought advanced insights and synergy between R and statistics. Participants displayed enthusiasm, engaging in discussions and exercises. Ragav's closing remarks expressed gratitude, marking a successful event fostering practical skills and a positive learning environment for data-driven careers. Programme Title	The Coding Season 2 - Python (Intermediate)
Date & Time	30/08/2023 - 31/10/2023, 5:00 PM - 6:15 PM
Venue	CM-104
No. of Participants	46
Details of Chief Guest (Name, Organization etc.)	
Details of Other Guests (External)& Internal (Correspondent, Coordinator, Principal etc.)	
Short Report of the programme	Good Quality Photographs (2 Nos.). Photographs are also to be sent as an e-mail attachment.
"THE CODING SEASON-2 (intermediate)", is an exciting educational event where students take the reins as mentors and delve into the world of data structures in Python. This event is a unique opportunity for intermediate-level programmers to enhance their coding prowess and learn the art of problem-solving. Participants can expect in-depth sessions on a variety of essential data structures, including stacks, queues, linked lists, trees, and more. Throughout the event, students will not only gain a solid understanding of these data structures but also develop practical coding skills to implement them effectively in Python. Programme Title	Code or Dare
Date & Time	30/10/2023, 5:00 PM - 6:00 PM
Venue	CM-105
No. of Participants	50
Details of Chief Guest (Name, Organization etc.)	
Details of Other Guests (External)& Internal (Correspondent, Coordinator, Principal etc.)	
Short Report of the programme	Good Quality Photographs (2 Nos.). Photographs are also to be sent as an e-mail attachment.

"CODE OR DARE" is a thrilling team-based event where participants join forces in groups of four to showcase their coding skills. The challenge begins as teams are presented with a problem statement that they must code to solve. Successful execution of the code leads to a clue, while unsuccessful attempts require participants to face dares in exchange for hints. The clues in "Code or Dare" are uniquely tied to various movies, adding a fun twist to the coding adventure. Participants have one hour to crack a maximum of six codes, with the opportunity to earn extra clues by tackling dares head-on.

Programme Title	IMPORT FUN WITH SQL
Date & Time	22/11/2023, 5:00 PM – 6:15 PM
Venue	CM-105
No. of Participants	60
Details of Chief Guest (Name, Organization etc.)	
Details of Other Guests (External)& Internal (Correspondent, Coordinator, Principal etc.)	
Short Report of the programme	Good Quality Photographs (2 Nos.). Photographs are also to be sent as an e-mail attachment.
IMPORT FUN FROM SQL" promises an exhilarating blend of coding challenges, teamwork, and a dash of linguistic agility. In this unique event, teams are tasked with completing the first set of questions posted on HackerRank, putting their coding skills to the test. The catch? The output of their code determines their next challenge. Once a team successfully completes a question, a club member will present a tongue twister to a team member. The participant must then navigate to the corresponding "place" within the event space and recite the tongue twister to receive a crucial clue from the club member.	Caption: Teams engage in strategic collaboration, showcasing their logical thinking.
Captions to Photographs	Caption: Teams engaged in a display of logical thinking and problem-solving at the event, tackling challenging aptitude questions with strategic acumen.

Programme Title	Code Combat
Date & Time	23/11/2023, 5:00 PM to 6:00 PM
Venue	CM-105
No. of Participants	60
Details of Chief Guest (Name, Organization etc.)	
Details of Other Guests (External)& Internal (Correspondent, Coordinator, Principal etc.)	
Short Report of the programme	Good Quality Photographs (2 Nos.). Photographs are also to be sent as an e-mail attachment.

"CODE COMBAT" is an exhilarating coding challenge that pushes participants to the limits of their programming prowess. Each stage of this dynamic event presents timed coding problems, with a thrilling 20-minute duration allotted per question. Teams will be put to the test as they navigate through a series of challenging problems, requiring not only speed but also precision in their coding solutions. The event introduces bonus questions, featuring one particularly challenging problem designed to stretch the limits of participants' coding acumen. Points will be awarded based on the completion status of these bonus questions, offering teams the opportunity to recover and accumulate additional points even if they faced setbacks in earlier stages.

Martial Arts Competition

Students from Martial arts club conducted various martial arts competitions for alumni trophy. Students from various colleges actively participated in all the competitions conducted. On spot registration for all the competitions were done in the morning. Totally, Seven categories of Martial arts competitions were conducted including Single Stick, Double Stick, Nunchuck, Velkambu, Maankombu, Kalari and surul vaal. Students from various colleges participated in various events conducted.

Juries judged the performance of the participants based on their skill, speed and variety.

The competition was conducted category wise from the morning. From each category, winner, runner and second runner were declared by the jury panel. All the participants were awarded with participation certificates. Gold, Silver and Bronze medals were given to the winners , runners and second runners of each category. Overall trophies were also awarded for the colleges based on the cumulative points scored by each college combining all the events. The Overall trophy for winners was awarded to KPR Institute of Engineering and Technology. The Overall trophy for runners was awarded to Bannari Amman Institute of Technology.
