# OVERVIEW

# EVENT SCHEDULE

## About CIT

The V. Rangasamy Naidu Educational Trust devoted to the cause of promoting technical and scientific literacy, established Coimbatore Institute of Technology (CIT) in Coimbatore, Tamil Nadu, South India in 1956. CIT is one of the most reputed and prestigious educational institutions in India. The Institute backed by World Class research and development over the years attained autonomous status in 1987.

## About the Department

The Department of ECE was started in the year 1968. The department offers UG–B.E Electronics and Communication Engineering, and research (Full Time and Part Time) programmes. The department has dynamic and vibrant faculty specialized in various fields of Electronics and Communication Engineering with proven research experience in niche areas. The department has produced 29 doctorates in the area of Signal processing, Wireless Communication, Networking, Wireless sensor Networks, Image processing, VLSI Design and Embedded systems.

## About the conclave

Industrial Conclave 2025 brings together industry leaders, innovators, and technology experts to explore the transformative power of smart connectivity and cutting-edge innovations. This premier event offers a dynamic platform for knowledge exchange, collaboration, and showcasing breakthrough technologies that drive operational excellence, sustainability, and digital transformation.
