ABOUT CIT

The V. Rangasamy Naidu Educational Trust devoted to the cause of promoting technical and scientific literacy, established Coimbatore Institute of Technology (CIT) in Coimbatore, Tamil Nadu, South India in 1956. CIT is one of the most reputed and prestigious educational institutions in India. The Institute backed by World Class research and development over the years attained autonomous status in 1987.

VISION OF CIT

The Institute strives to inculcate a sound knowledge in engineering along with realized social responsibilities to enable its students to combat the current and impending challenges faced by our country and to extend their expertise to the global arena.

MISSION OF CIT

To impart high quality education and training to its students to make them World-class engineers with a foresight to the changes and problems, and pioneers to offer innovative solutions to benefit the nation and the world at large.

“
IMPART HIGH QUALITY
EDUCATION & TRAINING
TO ITS STUDENTS TO
MAKE THEM WORLD-CLASS
ENGINEERS...”

PLACEMENT CELL

The Coimbatore Institute of Technology (CIT), Coimbatore established in 1956 is recognized as a leading institution of national importance in technical education and research. CIT has been instrumental in nurturing the aspirations and goals of India's brightest minds through a combination of rigorous academics, extracurricular activities, and entrepreneurial programs. The institute's curriculum aims to instil in each student a profound grasp of fundamental principles, flexibility in thinking, and a relentless pursuit of knowledge, resulting in well-rounded leaders known for their outstanding professional capabilities.

The Placement Cell at Coimbatore Institute of Technology (CIT), established to facilitate career opportunities for its students. This pivotal office maintains robust connections with various industries, overseeing activities such as pre-placement presentations and campus interviews. Equipped with state-of-the-art infrastructure, the Placement Cell provides facilities for conducting group discussions, tests, and interviews. Additional resources like a library and communication lab enhance students general aptitude and communication skills. Annually, numerous national and multinational companies visit CIT for campus recruitment, with prestigious firms competing to be the 'DAY ONE' recruiter each academic year.

The Placement Cell ensures students are well-informed about career opportunities and industry trends, displaying pertinent information and organizing general meetings at the start of the academic year for final-year students interested in placements. Monthly review meetings further strategize future actions and ensure continuous improvement in placement processes. Moreover, the Placement Cell supports pre-placement activities for sophomore and junior students, and encourages those interested in higher studies by providing guidance and resources for competitive exams.

Furthermore, the Placement Cell at CIT actively promotes entrepreneurship among students, collaborating with government and banking sectors to facilitate financial assistance and organizing workshops to develop entrepreneurial skills and self-employment initiatives. In essence, the Placement Cell at Coimbatore Institute of Technology plays a pivotal role in connecting students with career opportunities, providing them with essential resources, guidance, and opportunities for professional development and entrepreneurial success.

PRINCIPAL MESSAGE

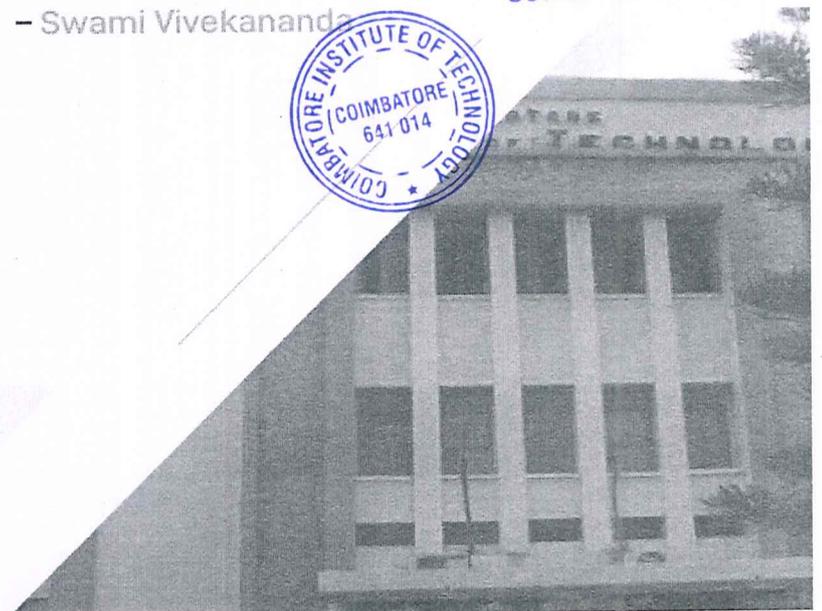

Dr. A. RAJESWARI
PRINCIPAL

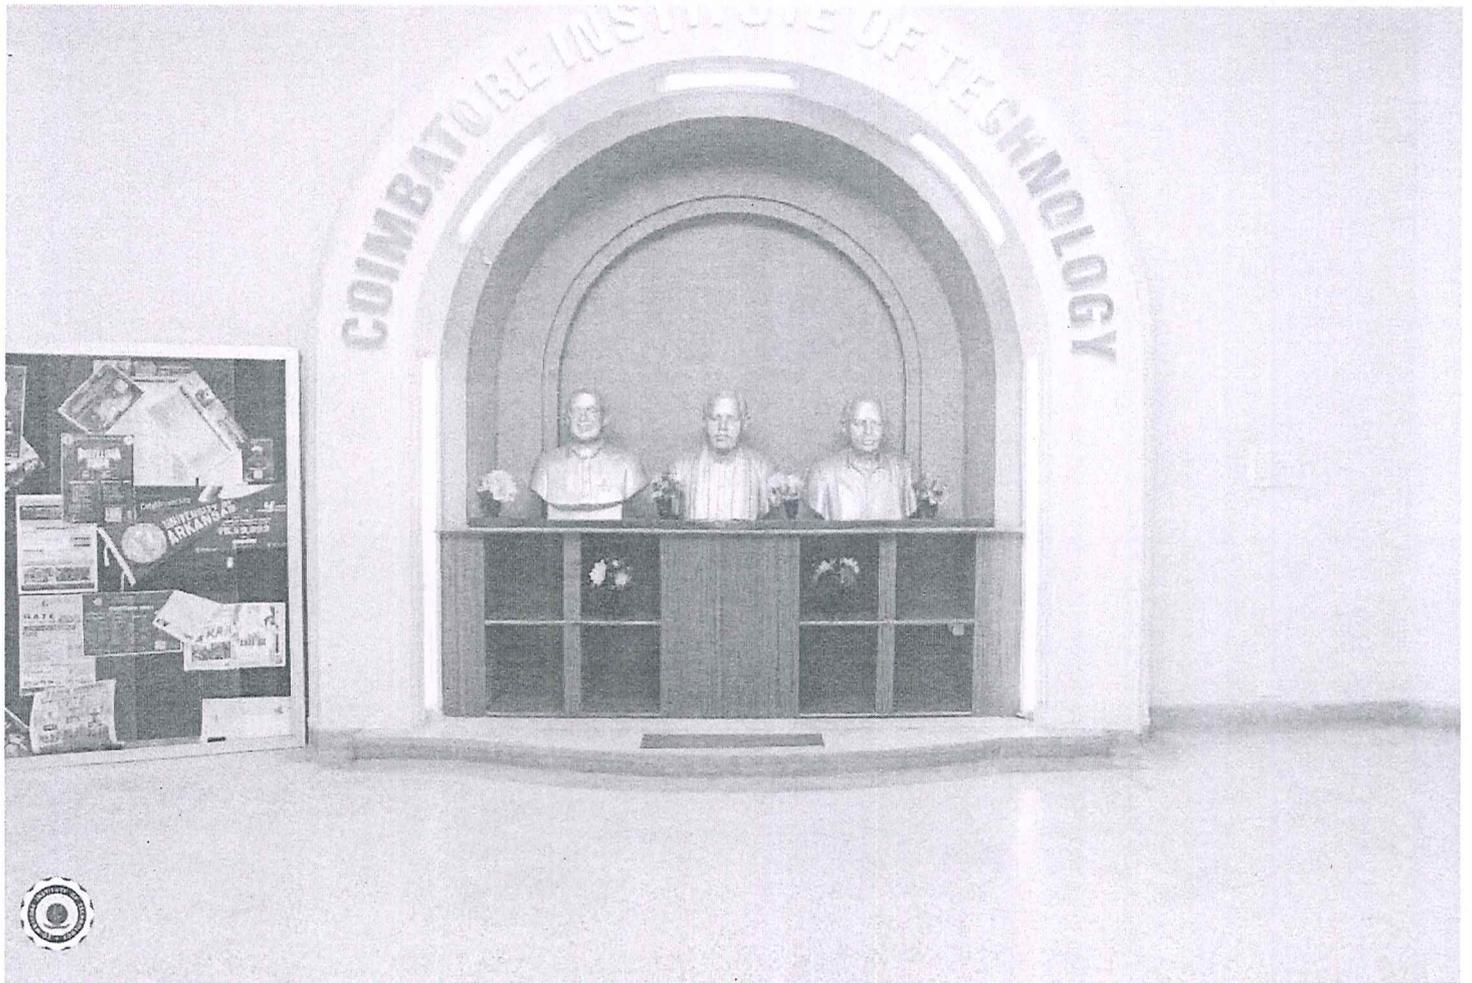

Coimbatore Institute of Technology, Coimbatore is one of the institutes offering pioneering education in the field of engineering, management and has a glorious heritage. Since its inception over more than six decades back, Coimbatore Institute of Technology maintains academic excellence in technical education and innovation by offering immensely valuable Under Graduate and Post Graduate programs to young and enthusiastic students.

Curriculum of various programs have been framed interacting with many industries and this helps the students towards acquiring industry specific skills and managerial capabilities needed by organizations. CIT takes immense pride in presenting our students to your esteemed organizations. It is our honour and privilege to welcome all the organizations to our campus for the recruitment of our students. I would like to wish all the students good luck for all upcoming recruitment activities.

Rj
"We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet"
- Swami Vivekananda

Dr. A. RAJESWARI, M.E., Ph.D.,

COIMBATORE INSTITUTE OF TECHNOLOGY
COIMBATORE-641 014.

PLACEMENT MESSAGE

The Institute has a Placement Cell headed by a staff member holding the rank of a Professor. The Cell is involved in securing placements for students passing out from the Institute. The office keeps close association with various industrial establishments, which conduct placement presentation, campus interviews and select student representatives from each department to co-ordinate the placement activities.

The Placement Cell provides state of the art infra-structural facilities to conduct group discussions, tests and interviews. The Placement Cell has a library and a communication lab to enhance the students' general aptitude and communication skills. A large number of national and multinational companies visit the Institute every year for Campus recruitment. Several reputed companies vie to be the 'DAY ONE' company for every academic year. Information regarding the campus recruitment process are displayed to the students. It helps students to plan their careers by providing information about the industries which approach the institute. At the beginning of the academic year, a general-body meeting of final-year students interested in placement activities is called. Every month, review meeting is convened to plan the future course of action. The cell also co-ordinates the pre-placement activities of sophomore and junior students, and motivates aspiring students to pursue Higher studies with facilities for preparing competitive exams like GATE, TOEFL, GRE, CAT, GMAT etc. The "Placement Cell" strives to enhance self employment which is supported by the government by extending financial assistance through banking sector. Further, workshops are organized to bring out.

TESTIMONIALS

V S HARI RAGAVAN
B.E MECHANICAL ENGINEERING
2020-24

Schlumberger & Metro Business Solutions Center

I want to express my deepest gratitude to the placement cell for their exceptional efforts this year. This message comes straight from my heart, as I have been profoundly moved by their dedication and hard work. At the beginning of our final year, many of us were filled with anxiety due to the widespread talks of an economic recession. The initial number of companies visiting for our mechanical department was discouragingly low. However, the placement cell rose to the challenge with unwavering determination and remarkable efficiency. Thanks to their relentless efforts, this year's placement season achieved impressive results, surpassing our expectations. I am thrilled to share that I have been successfully placed in not just one, but two esteemed companies: Schlumberger and Metro Business Solutions Center. I extend my sincere thanks to the placement officers and Placement coordinators who have tirelessly worked to secure a better future for all of us. Their support has been invaluable, and their commitment to our success is truly commendable. And I wish all my juniors the very best for your future; you are all in good hands.

AMIRTAVARSHINI K S
M.E Construction Management
2022-24
SLB

As the student placement coordinator for ME at Coimbatore Institute of Technology, I witnessed firsthand the dedication and effectiveness of our placement cell. The team's efforts helped many students secure their desired jobs with visiting companies. The team's organization and dedication were impressive, ensuring a smooth and efficient placement process. Collaborating with companies and understanding their requirements was a valuable learning experience. The support from the faculty placement officers was invaluable, providing guidance and assistance throughout. It was a privilege to contribute to the professional growth of my peers and be part of such a supportive team.

SHERYL SHARON G
DEPARTMENT OF
COMPUTER SCIENCE ENGINEERING
2020-24 - ORACLE

I am grateful for the invaluable guidance and support provided by the Placement Cell at Coimbatore Institute of Technology (CIT). Under the leadership of highly qualified Placement Officers, the Placement Team works tirelessly to bring forth new opportunities for students and conduct comprehensive placement training activities, ensuring that every student has access to the necessary resources.

The student-friendly Placement Officers are always welcoming and willing to assist students at any time, which greatly enhances the support system. Their exceptional organizational skills are evident in the effective dissemination of information to students and the efficient conduct of interviews during the placement season.

The Placement Cell's website is a remarkable tool, regularly maintained and updated to provide students with vital information such as Placement Statistics, Student Feedback, Podcasts, and Contact Information. For those on the path to placement preparation, the feedback from alumni is particularly illuminating, offering company-specific preparation strategies that are immensely beneficial.

The Placement Cell's unwavering motivation is a crucial support for students under the pressure of placements. Their transparent display of information empowers students to strategically design their preparation plans for both dream and non-dream placements. Personally, I have benefited from the student feedback and placement statistics, which helped me strategize my preparation and target my dream companies. During my period of study, I secured double dream placement offers from Schneider Electric and Oracle. To the dedicated team at the Placement Cell, continue your excellent work. The foundation you lay is instrumental in constructing each individual's path to success.

2020-24
Soliton Technologies Pvt.Ltd

Our placement cell provided individual attention to every student's interests and supported us throughout the process of getting placed in our aspiring companies. Their sincere efforts from the first day of coursework helped students to consistently build and sharpen their skills. Starting from placement preparation to receiving our offer letters, this amazing team works tirelessly beyond the academic year to ensure that every student's career is kickstarted and secure.

Assist students in finding opportunities befitting their skills, in the domain of their interest; paving way to career growth and development

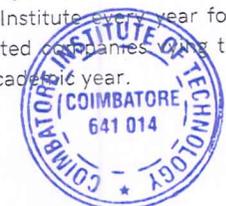

OUR VISION

Facilitate placement of students with employers who can nurture their potential, derive value from them and provide opportunity as innovators and leaders of tomorrow.

ABOUT CIT

CIT's Placement Cell is involved in the process of securing placements for students graduating from the institute. The office keeps close association with various industrial establishments and multi-national corporations which take part in the institute's placement drive. A large number of national and multinational companies visit the Institute every year for Campus recruitment with several reputed companies going to be the 'MNC' company for every academic year.

Dr. A. RAJESWARI, M.E., Ph.D.

COIMBATORE INSTITUTE OF TECHNOLOGY
COIMBATORE-641 014.

PLACEMENT STATISTICS

Larsen and Toubro
 Robert Bosch
 Soliton
 Toshiba
 General Electric
 DE Shaw & Co
 Yahoo
 Amazon
 TCS
 Zoho
 Tekion
 Saint Gobain
 Schneider Electric
 SPCL
 Daimler
 Hyundai
 Renault Nissan
 Ashok Leyland

Mr. Cooper
 Deloitte
 AppViewX
 Cognizant
 Infosys
 STRIIM
 Thoughtworks
 Thorogood
 Tech Mahindra
 SPIC
 Lucas TVS
 Qualcomm
 Oracle
 HPE
 Tiger Analytics
 Voltas
 Ernst and Young
 Jivox

EMINENT RECRUITERS

| Placement Year | Interested Strength | Students Placed |
|----------------|---------------------|-----------------|
| 2015-16 | 988 | 627 |
| 2016-17 | 952 | 616 |
| 2017-18 | 819 | 492 |
| 2018-19 | 889 | 475 |
| 2019-20 | 723 | 420 |
| 2020-21 | 868 | 438 |
| 2021-22 | 965 | 651 |
| 2022-23 | 947 | 763 |

| Placement Year | Number of Recruiters | Recruiters above 10 LPA |
|----------------|----------------------|-------------------------|
| 2015-16 | 108 | 3 |
| 2016-17 | 150 | 14 |
| 2017-18 | 154 | 15 |
| 2018-19 | 153 | 14 |
| 2019-20 | 137 | 11 |
| 2020-21 | 134 | 10 |
| 2021-22 | 158 | 19 |
| 2022-23 | 176 | 28 |

CIT offers 8 Under Graduate Academic Programmes, 4 Post Graduate Academic Programmes, 4 Five Year Integrated M.Sc., MCA, MBA Programmes in addition to Ph.D. Research Programmes.

| UNDER GRADUATE PROGRAMS | No. of Students |
|---|-----------------|
| B. E. Civil Engineering | 115 |
| B. E. Mechanical Engineering | 121 |
| B. E. Electrical and Electronics Engineering | 123 |
| B. E. Electronics and Communication Engineering | 120 |
| B. E. Computer Science and Engineering | 121 |
| B. Tech. Chemical Engineering | 59 |
| B. Tech. Information Technology | 63 |
| B. Tech. Artificial Intelligence and Data Science | NA |

| INTEGRATED PROGRAMS | No. of Students |
|--|-----------------|
| M. Sc. Software Systems | 53 |
| M. Sc. Data Science | 56 |
| M. Sc. Decision and Computing Sciences | 33 |
| M.Sc. Artificial Intelligence and Machine Learning | 55 |

| POST GRADUATE PROGRAMS | No. of Students |
|--|-----------------|
| M. E. Structural Engineering | 8 |
| M. E. Environmental Engineering and Management | 2 |
| M. E. Construction Management | 9 |
| MCA (Computer Applications) | 44 |
| MBA (Management Studies) | 44 |
