An offline event called "Seed ball event" took place on July 29, 2023. The event started at 9:00 a.m. Around 6,000 people, including schoolchildren and volunteers, took part in the initiative at Thiyagi N.G. Ramaswamy Memorial Higher Secondary School in the city on Saturday. Over 10 lakh seed balls were made in 30 hours by students and volunteers at the 'Seed Ball Festival, organised by Thiyagi N.G. Ramaswamy Memorial Higher Secondary School and Ruthambra Yoga Centre in the city.

The festival that began on Saturday culminated at 6 p.m. on Sunday.

Explaining the efficiency of seed balls, Mr. Sadhasivam said that the seeds would last for nearly two years with an 80% chance of sprouting as they were covered with a mixture of mud, cow dung, and compost.

After the seed balls are ready, they will be dropped in select locations with the help of the Forest Department, he added.

S.V. Nandagopal, one of the organizers, said seed balls can even be prepared at home using compost and seeds from vegetables and fruits.

The festival was inaugurated by Chief Education Officer R. Murugan in the presence of Ruthambra Yoga Centre founder Pathanjali Eswaran on Saturday.

On September 21, 2023, the National Service Club organized a significant event to commemorate Peace Day. With the aim of promoting peace within the college community and beyond, students, faculty, and club members were invited to participate in a symbolic gesture by imprinting their fingerprints on a representation of peace, embodied by a dove. Participants were provided with non-toxic, washable ink pads and guided to imprint their fingerprints onto the dove symbol. This act symbolized their commitment to promoting peace and solidarity. Each fingerprint left a unique mark, representing the diverse individuals coming together for a common cause.

This event served as a powerful reminder of the collective responsibility to strive for peace and harmony. By physically imprinting their fingerprints on the symbol of peace, participants expressed their solidarity and commitment to fostering understanding, compassion, and unity.

The event witnessed enthusiastic participation from students, faculty, and club members alike. Through the simple yet meaningful act of imprinting fingerprints on the symbol of peace, participants reaffirmed their commitment to building a more harmonious and compassionate world. The event exemplified the spirit of unity and solidarity, inspiring individuals to become ambassadors of peace in their own communities.

PYTHON CLASSES TO GOVERNMENT SCHOOL STUDENTS**DAY 1**

Date	: 29/07/2023
Mode	: Offline
Venue	: CIT CAMPUS
Duration	: 2 hrs
No.of participants	: 60
NSS Secretaries	: Varsha R Dinesh K Pradeep Kumar P Vengatesan B Jagadeeswararajan S Swetha S
Faculties In-charge	: Dr. R.Pabhakaran, Dr. E. Jayanthimani, Dr.S.Nandakumar, Dr.K.V.Hemalatha , Dr.P.Suresh.

The National Service Scheme (NSS) organized a week-long Python classes event aimed at empowering government school students with essential programming skills. Commencing on September 24 and concluding on September 30, 2023, the event unfolded within our college campus. Each day was meticulously planned to cover fundamental aspects of Python programming. On the first day, students were introduced to Python along with its practical applications across various industries. The session delved into the significance of Python in modern technology and its role in areas like web development, data analysis, and artificial intelligence. Subsequently, participants were acquainted with Python syntax, laying the groundwork for their understanding of the language's structure and conventions. Additionally, the importance of comments in code readability and documentation was emphasized, highlighting their role in enhancing program comprehension and collaboration. Through interactive lectures and hands-on exercises, students gained foundational knowledge of Python programming, setting the stage for a week of immersive learning and skill development.

DAY 2

Date	: 30/07/2023
Mode	: Offline
Venue	: CIT CAMPUS
Duration	: 2 hrs
No.of participants	: 60
NSS Secretaries	: Varsha R Dinesh K Pradeep Kumar P Vengatesan B Jagadeeswararajan S Swetha S
Faculties In-charge	: Dr. R.Pabhakaran, Dr. E. Jayanthimani, Dr.S.Nandakumar, Dr.K.V.Hemalatha , Dr.P.Suresh.

During the Python Classes for Government school students organized by the National Service Scheme (NSS) within our college campus from September 24 to September 30, 2023, Day 2 focused on imparting knowledge about Python variables, data types, and simple programming concepts. With a dedicated team of 60 members, the session began with an introduction to the fundamentals of Python programming language, emphasizing the significance of variables in storing and manipulating data. Through interactive discussions and practical examples, students were introduced to various data types such as integers, floats, strings, and booleans, along with their respective uses and applications. Furthermore, simple programming exercises were conducted to reinforce the understanding of these concepts, allowing students to apply their newfound knowledge in real-time scenarios. The session aimed to lay a strong foundation in Python programming for the participating government school students, equipping them with essential skills to pursue further learning in computer science and programming. Overall, Day 2 of the Python Classes was marked by enthusiastic participation and a collaborative learning environment, fostering a passion for technology and innovation among the students.

DAY 3

Date	: 31/07/2023
Mode	: Offline
Venue	: CIT CAMPUS
Duration	: 2 hrs
No.of participants	: 60
NSS Secretaries	: Varsha R Dinesh K Pradeep Kumar P Vengatesan B Jagadeeswararajan S Swetha S
Faculties In-charge	: Dr. R.Pabhakaran, Dr. E. Jayanthimani, Dr.S.Nandakumar, Dr.K.V.Hemalatha , Dr.P.Suresh.

On the third day of the "Python Classes for Government School Students" event organized by the National Service Scheme, held on September 26, 2023, the focus shifted to essential programming concepts including Python strings, Boolean logic, and operators. With a vibrant attendance of 60 eager participants from various government schools, the day commenced with an interactive session introducing the fundamentals of strings, emphasizing their importance in programming and practical applications.

Subsequently, participants delved into the realm of Boolean logic, learning about the foundational principles behind true/false values and logical operations. The session aimed to enhance their problem-solving skills and logical reasoning abilities through engaging discussions and hands-on exercises.

Moreover, the exploration of operators in Python provided attendees with valuable insights into manipulating data and performing various computations within the language. Through guided programming exercises, students had the opportunity to apply their newfound knowledge, reinforcing their understanding of these critical concepts.

DAY 4

Date	: 01/08/2023
Mode	: Offline
Venue	: CIT CAMPUS
Duration	: 2 hrs
No.of participants	: 60
NSS Secretaries	: Varsha R Dinesh K Pradeep Kumar P Vengatesan B Jagadeeswararajan S Swetha S
Faculties In-charge	: Dr. R.Pabhakaran, Dr. E. Jayanthimani, Dr.S.Nandakumar, Dr.K.V.Hemalatha , Dr.P.Suresh.

On the fourth day of the "Python Classes for Government School Students" event, held by the National Service Scheme (NSS), the focus was on Python lists and programming exercises related to lists. With a vibrant participation of 60 members, including students and facilitators, the day was marked by enthusiastic learning and practical engagement. The session began with an introduction to Python lists, explaining their significance in programming and their versatile nature for storing and manipulating data. Participants were guided through various operations on lists, including creation, appending, slicing, and sorting. They were encouraged to actively participate in coding exercises designed to reinforce their understanding of list concepts. Additionally, real-world examples were shared to illustrate the practical applications of lists in solving problems and organizing data. The interactive nature of the session fostered a collaborative learning environment, where participants exchanged ideas and supported each other in grasping the concepts. Overall, Day 4 of the event provided an enriching experience, equipping participants with valuable skills in Python programming and enhancing their confidence to tackle programming challenges involving lists

DAY 5

Date	: 02/08/2023
Mode	: Offline
Venue	: CIT CAMPUS
Duration	: 2 hrs
No.of participants	: 60
NSS Secretaries	: Varsha R Dinesh K Pradeep Kumar P Vengatesan B Jagadeeswararajan S Swetha S
Faculties In-charge	: Dr. R.Pabhakaran, Dr. E. Jayanthimani, Dr.S.Nandakumar, Dr.K.V.Hemalatha , Dr.P.Suresh.

The week-long event "Python Classes for Government School Students," organized by the National Service Scheme, commenced on September 27, 2023, with the noble objective of empowering students with essential programming skills. With a robust attendance of 60 eager participants from various government schools, the initiative aimed to bridge the digital divide and provide students with practical knowledge in Python programming. Throughout the week, the curriculum focused on fundamental Python concepts, including sets, tuples, and dictionaries, supplemented with hands-on programming exercises. Each day was dedicated to a specific topic, ensuring comprehensive understanding and application. Expert instructors guided the students through interactive sessions, fostering a conducive learning environment. Moreover, real-world examples and projects relevant to the students' academic and professional pursuits were incorporated, enhancing engagement and comprehension. By the end of the week, participants not only acquired proficiency in Python programming but also gained confidence in their ability to leverage technology for problem-solving and innovation. This initiative underscores the NSS's commitment to educational empowerment and skill development among underserved communities, laying a strong foundation for future academic and career endeavors.

DAY 6

Date	: 03/08/2023
Mode	: Offline
Venue	: CIT CAMPUS
Duration	: 2 hrs
No.of participants	: 60
NSS Secretaries	: Varsha R Dinesh K Pradeep Kumar P Vengatesan B Jagadeeswararajan S Swetha S
Faculties In-charge	: Dr. R.Pabhakaran, Dr. E. Jayanthimani, Dr.S.Nandakumar, Dr.K.V.Hemalatha , Dr.P.Suresh.

On the sixth day of the Python Classes for Government school students organized by the National Service Scheme, held on September 28, 2023, the focus shifted to the topic of Python loops. With a cohort of 60 enthusiastic participants, the session aimed to deepen the students' understanding of loops, a fundamental concept in programming. Through interactive lectures, hands-on exercises, and practical examples, the students were introduced to different types of loops such as for loops, while loops, and nested loops. Emphasis was placed on understanding the syntax, logic, and practical applications of loops in solving real-world problems. The session encouraged active participation, allowing students to experiment with writing their own loop-based programs and debugging any errors they encountered. By the end of the day, students had gained a solid foundation in Python loops, empowering them to tackle more complex programming challenges with confidence. The engaging and comprehensive nature of the session ensured that students left with valuable insights and practical skills they could apply beyond the classroom.

DAY 7

Date	: 04/08/2023
Mode	: Offline
Venue	: CIT CAMPUS
Duration	: 2 hrs
No.of participants	: 60
NSS Secretaries	: Varsha R Dinesh K Pradeep Kumar P Vengatesan B Jagadeeswararajan S Swetha S
Faculties In-charge	: Dr. R.Pabhakaran, Dr. E. Jayanthimani, Dr.S.Nandakumar, Dr.K.V.Hemalatha , Dr.P.Suresh.

On the final day of the "Python Classes for Government School Students" event, conducted by the National Service Scheme (NSS) over the course of one week, a comprehensive session on Data Structures programs using Python was delivered. With a participation of 60 enthusiastic members, the session aimed to equip students with fundamental skills in organizing and manipulating data efficiently. Throughout the week-long program, students were introduced to the basics of Python programming, gradually advancing to more complex concepts. The final day's focus on data structures underscored the practical application of Python in handling real-world problems. Participants engaged in hands-on activities and coding exercises to reinforce their understanding of concepts such as lists, dictionaries, tuples, and sets, essential components in data manipulation. By the end of the session, students gained valuable insights into the versatility of Python programming language and its significance in modern-day computing. The event culminated with a sense of accomplishment among participants, as they showcased their newfound proficiency in Python and eagerness to explore further in the field of computer science.

As members of the National Service Scheme (NSS), we orchestrated a dynamic orientation program meticulously tailored for our incoming first-year participants. This event served as a pivotal introduction, equipping newcomers with the essential knowledge, skills, and camaraderie needed to embark on their NSS journey with purpose and passion. Our multifaceted program comprised interactive workshops, enlightening seminars, and team-building exercises designed to foster a sense of belonging and empowerment among our newest members. We delved deep into the ethos of NSS, elucidating its rich history, core values, and overarching mission of community service. Furthermore, we provided practical guidance on project planning, communication strategies, and effective collaboration, empowering our novice volunteers to take on leadership roles and drive positive change within their communities. By nurturing a supportive and inclusive environment, we endeavored to cultivate a vibrant cohort of enthusiastic change makers ready to make a tangible difference in the world through their NSS endeavors.

As members of the National Service Scheme (NSS), we organized a highly successful event titled "Product Outcome Program" at CIT (Community Institute of Technology) focusing on engineering machines. This event aimed to showcase the practical applications and innovations in the field of engineering, particularly in the realm of machinery. Through interactive demonstrations, informative workshops, and hands-on activities, we provided participants with valuable insights into the design, functionality, and significance of various engineering machines. Our event featured presentations from experts in the field, highlighting cutting-edge technologies, advancements, and real-world examples of engineering machines in action. Participants had the opportunity to engage directly with industry professionals, gaining firsthand knowledge and expertise. Furthermore, the event fostered a collaborative environment where students, faculty, and industry professionals could exchange ideas, share experiences, and explore potential avenues for collaboration. By promoting dialogue and networking opportunities, we aimed to inspire and empower the next generation of engineers to drive innovation and make a positive impact in their respective fields. Overall, the "Product Outcome Program" served as a platform to celebrate the ingenuity and creativity within the field of engineering while providing valuable learning experiences and networking opportunities for all involved.

As impassioned members of the National Service Scheme (NSS), we embark on a noble journey to uplift and empower the students of government schools through our dedicated coaching initiative for the National Means Cum Merit Scholarship (NMMS) exam. With a shared vision of creating a more inclusive and equitable society, we recognize the pivotal role education plays in breaking the cycle of poverty and fostering socio-economic mobility. Driven by our commitment to service and social justice, we extend a helping hand to those students who face financial hurdles in accessing quality coaching for academic enrichment. Our endeavor is not merely about imparting knowledge but about instilling confidence, igniting passion, and nurturing potential. Through our coaching sessions, we create a supportive and nurturing environment where every student feels valued and empowered to excel. We believe in harnessing the inherent talents and strengths of each individual, guiding them towards academic success and personal growth. In the spirit of collaboration and solidarity, we harness the collective energy and expertise of our NSS community to deliver impactful coaching that transcends traditional boundaries. Beyond the confines of the classroom, we strive to inspire a culture of lifelong learning and curiosity, equipping students with the skills, knowledge, and resilience needed to navigate the challenges of the modern world. Together, as champions of education and agents of change, we stand united in our mission to unlock the boundless potential of every student, regardless of their background or circumstance. Through our unwavering

dedication and tireless advocacy, we sow the seeds of hope and opportunity, paving the way for a brighter future for generations to come

As members of the NSS, we took the initiative to host an enriching online webinar titled "Mathematical Sciences on Society" during the first week of our program. This event was designed to delve into the intricate connections between mathematics and various aspects of society, shedding light on its profound influence in shaping our world. Through dynamic presentations, interactive discussions, and expert insights, participants were provided with a comprehensive understanding of how mathematical sciences permeate diverse fields such as economics, technology, healthcare, and beyond. Our webinar aimed not only to elucidate the practical applications of mathematics but also to inspire a deeper appreciation for its significance in driving innovation and progress. By showcasing real-world examples and case studies, we sought to demonstrate how mathematical principles underpin crucial decision-making processes and contribute to the advancement of society as a whole. Additionally, the event served as a platform for participants to engage with esteemed experts in the field, facilitating meaningful exchanges of ideas and perspectives. The overwhelming positive response from participants reaffirmed the importance of fostering dialogue and understanding around the role of mathematics in society. As members of the NSS, we remain committed to organizing such impactful events that not only educate and inform but also inspire and empower individuals to recognize the transformative potential of mathematical sciences in shaping a better future for all.

On 6/12/2023 an offline event “**National Means Cum – Merit Scholarship**” took place. The event was organized by NSS under the guidance of staff advisors. Event was started at 10 am by a welcome address. This event took place to train the school students to approach the scholarship scheme. The speaker Mr. K. Ganesh participated in the session. **Mr. K. Ganesh** started the event with an introduction to the scheme. He gave a good explanation about intake period and Procedure. Objective of which is extending the classroom leaning and focusing on well-planned interactive session. Finally, Dr. P. Suresh sir added few information on that event and encouraged the students. The session was ended at 12.30 pm.

The offline Math class took place on 23-12-2023. This productive event was organized by the students of CIT. The Mathematics session was an interactive exploration of visual reasoning and problem-solving. Participants delved into exercises involving finding the missing number and letter in various figures, honing their analytical and pattern recognition skills. The session also included engaging activities with Venn diagrams, challenging attendees to identify relationships and intersections between sets. The session was comprised of 44 students. Overall, the session aimed to enhance participants' mathematical thinking and problem-solving abilities through hands-on exercises and visual puzzles.

The comprehensive session on the Number System, Geometry, and Real-life Mathematics provided a holistic exploration of mathematical concepts. Participants delved into the intricacies of the Number System, tackling mathematical operations and understanding numerical relationships. The Geometry segment facilitated a visual understanding of shapes, angles, and spatial relationships. Real-life Mathematics bridged theory with practical application, illustrating how mathematical principles are embedded in everyday scenarios. For the sixth consecutive week the session was comprised of 36 students. This session aimed to equip participants with a well-rounded grasp of mathematical fundamentals, fostering both theoretical understanding and practical application in real-world contexts.

As members of the National Service Scheme (NSS), we organized a special event aimed at inspiring and supporting visually impaired individuals in their pursuit of success in the Tamil Nadu Public Service Commission (TNPSC) exams. Recognizing the unique challenges faced by blind individuals in accessing educational resources and preparing for competitive exams, our event sought to provide them with encouragement, guidance, and resources tailored to their needs. Through interactive workshops, motivational talks, and personalized coaching sessions, we endeavored to instill confidence and empower visually impaired individuals to excel in the TNPSC exams. Our volunteers worked closely with participants to provide assistance in accessing study materials, navigating exam formats, and developing effective study strategies adapted to their individual needs. Moreover, we facilitated peer support networks and mentorship opportunities to foster a sense of community and solidarity among visually impaired aspirants. By creating a supportive and inclusive environment, we aimed to break down barriers and create equal opportunities for all individuals, regardless of their physical abilities. Ultimately, our event was not just about preparing visually impaired individuals for the TNPSC exams but about recognizing their potential, celebrating their achievements, and advocating for greater inclusivity and accessibility in the realm of competitive exams and education as a whole. As members of the NSS, we remain committed to championing the rights and aspirations of all individuals, and we will continue to work towards building a more inclusive and equitable society for Everyone.

On December 28th, the CIT 73 Golden Jubilee Coordination Committee organized a momentous event to commemorate the institution's milestone. The event brought together alumni members to celebrate fifty years of academic excellence and shared memories. The National Service Scheme (NSS) played a pivotal role in ensuring the success of the event by providing invaluable assistance and support to the alumni community.

The NSS, as an integral part of the organizing committee, contributed significantly to the smooth coordination and execution of various activities during the event. Volunteers from NSS were actively involved in logistical arrangements, registration processes, and managing guest hospitality. Their dedication and commitment ensured that the alumni members felt welcomed and appreciated throughout the event.

Additionally, NSS volunteers assisted in facilitating interactive sessions and networking opportunities for alumni, fostering camaraderie and connections among attendees. Their presence added an extra layer of warmth and inclusivity to the event, creating a memorable experience for all participants.

On January 5, 2024, the National Service Scheme (NSS) club organized a significant event aimed at facilitating discussions with headmasters of various government higher secondary schools regarding career guidance for students. This initiative sought to provide valuable insights and assistance to students in making informed decisions about their future endeavors.

The NSS club members visited three government higher secondary schools: 1. Government Higher Secondary School, Ramanathapuram; 2. Government Higher Secondary School, Sidhapudhur; and 3. Government Higher Secondary School, V.H. Road. At each school, discussions were held with the respective headmasters to understand the current practices in career

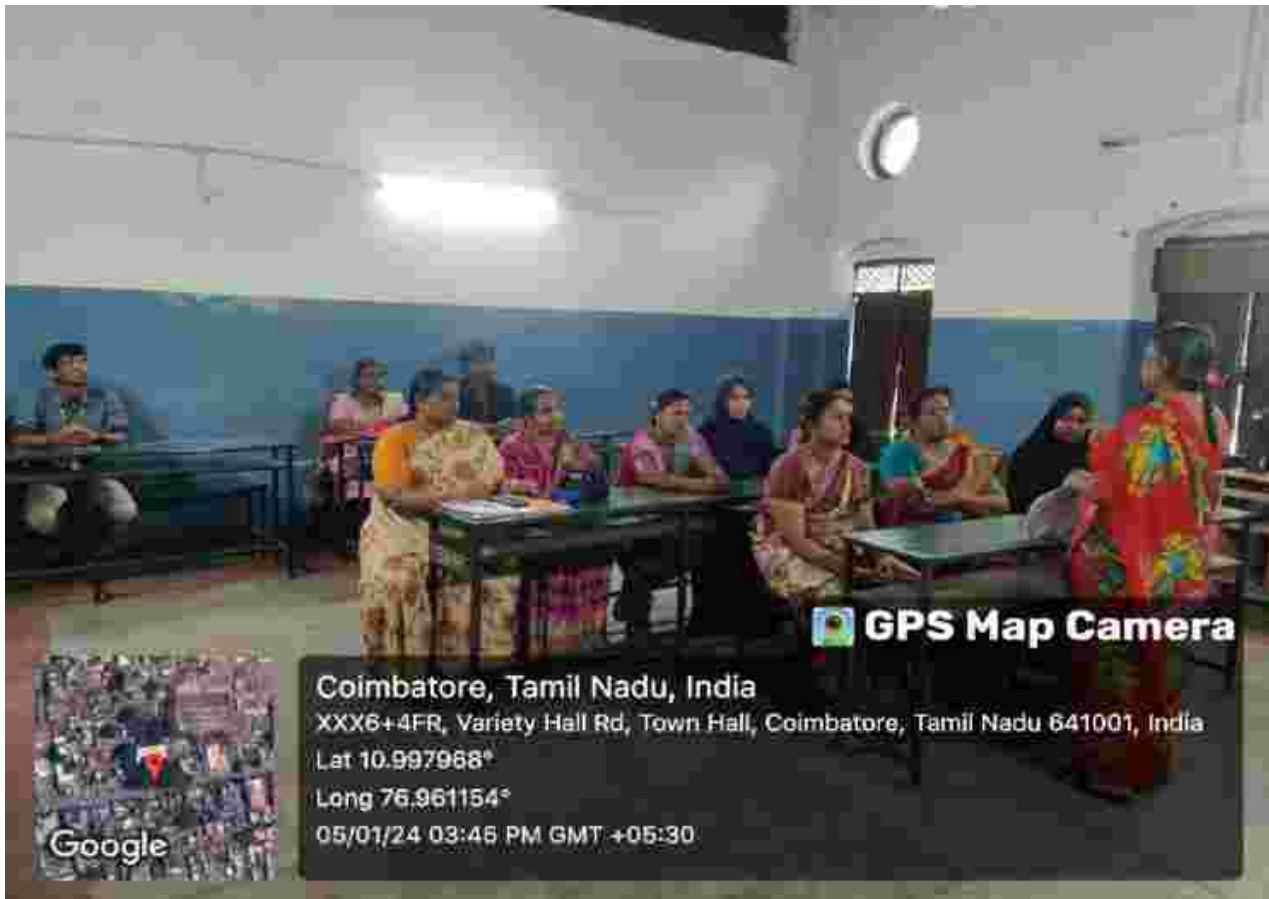

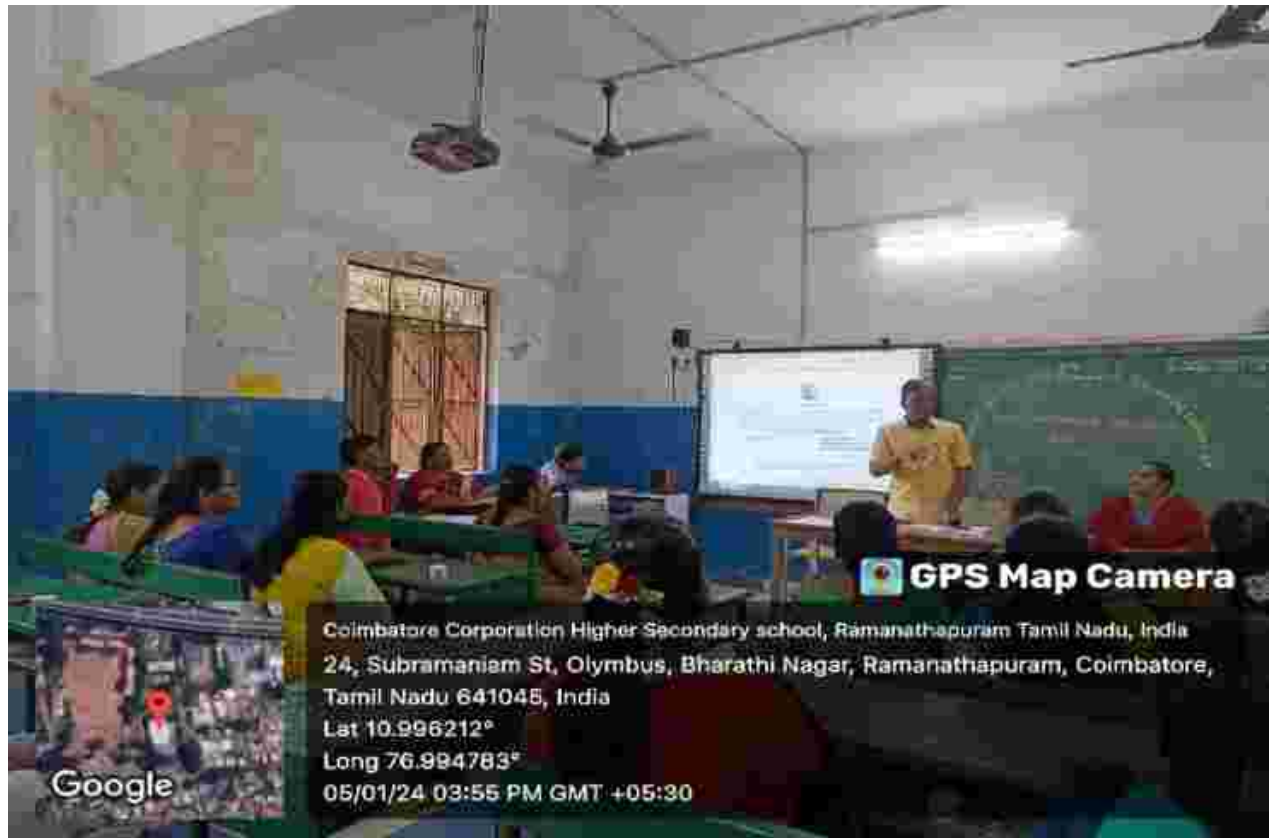

guidance and explore avenues for improvement.

During the discussions, the NSS members emphasized the importance of comprehensive career guidance programs that cater to the diverse interests and aspirations of students. They exchanged ideas on effective strategies for providing information about various career options, vocational training opportunities, higher education pathways, and skill development programs.

The event was of significant importance as it aimed to bridge the gap between academic learning and practical career exploration. By engaging with headmasters, the NSS club sought to identify areas where additional support and resources could enhance the career guidance initiatives within these schools.

The event "Naatu Nala Pani Thittam" was organized on 17/05/2024 at Coimbatore Institute of Technology. This initiative was conducted under the guidance of the faculties in charges Dr. K.V. Hemalatha, Dr. S. Nandakumar, Dr. E. Jayanthimani, and Dr. P. Suresh. The arrangements for the event were meticulously planned and executed by the NSS secretaries: Midhun Keshava Abimanyu M E, Subaharini V, Amirdhasudhan A, Agalya P, and Raswanth M.

The event, conducted offline, lasted for 2 hours and saw the enthusiastic participation of 50 students, volunteers, and staff members. The primary objective was to promote environmental sustainability through the innovative technique of creating and dispersing seed balls, thereby fostering afforestation and biodiversity.

The program commenced with an introduction to the concept of seed balls, emphasizing their importance in addressing issues like deforestation, soil erosion, and climate change. Experts provided hands-on training on making seed balls using a mixture of fertile soil, compost, and seeds of indigenous plant species.

Participants collectively made over 1000 seed balls during the session. These seed balls are to be distributed and dispersed in deforested areas, barren lands, and other ecologically sensitive zones to encourage natural reforestation and improve green cover.

The event highlighted the significance of individual and collective responsibility in environmental conservation. It reminded participants of the urgent need to protect natural resources and contribute to a greener and healthier planet.

The success of the event was attributed to the combined efforts of the NSS team, the dedicated guidance of the faculty in charge, and the active involvement of the students. Naattu Nalappani Thittam served as a meaningful reminder of the critical role each individual plays in nurturing the environment, inspiring everyone to take small yet impactful steps toward sustainability. and aimed to inspire students and the community to adopt cleanliness as a way of life.

ROBOTICS HANDS-ON TRAINING 2024

Date	: 01.06.2024
Mode	: Offline
Venue	: CIT Campus
Duration	: 3 hours
No. of participants	: 65
NSS In-Charges	: 1) Midhun Keshava Abimanyu M E (EEE) 71762103084 2) Subaharini V (EEE) - 71762103100 3) Amirdhasudhan A (CIVIL)- 71762101004 4) Agalya P (CIVIL)-71762101002 5) Raswanth M (ECE)-71762104090
Faculties In-Charge	: Dr.K.V.Hemalatha Dr.S.Nandakumar, Dr. E. Jayanthimani, Dr.P.Suresh.

The "Robotics Hands-on Training" session was conducted on 01/06/2024 at Coimbatore Institute of Technology. This event was organized by the IDEAS Club of the Department of Electrical and Electronics Engineering (EEE) under the guidance of faculties in charge: Dr. K.V. Hemalatha, Dr. S. Nandakumar, Dr. E. Jayanthimani, and Dr. P. Suresh. All arrangements were coordinated by the NSS secretaries: Midhun Keshava Abimanyu M E, Subaharini V, Amirdhasudhan A, Agalya P, and Raswanth M.

The primary objective of the event was to provide participants with practical exposure to robotics and equip them with technical skills in robot design, programming, and operation. A total of [Number of Participants] students from various years and departments enthusiastically participated in the session.

The training began with an introductory lecture by experts from the IDEAS Club, covering the fundamentals of robotics. Topics included:

- Key components of robotics (sensors, actuators, and controllers).
- Microcontroller basics (Arduino and other platforms).
- Robotics applications in industries like automation, healthcare, and agriculture.

Participants were then divided into groups to engage in hands-on activities, which included:

- Robot assembly: Step-by-step guidance on assembling functional robots from kits provided.
- Sensor Integration: Incorporating ultrasonic and IR sensors for obstacle detection and line-following robots.
- Programming Basics: Coding robots using Arduino IDE for motion control, obstacle avoidance, and task automation.
- Challenge Tasks: Participants applied their skills in challenges like building maze-solving robots or robotic arms for object manipulation.

An interactive session followed, where participants discussed real-world robotics applications and explored innovative project ideas with IDEAS Club mentors. The participants' creativity and problem-solving skills shone as they worked collaboratively to troubleshoot and refine their robots.

The event concluded with a reflection and feedback session. Participants expressed their excitement about furthering their knowledge in robotics and applying these skills in projects and competitions. Certificates of participation were distributed to all attendees.

This hands-on training session showcased the IDEAS Club's dedication to fostering technical innovation and providing students with the tools to excel in the field of robotics. The event's success was made possible by the combined efforts of the faculty coordinators, IDEAS Club members, and enthusiastic student participants.

NSS In-Charges	: 1) Midhun Keshava Abimanyu M E (EEE) 71762103084 2) Subaharini V (EEE) - 71762103100 3) Amirdhasudhan A (CIVIL)- 71762101004 4) Agalya P (CIVIL)-71762101002 5) Raswanth M (ECE)-71762104090
Faculties In-Charge	: Dr.K.V.Hemalatha Dr.S.Nandakumar, Dr. E. Jayanthimani, Dr.P.Suresh.

The "TNPSC Mock Test" event was conducted on [Date] at Coimbatore Institute of Technology. The event was organized under the guidance of the faculties in charge: Dr. K.V. Hemalatha, Dr. S. Nandakumar, Dr. E. Jayanthimani, and Dr. P. Suresh, with all arrangements overseen by the NSS secretaries: Midhun Keshava Abimanyu M E, Subaharini V, Amirdhasudhan A, Agalya P, and Raswanth M.

The objective of the event was to provide participants with a simulated experience of the Tamil Nadu Public Service Commission (TNPSC) exams, thereby helping them assess their preparedness and gain confidence in tackling the actual examination. A total of 150 students, aspiring for various government positions, enthusiastically participated in the mock test.

The event commenced with a brief orientation session explaining the structure, syllabus, and importance of the TNPSC exams. Key aspects such as time management, question types, and

strategies to approach the examination were highlighted.

The mock test covered all sections of the TNPSC syllabus, including:

- General Studies: Questions from history, geography, polity, economy, and science.
- Aptitude and Mental Ability: Logical reasoning, quantitative aptitude, and problem-solving.
- General Tamil/English: Language comprehension, grammar, and vocabulary.

Participants were given a strict time limit to complete the test under exam-like conditions. After the test, detailed solutions and explanations were provided, helping students understand their strengths and areas for improvement. The event also featured an interactive session where experienced faculty members addressed common challenges faced during TNPSC preparation and provided useful tips for effective study plans and resource utilization.

The session concluded with feedback from participants, who appreciated the realistic exam environment and the guidance provided. Certificates of participation were awarded to encourage the students in their preparation journey. The success of the event is credited to the dedication of the NSS team, faculty coordinators, and the enthusiastic participation of the students. Events like this empower students to aim for government careers and contribute to society.

This TNPSC Mock Test initiative serves as a stepping stone for aspirants, helping them gain confidence and refine their skills for achieving their career goals.

Kargil Vijay Diwas Observance by NSS - Honoring the Heroes of Kargil

Kargil Vijay Diwas is celebrated every year on 26th July to commemorate India's victory in the Kargil War of 1999. To honor the bravery and sacrifice of our soldiers, the NSS unit of Coimbatore Institute of Technology organized a series of events to pay tribute to the martyrs and instill a sense of patriotism among the youth. The program aimed to raise awareness about the importance of national security, valor, and the sacrifices made by the Indian Armed Forces.

The main objectives of this event are to honor and remember the sacrifices of soldiers who laid down their lives for the country, instill a sense of patriotism and gratitude towards the Armed Forces, educate students and community members about the significance of Kargil Vijay Diwas, and inspire young minds to contribute to the nation in meaningful ways.

Many activities conducted during the Kargil Vijay Diwas Event. The events include:

- **Tribute Ceremony:** The program commenced with a solemn tribute ceremony. A two-minute silence was observed to honor the martyrs, followed by the lighting of candles and floral

- offerings at a memorial set up within the campus or community center.
- **Patriotic Speeches and Talks:** Eminent speakers, including retired army personnel, teachers, and NSS volunteers, delivered speeches highlighting the significance of the Kargil War and the bravery of Indian soldiers. These talks inspired participants to understand the sacrifices made for the nation's security.
 - **Screening of Documentary:** A short documentary on the Kargil War was screened to provide an in-depth understanding of the challenges faced by soldiers during the war and the strategies that led to India's victory.

The event witnessed active participation from NSS volunteers, students and faculty members, Local community members and retired army personnel. The involvement of multiple groups fostered a sense of unity and pride in the community.

The Outcomes and Impact of this event include:

- **Increased Awareness:** Participants gained a deeper understanding of the Kargil War and the sacrifices of the soldiers.
- **Patriotic Spirit:** The event ignited a sense of patriotism among students and community members.
- **Community Bonding:** The activities created a platform for collective remembrance and gratitude towards the Armed Forces.
- **Environmental Contribution:** The tree plantation drive served as a symbolic and practical step toward environmental conservation.

The challenges faced are Limited time to prepare for the extensive program, Difficulty in coordinating the participation of external speakers and guests and Managing resources for large-scale community involvement.

Despite these challenges, the program was successfully executed with the dedication of NSS volunteers and the support of the institution.

The observance of Kargil Vijay Diwas by the NSS unit of Coimbatore Institute of Technology was a heartfelt tribute to the martyrs of the Kargil War. It served as a reminder of the bravery and sacrifices of our soldiers and inspired everyone to contribute to the nation's progress. The event successfully instilled a sense of pride and gratitude towards the Armed Forces, leaving a lasting impact on all participants.

We extend our heartfelt thanks to the Coimbatore Institute of Technology, NSS volunteers, local authorities, and guest speakers for their support and contribution to the success of this program. Together, we pay homage to the true heroes of our nation.

ANTI-DRUG AWARENESS

Date	: 12.08.2024
Mode	: Offline
Venue	: CIT Campus
Duration	: 2 hours
No. of participants	: 300
NSS In-Charges	: 1) Midhun Keshava Abimanyu M E (EEE) 71762103084 2) Subaharini V (EEE) - 71762103100 3) Amirdhasudhan A (CIVIL)- 71762101004 4) Agalya P (CIVIL)-71762101002 5) Raswanth M (ECE)-71762104090

The NSS unit of Coimbatore Institute of Technology, in collaboration with the Coimbatore City Police, organized an **Anti-Drug Awareness Campaign** on **12th August 2024**. The campaign was aimed at educating students about the dangers of drug abuse and promoting a drug-free campus. The event was held to instill awareness regarding the legal, social, and health impacts of drug addiction, and to inspire students to maintain a safe and drug-free environment.

The planning of the event involved coordination with the Coimbatore City Police, who provided key personnel such as senior police officers and anti-drug counselors to address the students. The event was organized with the guidance and approval of the Principal, staff advisors, and administrative officers. Faculty members provided active support in mentoring the NSS volunteers and ensuring smooth execution of the activities.

Objectives of the Campaign

The primary objectives of the campaign were as follows:

1. To raise awareness among students about the adverse effects of drug abuse on both individuals and society.
2. To encourage the adoption of a drug-free lifestyle among students.
3. To establish a strong collaboration between the educational institution and law enforcement authorities for better handling of drug-related issues on campus.

The event began with an inaugural session, where the **Principal** of CIT addressed the gathering, emphasizing the importance of maintaining a drug-free campus. A senior officer from the Coimbatore City Police delivered the keynote speech, which focused on the legal, social, and health consequences of drug abuse.

Following the inauguration, there were interactive sessions, where an officer explained the legal implications of drug possession and trafficking, while a counselor shared real-life experiences of individuals recovering from drug addiction. A Q&A session followed, allowing students to ask questions and seek guidance on identifying drug abuse and ways to help affected individuals.

The event concluded with a **Pledge Ceremony**, where all participants took an oath to stay drug-free and commit to helping others in the same regard. This was followed by the distribution of pledge cards as a symbolic reminder of their commitment.

Conclusion

The **Anti-Drug Awareness Campaign** was a success in achieving its objectives of educating students about the dangers of drug abuse and promoting a drug-free campus. The event was impactful in creating awareness, strengthening community ties, and inspiring positive behavior change among students. The support from the Coimbatore City Police, faculty members, and the enthusiastic participation of the students were key factors in the success of the campaign.

The **NSS Induction Programme** for the academic year 2024-2025 was conducted to warmly welcome the freshers and introduce them to the National Service Scheme (NSS) at CIT. The programme served as a platform to showcase the essence of NSS and inspire the new members to actively participate in social service and community development initiatives.

The session began with an overview of NSS, highlighting its motto, "**Not Me, But You,**" which reflects the spirit of selfless service and the importance of prioritizing community welfare over individual gains. The freshers were introduced to the values of NSS, focusing on leadership, teamwork, and social responsibility.

The programme provided insights into the various impactful activities carried out by NSS in the previous academic year. These activities ranged from awareness drives and health camps to cleanliness campaigns and social welfare initiatives. Each initiative was tailored to address pressing societal needs and empower individuals within and beyond the campus community. The induction also emphasized the holistic benefits of being part of NSS, including opportunities for personal growth, the development of critical life skills, and the chance to make meaningful contributions to society. The event highlighted how NSS acts as a bridge between academic pursuits and societal engagement, offering students a platform to apply their knowledge for the greater good.

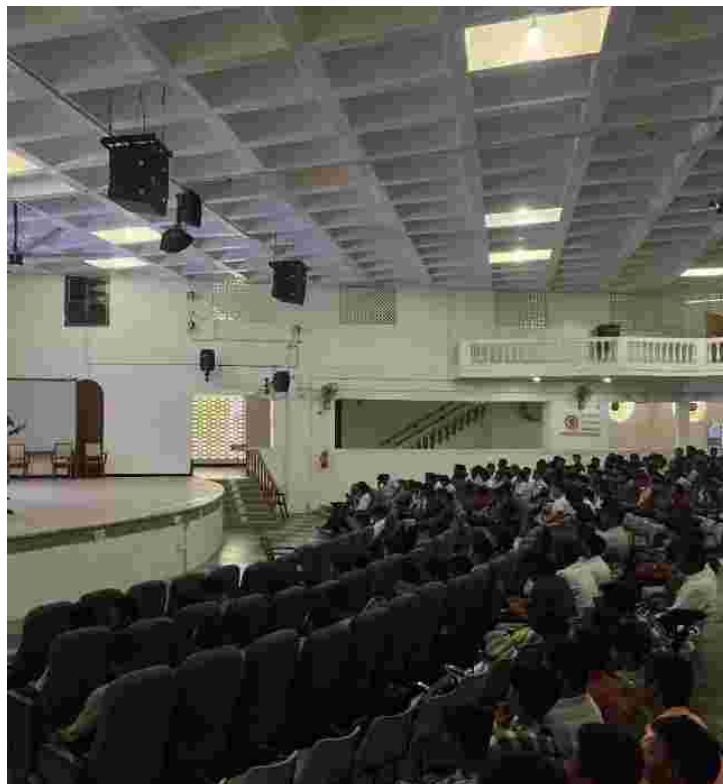

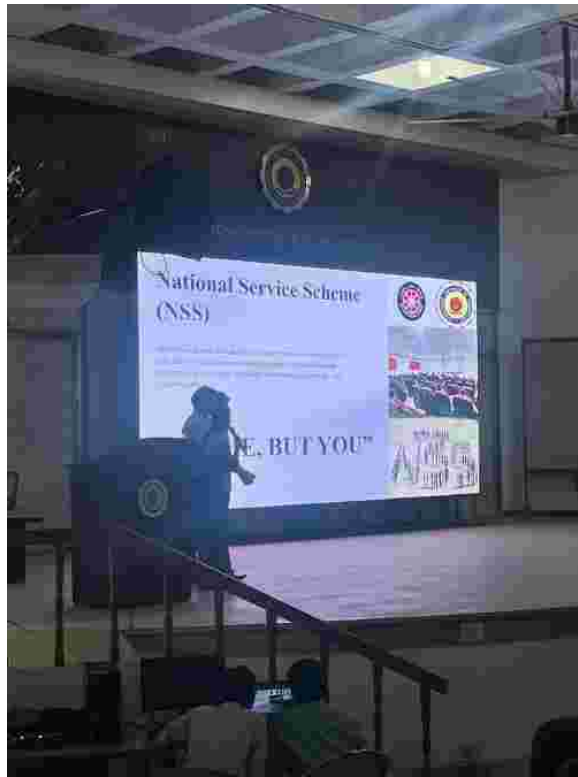

During the session, the importance of collective responsibility and active citizenship was reiterated. The attendees were encouraged to view NSS as more than just a club but as a movement dedicated to fostering positive change. The experiences of senior volunteers were shared, providing valuable insights into the impact of their efforts and the sense of fulfillment derived from serving others.

The interactive nature of the programme allowed freshers to ask questions and express their views about contributing to future initiatives. Many expressed enthusiasm about being part of NSS and shared their willingness to support ongoing and upcoming activities.

The induction concluded with a call to action, urging the new members to embrace the values of NSS and contribute wholeheartedly to its mission. The collaborative efforts of the coordinators, secretaries, and volunteers ensured the programme was well-organized and impactful.

The event marked the beginning of an exciting journey for the freshers, encouraging them to uphold the principles of NSS and continue the tradition of meaningful service.

Swachhata Hi Seva – Cleanliness is Service

The National Service Scheme (NSS) unit of Coimbatore Institute of Technology organized the Swachhata Hi Seva campaign to contribute to the Swachh Bharat Abhiyan launched by the Government of India. The campaign sought to raise awareness about cleanliness, promote responsible waste management, and encourage active participation in creating a clean and healthy environment. This event was conducted with the spirit of service and aimed to inspire students and the community to adopt cleanliness as a way of life.

The objectives of the campaign are to create awareness about the importance of cleanliness and hygiene in daily life, encourage public participation in maintaining cleanliness in public spaces, promote eco-friendly practices like waste segregation, recycling, and composting, foster a sense of social responsibility and community ownership for a cleaner environment, and align with the larger goal of achieving a clean India under the Swachh Bharat Mission.

The campaign witnessed active participation from NSS volunteers, Support from local authorities, municipal workers and NGOs. The campaign successfully brought together students, faculty, local residents, and public officials, creating a collaborative effort towards cleanliness.

The challenges faced during this event are lack of adequate cleaning tools and equipment for large-scale participation, Initial hesitation and lack of awareness among some community members and difficulty in sustaining interest and participation after the event. Despite these challenges, the campaign achieved its objectives with collective effort and dedication.

The Swachhata Hi Seva campaign proved to be a resounding success in fostering awareness and action for cleanliness and sustainability. It not only cleaned specific areas but also left a lasting impression on the minds of participants and the community. Such initiatives are vital for building a healthier, cleaner, and more responsible society.

The Diwali festival witnesses a significant surge in vehicular and pedestrian traffic, especially in commercial areas and key junctions in Coimbatore. Managing this influx becomes a challenging task for the traffic police. To alleviate the situation, the NSS (National Service Scheme) students of Coimbatore Institute of Technology collaborated with the traffic police during Diwali to streamline traffic and ensure public safety on (date).

Objective

1. To assist traffic police in managing congestion during peak hours.
2. To create public awareness about traffic rules and road safety.
3. To ensure smooth vehicular and pedestrian flow in crowded areas during the festival.

Planning and Preparations

Coordination with Traffic Police: Initial meetings were conducted with the traffic police department to understand the critical congestion points and high-risk zones. A plan was devised to deploy NSS volunteers at these strategic locations, such as major junctions, markets, and shopping hubs.

Scheduling and Deployment: NSS volunteers were divided into teams and assigned shifts to cover peak hours (morning and evening). Each team was supervised by a senior NSS coordinator or a traffic police officer.

Managing Vehicular Traffic: NSS volunteers were stationed at major junctions to assist traffic police in directing vehicles. They helped guide vehicles to alternative routes to avoid gridlocks and ensured that drivers adhered to traffic signals and speed limits.

Assisting Pedestrians: Volunteers guided pedestrians to designated crossing zones and assisted the elderly and children. They educated pedestrians about the importance of using footpaths and zebra crossings.

The collaboration between NSS students from Coimbatore Institute of Technology and the traffic police proved to be highly effective in managing traffic congestion during the Diwali festival. Their joint effort not only ensured smoother traffic flow but also promoted a sense of community involvement in addressing civic challenges. Such initiatives should be encouraged during future festivals to build a safer and more organized urban environment.

We thank the Coimbatore traffic police department for their guidance and support, and the NSS unit of Coimbatore Institute of Technology for their enthusiastic participation in this community-driven initiative.

The **Passport Camp** was conducted at CIT to help students, teaching staff, and non-teaching staff with the process of applying for passports. This initiative was organized in collaboration with **Passport Seva officials**, who guided the participants and ensured a smooth and efficient process. In preparation for the event, volunteers underwent a training session conducted by the Passport Seva officials. The training covered all aspects of the passport application process, including document verification, form-filling, and common issues faced by applicants. This ensured that the volunteers were well-prepared to assist participants.

On the day of the event, dedicated counters were set up to facilitate the application process. Each counter handled specific tasks, such as verifying documents, checking form submissions, and addressing participant queries. The Passport Seva officials were present throughout the camp to verify applications and provide immediate corrections or guidance when necessary.

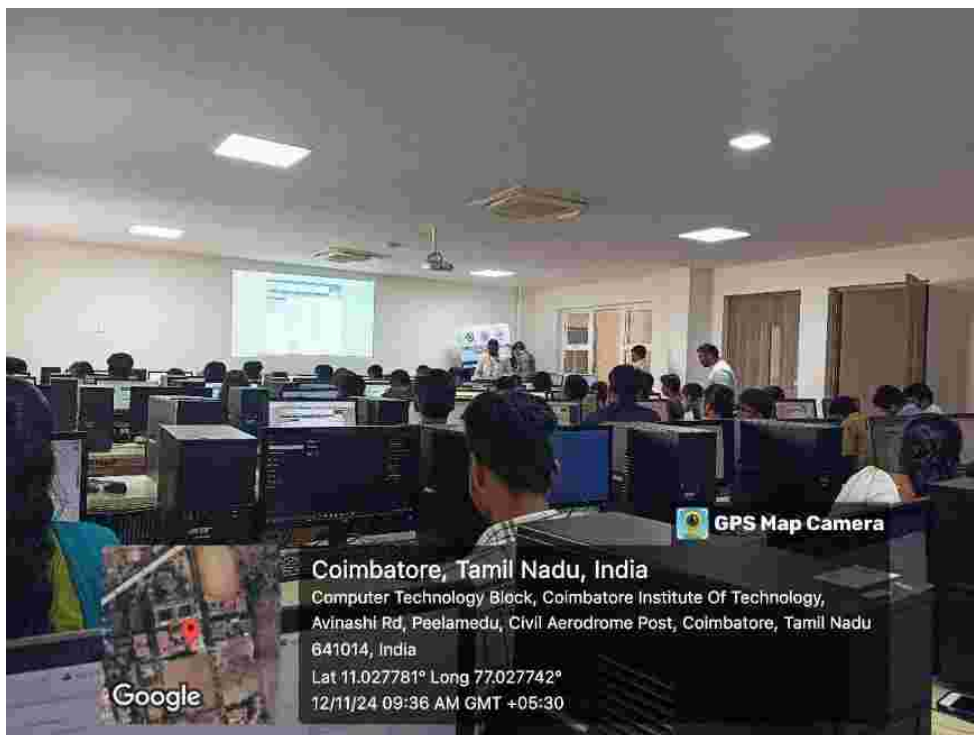

The camp provided a convenient platform for participants to complete their applications without needing to travel to external Passport Seva Kendras. This was especially appreciated by the teaching and non-teaching staff, who found it helpful to manage their time efficiently. Students also found the camp beneficial, as the step-by-step assistance made the process less intimidating and more streamlined.

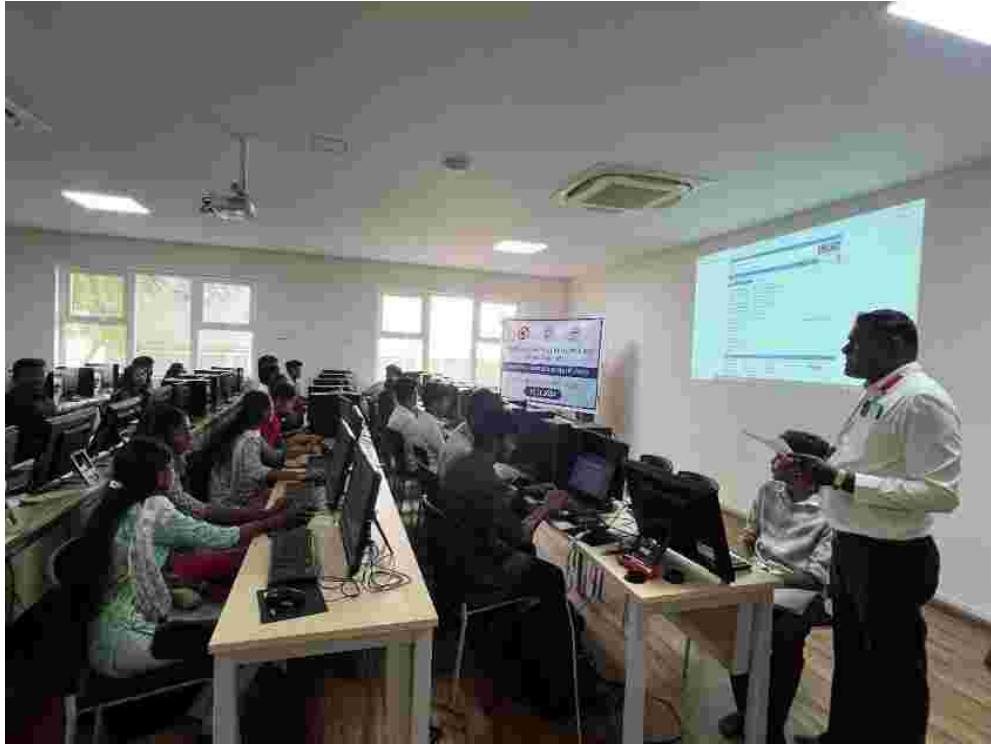

A significant number of participants attended the camp, and the event ran smoothly from start to finish. Volunteers actively guided each participant, ensuring they had the correct documents and that their applications were filled out properly. The collaborative effort between the volunteers and the officials ensured that the process was completed without delays or issues.

This camp not only made the passport application process easier but also provided participants with a better understanding of how to handle similar procedures in the future. The success of the event was marked by positive feedback from the participants, who appreciated the accessibility and organization of the camp.

The camp concluded successfully, with many participants completing the initial stages of their passport applications on the same day. Events like this continue to benefit the campus community by providing practical solutions to everyday needs.

Faculties In-Charge	: Dr.K.V.Hemalatha Dr.S.Nandakumar, Dr. E. Jayanthimani, Dr.P.Suresh.

The Event "**Constitution Day 2024**" was held on 26/11/2024 at the CIT Campus. This event was organized under the guidance of the faculties in charge: Dr. K.V. Hemalatha, Dr. S. Nandakumar, Dr. E. Jayanthimani, and Dr. P. Suresh. All the arrangements for the event were made by the NSS secretaries: Midhun Keshava Abimanyu M E, Subaharini V, Amirdhasudhan A, Agalya P, and Raswanth M.

The event was held offline and lasted for 40 minutes, with 50 participants taking part. As per the advice of Tamil Nadu CM MK Stalin, the event took place at 11:00 AM to mark the 75th Constitution Day of India. At the start of the event, all participants took the Pledge, which emphasizes the core values of the Indian Constitution — justice, liberty, equality, and fraternity.

The Pledge solemnly affirms our commitment to uphold the sovereignty, unity, and integrity of the nation, with a focus on social, economic, and political justice, liberty of thought and expression, and equality of status and opportunity for all.

The Pledge also calls for fraternity among citizens and recognizes the sacrifices of the freedom fighters who fought for India's independence.

It reminded the participants of their collective responsibility in maintaining the dignity and respect for the Constitution, working for the overall well-being of society, and contributing to the progress and prosperity of the nation.

The event served as a reflection on the significance of the Constitution of India and its role in shaping the values that continue to guide the nation. It reinforced the importance of preserving the diverse and harmonious heritage of India, aligning citizens' efforts with the foundational principles of the Constitution.

The event was successfully conducted, and its success is attributed to the combined efforts of the NSS team, the faculties in charge, and the enthusiastic participation of the students. The day was a meaningful reminder of the values enshrined in the Constitution, encouraging citizens to continue working towards the progress and unity of the country.

NSS In-Charges	: 1) Midhun Keshava Abimanyu M E (EEE) 71762103084 2) Subaharini V (EEE) - 71762103100 3) Amirdhasudhan A (CIVIL)- 71762101004 4) Agalya P (CIVIL)-71762101002 5) Raswanth M (ECE)-71762104090
Faculties In-Charge	: Dr.K.V.Hemalatha Dr.S.Nandakumar, Dr. E. Jayanthimani, Dr.P.Suresh.

The *Mathematical Science Festival* at Coimbatore Institute of Technology was successfully organized by the Mathematics Department in collaboration with the Tamil Nadu Science Forum and Kanithavaani Mathematical Science Society. The event aimed to foster a deeper appreciation of mathematics and its real-world applications. Dr. Ambat Vijayakumar, Emeritus Professor at Cochin University of Science and Technology, delivered the keynote address, emphasizing the interdisciplinary nature of mathematics.

The festival featured a variety of activities, including workshops on cryptography, mathematical modeling, and complex number visualization, which offered hands-on learning experiences. Participants also took part in problem-solving challenges and a math quiz, testing their knowledge of mathematical concepts.

The event had interactive exhibits showcasing mathematical models, puzzles, and student projects that highlighted the practical uses of mathematics in technology and daily life. A panel discussion focused on the role of mathematics in emerging technologies like artificial intelligence and data science, with students actively engaging with the experts. Cultural programs with a mathematical theme added creativity and fun to the event. The festival received positive feedback from participants, who appreciated the opportunity to interact with distinguished mathematicians and were eager for future editions. The event not only enhanced the participants' interest in mathematics but also provided a platform for networking and collaboration among students, educators, and experts in the field.

Dr. Ambat Vijayakumar captivated the audience with his address, emphasizing the importance of mathematics in bridging theoretical knowledge with practical applications. He shared insights into his research journey and inspired students to pursue advanced studies in mathematics.

Participants appreciated the interactive nature of the festival and the opportunity to engage with distinguished mathematicians. Many suggested making it an annual event to reach a wider audience.

COIMBATORE INSTITUTE OF TECHNOLOGY, COIMBATORE -641 014
(Government Aided Autonomous Institution Affiliated to ANNA University)
ACADEMIC YEAR: 2024-2025

REPORT

The State Level Workshop on Youth for Social Justice was conducted from 31st January to 2nd February 2025 at Dr. T.S. Avinashilingam Auditorium (Usha kirtilal Mehta Convention Centre), Bharathiar University, Coimbatore. This impactful two-day residential camp was organized by the Tamil Nadu State NSS Cell in collaboration with the Youth Welfare and Sports Development Department, the Directorate of Collegiate Education, Chennai, and the National Service Scheme (NSS), Bharathiar University. The primary objective of this workshop was to create awareness among NSS volunteers about social justice, strengthen their understanding of democratic values, and equip them to be socially responsible citizens who contribute to an equitable society.

The camp brought together more than 200 NSS volunteers from different colleges across Tamil Nadu, offering them a rare opportunity to interact, learn, and grow in a setting dedicated to civic engagement and social responsibility. The sessions were designed to be informative, participative, and reflective. Experts from various fields, including representatives from the Fact Check Unit (FCU), delivered lectures and interactive sessions on misinformation, digital media ethics, the role of youth in combating fake news, and the importance of truth in modern democracy. Alongside this, there were focused discussions on constitutional values, gender equality, rural development, and the inclusion of marginalized communities.

In addition to the educational content, the workshop also focused on personal and social development. Group activities encouraged team building, leadership, and critical thinking. Volunteers engaged in debates, roleplays, and panel discussions that allowed them to step into different social perspectives. Evening sessions featured cultural performances that celebrated diversity and fostered unity among students from varied cultural and regional backgrounds. The workshop provided a holistic experience, blending knowledge, culture, and responsibility.

The camp reinforced the National Service Scheme's core values—Not Me, But You—highlighting the importance of selfless service and social consciousness. It emphasized that youth participation is essential for a thriving democracy, as they represent not only the future but also the most dynamic part of society. By involving NSS volunteers in such thoughtfully curated programs, the organizers ensured that participants return to their communities as ambassadors of justice, equality, and active citizenship. The workshop concluded with the distribution of certificates, marking the successful completion of an enriching event and inspiring every attendee to contribute meaningfully toward building a just and inclusive society.

National Science Day

Expert/Speaker Details:

Name: Dr. D. Nataraj

Designation: Professor

Organization: Bharathiar University, Coimbatore, Tamilnadu

Brief about Expert/Speaker:

Dr. D. Nataraj is a Professor in the Department of Physics at Bharathiar University, Coimbatore. His research involves Solid State Physics, Materials Physics, and Materials Science. He is involved in research concerning sensor devices, with applications in healthcare, such as monitoring diabetics and lung cancer. He has been granted a patent for research on developing a selective sensor device for sensing acetone. He has also done research on Quantum Dots, Hot electron dynamics, and Materials for Solar Cells. He has collaborated with researchers from institutions like Pohang University of Science and Technology (POSTECH) in South Korea, and Hokkaido University in Japan. He is also the Deputy Director, Centre for Research and Technology Development.

Outcome of the activity:

Key Highlights:

To promote scientific temper among students.

To encourage innovation and creativity.

To provide a platform for students to showcase their scientific skills.

To create awareness of current scientific research.

Participant details:

Total no. of Student participation: 130

Total no. of Staff (Teaching/Non-teaching) participation: 20

Three to four Photographs/Screenshots that show the participation of students and Staffs(Teaching/Non-teaching)

REPORT

The *Viksit Bharat Youth Parliament* was conducted on March 7, 2025, at Coimbatore Institute of Technology under the National Service Scheme (NSS). Held in the Main Block, the event brought together enthusiastic student participants who engaged in vibrant discussions and debates on themes central to India's development. It aimed to create awareness among the youth about the importance of civic engagement and policymaking while fostering leadership and critical thinking skills. The session began with a welcome address followed by a keynote speech highlighting the role of youth in nation-building.

During the event, participants simulated a parliamentary setup and presented compelling viewpoints on various issues including climate change, digital inclusion, rural progress, and women empowerment. The structured debates encouraged respectful dialogue, active listening, and a deeper understanding of governance and constitutional principles. The interactive nature of the program made it both educational and empowering, providing students with an

opportunity to step into the shoes of policymakers and decision-makers.

Civic participation was a key theme of the event, emphasizing its role as the backbone of a thriving democracy. Engaging the youth in such platforms ensures a more informed, responsible, and proactive generation. It cultivates values like social responsibility, political awareness, and community leadership. The *Viksit Bharat Youth Parliament* not only inspired participants to contribute to the nation's progress but also served as a powerful reminder that an involved and aware youth is essential for building a developed and inclusive India.

VILLAGE SURVEY – 2025

Date	: 13/07/2025
Day	: Sunday
Mode	: Offline
Platform	: Pattatharasi Amman Temple, Dr.Ambedkar Nagar, Cheranma Nagar, Coimbatore, Tamil Nadu- 641051
Duration	: 09:00 AM – 04:00 PM
No. of participants	: 14

The Village Survey on 12th-grade school dropouts (2025) was organized by the National Service Scheme (NSS), Coimbatore Institute of Technology (CIT), on 13th July 2025 in selected residential areas near Pattatharasi Amman Temple, Dr. Ambedkar Nagar, and Cheranma Nagar, Coimbatore. The survey was conducted with the active participation of NSS volunteers under the guidance of faculty members, including Dr. P. Suresh. The initiative was undertaken to understand the educational challenges faced by students who discontinued their studies after higher secondary education and to identify possible ways to support them. The activity also aimed to create awareness about the importance of continuing education and career development opportunities among the local community. Refreshments were provided to the volunteers during the fieldwork to keep them motivated throughout the survey.

During the survey, NSS volunteers interacted with students and families to collect information regarding the reasons for dropping out and their present employment status. The findings indicated that financial difficulties, family responsibilities, health issues, and lack of awareness about educational opportunities were some of the major factors contributing to school dropouts. Many respondents were engaged in informal jobs, highlighting the need for guidance and skill development opportunities.

The survey also served as an awareness initiative, where volunteers informed respondents about government welfare schemes, vocational training programs, diploma courses, and other educational pathways. The interaction encouraged individuals to explore opportunities for further education and skill enhancement. The activity provided valuable exposure to NSS volunteers, helping them understand real-life social issues and strengthening their sense of responsibility towards community welfare. The successful conduct of the survey reflected the dedication of the NSS team and reinforced the values of service, empathy, and social commitment.

NSS MEMBERS SELECTION – 2025

Date	: 04/08/2025
Day	: Monday
Mode	: Online
Platform	: GMeet
Duration	: 05:30 PM - 08:30 PM
No. of participants	: 125
NSS In-Charges	: 1) Pradeep M (EEE) 2) Dharshini B (EEE) 3) Dhusitha S (ECE) 4) Vishul VS (EEE) 5) Annabalaji N (CIVIL)

The NSS Member Selection Interview for the academic year 2025–2026 was conducted on 05.08.2025 (Tuesday) through Google Meet from 5:30 p.m. to 8:30 p.m. The objective of the programme was to select enthusiastic and dedicated students who could actively contribute to the activities of the National Service Scheme (NSS). A total of 90 students participated in the selection process. The interviews were conducted batch-wise, with three students attending each session.

During the interview, students were asked questions related to the NSS motto, objectives, and activities. Discussions were held on various topics such as events that could be organized through NSS, ways to increase student participation, methods to expand volunteer involvement, and techniques for handling responsibilities and pressure while organizing programmes. Candidates were also encouraged to share their ideas and suggestions for improving NSS activities.

Questions related to the roles chosen by the candidates were asked to assess their suitability and leadership potential. The interview process was conducted successfully and helped identify committed volunteers who would contribute effectively to NSS activities during the academic year 2025–2026. The interview panel further discussed topics such as handling responsibilities and pressure while managing NSS activities, strategies to strengthen and expand the volunteer base, and methods to ensure active involvement of students in various service programmes. Questions related to the specific roles chosen by the candidates were also asked to assess their suitability, understanding, and willingness to take up responsibilities within the organization. Students were encouraged to present innovative ideas for future NSS initiatives and community outreach programmes. The interaction provided an opportunity for the panel to evaluate the candidates' enthusiasm, commitment, and readiness to serve society through NSS activities.

Overall, the NSS Member Selection Interview was conducted successfully with active participation from the students. The programme played a vital role in selecting committed volunteers and future leaders who would contribute to the effective functioning and growth of NSS during the academic year 2025–2026. The interview process also helped identify students with strong leadership qualities, teamwork skills, and a genuine interest in community service. The selected members are expected to actively participate in various NSS activities, awareness programmes, social initiatives, and community development projects. The event marked an important step in strengthening the NSS unit and preparing a dedicated team of volunteers for the upcoming academic year.

Furthermore, the interview process provided an opportunity for students to express their interests, strengths, and motivation for joining NSS. The panel evaluated the candidates based on their communication skills, confidence, problem-solving abilities, teamwork, social awareness, and commitment towards community service. Students shared their previous volunteering experiences, leadership qualities, and ideas for organizing impactful service activities. The interaction helped the interview panel gain a better understanding of each candidate's potential and dedication towards the objectives of NSS. The selection process was carried out in a fair and systematic manner, ensuring that deserving and passionate students were identified to become active members of the NSS unit and contribute meaningfully to future programmes and community development initiatives.

The Ayurvedic Medical Camp - 2025 was successfully conducted on 12th August 2025 (Tuesday) from 9:00 AM to 12:30 PM at the Auditorium. The event witnessed the active participation of around 30 students and staff members and was organized with the objective of promoting awareness about traditional healthcare practices and the benefits of Ayurveda. A team of experienced professionals from an Ayurvedic hospital visited the institution to conduct the medical camp. The programme began with an informative introduction to Ayurveda, explaining its origin, principles, and significance in maintaining a healthy and balanced lifestyle.

The experts highlighted the importance and benefits of Ayurveda, emphasizing its natural healing techniques and holistic approach. They explained how Ayurvedic practices focus on prevention rather than cure, using herbal medicines, proper diet, and lifestyle changes to improve overall well-being.

During the session, the medical team interacted with students and staff, providing valuable insights into common health issues and suggesting suitable Ayurvedic remedies. The participants showed great interest in understanding traditional medicine and its relevance in modern life. As part of the camp, a variety of Ayurvedic medicines and health products were displayed and made available. Many students and staff members actively purchased these products, reflecting their interest in adopting natural and safe healthcare alternatives.

The programme created significant awareness about the effectiveness of Ayurveda and encouraged participants to incorporate its principles into their daily lives. The interactive nature of the session helped in better understanding and engagement. Overall, the Ayurvedic Medical Camp proved to be a highly informative and beneficial initiative. The enthusiastic participation of students and staff contributed to the success of the programme, highlighting the importance of health awareness and the role of NSS in promoting community well-being.

YOUTH VOTER INCLUSION PROGRAMME - 2025

Date	: 01/09/2025 – 04/09/2025
Day	: Monday - Thursday
Mode	: Offline
Venue	: IT - 444
Duration	: 04:00 PM - 05:45 PM
No. of participants	: 45
No. of Applicants	: 200
NSS In-Charges	: 1) Pradeep M (EEE) 2) Dharshini B (EEE) 3) Dhusitha S (ECE) 4) Vishul VS (EEE) 5) Annabalaji N (CIVIL)
NSS Faculty In-Charges	: 1) Dr.S.Selvam 2) Dr. S.Nandakumar 3) Dr.K.V.Hemalatha 4) Dr.P Suresh 5) Dr. K.Muralidharan

The Youth Voter Inclusion Programme was organized at Coimbatore Institute of Technology and conducted over a period of four days (01/09/2025 – 04/09/2025). The camp was arranged with the objective of spreading awareness about the importance of voting and to facilitate the application process for new voter IDs. A large number of students and volunteers actively participated in the camp by applying and assisting with the registration process. To ensure smooth functioning, volunteers were assigned specific responsibilities each day, including guiding applicants, document verification support, and maintaining discipline during the sessions.

The staff advisors Dr.S.Nandakumar, Dr.K.V.Hemalatha, Dr.P Suresh also visited the camp regularly to oversee and ensure its smooth conduct. Their guidance motivated the volunteers and helped maintain proper organization throughout the event.

The camp served as an important step in encouraging students to register as responsible citizens and to participate actively in the democratic process. The success of the event is credited to the combined efforts of the staff advisors, organizing team, and the enthusiastic participation of the volunteers and students. The Youth Voter Inclusion Programme was successfully conducted, fulfilling its objective of assisting students in enrolling as voters. It not only streamlined the application process but also instilled awareness about civic responsibility. The event stood as a reminder of the power of individual participation in strengthening democracy.

The Blood Donation Camp was organized on 10.09.2025 (Wednesday) at the Auditorium, Coimbatore Institute of Technology, from 9:00 a.m. to 4:00 p.m. The programme was conducted with the objective of promoting voluntary blood donation and creating awareness among students about the importance of donating blood to save lives. A total of 68 participants took part in the camp, with around 50 volunteers donating blood.

The camp received an enthusiastic response from the students. NSS volunteers played a vital role in ensuring the smooth conduct of the event by assisting with registration, guiding donors through the donation process, and coordinating various arrangements throughout the programme. Their dedication and teamwork contributed significantly to the success of the camp.

The programme was conducted with the support of the medical team from ESI Hospital, Singanallur, who handled all medical procedures and ensured the safety and well-being of the donors. The NSS Faculty In-Charges, Dr. S. Nandakumar, Dr. K. V. Hemalatha, and Dr. P. Suresh, visited the camp, monitored the arrangements, and encouraged both the volunteers and donors. Overall, the Blood Donation Camp was conducted successfully and reflected the spirit of service, social responsibility, and compassion among the students. The event not only facilitated blood donation but also created awareness about the importance of contributing towards the welfare of society.

Mind Mosaic – SVEEP Awareness Programme 2025-under the guidance of the District Election Office, Coimbatore, the National Service Scheme (NSS) Unit of Coimbatore Institute of Technology (CIT) organized “Mind Mosaic”, an awareness initiative under SVEEP (Systematic Voters’ Education and Electoral Participation) on 11th September 2025. The programme was conducted in offline mode at the CIT campus, with active participation from students and NSS volunteers, in the presence of faculty in-charges who guided and supervised the event.

The programme was organized with the primary objective of creating awareness among young citizens about the importance of voter registration and active participation in the democratic process. As India’s youth form a significant part of the electorate, the initiative aimed to instill a sense of civic responsibility and encourage informed and ethical voting practices from an early age.

As part of the event, Essay Writing and Drawing Competitions were conducted on the themes “I am 17, Ready to Register and Ready to Vote” and “India I Dream, as a Young Voter.” These competitions provided a creative platform for students to express their thoughts, aspirations, and perspectives on democracy, governance, and the role of youth in shaping the future of the nation. Participants showcased remarkable creativity and awareness through their entries, highlighting the significance of every vote in strengthening democratic values. The activities encouraged students to reflect on their responsibilities as future voters and emphasized the power of informed decision-making in nation-building.

The presence of faculty in-charges ensured the smooth conduct of the programme and motivated students to actively engage in the event. The initiative successfully conveyed the message that voting is not just a right, but a responsibility, and that youth participation is vital for a strong and inclusive democracy. The Mind Mosaic – SVEEP Awareness Programme proved to be an impactful initiative in sensitizing students about electoral participation and democratic ethics. The event reflected the commitment of the NSS Unit of CIT towards promoting civic awareness and social responsibility in alignment with the objectives of the Systematic Voters’ Education and Electoral Participation programme.

Volunteering Service at CISKA Marathon – 2025: The CIT Athletics Association organized the CISKA Marathon on 21st September 2025, and the National Service Scheme (NSS) Unit of Coimbatore Institute of Technology (CIT) actively volunteered to support the smooth conduct of the event. The marathon was organized with great enthusiasm, and NSS volunteers played a vital role in coordination and participant support throughout the event.

The primary objective of NSS participation was to assist in event management, promote teamwork, and extend service-oriented support to athletes and organizers. The volunteers demonstrated responsibility, discipline, and commitment while carrying out their assigned duties. They were stationed at various checkpoints and refreshment counters to assist participants and ensure the smooth flow of the marathon.

NSS volunteers were involved in distributing water bottles, guiding runners along the designated routes, managing distance checkpoints, handling badges, writing certificates, and providing refreshments. Their active involvement ensured that participants received timely assistance and encouragement throughout the event. The volunteers remained energetic and dedicated, contributing significantly to maintaining order and ensuring the smooth progress of the marathon. As a token of appreciation for their service, a memento was presented to NSS CIT by the organizers, acknowledging the sincere efforts and commitment of the volunteers.

The volunteering experience provided NSS students with an opportunity to develop leadership, teamwork, and community service skills. The successful participation of NSS CIT in the CISKA Marathon reflected the core values of the National Service Scheme—selfless service, cooperation, and social responsibility—and strengthened the spirit of volunteering among the students.

Arts Club Volunteering Activity for painting/drawing– 2025:as part of the preparatory activities for the visit to Ashraya Rehabilitation Centre, the National Service Scheme (NSS) Unit of Coimbatore Institute of Technology (CIT), in collaboration with the Arts Club, conducted a creative volunteering activity on 24th September 2025 at the Coimbatore Institute of Technology (CIT) campus. This initiative was organized in advance to support the outreach programme scheduled at Ashraya Rehabilitation Centre on 29th September 2025.

The primary objective of this activity was to create meaningful and uplifting drawings and paintings for the residents of the rehabilitation center. The initiative aimed to use art as a medium to spread positivity, encouragement, and emotional warmth, while also promoting creativity with a sense of social responsibility among students.

During the activity, NSS volunteers and Arts Club members created the drawings within the CIT campus, working collaboratively to produce colorful and expressive artworks. The drawings reflected themes such as nature, happiness, hope, kindness, and togetherness, and were designed to bring joy and positivity to the residents of the centre. The artworks prepared during this session at CIT were later carried to Ashraya Rehabilitation Centre during the visit conducted on 29th September 2025, where they were shared with the residents as part of the interaction and engagement activities.

The preparatory Arts Club volunteering activity provided a meaningful experience for the volunteers by allowing them to combine artistic expression with community service. The successful completion of this initiative highlighted the dedication of the NSS Unit and Arts Club of CIT and reinforced the core values of the National Service Scheme - empathy, creativity, and selfless service. The completed artworks were carefully preserved and organized for presentation during the outreach visit. The drawings added a personal and creative touch to the programme, helping to create a welcoming and cheerful atmosphere for the residents. Through this activity, students were able to express their compassion and concern through art. The initiative successfully combined creativity with community service, reflecting the true spirit of NSS volunteering.

The “Kalviyil Sirantha Tamil Nadu” (Tamil Nadu Excels in Education) event was held as a grand state-level function on 25th September 2025 at the Nehru Indoor Stadium, Chennai, celebrating Tamil Nadu’s remarkable achievements in the field of education. The programme highlighted the state government’s continuous efforts toward educational reform, inclusivity, and student welfare, marking a significant milestone in the state’s educational development. The event was widely followed not only by attendees at the venue but also by students across the state through online platforms.

The event was presided over by the Hon’ble Chief Minister of Tamil Nadu, Thiru M.K.Stalin, with the Hon’ble Deputy Chief Minister Thiru Udhayanidhi Stalin and the Hon’ble Chief Minister of Telangana, Thiru A. Revanth Reddy, participating as special guests. The programme aimed to showcase Tamil Nadu’s educational renaissance and promote key student-centric welfare schemes.

A large number of students, including students of Coimbatore Institute of Technology (CIT), watched the programme online, enabling wider participation and outreach beyond the physical venue. During the event, major educational initiatives for the 2025–26 academic year were highlighted and formally rolled out, including the Pudhumai Penn and Tamil Pudhalvan schemes. Flagship programmes such as Naan Mudhalvan were emphasized, with updates on skill development and placement achievements, including success stories of students securing international employment opportunities. The Chief Minister’s Breakfast Scheme was reiterated as a vital initiative supporting the health, attendance, and learning outcomes of government school students.

Student testimonials formed an impactful segment of the programme, with students sharing how government schemes supported their educational journeys. Notably, a medical student, Manivasagam, credited state support for his progression from a government school to medical college. The programme also featured inter-state perspectives, with the Telangana Chief Minister praising Tamil Nadu’s education model as a benchmark for other states. The event was live-streamed through the TN-DIPR YouTube channel, and official announcements continue to be available through government portals. The programme concluded by highlighting upcoming educational initiatives, including the International Conference on Higher Education Trends scheduled for 10th January 2026 in Chennai, reinforcing the government’s long-term vision for educational excellence.

Visit to Ashraya Rehabilitation Centre – 2025: the National Service Scheme (NSS) Unit of Coimbatore Institute of Technology (CIT) organized a visit to Ashraya Rehabilitation Centre, Coimbatore, on 29th September 2025, in offline mode. NSS volunteers actively participated in the programme under the guidance and supervision of faculty in-charges, with the aim of spreading joy, compassion, and social inclusivity among the residents of the rehabilitation centre.

The objective of the visit was to engage with the residents through creative and interactive activities, promote emotional well-being, and encourage meaningful social interaction. The programme also sought to sensitize NSS volunteers towards the importance of empathy, kindness, and service to marginalized and differently abled individuals. The visit was planned to create a supportive and encouraging environment where residents could feel connected and appreciated. It also provided volunteers with an opportunity to learn valuable life lessons about inclusivity, resilience, and human dignity.

As part of the initiative, NSS volunteers collaborated with the Arts Club and provided creative artworks and handmade wearable crafts to the residents of Ashraya Rehabilitation Centre. These activities enabled residents to express themselves creatively and feel valued and appreciated. Volunteers also drew vibrant illustrations on the boards, adding color and positivity to the surroundings. The volunteers actively interacted with the residents while engaging in the creative activities, encouraging participation and boosting their confidence. The handmade crafts and artworks served as meaningful tokens of care and affection from the students. These activities helped create a warm and friendly atmosphere throughout the visit.

In addition to creative activities, the volunteers distributed sweets and organized dance performances and fun games, creating an atmosphere filled with laughter, joy, and togetherness. The interactive sessions helped strengthen bonds between the volunteers and residents, making the visit emotionally enriching for everyone involved. The residents actively participated in the activities and responded with enthusiasm, which made the programme deeply rewarding. The visit provided NSS volunteers with a valuable opportunity to understand the importance of social responsibility and the impact of small acts of kindness.

The visit to Ashraya Rehabilitation Centre was a heartfelt and memorable experience that reflected the core values of the National Service Scheme - compassion, selfless service, and community engagement. The successful conduct of the programme highlighted the dedication of the NSS volunteers and faculty members in spreading happiness and fostering social harmony through service and creativity. The programme also reinforced the significance of extending care and support to individuals in rehabilitation through meaningful interaction and companionship. The positive response from the residents made the visit a fulfilling experience and inspired the volunteers to continue participating in similar service-oriented initiatives in the future.

School Students' Exposure Visit to Coimbatore Institute of Technology – 2025:the National Service Scheme (NSS) Unit of Coimbatore Institute of Technology (CIT) organized and supported an educational exposure visit for school students on 09th October 2025 at the CIT campus. The programme was conducted in offline mode, with the active involvement of NSS volunteers and under the guidance of faculty members, with the objective of familiarizing school students with the academic environment and facilities of a higher educational institution.

The primary aim of the visit was to motivate school students towards higher education by providing them with first-hand exposure to college-level infrastructure, laboratories, and learning resources. The programme was designed to broaden their understanding of various academic disciplines and encourage curiosity and interest in science, technology, and engineering.

During the visit, the students were taken on a guided tour of the CIT campus, where they were introduced to several facilities, including academic blocks, classrooms, libraries, and research spaces. Special emphasis was given to laboratory visits, where students were shown various Physics, Chemistry, and other departmental laboratories. The functioning of the laboratories, the equipment used, and their practical applications were explained in a simple and engaging manner by faculty members and volunteers, helping students relate theoretical concepts to real-world applications.

In addition to the laboratory visits, the students were addressed in the college auditorium, where they received an overview of the institution, its academic programs, facilities, and opportunities available for students pursuing higher education at CIT. The session helped clarify students' doubts and provided valuable guidance regarding academic pathways, career options, and the importance of continuous learning. The interaction sessions were informative and engaging, and the students actively participated by asking questions and expressing their interest in various fields of study. The visit created a positive impression of higher education and inspired students to aim higher in their academic journey.

The school students' visit to Coimbatore Institute of Technology proved to be a meaningful outreach activity that aligned with the objectives of the National Service Scheme. The programme successfully promoted educational awareness, motivation, and social responsibility, while also offering NSS volunteers an opportunity to contribute towards shaping young minds through guidance and support.

The Unity Day Awareness Programme was observed at our institute on 31.10.2025 with the aim of reinforcing the values of national unity, integrity, and social harmony among students, faculty, and staff members. The programme was organized by the National Service Scheme (NSS) and focused on creating awareness about the importance of unity in a diverse society like India. The observance highlighted the need for collective responsibility in maintaining peace, equality, and mutual respect across all sections of society.

As part of the programme, a Unity Day pledge was administered in all the classrooms of the institute, ensuring maximum participation from students of every department and year. Through the pledge, participants reaffirmed their commitment to uphold the principles of unity, brotherhood, and national integrity, and to work towards eliminating discrimination based on caste, religion, language, gender, or region. The pledge activity helped in still a strong sense of patriotism and civic responsibility among the students.

In continuation of the awareness activities, a Unity Day rally was organized within the institute campus. NSS volunteers actively participated in the rally, carrying placards and banners that promoted unity, peace, and social harmony. The rally conveyed the importance of togetherness and national integration while encouraging students to reflect on their role in addressing social challenges and contributing to national development. The enthusiastic participation of students and the disciplined conduct of the rally reflected the success of the programme and the commitment of NSS volunteers towards fostering national spirit and social cohesion.

The World AIDS Day awareness programme was organized on 01/12/2025 by the NSS unit. The event was conducted with the objective of spreading awareness about HIV/AIDS, promoting correct information, and encouraging a stigma-free and inclusive society. As part of the programme, NSS volunteers participated in a Human Red Ribbon Formation, wearing a common dress code to symbolize unity, awareness, and collective responsibility in the global fight against HIV/AIDS. The formation visually represented solidarity and support for individuals affected by HIV/AIDS.

The volunteers also took a pledge to spread awareness, break myths, and stand against discrimination related to HIV/AIDS. This reaffirmed their commitment to educating society and fostering empathy. The programme served as a meaningful step in sensitizing students to public health issues and social responsibility. The successful conduct of the event reflected the dedication of NSS volunteers in promoting awareness and social inclusivity.

The programme also provided an opportunity for students to understand the importance of compassion and support towards individuals living with HIV/AIDS. Through active participation in the awareness activities, volunteers emphasized the need to eliminate social stigma and promote acceptance within communities. The event encouraged students to become responsible ambassadors of awareness and contribute towards building a more informed and inclusive society. This collective effort strengthened the message of equality, dignity, and respect for all individuals.

The Unity Day Awareness Programme was observed at our institute on 31.10.2025 with the aim of reinforcing the values of national unity, integrity, and social harmony among students, faculty, and staff members. The programme was organized by the National Service Scheme (NSS) and focused on creating awareness about the importance of unity in a diverse society like India. The NSS Volunteering at Alumni Meet was successfully carried out at MBCH on 06.12.2025 with the objective of supporting the smooth organization and effective execution of the alumni meet. The programme aimed to strengthen the relationship between alumni and the institution while providing NSS volunteers with an opportunity to contribute meaningfully to an important institutional event. The activity reflected the core values of the National Service Scheme, including service, discipline, teamwork, and social responsibility.

Prior to the event, NSS volunteers assisted in venue preparation, registration arrangements, and logistical coordination. They were briefed about their responsibilities and actively supported the organizing committee in ensuring the readiness of the venue. On the day of the event, volunteers welcomed alumni, assisted with registration procedures, guided attendees within the premises, and provided information regarding the programme schedule, creating a comfortable and welcoming atmosphere.

During the various sessions, NSS volunteers coordinated with faculty members and organizers to maintain discipline, manage attendee movement, and ensure the smooth conduct of the programme. They also assisted with seating arrangements, technical and logistical requirements, cultural programmes, and interaction sessions. Their proactive approach, effective communication, and cooperative attitude contributed significantly to the successful execution of the event.

The volunteering experience provided students with valuable exposure to event management and helped them develop leadership, teamwork, communication, and problem-solving skills. Interaction with alumni offered insights into professional growth and reinforced the importance of maintaining a lifelong connection with the institution. Overall, the programme was conducted successfully, highlighting the dedication, coordination, and service-oriented mindset of the NSS volunteers while fostering a strong sense of community and institutional pride.

The Crowd Management by NSS Volunteers activity was carried out during the Dramatix Club event “DX Kacheri” at Coimbatore Institute of Technology (CIT) on 16/12/2025 (Tuesday) in offline mode from 4:00 PM to 6:00 PM, with the active participation of 25 NSS volunteers. The event was conducted in an open ground, and the primary objective of the NSS volunteers was to regulate crowd movement, ensure public safety, and support the smooth flow of the programme.

Volunteers were strategically positioned around the perimeter of the ground, near the stage area, entry and exit pathways, and common movement zones to prevent overcrowding and ensure unobstructed visibility and access. They actively guided the audience to maintain safe distances near the performance area and restricted unnecessary crowding close to the stage. The NSS volunteers coordinated closely with the Dramatix Club organizers and event coordinators to manage sudden crowd surges during high-energy performances.

The volunteers remained alert throughout the event, ensured that emergency access routes were kept clear, assisted attendees in case of confusion, and promptly addressed minor issues to avoid disruption. They maintained discipline through calm communication and responsible supervision, contributing to a safe and orderly environment. This activity enhanced the volunteers' skills in leadership, teamwork, situational awareness, and crisis management. Overall, the successful execution of crowd management during "DX Kacheri" highlighted the dedication, coordination, and social responsibility of the NSS volunteers and played a significant role in the smooth and peaceful conduct of the event.

STRAY DOGS AWARENESS PROGRAMME - 2025

Date	: 17/12/2025
Day	: Wednesday
Mode	: Offline
Venue	: M-234
Duration	: 04:00 PM – 05:00 PM
No. of participants	: 40
NSS In-Charges	: 1) Pradeep M (EEE) 2) Dharshini B (EEE) 3) Dhusitha S (ECE) 4) Vishul VS (EEE) 5) Annabalaji N (CIVIL)
NSS Faculty In-Charges	: 1) Dr.S.Selvam 2) Dr. S.Nandakumar 3) Dr.K.V.Hemalatha 4) Dr.P Suresh 5) Dr. K.Muralidharan

The Stray Dogs Awareness Programme – 2025 was organized by the National Service Scheme (NSS) at Coimbatore Institute of Technology (CIT) on 17/12/2025 (Wednesday) in an offline mode at the CIT campus from 4:00 PM to 5:00 PM, with the active participation of 40 students and NSS volunteers. The programme was conducted with the objective of creating awareness about stray dog welfare, public safety, and promoting a humane and compassionate attitude towards stray animals among students and the campus community.

The increasing presence of stray dogs in public spaces often leads to fear, misunderstandings, and safety concerns due to lack of proper awareness. Keeping this in mind, the NSS unit organized this programme to educate participants on responsible behavior towards stray dogs and to reduce incidents of harm caused to both humans and animals. The event aimed to spread correct information, break common myths, and encourage peaceful coexistence between humans and stray dogs.

A doctor (veterinarian) was invited as the resource person for the programme and delivered a detailed and informative session on stray dog behavior and animal welfare. The doctor explained how stray dogs usually react based on human actions and environmental factors, helping participants understand that most dogs are non-aggressive unless threatened or mistreated. The session emphasized the importance of patience, calm behavior, and kindness while dealing with stray animals.

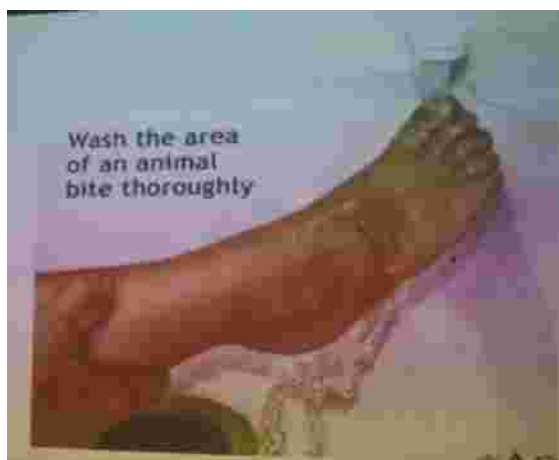

The resource person highlighted the importance of vaccination and sterilization as effective and humane methods to control the stray dog population and prevent the spread of rabies. The doctor clearly explained how vaccination protects both animals and the community, while sterilization helps reduce aggressive behavior and uncontrolled breeding, thereby contributing to a safer environment. The programme also focused on educating participants about the do's and don'ts while interacting with stray dogs, including avoiding sudden movements, not disturbing dogs while they are feeding or resting, and maintaining a safe distance when necessary. Practical guidance was also provided on how to respond safely if a stray dog approaches, helping participants overcome fear and avoid panic-driven reactions.

In addition, the doctor explained the first aid measures to be followed in case of dog bites, stressing the importance of immediate wound washing, seeking medical attention, and completing anti-rabies vaccination. The session helped clear misconceptions related to dog bites and reinforced the need for scientific and timely medical care instead of believing in myths or traditional practices.

An interactive question-and-answer session was conducted, during which participants actively engaged with the resource person by sharing their concerns and experiences related to stray dogs on campus and in nearby residential areas. The doctor addressed these questions patiently and encouraged students to report injured or sick stray dogs to animal welfare organizations rather than ignoring or harming them.

The programme played a significant role in sensitizing students about animal welfare and social responsibility. It helped develop empathy, awareness, and a sense of duty among participants towards stray animals. The successful conduct of the event reflected the dedication and coordinated efforts of the NSS volunteers, who actively contributed to promoting awareness, compassion, and social inclusivity in line with the values of the National Service Scheme.

The Crowd Management by NSS Volunteers activity was effectively carried out by the National Service Scheme (NSS) during a Music Club event conducted at Coimbatore Institute of Technology (CIT) on 22/12/2025 (Monday) in offline mode from 4:00 PM to 6:00 PM, with the active participation of 10 NSS volunteers. The primary objective of the activity was to ensure the safety, discipline, and smooth movement of the crowd throughout the event. NSS volunteers were strategically positioned at entry and exit points, seating areas, corridors, and near the stage to regulate crowd flow and prevent overcrowding. They coordinated closely with the music club organizers and event coordinators to manage transitions between performances without disturbance. The volunteers ensured proper queue management at the entrance, allowing attendees to enter in an orderly manner without confusion. They actively monitored crowd density and guided participants to available seating spaces to avoid congestion. Volunteers also played a key role in maintaining silence and decorum during performances.

In addition, volunteers supported backstage coordination by managing the movement of performers and ensuring smooth transitions between events. They strictly followed all safety protocols and ensured that emergency pathways remained clear at all times. In case of any unexpected crowd surge, the volunteers handled the situation calmly and effectively without creating panic. They handled the crowd patiently and responsibly, responding promptly to minor issues and ensuring a peaceful environment throughout the event. The volunteers also assisted attendees by providing directions and clarifying event-related information whenever required. Their proactive approach and courteous behavior helped create a comfortable and well-organized experience for all participants.

The activity helped the volunteers develop essential skills such as leadership, teamwork, communication, time management, and crisis handling. It also strengthened their confidence and ability to work under pressure in real-time situations. Overall, the successful execution of the crowd management duty highlighted the discipline, commitment, and social responsibility of the NSS volunteers and contributed significantly to the smooth and orderly conduct of the Music Club event. The volunteers actively contributed to promoting awareness, compassion, and social inclusivity in line with the core values of the National Service Scheme.

Pongal Frames – An Online Photography Competition (2026) – The National Service Scheme (NSS) Unit of Coimbatore Institute of Technology (CIT) organized “Pongal Frames,” an online photography competition, from 14th January 2026 to 17th January 2026. The competition was conducted to celebrate the traditions and festive spirit of Pongal through photography. The event encouraged students to capture and share festival moments from their homes and surroundings, showcasing the rich heritage and cultural values of Tamil Nadu.

The competition was conducted with different themes assigned for each day of the festival. The themes included Bhogi and Kolam (14.01.2026), Pongal (15.01.2026), Mattu Pongal (16.01.2026), and Farmer (17.01.2026). Participants submitted photographs showcasing traditional practices such as Pongal preparation, decorative kolams, sugarcane arrangements, fruits, and festive decorations. The photographs reflected authentic celebrations from various households, highlighting cultural traditions and expressions of gratitude and joy.

Special emphasis was seen in the Mattu Pongal entries, where students captured beautifully decorated cattle lined up with kumkum and thiruneer (sacred white ash) applied on their heads, symbolizing respect and gratitude towards animals in agrarian culture. The photographs portrayed cows adorned with decorations and ornaments, highlighting the deep cultural connection between farmers, livestock, and nature. Rangoli designs created during Bhogi and Pongal were vibrant and artistic, effectively representing the festive mood and traditional aesthetics associated with the harvest festival. The competition witnessed active participation from college students and NSS volunteers, who demonstrated creativity, cultural awareness, and artistic skill through their submissions. The photographs were shared on online platforms, allowing a wider audience to engage with and appreciate the traditions of Pongal.

“Pongal Frames” served as a meaningful initiative to document and celebrate tradition through the lens, proving that digital platforms can effectively be used to preserve and showcase cultural heritage. The successful conduct of the online competition reflected the dedication of the NSS Unit of CIT in promoting cultural values, creativity, and student engagement through innovative and inclusive activities.

The National Service Scheme (NSS) Unit of Coimbatore Institute of Technology organized a Four-Day School Camp – 2026 with volunteers from the First Year NSS Units, along with students from various departments and academic year. The camp was conducted with the noble objective of serving rural schools, improving their infrastructure, and contributing to the holistic development of school children, aiming to instill values of leadership, teamwork, and social responsibility among volunteers through hands-on community service.

The camp was carried out in four Government Panchayat Union Schools located in and around Coimbatore. Throughout the program, NSS Faculty Advisors actively guided and supported the volunteers, ensuring proper planning, coordination, and execution of activities. Their continuous mentorship helped maintain discipline and ensured that all activities were carried out effectively, benefiting both school students and volunteers in a meaningful way.

Schools Covered During the Camp:

1. Government Panchayat Union Middle School, Vellanaipatty, Coimbatore
2. Government Panchayat Union Primary School, Andakapalayam, Coimbatore
3. Government Panchayat Union Primary School, Kaikolapalayam, Coimbatore
4. Government Panchayat Union Primary School, Serayampalayam, Coimbatore

On Day 1, the NSS volunteers visited the schools and interacted with the headmasters and teaching staff to understand the requirements and existing challenges faced by the institutions. Based on these discussions, activities were planned in a structured manner. Volunteers engaged actively with students through basic concept teaching sessions, storytelling, and interactive learning games to create a friendly and encouraging classroom environment. Blackboard painting and classroom enhancement activities were initiated to improve the visual appeal of learning spaces. Volunteers also guided students in preparing for cultural activities such as dance practices for annual day celebrations. In addition, plantation work and watering of saplings were carried out to promote environmental awareness and encourage students to maintain greenery within the campus.

On Day 2, the focus shifted towards infrastructure improvement and campus beautification. NSS volunteers carried out thorough cleaning of classrooms, corridors, and surrounding school premises, ensuring a hygienic and welcoming environment for students. Wall painting and compound beautification activities were undertaken, transforming dull spaces into colorful and motivational learning areas. Blackboard restoration work was completed to improve teaching effectiveness. Volunteers also prepared handmade greeting cards for school events, encouraging creativity among both volunteers and students. Interactive sessions, including games and group discussions, were conducted to improve student participation, communication skills, and confidence. Volunteers also engaged with local community members.

On Day 3, the camp continued with creative and developmental activities aimed at enhancing both infrastructure and student engagement. Cleaning activities were further extended to maintain overall campus hygiene. Volunteers worked on wall drawings, sketches, and colorful paintings that carried motivational messages and educational themes, making the school environment more inspiring. Sapling plantation was actively carried out, reinforcing the importance of environmental conservation among students. NSS volunteers also assisted school children with stage preparations, including makeup guidance and coordination for annual day performances. Various fun-filled competitions and group activities were conducted to promote teamwork, creativity, and active participation among students, making learning more enjoyable and engaging.

On Day 4, the final day of the camp was conducted in a celebratory and rewarding manner. Competitions were organized for school students to showcase their talents in academics, arts, and extracurricular activities. Winners were recognized and honored with prizes, medals, and certificates distributed by the Student Advisor and Dean, which greatly motivated the students. Volunteers continued with final touch-up activities such as wall coloring, decoration, and campus beautification to leave a lasting positive impact on the school environment. Interactive closing sessions were conducted where students and volunteers shared their experiences and learnings from the camp. The day concluded with group photographs and documentation of before-and-after improvements, capturing the transformation achieved during the program.

Overall, the Four-Day School Camp – 2026 created a meaningful and lasting impact on both the rural school communities and the NSS volunteers. The schools benefited from improved infrastructure, cleaner surroundings, and a more vibrant and student-friendly environment that encouraged learning and creativity. The school children gained confidence, motivation, and exposure to new learning experiences beyond their regular curriculum. For the NSS volunteers, the camp served as a powerful platform to develop leadership qualities, teamwork, communication skills, and a deep sense of empathy and social responsibility. The program successfully fulfilled its objective of community service while strengthening the spirit of NSS ideals among students.

The Cyber Shield awareness programme was conducted on 02.03.2026 (Monday) at M-234, Coimbatore Institute of Technology (CIT), from 4:30 p.m. to 5:30 p.m. The session was organized to educate students about cybersecurity and mobile safety practices in the digital age. A total of 60 first-year students participated in the programme. The session aimed to create awareness about common cyber threats and provide practical measures to protect personal devices and digital information.

During the event, several important cybersecurity concerns related to mobile phone safety were discussed. The speakers explained that when a mobile phone is lost or stolen, it is often switched off immediately and the SIM card removed, making tracking difficult. They highlighted the risks of unauthorized access to personal accounts, OTPs, and sensitive information, emphasizing the need for preventive security measures.

Students were guided on enabling features such as password protection before powering off the phone, SIM card locking, and secure PIN settings to prevent misuse. The session also explained the importance of Two-Factor Authentication (2FA) for applications like WhatsApp, Instagram, and Gmail, along with App Pinning to protect personal information while sharing devices. The speakers also emphasized the importance of saving the IMEI number and mobile purchase details for recovery in case of theft.

Overall, the Cyber Shield program successfully created awareness among students about the importance of protecting their devices and personal information. The session encouraged participants to adopt simple yet effective cybersecurity practices to safeguard themselves from digital threats and misuse of their mobile devices.

The Crowd Management by NSS Volunteers activity was carried out during the Dramatix Club Valediction at Coimbatore Institute of Technology (CIT) on 17/03/2026 (Tuesday) from 5:00 PM to 7:00 PM, with the active participation of 25 NSS volunteers. The event was conducted in auditorium, and the primary objective of the NSS volunteers was to regulate crowd movement, ensure public safety and support the smooth flow of the programme.

Volunteers were strategically positioned around the perimeter of the auditorium, and near the stage area, entry and exit pathways, and common movement zones to prevent overcrowding and ensure unobstructed visibility and access. They actively guided the audience to maintain safe distances near the performance area and restricted unnecessary crowding close to the stage. The NSS volunteers coordinated closely with the Dramatix Club organizers and event coordinators to manage sudden crowd surges during high-energy performances.

The volunteers remained alert throughout the event, ensured that emergency access routes were kept clear, assisted attendees in case of confusion, and promptly addressed minor issues to avoid disruption. They maintained discipline through calm communication and responsible supervision, contributing to a safe and orderly environment. This activity enhanced the volunteers' skills in leadership, teamwork, situational awareness, and crisis management. Overall, the successful execution of crowd management during "DX Valediction" highlighted the dedication, coordination, and social responsibility of the NSS volunteers and played a significant role in the smooth and peaceful conduct of the event.

The session titled “Importance of Voting” was successfully conducted on 28th March 2026 (Saturday) through the Google Meet platform from 10:00 AM to 11:00 AM. The programme witnessed the participation of 15 students and aimed to promote electoral awareness and responsible citizenship among young individuals. The session focused on the concept of voting and its significance in a democratic society. Participants were introduced to the idea that voting is not only a fundamental right but also a crucial responsibility of every citizen. The theme “Your Vote, Your Voice, Your Future” was emphasized throughout the discussion, highlighting the impact of individual choices on the nation’s development.

Further, the discussion covered the responsibilities of voters, including making informed decisions, understanding candidates and policies, and participating actively in the electoral process. The importance of ethical voting and avoiding malpractices was also highlighted.

Special emphasis was given to the role of youth in shaping the future of the country. The session encouraged young voters to actively participate in elections and contribute to building a strong and responsible democratic system. Participants engaged attentively and gained valuable insights into their role as responsible citizens.

The programme served as an informative platform to enhance awareness about the electoral process and motivate students to exercise their voting rights responsibly. The event was conducted smoothly and effectively achieved its objective of fostering civic awareness and encouraging active participation in democracy. The session also inspired participants to remain informed about electoral developments and actively contribute to the democratic process.

Overall, the session on “Importance of Voting” proved to be an informative and impactful programme that successfully enhanced participants’ understanding of the value of voting in a democratic society. The session encouraged students to become responsible, informed, and ethical voters while strengthening their awareness of civic duties. The enthusiastic participation and attentive involvement of the students contributed to the success of the programme. It reinforced the importance of active electoral participation and inspired young citizens to contribute positively towards building a stronger and more responsible democracy.

GROUP DISCUSSION – 2026

Date	: 06/04/2026
Day	: Monday
Mode	: Offline
Venue	: Library
Duration	: 04:30 PM – 05:30 PM
No. of participants	: 12
NSS In-Charges	: 1) Pradeep M (EEE) 2) Dharshini B (EEE) 3) Dhusitha S (ECE) 4) Vishul VS (EEE) 5) Annabalaji N (CIVIL)
NSS Faculty In-Charges	: 1) Dr.S.Selvam 2) Dr.S.Nandakumar 3) Dr.K.V.Hemalatha 4) Dr.P Suresh 5) Dr.K.Muralidharan

The “Group Discussion - 2026” programme was successfully conducted on 06th April 2026 (Monday) from 4:30 PM to 5:30 PM at the Library. The event witnessed the active participation of around 12 students and was organized with the objective of encouraging students to share their thoughts and perspectives on the growing influence of Artificial Intelligence in today’s generation. The programme focused on a group discussion about Artificial Intelligence with the topic “Is AI replacing creativity in young generation?”. The discussion provided an interactive platform for students to express their views regarding the advantages and challenges posed by Artificial Intelligence in creative fields.

Participants actively shared different perspectives on how AI tools are supporting creativity by making tasks easier and more efficient, while others highlighted concerns that overdependence on AI may reduce originality and critical thinking among young minds. The discussion encouraged students to analyse both the positive and negative impacts of AI in modern society.

The activity created awareness among students about the importance of balancing technology with human creativity and innovation. It also motivated participants to think responsibly about the ethical use of Artificial Intelligence and its role in shaping the future generation.

Overall, the event proved to be informative, engaging, and thought-provoking. The enthusiastic participation and active interaction among students contributed to the success of the programme, highlighting the importance of discussions and collective learning in understanding emerging technologies and their social impact. The programme also enhanced participants' communication, analytical thinking, and public speaking skills through meaningful interaction. It encouraged students to explore emerging technologies with a balanced perspective while appreciating the importance of human creativity. The session concluded by inspiring participants to use Artificial Intelligence responsibly as a tool for innovation rather than a replacement for original thought.

MOCK VOTING – 2026

Date	: 17/04/2026
Day	: Friday
Mode	: Offline
Venue	: Auditorium
Duration	: 09:00 AM – 12:30 PM
No. of participants	:50
NSS In-Charges	: 1) Pradeep M (EEE) 2) Dharshini B (EEE) 3) Dhusitha S (ECE) 4) Vishul VS (EEE) 5) Annabalaji N (CIVIL)
NSS Faculty In-Charges	: 1) Dr.S.Selvam 2) Dr.S.Nandakumar 3) Dr.K.V.Hemalatha 4) Dr.P Suresh 5) Dr.K.Muralidharan

National Service Scheme (NSS) and CIT Science Forum in association with the District Election Commission, conducted a mock voting programme for first time voters. The programme was organized with the objective of educating students about the electoral process and the importance of voting in a democratic country. All the steps involved in the voting procedure, including polling officers, booth agents, voter verification, ballot casting, and vote counting, were clearly demonstrated.

The mock setup replicated a real election environment, enabling participants to experience the process firsthand. Students actively took part in various roles such as polling officials and voters, ensuring a realistic and engaging learning experience. This initiative helped participants understand the voting process in a practical manner, gain confidence about participating in elections, and appreciate the significance of their role as responsible citizens.

The activity also encouraged awareness about ethical voting practices and the importance of making informed decisions during elections. It created enthusiasm among first-time voters and motivated them to actively participate in future democratic processes. Participants gained a clear understanding of the responsibilities associated with exercising their voting rights. The programme also emphasized the importance of free and fair elections in upholding democratic values. Students appreciated the practical demonstration, which made the electoral process easy to understand.

Overall, the programme proved to be highly informative and impactful. The active involvement of students and the well-organized structure contributed to its success, reinforcing the importance of voter awareness and participation in strengthening democracy. The initiative successfully bridged the gap between theoretical knowledge and practical understanding of the electoral process. It encouraged first-time voters to recognize the value of every vote in shaping the nation's future. The programme also strengthened participants' sense of civic responsibility and democratic commitment.

CASE STUDY – 2026

Date	: 23/04/2026
Day	: Thursday
Mode	: Online
Platform	: Google Meet
Duration	: 05:00 PM – 08:00 PM
No. of participants	: 60
NSS In-Charges	: 1) Pradeep M (EEE) 2) Dharshini B (EEE) 3) Dhusitha S (ECE) 4) Vishul VS (EEE) 5) Annabalaji N (CIVIL)
NSS Faculty In-Charges	: 1) Dr.S.Selvam 2) Dr.S.Nandakumar 3) Dr.K.V.Hemalatha 4) Dr.P Suresh 5) Dr.K.Muralidharan

The Case Study programme was organized with the objective of enhancing students' understanding of social issues and the role of National Service Scheme (NSS) in community development. Students were asked to form teams consisting of 3 to 4 members, totally 15 teams and choose a topic related to NSS activities, social service, environment, and community welfare. The participants were instructed to conduct a detailed case study on their selected topic, prepare a comprehensive report, and create a PowerPoint presentation. They were given more than two weeks of time to complete their research and prepare their presentations.

After the preparation period, an online presentation session was conducted through Google Meet. During the presentation, all the teams performed exceptionally well. The topics chosen were highly relevant and meaningful, and the presentations were delivered in a clear, structured, and formal manner. The activity promoted teamwork and critical thinking among the participants.

The programme created an opportunity for students to explore various social issues and understand the importance of community service. It also helped in developing research, teamwork, communication, and presentation skills among the participants.

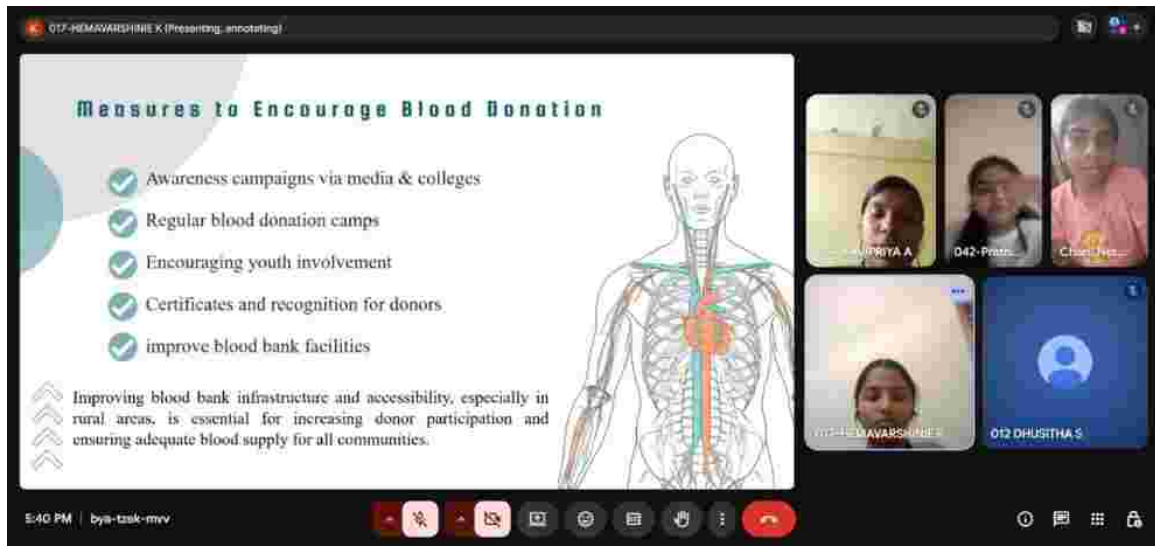

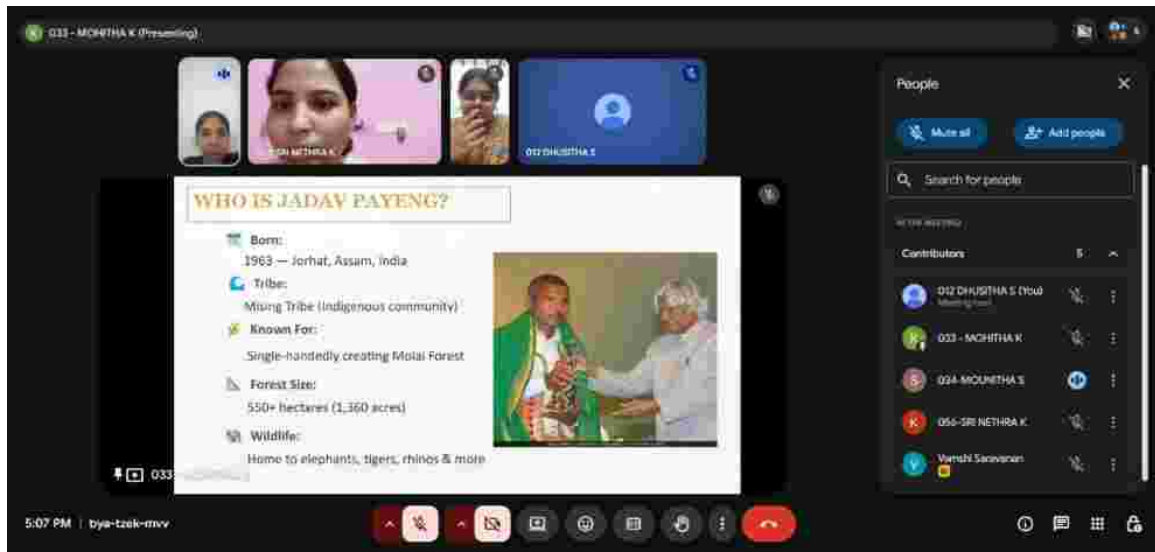

The topics covered by the students included:

- Forest Man of India – Jadav Payeng
- Women Empowerment across the World
- Clean Campus – Green Campus
- Importance of Blood Donation
- Digital Literacy among Elderly People and Rural Communities
- NSS Unit of Anna University
- Water Conservation Practices in Daily Life
- Mental Health Awareness among Youth
- Cyber Safety Awareness among Students
- Role of NSS in Rural Sanitation Awareness
- Cyber Safety and Online Fraud Awareness
- Roles of NSS Volunteers in Village Adoption
- One Student – One Tree Initiative

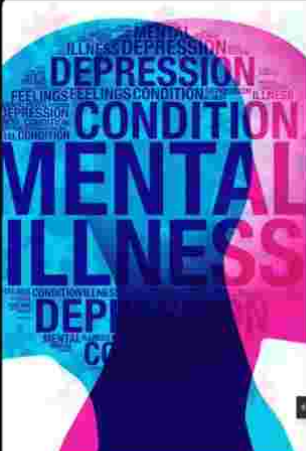

The above topics reflected the students' awareness of important social, environmental, and community development issues.

The session was highly interactive and informative, encouraging discussions and knowledge sharing among students. Overall, the programme was a great success and served as an effective platform for students to express their ideas and contribute towards social awareness and development. The programme encouraged students to think critically about real-life social challenges and possible solutions. It also strengthened their sense of social responsibility and inspired them to actively participate in community service initiatives. Overall, the programme was a great success and served as an effective platform for students to express their ideas and contribute towards social awareness and development.

Introduction

Mental health is one of the most critical yet overlooked aspects of a young person's life. It shapes how youth think, feel, and interact with the world around them. Today, millions of young people face mental health challenges — yet many suffer in silence due to stigma, lack of awareness, or limited access to support.

The National Service Scheme (NSS) Units of Coimbatore Institute of Technology successfully organized the "NSS Valediction 2K26" from 4:30 PM to 6:00 PM at the Drawing Hall. The programme witnessed the enthusiastic participation of 100 volunteers, student coordinators, faculty members, and office bearers. The event was conducted to celebrate the successful completion of the academic year's NSS activities and to appreciate the dedication, service, and contributions of all volunteers.

The valedictory ceremony was filled with memorable moments, heartfelt appreciation, and celebrations of teamwork and community service. The programme included several significant events that reflected the true spirit of the NSS motto, "Not Me But You." The event provided an opportunity for volunteers to reflect on their journey, celebrate their achievements, and strengthen unity among the NSS family. It also inspired participants to continue serving society with dedication, compassion, and social responsibility.

The programme reflected the achievements and collective efforts of the NSS units throughout the academic year. It provided a platform to recognize the contributions of volunteers who worked tirelessly in various service activities. The ceremony also encouraged students to uphold the values of service, leadership, and social commitment in the years ahead. The highlights of the programme were as follows:

- **Inspiring Speeches:** Distinguished faculty members and guests delivered motivational speeches emphasizing youth leadership, social responsibility, and the importance of community service.
- **Appreciation of Staff Advisors:** The NSS Faculty In-Charges were honoured with tokens of gratitude in recognition of their continuous guidance, encouragement, and dedicated support throughout the year.
- **Honouring Secretaries and Office Bearers:** The Secretaries and Office Bearers of all five NSS units were felicitated for their outstanding leadership, commitment, and effective coordination of various NSS activities.
- **Sharing of NSS Journey:** Volunteers shared their memorable experiences, challenges, achievements, and learning gained through their participation in NSS programmes, creating an atmosphere of pride and inspiration.
- **Certificate Distribution:** Certificates of appreciation and participation were distributed to the volunteers in recognition of their sincere service and active involvement in community outreach programmes.
- **Group Photography:** The programme concluded with a group photo session, capturing memorable moments shared by the entire CIT NSS family.

The above activities were conducted successfully, reflecting the dedication and collective efforts of the NSS volunteers throughout the academic year.

The efforts, dedication, and commitment of every volunteer were warmly appreciated by the unit secretaries and faculty members, making the event both emotional and memorable. The valediction served as a fitting conclusion to a remarkable year of service, leadership, and personal growth. It reinforced the values of selfless service, teamwork, and social responsibility while inspiring the next generation of NSS volunteers to continue the legacy with enthusiasm and commitment.

The programme also strengthened the bond among volunteers by providing an opportunity to interact, share experiences, and celebrate the collective achievements of the NSS units. It served as a reminder of the positive impact created through various community service initiatives and encouraged students to continue working together for the welfare of society. Overall, the "NSS Valediction 2K26" was a memorable and meaningful event that celebrated the spirit of selfless service and volunteerism. The programme concluded with a renewed sense of motivation and responsibility among the volunteers, inspiring them to uphold the ideals of the National Service Scheme and continue making valuable contributions to society in the years to come.

The valedictory programme not only marked the successful completion of another remarkable year of NSS activities but also celebrated the values of unity, leadership, and selfless service. It provided every volunteer with a sense of pride and accomplishment for their contributions towards community welfare. The event concluded with gratitude to all the faculty members, coordinators, office bearers, and volunteers whose dedication made the year's activities successful. It also motivated the incoming batch of NSS volunteers to continue the legacy of service with renewed enthusiasm, commitment, and a strong sense of social responsibility. The programme strengthened the spirit of teamwork and encouraged students to remain actively involved in future social service initiatives. It highlighted the importance of collective efforts in bringing positive change to society through dedicated volunteer service. The memorable moments shared during the event will continue to inspire volunteers to uphold the ideals and values of the National Service Scheme throughout their journey.

BOARD MEMBERS SELECTION - 2026

Date	: 25/04/2026
Day	: Friday
Mode	: Online
Platform	: Google Meet
Duration	: 04:30 PM – 09:30 PM
No. of participants	: 120
NSS In-Charges	: 1) Pradeep M (EEE) 2) Dharshini B (EEE) 3) Dhusitha S (ECE) 4) Vishul VS (EEE) 5) Annabalaji N (CIVIL)
NSS Faculty In-Charges	: 1) Dr.S.Selvam 2) Dr.S.Nandakumar 3) Dr.K.V.Hemalatha 4) Dr.P Suresh 5) Dr.K.Muralidharan

The Board Members Selection programme was successfully conducted on 25th April 2026 (Saturday) from 9:30 PM to 6:30 PM through Google Meet. The programme witnessed the active participation of around 120 students and was organized with the objective of selecting dedicated and responsible student leaders for various board positions. A Google Form was circulated among all the respective classes to collect the details of interested students and the positions they wished to apply for.

Based on the responses received, an online interview session was conducted for all the applicants as part of the selection process. The interviews were organized to evaluate the candidates' interest, leadership qualities, communication skills, commitment, and suitability for their preferred positions. All the secretaries actively participated in the interview panel and ensured that the selection process was conducted in a fair, transparent, and systematic manner.

The Board Members selection process was successfully completed after a series of interviews and evaluations. Selecting the members was not an easy task, as every candidate performed exceptionally well and demonstrated enthusiasm, dedication, and a strong willingness to contribute to the organization. The final selection was made not only based on the interview performance but also by considering each student's overall involvement, responsibility, leadership potential, and active participation in various activities during the previous academic year.

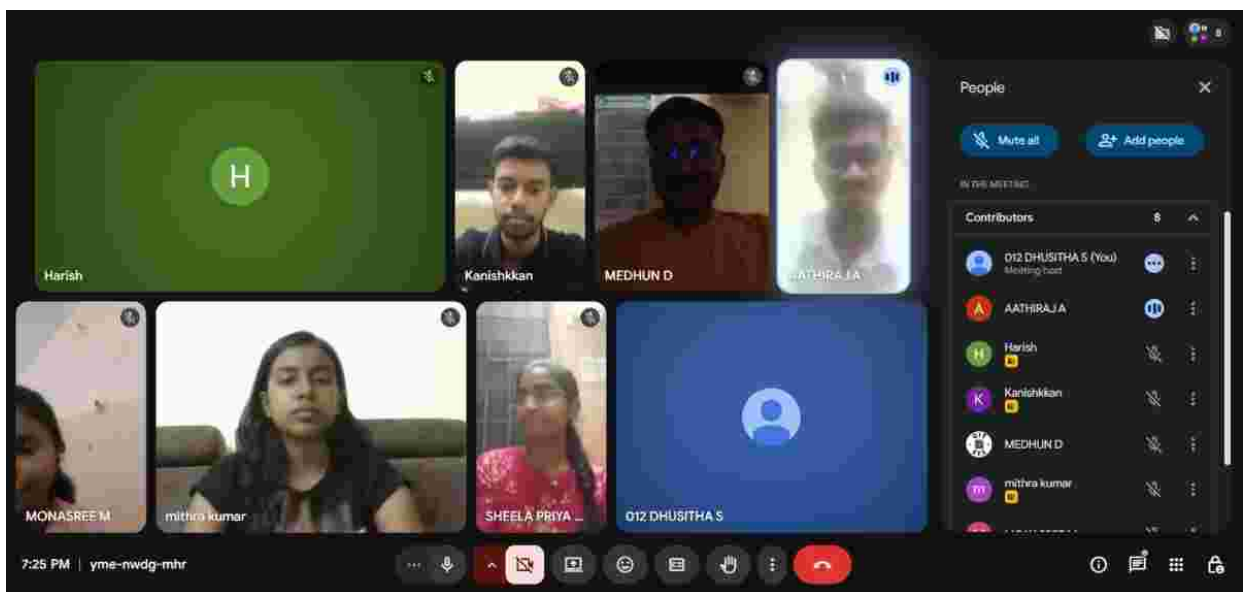

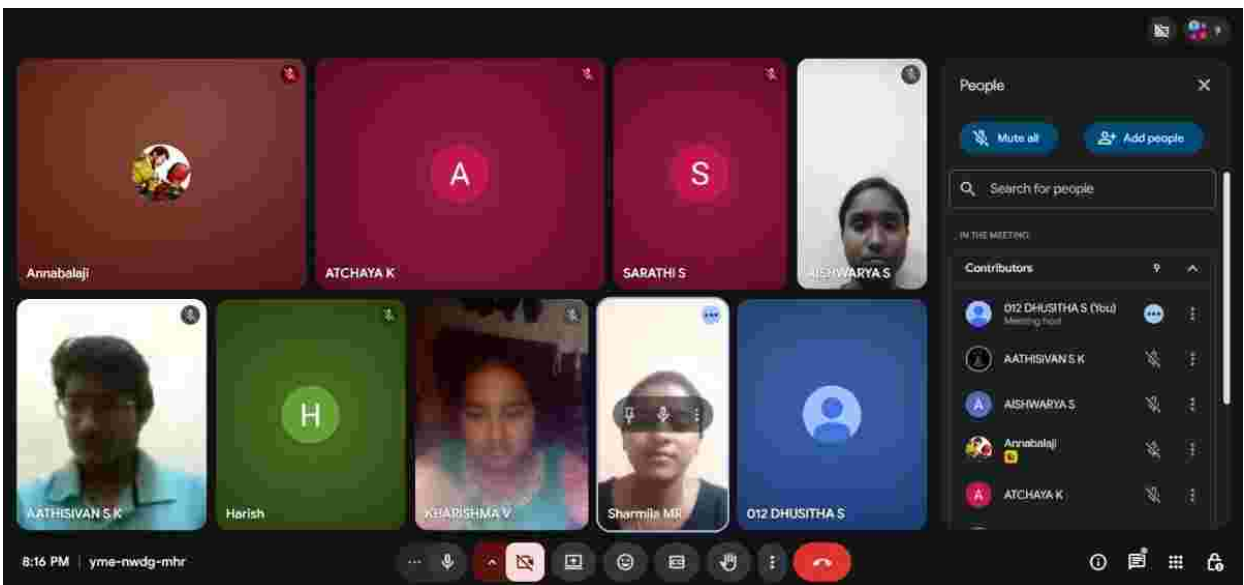

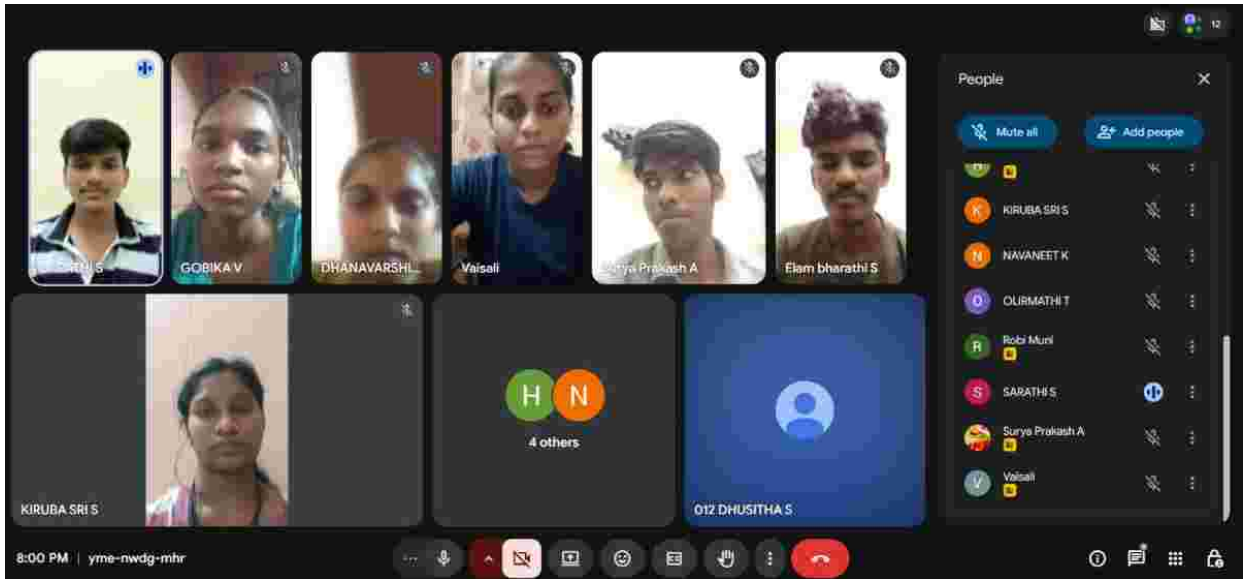

The programme provided an excellent opportunity to identify students with strong leadership potential and a genuine commitment to serving the organization. It also encouraged participants to develop confidence, communication, decision-making, and organizational skills that are essential for successfully carrying out their responsibilities as board members. The selection process emphasized the importance of integrity, teamwork, and accountability in student leadership.

Overall, the Board Members Selection programme was conducted successfully and fulfilled its objective of forming an efficient and dedicated leadership team for the upcoming academic year. The organizers expressed their sincere appreciation to all the students who participated in the selection process. Although only a limited number of candidates were selected, every participant was encouraged to remain actively involved in future activities and continue contributing to the growth of the organization. The programme concluded on a positive note, marking the beginning of a new team committed to leading with responsibility, dedication, and excellence.

The postings announced for the fourth-year students included Secretary, Treasurer, Coordinator, and Blood Bank Coordinator. The third-year students were announced as Joint Secretary, Joint Treasurer, Event Coordinator, Unit Incharges Head, Event Executives Head, Blood Bank Executives Head, Documentation Head, Poster Designer Head, Video Editor Head, and Photography Head. The announcement was received with great excitement and appreciation by all the volunteers.

Following the announcement, the outgoing office bearers and faculty members congratulated the newly selected board members and shared valuable guidance regarding their roles, responsibilities, and expectations. They encouraged the new team to uphold the NSS motto, "Not Me But You," and continue serving society with sincerity, discipline, and commitment. The session also included happy interactions, motivational talks, and the sharing of memorable experiences from the outgoing board members, creating an atmosphere of inspiration and encouragement.

The programme became emotional as volunteers reflected on the unforgettable memories, friendships, and strong bonds built through various NSS activities. The outgoing members expressed their gratitude towards the faculty members and volunteers for their continuous support throughout their tenure. While there was happiness in welcoming the new leadership team, there was also a sense of sadness as the outgoing members bid farewell to their memorable NSS journey and wished the new team success in carrying the legacy forward.

During the session, emphasis was also placed on strengthening coordination among different NSS committees to ensure smoother execution of upcoming events and outreach activities. Faculty coordinators highlighted the importance of leadership qualities such as accountability, teamwork, and effective communication. The new board members were encouraged to actively participate in planning innovative programmes that address social issues in the local community. Suggestions were also shared regarding improving volunteer engagement and expanding NSS initiatives to nearby villages. This interactive discussion helped the newly selected team gain clarity about their responsibilities and future expectations.

Overall, the New Board Members Announcement programme was conducted successfully and marked the smooth transition of leadership within the NSS units. The session concluded with congratulatory wishes, words of encouragement, and a group photo session that captured the memorable occasion. The programme inspired the newly selected board members to take up their responsibilities with confidence, dedication, and teamwork while continuing the spirit of selfless service and leadership in the coming academic year. The atmosphere of the event reflected unity, respect, and a strong sense of belonging among all NSS volunteers. It also reinforced the commitment of the NSS family to continue working together for meaningful social impact in the future.

NSS LEGACY STATEMENT

Academic Year 2025–2026

The National Service Scheme Unit of Coimbatore Institute of Technology successfully completed an impactful year of service through 61 programmes conducted during the academic year 2025–2026.

The activities undertaken throughout the year focused on community development, voter awareness, blood donation, health initiatives, environmental sustainability, educational outreach, social responsibility, leadership development, and volunteer engagement. Each programme served as an opportunity for volunteers to learn, lead, and contribute meaningfully to society.

The achievements documented in this report are the result of the collective efforts of NSS volunteers, student coordinators, faculty advisors, college administration, government departments, and community partners who worked together with dedication and commitment.

Beyond the numbers and events, this report represents countless hours of service, teamwork, discipline, and social impact. It stands as a record of the NSS spirit and the belief that positive change begins through selfless action.

May this report serve as a source of inspiration for future NSS volunteers to continue the tradition of service, leadership, and nation-building.
