Words of Netaji

- 1. We should have but one desire today. The desire to die so that India might live.*
- 2. No real change in history has been achieved by discussions.*
- 3. Life loses half its interest if there is no struggle if there are no risks taken.*
- 4. It is our duty to pay for our liberty with our own blood.*
- 5. Freedom is not given. It is taken.*
