Minutes of Research Board Meeting

The research board meeting was held on 5.1.2024 in hall number 208 by 11.45 am. Principal welcomed the members to the meeting. Dr.N.Muthukumarasamy presented the research activities of the different departments corresponding to the period June 2023 to December 2023. The details of the deliberations of the meeting are given below:

1. The members discussed about the research activities carried out by the faculty members of the institute and suggested that the number of journal publications and the number of project proposals to be submitted to funding agencies have to be improved - (Annexure I).
2. Principal Dr.A.Rajeswari mentioned about the documentation of the research activities of the departments and suggested that a separate register can be maintained in the office which will have the details of the research funding received by the departments and the individual departments can maintain a register having the details of the funded projects received by the faculty members, journal and conference publications of the faculty members, details of patents published and granted, details of participation in contests, hackathon etc.
3. Principal Dr.A.Rajeswari informed the members that the Management of our Institute will provide the necessary financial assistance to faculty members for organising international/ national conferences, workshops, seminars etc.
4. The Research Promotion Policy of the Institute was discussed and approved by the committee members (Annexure II).
5. The members after discussion unanimously decided that registration fee for M.S by research can be the same as that of Ph.D for the scholars joining our Institute.
6. Principal Dr.A.Rajeswari informed the members that the fellowship provided to full time Ph.D scholars may be increased in due course.
7. Principal Dr.A.Rajeswari informed the members that the Management of our Institute is planning to provide awards and incentives to faculty members who have published research articles in well reputed journals with high impact factor coming under web of science or scopus index and also to the faculty members who have been granted with patent during January to December 2023. Madam also mentioned that a committee will be constituted to select the best research papers.

8. Principal Dr.A.Rajeswari informed the members that a Research Conclave will be organized by our Institute in which research scholars of our institute and from other institutions can participate and showcase their research findings.
9. The members after discussion decided that the Ph.D research scholars who have not submitted the progress report through the online CFR portal of Anna University within the last date specified by Anna University have to submit a letter to the Principal stating the reason for not submitting the progress report through the supervisor and Head of the Department, then only the progress report will be approved and forwarded by the Principal to Anna University (Annexure III).
10. The Ph.D course work subjects to be offered by the Department of Artificial Intelligence and Data Science and Computer Science and Engineering for the students admitted during the January 2024 session was discussed and approved - (Annexure IV).
11. Principal thanked all the members for their active participation in the meeting.

The following members attended the meeting

1. Dr.A.Rajeswari
2. Dr.N.Muthukumarasamy
3. Dr.M.P.Muthuraj

Research Promotion Policy

Coimbatore Institute of Technology strives to be one among the renowned engineering colleges in India. This document provides information on the institute research policy and research promotional activities of CIT.

Coimbatore Institute of Technology is committed to the pursuit of excellence in research and development. The institute aims to promote research culture and environment by promoting interdisciplinary collaborative research across the spectrum of Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Computer Science and Engineering, Chemical Engineering, Information Technology, Artificial and Data Science, Mathematics, Physics and Chemistry, Humanities, Computing and Management Studies. The institute promotes and provides support to faculty members and students with innovative ideas to build an ecosystem with business propositions keeping research standards intact.

RESEARCH PROMOTION SUPPORT SCHEMES

- A. State of art research facilities and infrastructure.
- B. Seed money grant for faculty members to facilitate inter, multi and trans disciplinary research.
- C. Seed Money Grant to encourage students to carry out innovative interdisciplinary projects and promote innovative ecosystem.
- D. Financial assistance to faculty members/students/research scholars to publish papers in journals of international repute, file patents and transfer technologies to relevant industries.
- E. Research fellowship for Full Time Ph.D students.
- F. Financial assistance to conduct international/national conferences/workshops/seminars.
- G. Incentives and awards for achievement in research publications/awarded patents.
- H. Remuneration to the faculty members based on the revenue generated after the completion of every consultancy work.
- I. Research board to continuously monitor the research outputs for ensuring quality.
