# ABOUT CIT

The V. Rangasamy Naidu Educational Trust devoted to the cause of promoting technical and scientific literacy, established Coimbatore Institute of Technology (CIT) in Coimbatore, Tamil Nadu, South India in 1956. CIT is one of the most reputed and prestigious educational institutions in India. The Institute backed by World Class research and development over the years attained autonomous status in 1987.

## VISION OF CIT

The Institute strives to inculcate a sound knowledge in engineering along with realized social responsibilities to enable its students to combat the current and impending challenges faced by our country and to extend their expertise to the global arena.

## MISSION OF CIT

To empower clients with actionable insights, cutting-edge strategies, and a personalized approach, ensuring financial growth and stability for a prosperous future.

“  
**IMPART HIGH QUALITY  
EDUCATION & TRAINING  
TO ITS STUDENTS TO  
MAKE THEM WORLD-CLASS  
ENGINEERS...**”

## PLACEMENT CELL

The Coimbatore Institute of Technology (CIT), Coimbatore established in 1956 is recognized as a leading institution of national importance in technical education and research. CIT has been instrumental in nurturing the aspirations and goals of India's brightest minds through a combination of rigorous academics, extracurricular activities, and entrepreneurial programs. The institute's curriculum aims to instil in each student a profound grasp of fundamental principles, flexibility in thinking, and a relentless pursuit of knowledge, resulting in well-rounded leaders known for their outstanding professional capabilities.

The Placement Cell at Coimbatore Institute of Technology (CIT), established to facilitate career opportunities for its students. This pivotal office maintains robust connections with various industries, overseeing activities such as pre-placement presentations and campus interviews. Equipped with state-of-the-art infrastructure, the Placement Cell provides facilities for conducting group discussions, tests, and interviews. Additional resources like a library and communication lab enhance students general aptitude and communication skills. Annually, numerous national and multinational companies visit CIT for campus recruitment, with prestigious firms competing to be the 'DAY ONE' recruiter each academic year.

The Placement Cell ensures students are well-informed about career opportunities and industry trends, displaying pertinent information and organizing general meetings at the start of the academic year for final-year students interested in placements. Monthly review meetings further strategize future actions and ensure continuous improvement in placement processes. Moreover, the Placement Cell supports pre-placement activities for sophomore and junior students, and encourages those interested in higher studies by providing guidance and resources for competitive exams.

Furthermore, the Placement Cell at CIT actively promotes entrepreneurship among students, collaborating with government and banking sectors to facilitate financial assistance and organizing workshops to develop entrepreneurial skills and self-employment initiatives. In essence, the Placement Cell at Coimbatore Institute of Technology plays a pivotal role in connecting students with career opportunities, providing them with essential resources, guidance, and opportunities for professional development and entrepreneurial success.

## PRINCIPAL MESSAGE

**Dr. A. RAJESWARI**  
**PRINCIPAL**

**C**oimbatore Institute of Technology, Coimbatore is one of the institutes offering pioneering education in the field of engineering, management and has a glorious heritage. Since its inception over more than six decades back, Coimbatore Institute of Technology maintains academic excellence in technical education and innovation by offering immensely valuable Under Graduate and Post Graduate programs to young and enthusiastic students.

Curriculum of various programs have been framed interacting with many industries and this helps the students towards acquiring industry specific skills and managerial capabilities needed by organizations. CIT takes immense pride in presenting our students to your esteemed organizations. It is our honour and privilege to welcome all the organizations to our campus for the recruitment of our students. I would like to wish all the students good luck for all upcoming recruitment activities.

**“We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet”**

**– Swami Vivekananda**

## PLACEMENT MESSAGE

The Institute has a Placement Cell headed by a staff member holding the rank of a Professor. The Cell is involved in securing placements for students passing out from the institute. The office keeps close association with various industrial establishments, which conduct pre-placement presentation, campus interviews and select student representatives from each department to co-ordinate the placement activities.

The Placement Cell provides state of the art infra-structural facilities to conduct group discussions, tests and interviews. The Placement Cell has a library and a communication lab to enhance the students' general aptitude and communication skills. A large number of national and multinational companies visit the Institute every year for Campus recruitment. Several reputed companies vie to be the 'DAY ONE' company for every academic year. Information regarding the campus recruitment process are displayed to the students. It helps students to plan their careers by providing information about the industries which approach the institute. At the beginning of the academic year, a general-body meeting of final-year students interested in placement activities is called. Every month, review meeting is convened to plan the future course of action. The cell also co-ordinates the pre-placement activities of sophomore and junior students, and motivates aspiring students to pursue Higher studies with facilities for preparing competitive exams like GATE, TOEFL, GRE, CAT, GMAT etc. The "Placement Cell" strives to enhance self employment which is supported by the government by extending financial assistance through banking sector. Further, workshops are organized to bring out.
