The institution has taken the following measures to protect the environment and promoting sustainable practices:

1. Green Audit

There is a regular assessment of the institution's environmental impact on areas like waste generation, water usage, and energy consumption. This helps identify areas for improvement.

2. Tree Planting

The institution maintains the landscape and conducts regular tree planting, which allows for the creation of green spaces to cool the environment, improve air quality, and provide habitat for birds on campus.

3.Green Transportation

The institution promotes sustainable transportation on campus by encouraging walking, cycling, and using battery-operated vehicles.

4.. Awareness Camps

Institute organizes environmental awareness campaigns, tree planting drives during Alumni Day, and collaborate with local communities on sustainability initiatives.

Plantation programme

Students of NSS unit of the college participated in the activity and planted the trees in the college premises and at many areas outside the college to promote environment awareness. They all pledged to plant more and more trees with the time and take care of the plants and to provide with basic needs as and when needed.

Plantation programme on Alumni Day
