	Ms.v.gowri priyaa Assistant professor Electrical and electronics engineering
About the club	<p>Rotaract club of CIT with a legacy of 45years of Rotaract movement was started with the help of Rtn.P.R.Ramakrishnan, Founder of Coimbatore Institute of Technology and District Governor(1977),with the motto of “Self-development and Fellowship through Service”. Still gleams with the same and equal pride. The Club was chartered on 14th January 1977 with charter President Rtr.PP.Shyam Sundar supported by its Parent club, Rotary Club of Coimbatore East. It belongs to the Rotary International District RI 3201, Zone 5 in South Asia, and Group-1 under its district. It has maintained a tenacious bond with its sister clubs namely Rotaract club of GCT, Rotaract club of PSGR Krishnammal college for Women, Rotaract club of Coimbatore Unity. The club ventures scope, liberty and new trail to the young Rotaractors and cultivates devotion, passion and inner strength. It makes difference by being unique with motivation, discipline, pure heart, excellence and leadership. It substantiates with the sincerity of purpose of its members. This gleam of rac CIT outlives eternally.</p>
Mission	The mission of Rotaract is to provide an opportunity for men and women to enhance the knowledge and skills that will assist them in personal development, to address the physical and social needs of their communities, and to promote better relations between all people worldwide through a framework of friendship

Vision	Our Rotaract Club of Coimbatore Institute of Technology is working with a vision of creating fun with fellowship. Moulding a person with the best leadership qualities. And most importantly with all these qualities to serve a society. Passing the legacy to every year more and more brighter. Collaborating with most of the clubs and enlarging our friends circle. Doing more and more dream projects and fulfilling everyone wish. Believing a world with full of Rotaractors.

*“Till the full stop doesn’t come, the sentence is not complete” -
M.S.DHONI*

DESCRIPTION:

The event was conducted on 07/07/2020 as a tribute to our captain cool, “MAHI” on his birthday. When we hear the name MSD there will also be another person who comes to our mind, Sushanth Singh Rajput this event was a tribute to him also. Even though he left the world but our heart will have a lot of place to make him live. The event is conducted as three rounds.

Round-1:

The first round was collection of tributes. It can be in any form like video, photos, posters, quotes to their reel and real MSD. Their tributes were made into a collage video and posted in our page.

Round-2:

The second round was a quiz conducted through an app. The questions were related to M.S.Dhoni’s career and life. The final winners were selected for next and the final round. Can you guess the number? Yeah you guessed it right, 7 members.

Round-3:

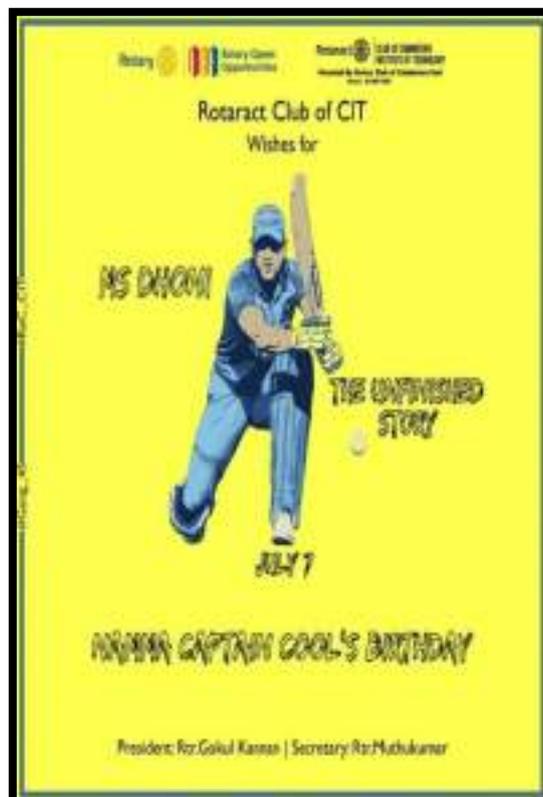

It is the final round. It was conducted through G-meet. The final winners were questioned based on their person life experience with Cricket. The questions were personal because it could provoke their real dreams and to find themselves ‘who they are’ and ‘what they are interested in’. The best and impressive answers were selected. And finally the winners were announced.

DESCRIPTION:

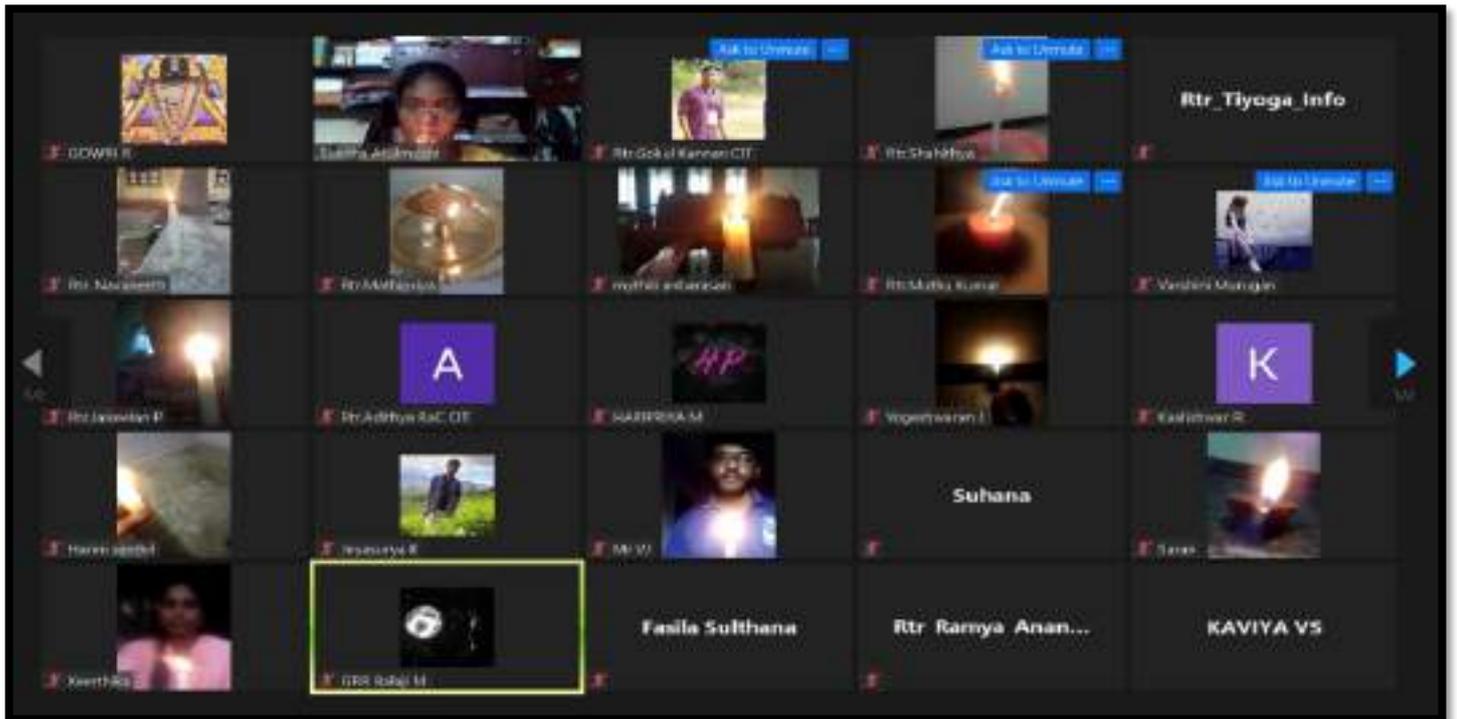

To honor the sacrifice of the soldiers and to show love and respect for them, the Rotaractors of the Rotaract Club of Coimbatore Institute of Technology had initiated an event titled **“MARAPPADHILLAI NENJE”**. This event was initiated to pay our due respect to the soldiers who lost their life for our country, people who lost their life due to Corona and to all the people who lost their lives due to various reasons in different situations. It mainly focused on lighting candle to show our love and respect for their precious life they sacrificed. The other part of the event was writing the names of those people in the balloons and make them fly. This might look filmy but we did it with a hope that it might reach the heaven.

The event commenced with a small poem read by Rtr. Susitha hoping that it would reach the ears of the soldiers. It inculcated the importance of the sacrifice of the soldiers for the country and for the people. After the small poem a video was shown as a tribute which consisted the various disasters happened in our country during this year. This video resembled the faces of the people who lost their lives due to various causes. Next the main part of the event, the candle lighting gets started. All the participants lighted the candle and observed two minutes of silence. The light from their candles brought a new hope and it gave a heartfelt satisfaction among the participants.

After the candle lighting, the participants were asked to share their views and feedback. The participants shared their feedback and their golden words gave us the confidence to organize such events in the future. The participants showed their fullest support for the event and it proved that humanity and respect for humans will exist forever.

“Their remembrance be as lasting as the land they honored”

SNAPSHOTS:

To all veterans
Far and near.
We thank you for your service
For all those years.

You sacrificed your time,
And some gave your life.
You preserved our freedom
By willingly paying the price.

Many of you
Were sent overseas.
You were wounded in battle
With scars and disease.

But courageous and brave,
You weathered the storm.
You faced every battle
With faith and beyond.

We salute you today.
Hear what we say.
Let our words speak eloquently
In this special way.

On this day,
Let us express our love and thanks
For the sacrifice you paid.
And we will never forget
How you were strong and brave.

“We cannot become what we want by remaining what we are!”

DESCRIPTION:

Everyone was bored in Quarantine. So Rotaract Club of Coimbatore Institute of Technology planned to make this Quarantine more interesting with a talk show. ***“People who shine from within doesn’t need any spotlight.”*** This **Spotlight** focuses on those people who doesn’t need such fancies and shine in real. We had **MR. MADHAMPATTY RANGARAJ** as the Star personality on that evening. Mr.**MadhampattyRangaraj** is an Indian chef, actor and the CEO of Madhampatty Thangavelu Hospitality Pvt Ltd, which caters in Tamil Nadu and its neighbouring states. He made his debut with Raju Murugan’s Mehendi Circus (2019). His song “Kodiaruvi Kottudhae” was super doper hit. ***“Success isn’t overnight. It’s when you do even better than yesterday”***. This man is a great example for this. He always delivers more than expected.

The event was hosted by Rtr.Yogeshwaran and Rtr.Fasila Sulthana. Actually they were wonderful hosts which made the event more interesting. Mr.Madhampatty Rangaraj addressed the gathering at the beginning. He started sharing his life experiences, his studies till 10th Standard and his travel towards cinema. From his words it was clear that his life was not a bed of roses.

Though he was a Gold Medallist in his College, he became a chef with a motto of “**Million Meals and Limitless Smiles!**”. Secret behind his Green Guava Chutney was revealed there. Even though it was a virtual explanation, we had the appetizing aroma. When it comes to food no one can restrict themselves back right.

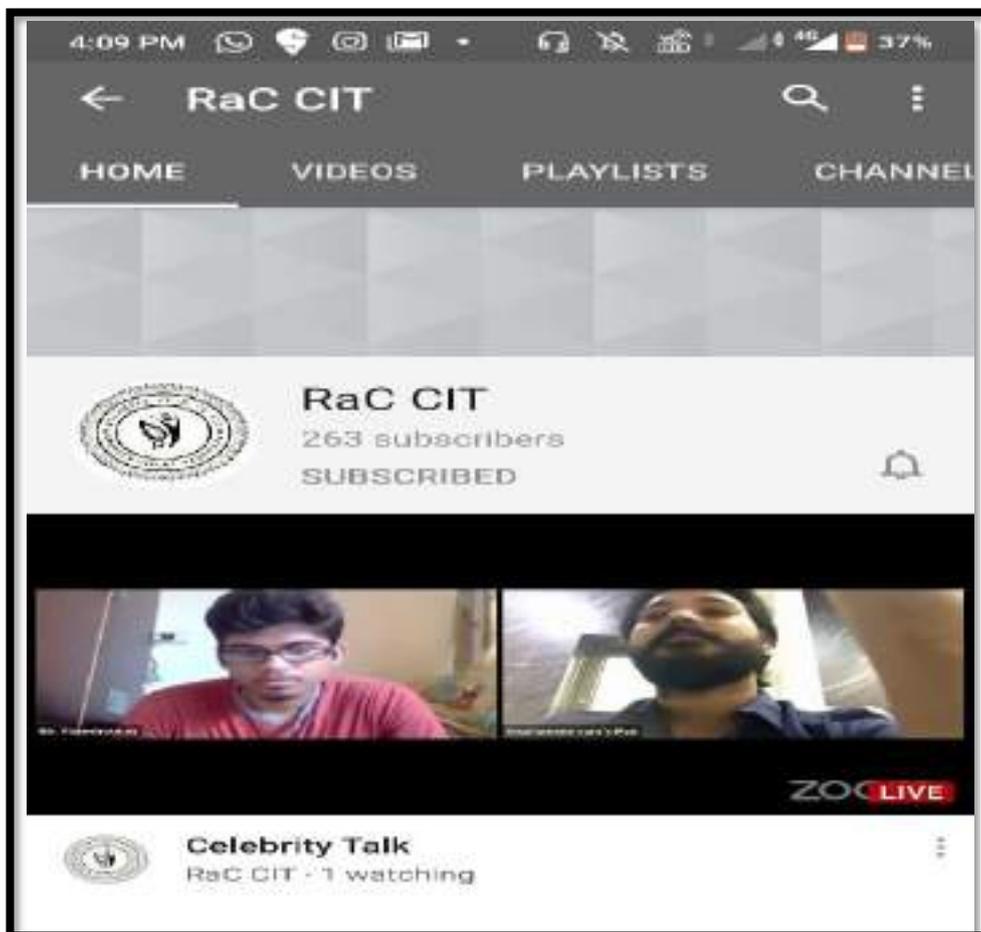

There came the interactive part of the event. Rtr.Yogesh asked some of the interesting questions which were posted by the participants, from his school crush story to the worst situation he faced in his life the questions were very funny and his answers were interesting. We made him to recollect his wonderful memories in school and college. That was very inspiring and motivational. His words “**I’m a Proud Samayalkaran**” and “**I don’t take right decision; I take decision and make them right**” made us understand his success wasn’t an accident, It was from his life lessons and experiences.

Thus the first part of the event SPOTLIGHT was completed successfully. Yeah you are right! this will be continued for the rest of the months.

“Failure is not the opposite of success it is a part of success”

DESCRIPTION:

Nelson Rolihlahla Mandela was a South African anti-apartheid revolutionary, political leader and philanthropist who served as the first Black President of South Africa. On behalf of Nelson Mandela's 67th Birthday, Rotaract Club of Coimbatore Institute of Technology (RI District 3201) along with the initiative of Rotaract Club of Coimbatore Cacil (RI District 3201) planned this worthy event. The main theme of this event was to portray his thoughts about peace and Racial Discrimination among people.

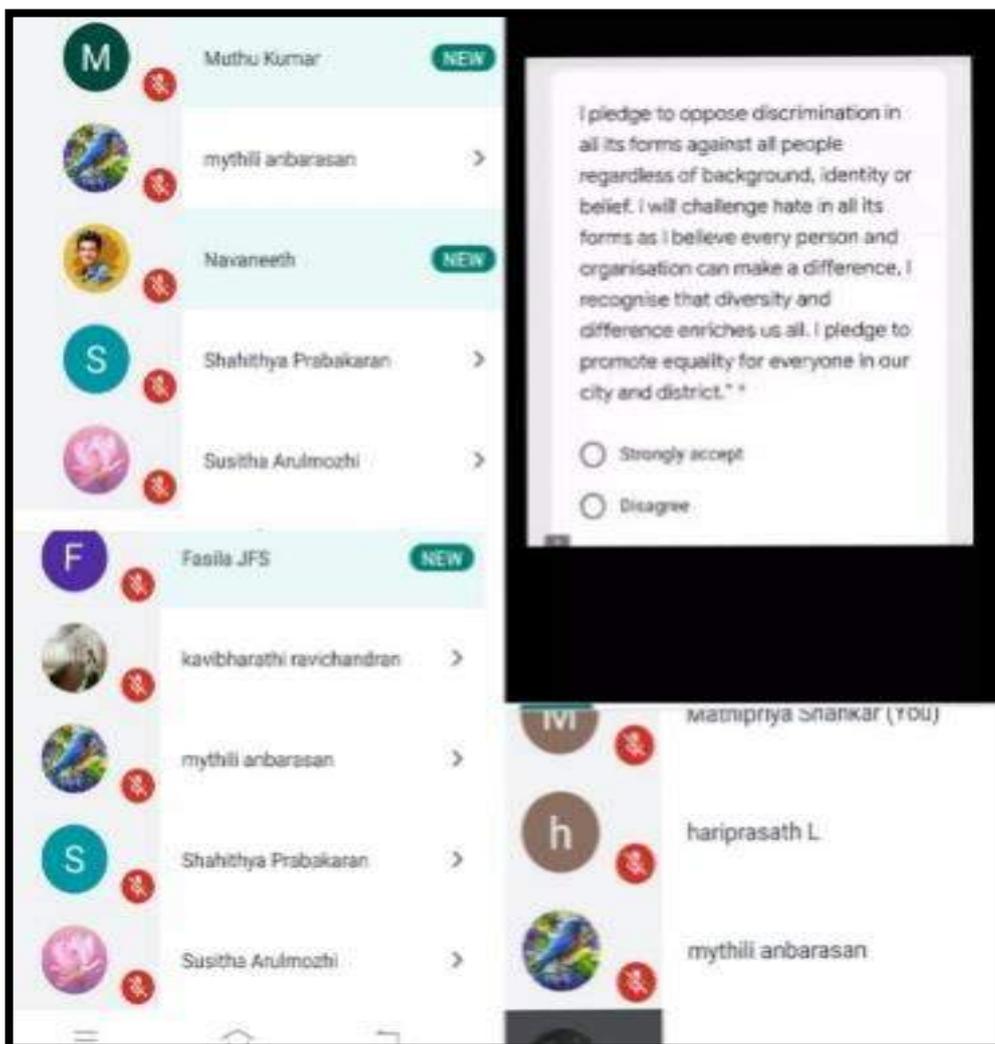

"No one is born hating another person because of the colour of his skin, or his background, or his religion", -Nelson

Every participants were asked to send a picture by holding a paper with a peace slogan like #longlivepeace and these were made into a blissful video. On his birthday all the participants were supposed to take a pledge to spread peace and a mobile game named "ALL BLACK" was played for "67 MINUTES" to make awareness about racial discrimination. All the participants were asked to play at most one game from the list of available games like Basketball Black, Football Black, Archery Black, Running race, Bottle shoot.

The best part of the event was the video made with the pictures of participants holding a peace slogan. On the event day, small ice breakers, puzzles, questions about Nelson Mandela were asked to engage the participants. Then the event ended peacefully. This is not going to be ended with an event, it is an initiative for our whole lifetime. Don't forget that peace is the biggest thing to be achieved, so everyone try to achieve it.

An online webinar **CGPA**(**C**areer **G**uidance **P**rogram to **A**spire)was conducted by Rotaract Club of Coimbatore Institute of Technology with the motto of Creating an Employment awareness program. This session was handled by Mr.GOKUL TCM (CEO and Director of E-CAP). He started the session with an interesting difference between lion and tiger giving us the expectation of Corporate.

He gave his valuable thoughts about the interview preparation and how to develop ourselves both mentally and physically for the interview? The importance of resume and communication in the interview.

He also emphasised to take success and failure equally. *“Since failure is the stepping stone of success”*. He also went through the Developing Technologies. How to develop our skills in that.

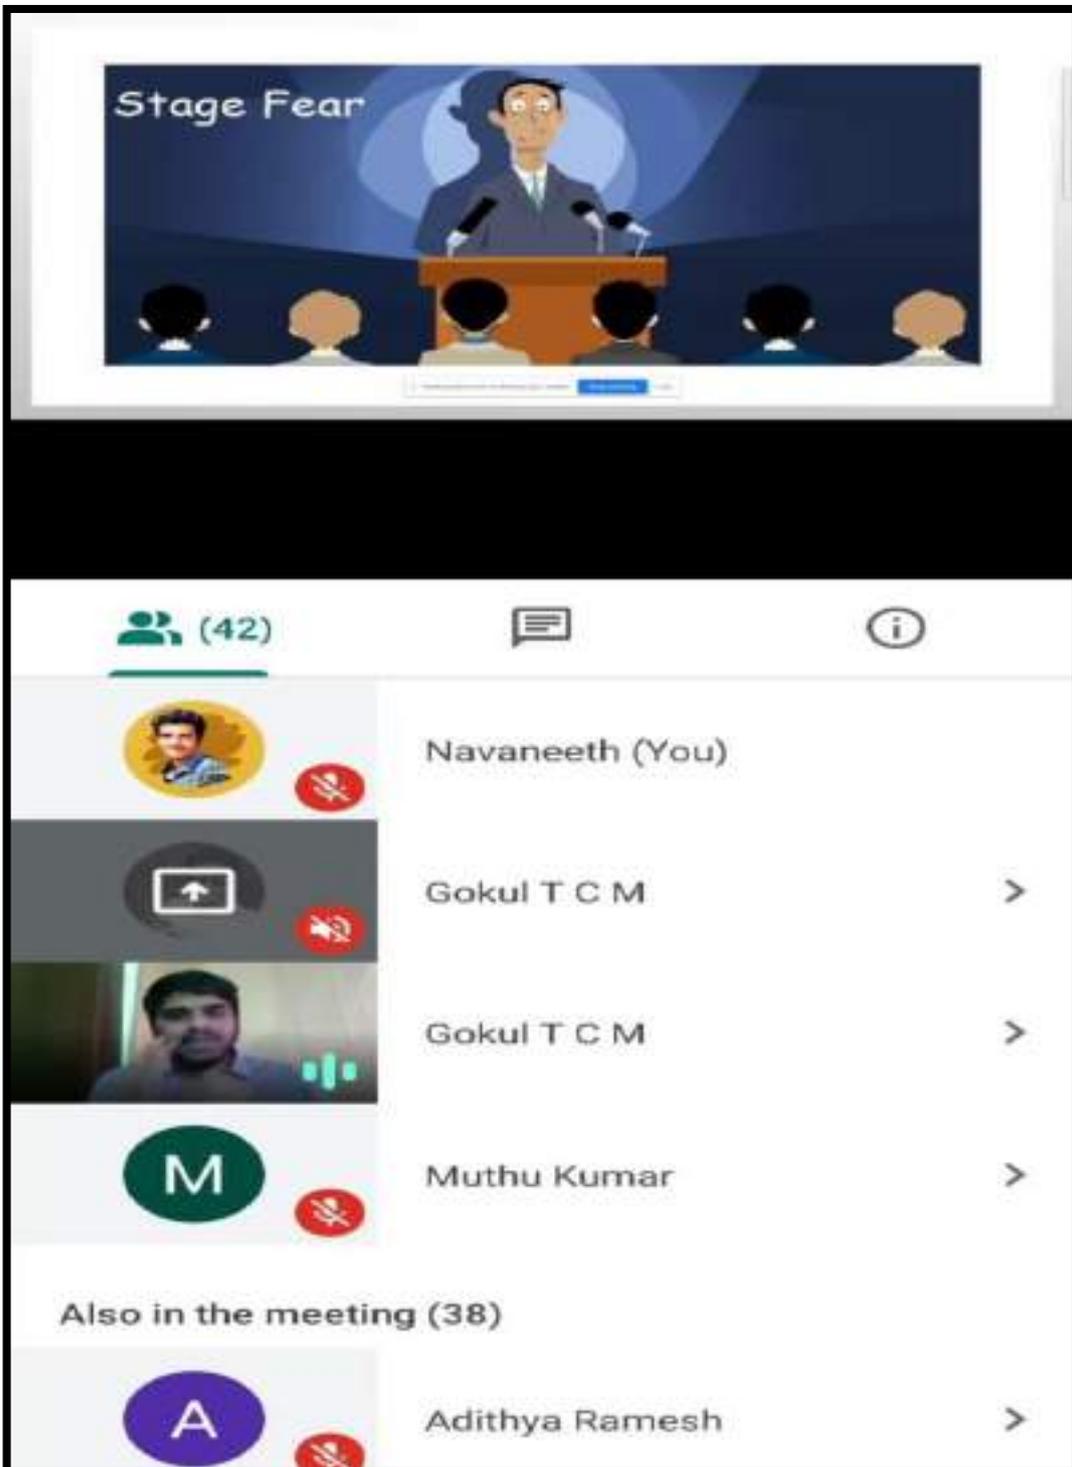

“Every day is a new opportunity to become a better version of yourself”

The speaker made all the participants to interact and answered the questions in a fascinating way to all the inquiries posed by the members. This webinar helped us to be aware of the future career and gave us a clear vision about our future.

“Save your Energy, Concentrate On strategy”

DESCRIPTION:

The event started by a creating a Whatsapp group. The motto of the event was to create awareness on saving electricity. Then, the participants were asked to take photos of the Meter box reading on 22.07.2020 morning and 23.07.2020 night and for the next two days as said before. On 23.07.2020 evening an awareness event was conducted.

Awareness event:

- ✓ Google drive link was shared in the group and in that link there were 12 energy saving tips. There would be a highlighted word in each photo. By rearranging all the highlighted words they could get a slogan related to conservation of electricity.
- ✓ The person who answered the correct answer in the WhatsApp group would be considered as winner.

After the awareness program the participants were asked to take photos of the meter box reading on 24.07.2020 morning and 25.07.2020 night. The photos were collected by Google form, the current consumption by a person in the last two days should be less than the first two days readings. The person with the most difference will be considered as winner. The third day we had given the Google form to the participates to attach the photos with respective date and time. From the results we found the winner. But the main purpose is not just for one day. It was an initiative to bring the change.

“Appreciate your parents. You never know what sacrifices they went through for you”

DESCRIPTION:

We the Rotaractors of Coimbatore Institute of Technology had planned an event **Thavam** to celebrate Parents day in a different way. We planned to celebrate this day with the fathers and mothers of an old age home in Coimbatore named *Night Shelter*. The event was organized on 26th of July 2020. The main motto behind this event is to make everyone to understand the importance of their parents. Due to this pandemic situation we organized this event through video conferencing using Zoom platform.

A small introduction about the event was given by Rtr. Saranya. Following that a small video was played which recollected lot of memories to the parents. The video had the pictures which were taken during our visit to the same home on another event UTSAVA. The parents of the home were very happy on seeing their pictures on the video. It was a sweet surprise to them from our side and those memories will last forever in our hearts.

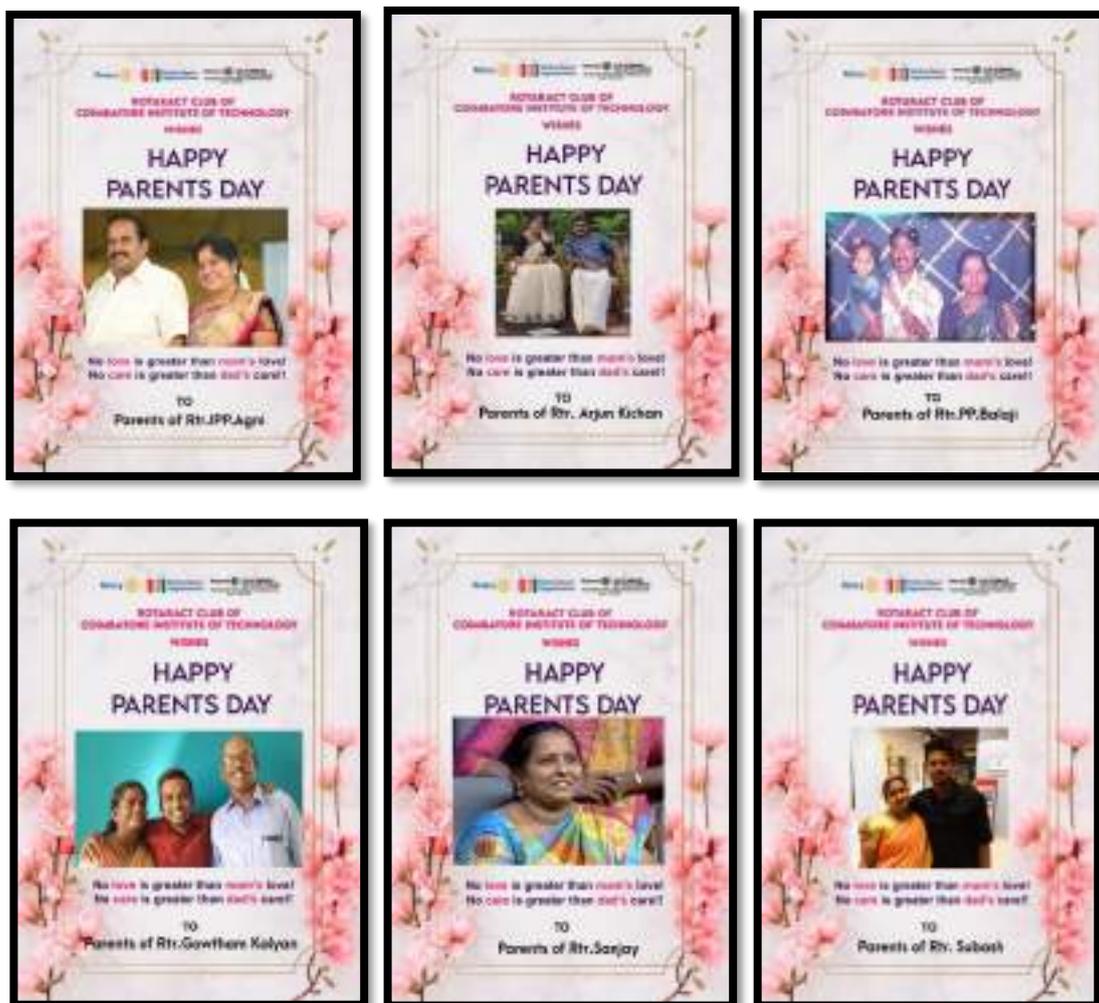

Then the parents of the home conveyed their Parent's day wishes to everyone and they also insisted how parents are important and made us to realize that we should not leave our parents alone at any cause. Their golden words will remain in our hearts forever. Then one of the grandpa sang an old song for us. Even though the members of the home were almost forty to fifty years older than us they spoke with us actively as a little kid do. Then there was an Assam family in that home, the children of the family got blessings from their parents.

The participants of the event were given a chance to interact with them. The parents of the old age home told that this event was a quite mind relaxing one because for the past two months no outsiders were allowed to visit them due to the COVID19. But we the Rotaractors can do unimaginable things right. We were connected with them virtually and it was the first experience for them to talk virtually through video conferencing. As a part of this event, Parents day wishes were sent to the parents of few cabinet members of the district in the form of posters. Their parents felt happy on receiving the posters. We hope that this event will be a remarkable one and remain in their minds forever.

This event gave us totally a different experience when compared to other events. The event was successful as it helped everyone to understand how important their parents are. The grandpa's and grandma's of the home made us feel that we are their own grandson's and granddaughter's. That was the true success of the event.

“A father's goodness is higher than the mountain. A mother's goodness is deeper than the sea”

“Anything is possible when you have the right people there to support you”

DESCRIPTION:

It was a Gang45 exclusive, mainly to increase the bond among us. The event had three phases, the first phase of the event was organized on Google meet. And the instruction for the rest of the phases were given and the event got continued in whatsapp.

Phase-1:

Nee Dhan Dhairiyamana Aalachae Kandupudi!

Can you guess what would be the event by seeing the title. Yeah it was a connection. But here is a twist that you can't guess, Instead of movies and celebrities we had connection on our own name as we are the celebrities here. So after finding a person's name, funny and secret things about the person will be revealed by others. That was really a nightmare for some of us and funny in the other way.

Phase-2:

Ding Ding Yaar Adhu?

Everyone would have played this game in childhood. But is it possible in online yeah it is. It was designed in a way that we were separated in teams. Each team had to choose a funny name with the current trend. A color would be given to each team and the team members had to click a picture with their respective color and had to post it in our WhatsApp group. The team with maximum count was announced as winner.

Phase-3:

Vikram Vedha

The last and important phase. It was like a cat and mouse game. It was a role play where different roles were given to different persons based on their attitude. Some were Police, some were Killers, some were Supporting killers and finally remaining were Victims.

A task was given to the killers of the game in the form of dialogues. The killer had to make the victims send the dialogue through chat to kill them. The role of police was to find the killer by investigating the victims as the killed person's name would be revealed once a murder occur. It was conducted for three days. The police were supposed to reveal the suspect list at the end of every day. The main suspect would be given a dare by our gang. It was the most funniest part ever. Finally as a result we had a great time together and our communication got improved.

DESCRIPTION:

On the occasion of International tigers day with a motto of creating awareness about Tigers and their importance in the world, Rotaract Club of Coimbatore Institute of Technology in collaboration with seven other clubs around the nation had taken an initiative to conduct a tremendous event “Ek Tha Tiger”.

“Their survival is in our hands”

The Event was totally about creating awareness about tigers. So we prepared a brochure with the instructions and the set of events we’ve planned and it was up to the club to select the no of events to conduct within their club. We had got entries from various clubs from both rotaractors and non rotaractors. The event was based upon points. The participants who scored more points were selected. The top two winners from each club are given taglines **Mr.tiger and**

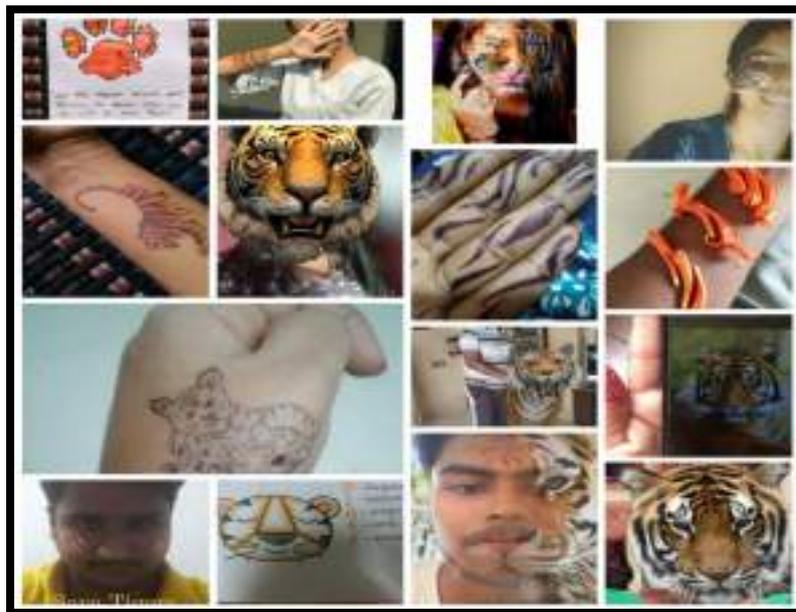

Ms.Tigress.

And the list of events is as follows:	max points:
• Create a best abbreviation for TIGER.	-3 points
• We might have heard a lot of stories about tigers during our childhood and those memories are unforgettable. Write a story about tiger that you might have heard of or create your own story.	-5 points
• Use some filters of tiger and take a picture.	-1 point
• Drawing paws of tiger and adding quotes in it.	-2 points
• A quiz with five questions based on tiger and its facts.	-5 points
• Poster making related to tiger conservation.	-3 points
• Draw stripes of tiger on your hand.	-2 points

The top two participants from every club participated were taken to the final round which is a JAM. This JAM was conducted in Google Meet. A total of 14 participants participated in this final round. Different topics were given for the participants on the spot and the top two speeches were awarded the names Mr. Golden Tiger and Ms. Golden tigress.

The participation was really nice from all the clubs and got a nice interaction between all the clubs. It was difficult to select the winners because of the strong participation. But these two final winners with a lot of effort got to the top by beating all the participants.

The boy's Tyson

Long ago, there lived Tyson- a one eyed tiger cub. It was playing through the pleasant green grasses in the dense jungle trying to catch the butterflies flying under the blanket of blueish Cloud.

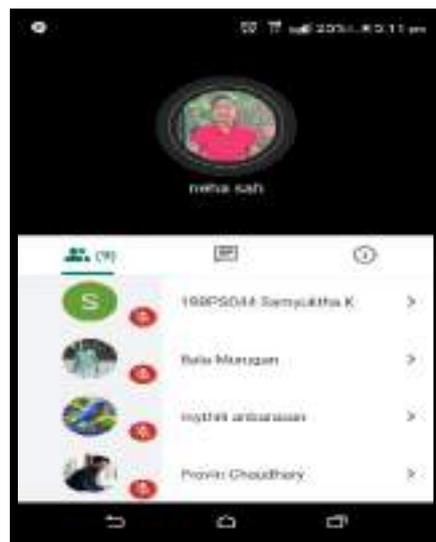

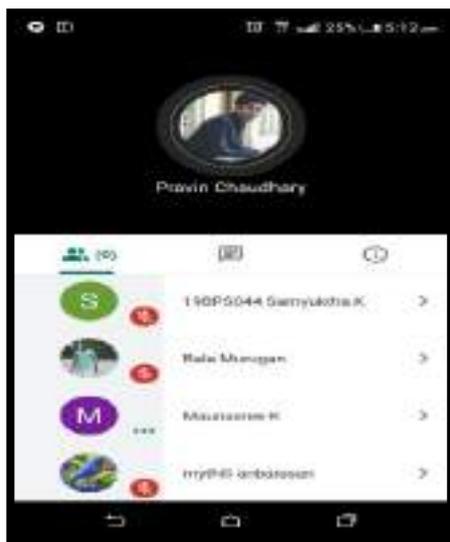

Hearing the strange noise behind the sounds of the forest, the cub went to check it out of its eagerness. There Tyson saw the Hunter's boy **Zaurus** who was the reason for the noise which was made out of the gun shot. Fearing that the boy could kill the cub, it ran inside the bushes full of thorns and got stuck in its paw. The thorns gave severe wounds through which blood is squeezing out and the cub cried out unable to bare its pain.

Feeling pity towards Tyson, the boy treated its paw giving medicines. The cub became happy and it got well soon. Tyson went on its way after seeing Zaurus's gratitude.

Many years later, Zaurus as a man became drunkard after losing his parents and he started begging people for money. The king felt that feeding Zaurus is for nothing but just a burden to his kingdom. So he ordered his servants to serve Zaurus as a food for the hungry cub in the den. The servants obeyed the orders as given.

Zaurus was thrown inside the den. He cried the whole night for help until he saw the one eyed tiger. No sooner did they recognized each other they both cried out in happiness and Tyson cuddled Zaurus. Tyson set him free and they both went to another place far away from people and had a peaceful life.

The end...

DESCRIPTION:

“True friendship comes when the silence between two people is comfortable”

The Event "NANBA OH NANBA" was Conducted for both Rotaractors and Non Rotaractors. Basically the motto of this event was to share their happy moments with their Friends and also to recollect their Valuable Memories. Through this event, participants sent their Snaps, Messages and also videos about their Friends expressed their Bond. We could also able to see some misunderstanding getting resolved by seeing these wonderful memories they were holding. Friendship doesn't need a day to be celebrated because friendship itself is a celebration. We collected all their memories and finally converted it into a beautiful video and posted in our page. This friendship day of RaC_CIT held a lot of memories of different people which is to be cherished.

DESCRIPTION:

“Service to others is the rent you pay for your room here on Earth.”

We can live our life only once in this beautiful earth, Donating our organs will give a second golden chance to live in this world. To impart the importance of organ transplantation we organized this session on the World Organ Donation Day. The main concept behind this event was to make everyone know what actually organ donation is.

The session was handled by Raghuman Basith ,a certified organ transplant coordinator of NOTTO (National Organ and Tissue Transplant Organisation). He started the session by quoting the example of Kannappanayanar who donated his eyes to lord shiva.

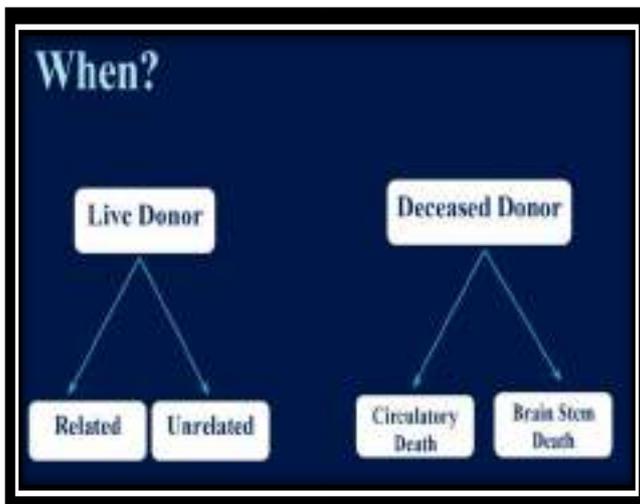

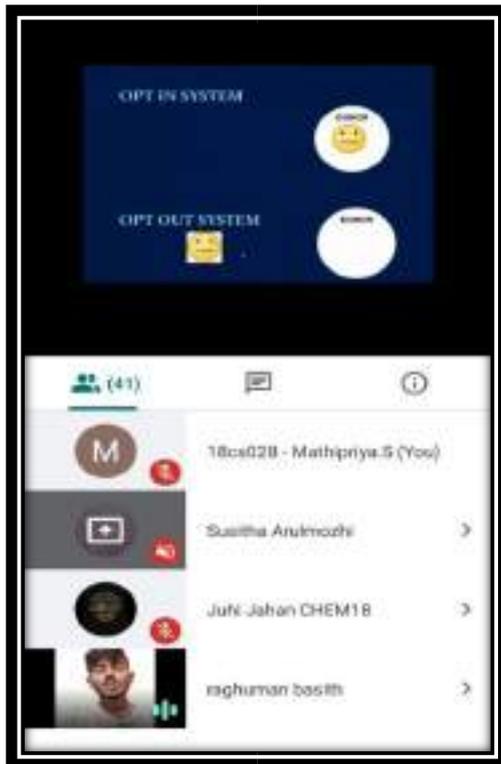

He gave information about,

- When a person can donate his/her organs?
- To whom the organs can be donated,
- Which organs can be donated by a living person?

He also pointed that the most needed organ among all is the eye as most of the people are waiting for the eyes to be donated. He also explained about the Brain death. He stressed a point that a deceased person’s organs can save up to nine lives. Then he gave details about the organ donor card and pledge. He finally concluded the session by bursting some of the popular myths in organ donation. It gave us an insight to know what organ donation actually means. Then the participants were asked to shoot their doubts and queries to the speaker related to organ transplantation. The participants came up with some interesting and thought provoking questions. Then a feedback form was circulated to the participants for sharing their valuable feedback. Then a small poster as a token of love was given to the speaker.

“Once you choose hope anything is possible”

“Immune system will heal itself”

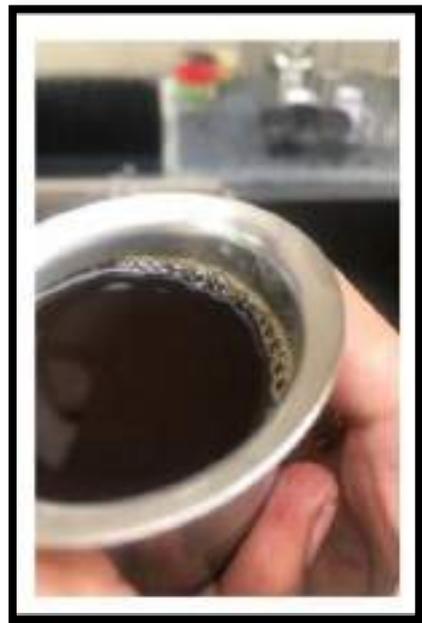

DESCRIPTION:

At this pandemic situation the most important thing for a better health is a good immunity power. So we collaborated with Rotaract Club of Sri Krishna Arts and Science College for this wonderful event. This event was to provide homemade health drinks to the neighbours. The participants were asked to send the photographs of giving the immunity drinks like nilavembu, kabasura kudineer etc... to their fellow people. The idea was to make everyone understand that keeping ourselves healthy is the only self-defense against Covid 19. We initiated this event to promote the use of health drinks.

Wearing masks and gloves helps to protect our external body but immunity drinks reduce the risk of getting affected and also helps us to fight against the virus inside our body once getting affected.

DESCRIPTION:

The online event **READY TAKE ACTION** was conducted by Rotaract Club of CIT in collaboration with 4 clubs namely Rotaract Club of Hindustan College of Arts and Science , Rotaract Club of SIVET , Rotaract Club of Tirupur Young Generation with the motto of **“Talent is a universal gift, but it takes a lot of courage to use it. Don’t be afraid to be the best”**. A great initiative for this event in collaboration with Rotaract Clubs was to find the talents of people who just spent their time in this lockdown pandemic and make them to expose their talents to others. The main part of this event was to expose their skills in particular skill of acting. The event was graced by the team efforts of four Joint Rotaract Clubs in order to find the great talents. Hopefully, this event **READY TAKE ACTION** matched the sayings that we really don’t know the value of thirst until you drink for the first time. The event **quenches the thirst of real talents** who seeks for opportunity to expose their talents. Finally, the event made everyone’s quarantine time valuable and made all to stay in an enthusiastic manner.

We had participated in our District E-Assembly **WONDER**. We were so happy to be a part of it. It was hosted by Rotaract Club of Coimbatore Cacil, Coimbatore Cosmopolitan and HICAS on 02.08.2020. The whole day was very useful and interesting. We thoroughly enjoyed it. Congratulation to all district Cabinet from Rotaract Club of CIT.

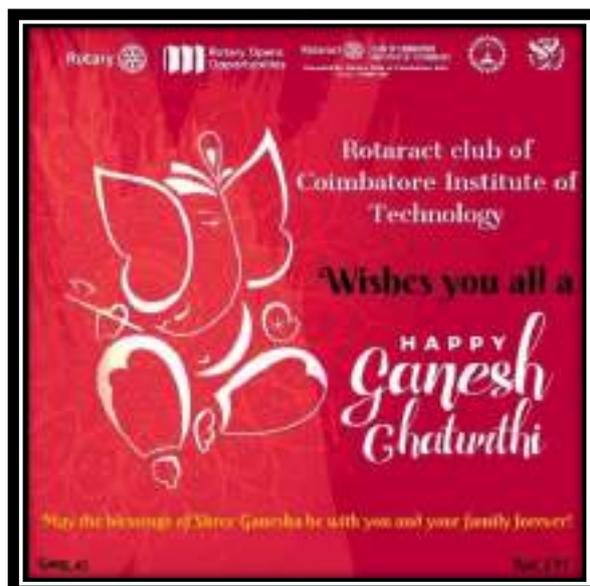

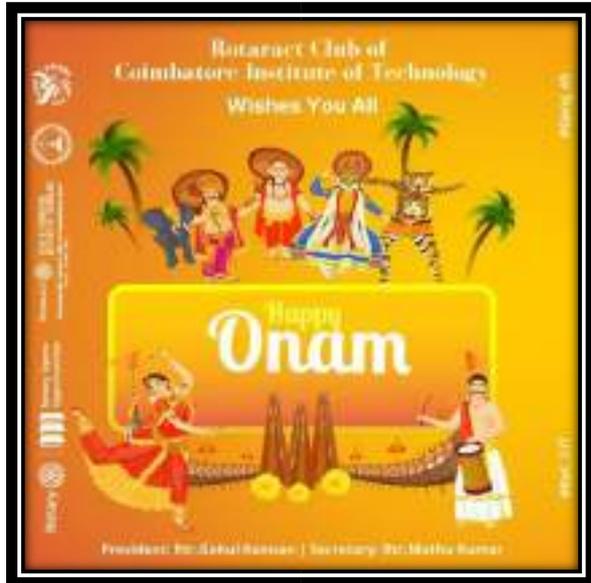

ORIENTATION: 23

“The key to success is dedication to life-long learning” Rotaract Club of CIT successfully completed our Club orientation, “RAKITA RAKITA” on 16.08.2020 from 05.00 pm on zoom. Thanks to everyone who spent their valuable time to learn and special thanks to Rtr. IPDRR Ajai Shankar for being with us and took the honor of orating session. Truthfully, we learnt a lot from that session. He was so friendly and made everyone to stick to his session by his marvellous oration. That 1 hour was really useful to everyone. And we had successfully released our logo there.

WISHES FROM CIT:

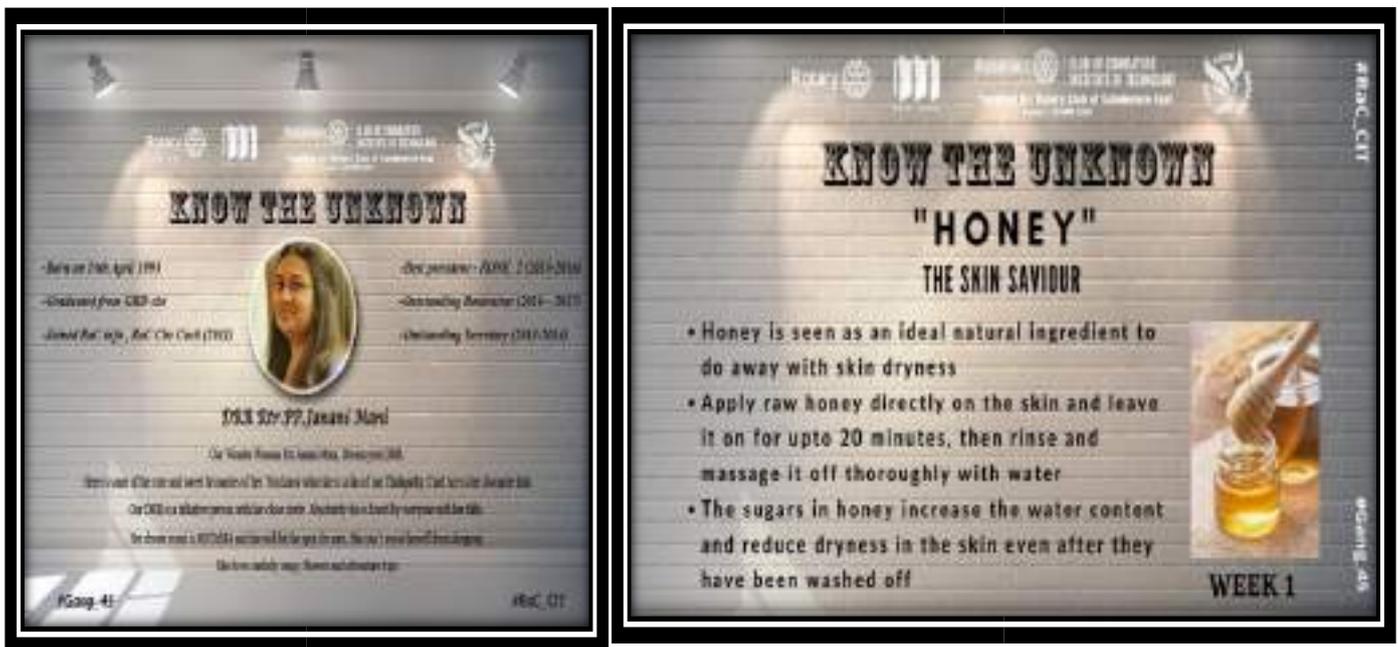

KNOW THE UNKNOWN: -24

“Secrets are things we give to others to keep for us”

We initiated this event **KNOW THE UNKNOWN** in yearly

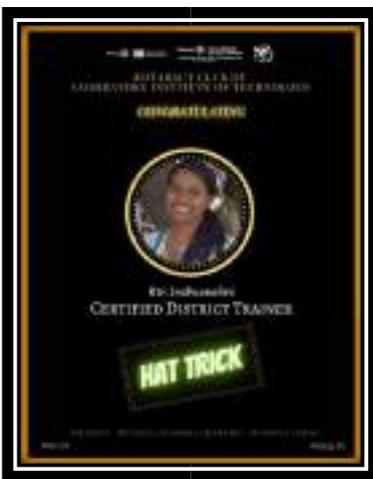

term to immerse all people in lots and lots of science facts and some of the fascinating and cute secrets of our District Celebrities. We planned to release the facts about cabinet members on Sundays. We hope that it would be helpful for many people. Our first topic is on beauty tips as it was very trending in quarantine days. We were happy that we had completed one month of beauty tips. This will be continued for next 12 months. We assure that we would come up with different topics that would mesmerise you..

Project Description: The main motive of the project was to explore the mindset of the youths and showcase their thoughts. Nowadays most of us think that youths prefer only jobs and no one is interested in agriculture. We had a hot debate with Shyam prasadh Rajasekaran sir as the moderator. The speakers made a spicy debate with few supporting agriculture and the rest supporting Technology. Finally after hearing both the sides, moderator gave his opinion with his judgement that agriculture would be the future, with technology playing a supporting role.

We had a great experience in sending off one of the finest batches of CIT ever had. They were our support and inspiration at most of the times. Two typical farewell events were there, Truth or dare, Thanks and sorry. They shared a lot of memories and feelings with us which became a chance for them to recollect what Rotaract gave them. Truth or dare allowed them to have fun by teasing each other, sharing naughty and funny things they did together. Whereas Thanks & Sorry event melted everyones heart, few quarrels were sorted out in a cute manner. Short video was presented which replicated their old memories of being together. At the end of the event we were overwhelmed to see their happiness in the form of tears bidding a good bye to each other. Small tokens of love was given to them virtually.

Project Description: Peer was an event collaborated with E-Cap and Alert NGO to create an awareness of giving first aid to the people facing accidents. Accidents are something that can't be avoided but the first aid can save the lives of the people. They gave us a deep statement that "We can also be a life saver". With this motto the event gets started, they explained about the basic do's and don'ts to the patients who faced accidents, electric shock, Bone dislocation etc. Everyone learnt few basic first aids which would not only be helpful to them but also to the people around them. Hope this might be a life saving tool and participants would apply this to save someone's precious life.

Project Description: Generosity and service is not God-gifted. Simplest acts of generosity can make the world a better place. Everyone in this world deserve kindness. So, We the Rotaract club of Coimbatore Institute of Technology had organized an event named "Puthiya Vidiyal" on 25/12/2020. This event was organized on the day of Christmas to provide food for the children in the Juvenile Detention Centre. The main motto of event is to provide food and spend some time with the children. This event was the first event where many rotaractors joined together and celebrated Christmas by spending time with those children. Two days before itself we started collecting donation from the people. Many kind hearted people voluntarily donated the amount and this led to the great success of the event. Totally food was provided to 50+ teenagers in juvenile and also to 20 roadside people. We really had a great satisfaction in doing that event on Christmas and we thank all those generous contributions.

The past Presidents and Secretaries of our club had been invited for the participation. We all had a great get together with the most beautiful memories. So many rounds had conducted started from the memory recollecting. we had shown some pictures of our college and asked them to share their own experiences associated with that place. We had so much fun in knowing some of the secrets. They all shared about how they conducted events and explained the struggles they faced which motivated and helped us a lot to improve. On whole we recreated and created memories

Project Description: From small beginnings come great things. This event took place at Little Hearts Home, a home for the mentally challenged at Iruttu Pallam. In this event we spent an evening with the mentally challenged people and provided them dinner. Although those people were mentally challenged they were kids by heart and a child in their character. Everyone of us felt that childlike behavior which we people were longing to get back. Due to the pandemic only few of us went there physically and the remaining joined us through Google meet. The food was served to those people by us, we felt very happy by seeing their faces. At last, we danced along with them for their favourite songs. Spending the new year evening with those people gave us an unforgettable memory which is to be remembered throughout this year.

EVENT DURATION : 12 HOURS

DESCRIPTION:

The event was a full day trip planned exclusively for our club members. The location for the day was Aaliyar and Mayiladuthurai. Our journey kick started at 8.00 a.m with all the fun we had dancing in the bus. Once we reached Aaliyar, We went for a sightseeing over the dam and enjoyed the scenic beauty of Pollachi. We went to the next place Mayiladuthurai where we had the best part, having our lunch with our feet over the surface of water. Finally we started our journey back to Coimbatore after spending few hours inside the river, swimming around. As it was our final trip with our seniors, we had few farewell speeches which made us realize the bitter truth that they were leaving. We reached CIT by 8.00 p.m with all our eyes full of tears. The trip was a roller coaster of emotions which would have a special place in our memories.

DESCRIPTION:

This event was organized as an initiative to donate the food to the needy people in the government hospital joining hands with an NGO named Pasiyilla Kovai. Donating would mean showing a sense of humanity towards the betterment of the world. The main cause of the event is to reduce the hunger due to the poverty. On 13th march we went to the government hospital, Coimbatore. Once we reached there we could able to see a lot of faces with no smile in it. When we started donating people came to us with a hope that they found someone who could help them for the next meal. we donated around 200 packets for the people in the hospital including patients, attendees and workers. "One can sleep well, think well , if one has dined well. The event was so successful and it gave us an immense gratification that we had been a reason for removing someone's huger and made them sleep well.

ABOUT

Rotaract club of CIT with a legacy of **44** years of Rotaract movement was started with the help of **Rtn.P.R.Ramakrishnan**, Founder of Coimbatore Institute of Technology and District Governor(1997),with the motto of “Self-development and Fellowship through Service”. Still gleams with the same and equal pride. The Club was chartered on 14th January 1977 with charter President **Rtr.PP.Shyam Sundar** supported by its Parent club, **Rotary Club of Coimbatore East**. It belongs to the Rotary International District RI 3201, Zone 5 in South Asia, and Group-1 under its district. It has maintained a tenacious bond with its sister clubs namely Rotaract club of GCT, Rotaract club of PSGR Krishnammal college for Women, Rotaract club of Coimbatore Unity. The club ventures scope, liberty and new trail to the young Rotaractors and cultivates devotion, passion and inner strength. It makes difference by being unique with motivation, discipline, pure heart, excellence and leadership. It substantiates with the sincerity of purpose of its members. This gleam of RaC CIT outlives eternally.

“Helping one person might not change the whole world, but it could change the world for one person”

By this way, Rotaract Club of CIT have taken the initiative by this event ANBODU. This event is the outcome of the project **NALAM ANBUDAN** conducted on 1st week of September 2018 (National Nutrition week) which turns out to be **beneficial event** for the participants and also for society.

“There is no exercise better for the Heart than reaching down and lifting people up!!”

We visited the above mentioned orphanage and enquired about their needs. Since they requested construction materials for building maintenance,

we brought the **materials** and also **stationery materials** and chocolates for the children in the morning.

In the noon, we visited Rehabilitation center, GANGA Hospital, Gandhipuram and spent with the physically challenged person. They wondered us with their talents of playing sports with wheelchairs.

THE SECRET OF GETTING AHEAD IS GETTING STARTED:-)

New beginning

New mindset

New focus

New start

New thoughts

New blossoms

New intentions

New actions

New results obviously!

To trust the magic of beginnings and to know what Rotaract is all about Rotaract club of CIT had organized an **Orientation programme** for the incoming members. The hall was decorated and lightened with almost **86 members** entirely from CIT. It was almost 5.30 p.m. A pleasant autumn evening. The duo has arrived. Yes, the **Pilot faculty, District trainer Rtr.PDRR.Ajay Chandran** and the **Co-pilot faculty, District trainer Rtr.PP.Khumaravelu** adorned the crowd with an unexpected entry. He grabbed every audience attention and made them get to know what Rotary is and more and more about what Rotaract is. They carried out his session with bag full of tricks and fun filled events which indirectly enlighten the audience mind with knowledge entirely about Rotaract. The event actually named **KARKA KASADARA** which really captured everyone's interest towards Rotaract. Of course, the faculties of the day made that happen. The district cabinet member Rtr.IPP.Vishal(District Director-District Priority Projects), Rtr.Deepan(President Elect-RaC GCT) and Rtr.Vijay Vignesh(President Elect-RaC Coimbatore Gaalaxy) scheduled their time from their busy daily routine and made their presence in the orientation programme. The trainers made everyone split into teams and asked to present three ideas of projects for four avenues of service. The teams interacted and discussed among themselves. One member from every team presented their ideas. Thus, the faculties made everyone to think how a project should be and how to plan and organize a project. The board members then explained their profiles and their duties to the incoming Rotaractors. The pilot faculty adjourned the session by 7.10 p.m. Yes, this session really conquered everyones's heart and turned out to be a great success.

COMING TOGETHER IS A BEGINNING; KEEPING TOGETHER IS PROGRESS; WORKING TOGETHER IS SUCCESS;

Every day is what you choose to make it. Every night our dreams can bring hope. Every hour holds a new promise and every second brings a fresh beginning. Yes it's like just when the caterpillar thought her life was over, she began to fly. Quality is a pride of workmanship. It's been almost 43 years since Rotaract club of CIT emerged with beautiful colors. And now, the time has come. Bringing up a basket full of pride and legacy of the 43 years of Rotaraction, Rotaract club of CIT had our installation ceremony on 24 July 2019.

One fine cloudy evening. The sun was about to set. Birds around CIT welcomed the bang of rotaractors with their sweet chirping songs. Tradition is not to preserve the ashes, but to pass on the flame. Every rotaractor from CIT turned up in colorful traditional attires including the incoming guests

to the ceremony. Every single thing depicting tradition were been a part of the installation ceremony. Lamps and colorful flowers adorned the hall. Everything was set. The honorable chief guest Rtn.Srinivasan(President, Rotary club of Coimbatore East), Guest of honor Rtn.PP.M.G.Srinivasan(Chairman-RI Priorities, Rotary Club of Coimbatore East), and the special invitees Dr.D.Prabhakaran(Staff coordinator-Rotaract club of CIT) and Rtn.Dr.P.R.Muthuswamy(Secretary, Rotary club of Coimbatore East), Incoming Secreatry of RaC CIT(Rtr.Vijay Manoharan) and the man of the day, Captain of the ship, the incoming President of RaC CIT(Rtr.Kirubaharan S) occupied their seats onto the dais lightning the lamps. The captain of the ship was installed as the 44nd President of RaC CIT. Followed by him, all other office bearers of RaC CIT were been installed in their respective portfolios. Almost all the Cabinet members of RI 3201 made their valuable presence to the ceremony. Felicitations and Pleasantries also were astonishing. Special recognitions were also been awarded for the outgoing board members. The ceremony was adjourned by nearly 8.00 p.m.

EVERY DAY IS A NEW BEGINNING. TAKE A DEEP BREATH AND START AGAIN!

“Sometimes the smallest efforts we make turn out to be the best outcomes.”

BLUE SQUAD turned out to be one such effort. Destined at Vellalore which is sourced by the southern banks of Noyyal river – meaning: *‘devoid of illness’* but unfortunately was titled as one of the most polluted rivers in India and had the definite and immediate need of rejuvenate. Change begins the moment we take a step forward – “**KOVAI KULANGAL**” a group of people with whom we had a chance to work with believed in restoring our greatest significance. We, as a count of 60 members reached Vellalore lake by 10.30 am. Greeted by both the group members and the climate, began our day. The Blue

squad was given gloves and big bags to carry wastes along volunteers from Kovai Kulangal team to guide us. We had our refreshments after which Mr. Suresh from the Kovai Kulangal team told about the formation of their team and the initial difficulties faced by them. Opinions from our college team was shared and they were very delighted to know that we had a good experience. Kovai Kulangal had made the August 4th the most memorable and useful day.

“Planting trees are planting hope.”

The event was started by 9:00 am and ended by 12:30pm. Our team has arrived the Vellalore lake, Coimbatore. We levelled the surface around the lake to plant the tree saplings. We planted about **180 bamboo saplings** around the lake. Because, bamboo trees along lakes **reduce water temperatures** by their shade, prevent or reduce bank erosion and silt. Bamboo trees help in **desilt**. After planting, the saplings were watered. We also nominated the Rotaract Club of Info Institute of Engineering, Rotaract Club of Saibaba Colony and Rotaract Club of Coimbatore Majestic to do the same and **complete the challenge**. A week after the completion of the event, **heavy rainfall** in Kerala and Coimbatore made the lake full of water, as water is distributed from Noyyal river. We were so happy to witness the lake with **water filled in just a week of completing the project**.

NAATUKAAGA NAANGU NODIGAL was an event conducted on 15th of August which is celebrated as Independence day by the citizens of INDIA. We asked some **general questions to the audiences**. Independence Day is celebrated to remember the true spirit of freedom and independence. The joy of the citizens of our country knew no bounds as the efforts of the freedom fighters paid off and it was attained in 1947.

Some of the questions we asked them were:

- 1.) Why independence day is important?
- 2.) Importance of freedom and responsibility

Independence Day is a way to **remind about sacrifices** of our leaders. Freedom is the ability to set your schedule, to decide on the work you do, to make decisions. Responsibility is being held accountable for your actions. It might involve figuring out how to get paid for your work, owning your mistakes

or having others count on you which we done was really fun, students gained more about the general talks about our history of living, above which everyone interacted well as it was Sunday as well as friendship day.

“We can't make everyone smile but, everyone can make someone smile!”

Nammavarku was an event exclusively conducted for mess workers in our college and our motto is to make them happy by **providing food to the people who give food to us daily**. It was one lazy Sunday afternoon where likes to sleep after having their lunch. But, we the Gang-44 of Rotaract Club of CIT were all set for providing delicious food for the mess workers. There are about **90 mess workers**. They served us for years, but we served them only a day. After lunch, we conducted many events like uriyadi, lemon in the spoon, musical chair, etc., to make them happy and to **bring back the youth in them**. They eagerly participated and involved in every event with lot of pleasure. The child in them came out to play. It was around 5:30 pm, where everyone was tired of playing the games. They were provided a glass of juice. The mess

workers were given **blankets** to bear the cold by Rtr.Brindha(Vice-President(2017-2018), RaC CIT). The amount of **happiness** in their faces were **immeasurable**. At last they shared their emotions, knowledge and their memories with us. It made everyone cry literally. According to them, **we are their children and they also stated that our happiness was their happiness**. They enjoyed the event well and blessed us with full satisfaction. In spite of their busy schedule, DRR Rtr.Ajai, Rtr.Mithesh Raju(District Rotaract Secretary - Communication), Rtr.Salman(Special Coordinator – Kerala Region), Rtr.Thanghapantieyaan(President – RaC HICAS), Rtr.Sri Sabarinathan(Vice-President – RaC Cacil) and Rtr. “Planting trees, we are planting seeds of peace and seeds of hope!”

By this way, Rotaract Club of CIT has taken the initiative through this event **VIDHAI VIDHAI** to plant samplings where they can grow in organic environment.

"This is no Sweet ball but a Seed ball"-an innovative and economic way of growing plants ensuring their survival.

Seed ball is an innovative way to grow plants. It basically consists of a mixture of red soil (mud) and cow dung mixed with other bio compost. These semisoft seed balls are thrown so that they sprout and become plants and eventually trees that help in **capturing and retention of rainwater**.

“Local food is about getting the freshest and best-tasting food. It’s also about connecting to and strengthening community.”

We visited the organic farm in Irugur around 15km away from Coimbatore. We were taken to a plot of land where we pulled out the weeds. We got a **great opportunity** to learn and identify different species of plants. We had great time with the caretakers the farm. They taught us how **organic farming** is done in effective way suggested by Naam Alvar. We understood the false belief of today’s generation looking at agriculture or farming to be an occupation or as a means for earning money which is not wrong instead farming should be done for our survival in such a way we don’t disrupt the nature’s balance.

We all feasted on the lunch which was prepared from the **pesticide free** produced from the farm. It was even tastier as we all had worked up an appetite for it.

After lunch we had a quiet session in which one of the caretakers shared his thoughts on farming as a way of living rather than as an occupation. The event ended on very warm and happy note by flute performance celebrating Lord Krishna’s Birthday.

“There is no revival possible in any fellowship without a funny moments”

The Juniors ParaaK was a fellowship event. As the name suggests, it was exclusively conducted for the 2nd year Rotaractors of CIT. It was a warm Monday evening, where the juniors are literally tired of attending the classes after a long weekend of 3 days. Our event Juniors ParaaK was a perfect treat for them to get rid of usual assignments. The event was started by 5:00 pm. The members were divided into several groups with 8-10 members per group. Then a clapping game was conducted to boost the energy of the members. This energizer had given the rigorous energy to them. It was followed by **“I Want a Parachute”** – a game where a volunteer from each team was asked to argue with their fellow members. The description was that a flight was met with an accident and a parachute is available. They want to argue in the given voice (for e.g., Shin Chan, Modi, Seeman, Kalakeya, etc.,) that they need the parachute

and to state the reason for them to live. That person was asked to do some imitation like that character so that their team members could find that character. It was the real fun when they argue in the given character voice and almost every team found the character's voice. The event was ended by 6:40 pm. It was very much interactive and creates a healthy bond between the seniors and juniors.

“Victory is in the quality of competition and not the final score”

Ee Sala Cup Namde is a Flagship event of the International Avenue under the chairmanship of Rtr. Varshini. It is a cricket match between Rotaract club of CIT, RID 3201 and Rotaract club of Mangalam, RID 3202. Unlike any other ordinary match, Ee Sala Cup Namde was started with the introduction of two teams.

We had a friendly environment throughout the match. Rotaract club of CIT won the toss and stated bating around 10.30 am. Our players were very determined towards scoring and we had a tough battle from the other team. The team captain Rtr.Sreenivasan managed the team very well. After the first innings Rotaract club of Mangalam started to bat. They had a very well organised team. Our fielding strategy was appreciated. Amidst our match, we were very happy to have Rtr.Navaneetha Babu and Rtr.Gowtham Kalyan from the district council to enlighten our match. After completing a pace of 10 overs, we had to go through the next pace. Before which we had refreshments and

some friendly talks. Rotaract club of CIT, won the match. Both the teams were giving a tough fight for the other and tried their best. By the time we finished the second pace, we had already become good friends. After the match we had a good photo session and we were very happy about the match. Sept 1,2019 was another day to be cherished in the history of Gang 44 for its memories and friendship.

“Nalam Anbudan” - the event conducted on account of celebrating Nutrition week of 2019(sept 1-sept 7) by the Rotaract Club Of CIT. The idea behind this was to supply a whole range of nutritious food to the interested students at CIT and donate the profit thus obtained to needy children out there, thereby making a mutual gain.

Healthy diet for 7 days:

12/09/19	Thursday	Ragi Laddu
13/09/19	Friday	Flattened rice (Avul)
14/09/19	Saturday	Vaazhaipoo vadai (Banana blossom fritters)
15/09/19	Sunday	Ballon wine soup (Mudakathan keerai soup)
16/09/19	Monday	Kozhukattai
17/09/19	Tuesday	Multigrain Cookies
18/09/19	Wednesday	Sesame ball (Ellu Urundai), Groundnut bar

The food items are delivered to the students around 7.00 a.m. to 8.00 a.m., because when they consume these nutritional foods in morning, they have **good effects of food for the whole day**. They enjoyed eating the delivered food whole week. If there is excess of food, the remaining will be given to workers, thereby **no wastage** of foods. **300 students** consumed our healthy food. We have done all the academic activities in evening and night. Thereby, we spent our time in picking up and serving food in morning. Thus, the whole committee members of Nalam Anbudan learnt **time management**.

Event Description:

By this way, Rotaract Club of CIT has taken the initiative through this event **CLEAN UP** to eliminate plastic waste in and around the temple premises of Coimbatore Institute Of Technology and make the place a clean and safe environment.

In 2014 about 311 billion kilos of new plastic were produced. In 1950, this was only five million tons. The production of plastic has increased every year by 8 percent. About half of that is single use plastic and is thrown away immediately after use. It is estimated that about one trillion plastic bags are used worldwide every year. The improper disposal has led to many environmental issues like soil erosion, decrease in ground water table etc.

Be a part of the Solution, not a part of the Pollution!

We picked the plastic waste present in the temple premises of our college along Swachh Bharat Club of CIT and many other volunteers. We gathered all the waste and disposed the waste in a proper way and we also collected many recyclable plastic wastes and segregated the plastic waste and disposed them accordingly.

“There is no such thing as away when we throw anything away it must go somewhere”

In order to create vibrant editors and to train the Rotaractors who wanted to give their best in editing, we the Rotaract Club of CIT joined hands with District Editorial Board(2019-2020) of Rotary International District 3201 and delivered a colorful events for the Rotaractors of RI District 3201. The participants were trained on three softwares that is Photoshop, Corel Draw and Power Director. We circulated the google forms a week before the event and got numerous responses from 122 Rotaractors of 33 various Rotaract Clubs of RI District 3201. A participant could be trained on one software only to give a strong foundation and in-depth knowledge in the particular software. Therefore, we had recorded responses from the participants from the Google forms and classified three 3 groups of Rotaractors according to the Software they registered.

INAUGURAL CEREMONY:

“A good start will have a better ending”

The registrations were closed at 9:40 am and the Inaugural ceremony started at 9:50 am. To ignite our colorful event, we had the presence of our Chief Guest Rtn.Hendry Amalaraj, Chairman – Youth Service, RI District 3201, Guest of Honour Dr. Sampath, Dean – Extra Curricular, Coimbatore Institute of Technology, Special Invitee Dr.D.Prabaharan, Staff Co-ordinator, RaC CIT, DRR Rtr.PP.Ajai Shankar, Rtr.PP.Mithesh Raju, District Rotaract Secretary, RI Distract 3201 on the dais. The event was called to order by 10:15 am by the Event Chairman Rtr.PP.BALAJI M. Pleasantaries were given to the dignitaries. The Inaugural ceremony was adjourned by 10:30 am.

TRAINING SESSIONS:

To start the training sessions, we have our trainer PDRR Rtr.Vivek Baskar who had wonderfully delivered the general content for posters, bulletins. The participants got a clear idea that how a poster should be. Followed by the General Content by PDRR Rtr.Vivek Baskar, the Rotaractors had their hot tea.

The participants were asked to go to their respective venues to get trained for the softwares. The following softwares were handled by the following trainers.

Photoshop – Rtr.PP.Prasanth Sridhar

Corel Draw – Rtr.PP.Balaji M

Power Director – Rtr.PP.Sriram Barani

The training sessions were paused at 1:00 pm for Lunch. The Rotaractors from various clubs enjoyed the delicious food and started interacting with each other. Thus, fun and fellowship were built there. After Lunch, everyone had returned to their respective venues to resume their session. The participants had

hands-on training and every participant were given a task to clear the doubts while they are practicing. The training sessions were completed by 3:30 pm.

We were very happy to see that District Cabinet Members of RI District 3201 joined us in the colorful occasion. Almost every District Cabinet members were present. Then, Rtn.Godwin Maria Visuvasam, Zonal Chair – Youth Service, RI District 3201 and Rtn.Vijay Krishnan, Regional Chair – Youth Service, RI District 3201 joined us and all the participants, host team and District Cabinet Members gathered together and had a photo session.

VALEDICTORY CEREMONY:

The Valedictory ceremony was started at 4:00 pm. We have our Chief Guest Rtn.Godwin Maria Visuvasam and Guest of Honor Rtn.Vijay Krishnan to kick start our valedictory ceremony. Certificates were distributed for all the participants. Special recognitions were made by the Event Chairman Rtr.PP.Balaji M. Some participants shared their feedbacks. We were very blessed to hear such positive feedbacks from them. In the history of RI District 3201, for the first time the District Editorial Workshop had received an enormous count of 122 participants from 33 various clubs inclusive of both Campus based and Community based clubs. An equal ratio of male and female participants had attended the workshop. Yes we officially created the milestone and break the records.

“A dream can come true when the performer gets the perfect stage”

ATHENA is a major flagship event of the Rotaract club of CIT. It was initiated by Rtr.Ragunath in the year 2013 as a quiz program for only one school. After six years, now it has showed a tremendous growth with nearly 103 schools invited for the event. The main objective of the event is to bring out the hidden talents of school children by providing them various platforms. The event was classified into two categories as grades 6th to 8th in first category and grades 9th to 12th in second category. There were about 25 events conducted for each category apart from Mr. and Ms. ATHENA and Science Expo.

“Success is the sum of all small efforts repeated day in and day out!”

In order to enhance people’s way of thinking and to intensify the basic knowledge and wisdom, this event was conducted. In this event a simple test is conducted for everyone without any limits and was given sufficient time to submit their responses. Everyone’s view and perspective were different hence it’s quite a tough task for us to identify the **Mr. /Ms. SPARKLE**. We had created a **google form** with **15 logical questions** to test their way of thinking. We have received many responses from November 5th to November 15th. Surprisingly, there was about **85 minds** from various colleges and clubs who had participated. Based on the uniqueness and the content, we have selected the winners and encouraged all the participants for their active participation. The winners were officially declared on **November 21st 8:00 p.m.**

The winners are

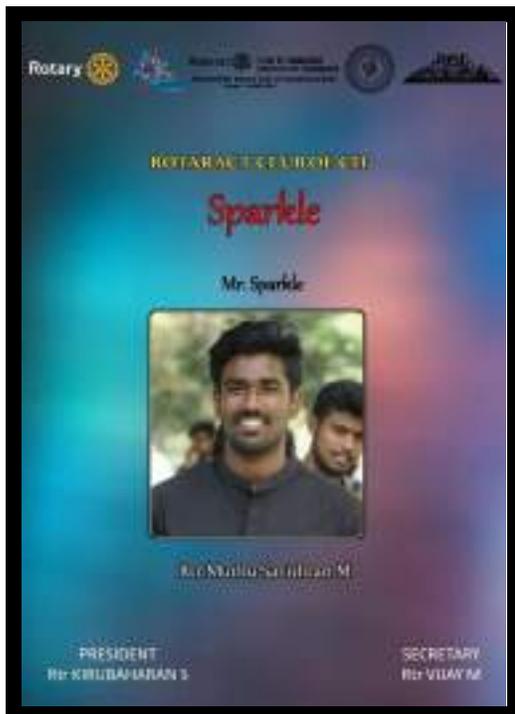

Mr.SPARKLE - Rtr.Muthu Savithran.M

“Health is not valued till sickness comes.”

Diabetes Awareness Campaign was an online international initiative in association with **Rotafacts** and 39 Rotaract clubs from **19 RI Districts** with the help of 3 outreach partners. This event was carried out on the occasion of **World Diabetes day** which was celebrated on November 14th every year. It is found that one in five people suffer with Diabetes and are unaware of it. Diabetes awareness campaign was conducted online for 8 days from 7th November '19 to 14th November '19. The awareness campaign was totally focused to enlighten people about diabetes, its **causes, types, symptoms and remedies**. Everyday Rotafacts made the facts more interesting and informative. The poster with information about diabetes was shared in social media during 8:00 a.m. to 9:00 a.m. everyday. These posters included information about diabetes, types of diabetes, causes, effects, famous personalities with diabetes, symbol of diabetes, prevention of diabetes, facts and figures about diabetes. During this event we got many comments appreciating the initiative and we are very happy that many found it informative. A **recognition** was also given to our club on **successfully completing the campaign**.

“It isn't the farm that makes the farmer; it's the love, character and hard work”

It was one bright Monday morning, we the Rotaractors of CIT are all geared up to help the farmers. The farm was located in Irugur, Coimbatore. As it was rainy season, the farmers needed to **cultivate new crops**. So, we helped them in readying the **field for ploughing**. After that, we had a small break. We had enjoyed playing in the water which was used for irrigation. Then, we were moved to another field where they had cultivated tomato, curry leaves, various greens and spinach. This field was populated by weeds. We helped them in clearing the weeds in the field. We were totally done and dusted. It was almost 1 pm, we had just completed the works. Then, we went to the Cultivator's house. There they offered **pure pesticide free food** produced from their farm. The food was so delicious. They served us the food with an unconditional amount of love. Indeed, they were so kind in nature. After the lunch, we had an **interactive talk session** with the farmers. It was so interesting where everyone was given the opportunity to express their views on farming and **difficulties** of farmers in the current world. Finally, the man, who was almost 60 years old, the owner of the field, took his chance to say about his experience in organic farming. He had travelled to various farm fields all around Tamil Nadu. His talk made everyone to have a clear view on organic farming and **need of farmers in the upcoming**

generation. Then, we had a group photo with farmers. It was a day very well spent in **helping the farmers.** We are so blissful in providing service to the backbone of our country.

EVENT DESCRIPTION:

The event took place at an old age home named **NIGHT SHELTER 1** located at RS puram. That was especially for the old people who were abandoned by their family. We just went there and interacted with those ones and made them feel better. They gave a **lot of advises** to us which were very close to our hearts. Then we brought our speakers into the game suddenly that place became a party hall.

Those people were very enthusiastic and entered the dance floor and just rocked the stage, they are so energetic so that we cannot compete them. At that moment everyone's faces were filled with joy and **happiness**, that was the true success of the event. Then there was a marvelous singing performance by our girls, everyone were mind blown by hearing that. Next we celebrated **pongal** by making pongal and serving it to all the people present there which made them feel special. Finally we gave some basic things that they asked us

to buy as a token of our love. At the end of the day we all had a great experience with a lot of emotions. We felt very thankful to what god has given us. The number of persons who were lucky to have that experience was **48**.

The wale of the event's success was clearly visible not only on the field, but also from the over-whelming responses online on our Instagram **rac_of_cit**

which was enthralled with a stupendous volley of videos and posters. The voluminous support for the event was clearly visible from our Instagram page.

“It’s not about having time, it’s about making time”

EVENT DESCRIPTION:

Imagine if we could do everything perfect! Being human it is no way possible but still ‘*Nothing is impossible*’.

The word perfection is measured using several parameters but the first and foremost one is “punctuality”. A person who cleverly handles the time that he has will definitely lead a successful life. There comes the importance of TIME. All we have to decide is what to do with the time that is given for us. The way we utilize the time defines who we are! The session was conducted on Jan 29th of the year 2020. The trainer of this auspicious session was the district trainer and DRR Elect- **Rtr.PP.Janani Mani**. A crew of 23 members got benefitted via this program.

Also we had the presence of eminent rotaractors from Rotaract Club of CACIL for this session: Rtr.Vikash – President (RaC Cbe CACIL), Rtr.IPP.Revanth - Member (RaC Cbe CACIL), Rtr.Kabilan - PRO (RaC Cbe CACIL), Rtr.Sabari - Vice President (RaC Cbe CACIL).

Though it is one among commonly discussed topics, especially in today's scenario, the problem is never managing the time properly. So in order to bring a spirit of light and a chunk of motivation in our day-to-day life, this topic was chosen. The duration of the training was around 1 hour and 15 minutes (6.00pm – 7.15pm). The session was very interesting, relatable and practical. Sometimes, the session was quite humorous but thoughtful. Through this wonderful session we came to know that being Rotaractors, time management is a needy skill.

EVENT DATE : 17-02-2020 – 23-02-2020

AVENUE OF SERVICE: PROFESSIONAL SERVICE

EVENT MODE : ONLINE

EVENT DESCRIPTION:

Stones to milestone was an interactive online session which was conducted to develop knowledge regarding placements to all second and third years irrespective of departments. To conduct a professional event so that everyone other than Rotaract members can participate. This is also a small step to make everyone aware of what is happening during placements.

This event went on for 10 days in which each day one company was taken based on top 10 companies preferred by everyone. This was found with the help of google forms which had around 25 companies and everyone were asked to select their preferable 10 companies. And at the end top 10 companies were chosen and seniors both placed and working in that company were invited to interact in the whatsapp group everyday. One day each company and the event was held between 6pm-8pm everyday. And daily posters were released which included the company of that day and also the seniors who are about to interact with us that day. And at the end of everyday's interaction a summary will be posted in that group to help everyone who were busy during 6pm-8pm and this summary will be helpful to get an overview of daily activity. The whatsapp group had 225 participants. This event went out successfully with the help of a senior of CSE department final year who was the placement cell Secretary. This was the source for all the contacts including present final years and also passed out seniors.

“Some beautiful paths can’t be discovered without getting lost”

EVENT DESCRIPTION:

As mentioned in the tag line, the session was about the life journey of a common man who gone through many ups and downs in his life to achieve what he dreamt. Based on “The person without failure was the one who fails to come out from his/her comfort zone”, the session had begun.

The speaker personalizes himself as a little boy “Pappu”, the one who always wishes to be different from others by doing something out of the constrained circle. He narrates a story of an ambitious small boy who turns into a successful man. In current times, Humans were just living their lives as like group of sheep. The people were losing our identity. This session had act as one to bring out the uniqueness of such people.

The session was conducted on Feb 21st of the year 2020. The trainer of this inspiring session was the District trainer - **Rtr.Muniyappan Mani**. A crew of 37 members got benefitted via this program.

The duration of the training was around 1 hour and 15 minutes (5:30pm – 6:45 pm). The session was very aspiring, and motivating and it is completely relatable & applicable to our routine life. Through this wonderful session we came to know that being Rotaractors, thinking out of the box is an essential thing.

“One man’s trash is another man’s treasure”

EVENT DESCRIPTION:

Food is indispensable for human survival without it we wouldn't live for more than 20 days. It is estimated by the UN that nearly 40% of the food produced in India is wasted. An analysis reveals that 1/3rd of all food produced in the world is wasted which is enough to feed 3 billion people. So, we the Rotaractors of Coimbatore Institute of Technology have organized an event “HAPPY PLATE” to scale down the wastage of food in the hostel mess.

“Big changes start with small steps”

The main objective of the event is to make everyone perceive that throwing away food is like plundering from the table of those who are poor and hungry. The central idea is to abate the food wastage and thus provide the quantity of freshly prepared food equivalent to the amount of food wastage reduced to food bank or orphanage. The Hostel Warden also consented to make the fresh food and supply it to the people who are in need.

“If you can't feed a hundred people, then just feed one”

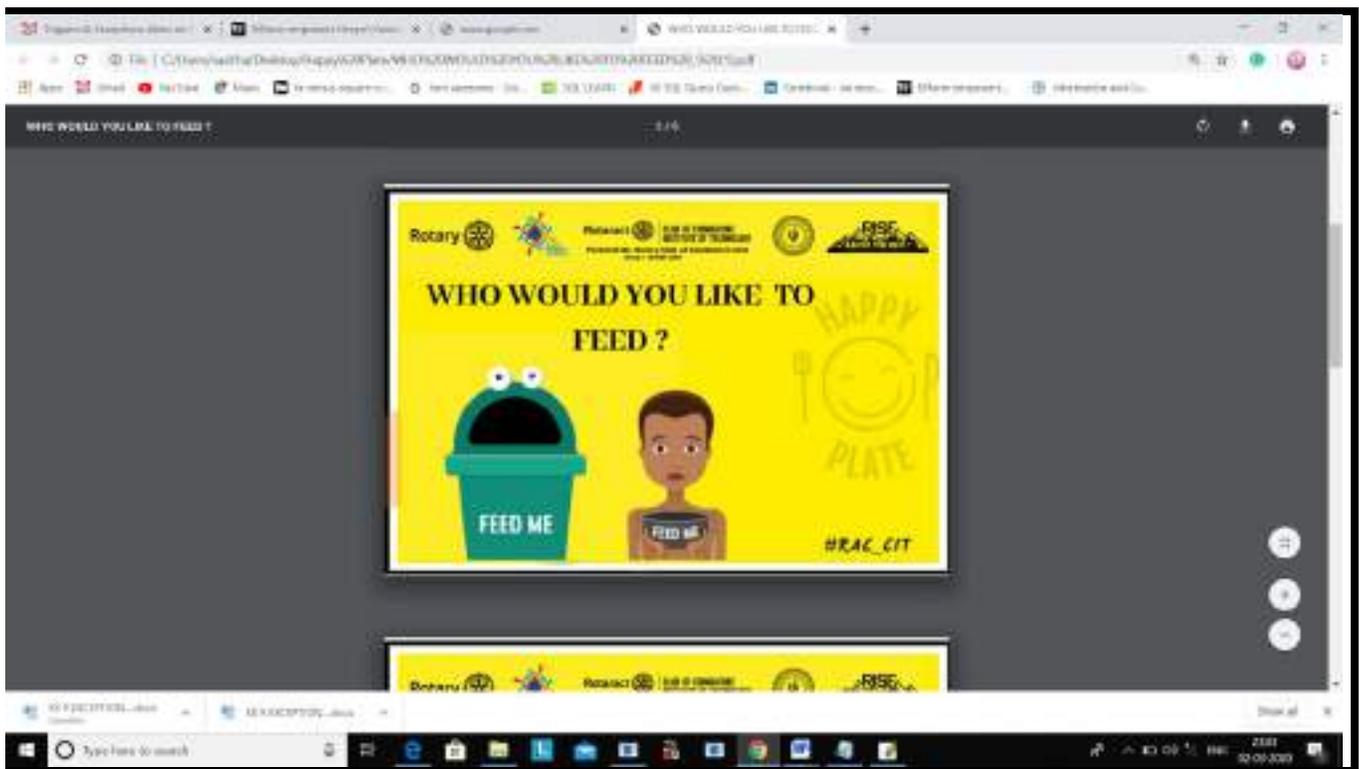

The event commenced on 23.02.2020 and ended on 29.02.2020 for a span of 7 days. To bring curiosity among the students, an online event was conducted from 18.02.2020 to 23.02.2020. This event was planned to reveal one's individual talent by sending their drawings, quotes and short poems. The participants were asked to select a topic related to **“Save Food, Reduce Waste”**. They were also informed that their submissions will be made as posters and displayed in the college.

The participants were also informed that the best one will be awarded to encourage their participation. The response for the online event was tremendous that nearly 4 to 5 submissions were got within a day.

Submissions for the online event

A week before the event the students of the college were briefed about the event and were insisted not to waste food. On the day of the event, the posters were displayed in the hostel mess which had the statistical data about the food wastage in India. To inspire the student's active participation in the event, informative videos and posters were used.

Posters made for creating awareness

A chart has been fixed on the walls in both boys as well as the girls mess so that one who didn't waste food can put their signatures on the chart. batches were also provided to create interest and enthusiasm among the students.

Charts in the mess

The event was successful and the food wastage was almost reduced to 10 kgs. Even after the completion of the event, the students refrain from wasting food. Thus the “HAPPY PLATE” proved to be a great initiative towards the mission of Hunger-Free India.

“Great achievements come from small initiatives”

KARAM KORPOM KARAIGAL KADAKA

“Alone we can do so little, together we can do so much”

Nakshatra is an intra-college event that was conducted by the Students Union of CIT along with all other clubs in our college for the freshers to showcase their talents and to have a very good interactions with the seniors. The Rotaract club of CIT was also a part of it where we came up with many events to boost them up and make their day a fun filled one.

The day one started with the events Reverse Dumb Charades from 10:30am - 1:00pm, in this game there will be three members per team and each team will be given three songs, two members from the team have to act and make the third person in the team to find it. The team VVIP which found the three songs with the minimum time was the winner. Simultaneously Seriya Vaasi and Alpha Stack was also conducted from 10:30am - 1:00pm in different halls. 2 per team in Seriya Vaasi, where a song will be given and one from the team have to play the song using the instruments given. The team HTML found maximum songs in the given time. Alpha Stack is an individual game where stack of 26 cups with alphabets written at bottom will be shuffled and given

alphabets should be separated and arranged in order by taking out the cups one by one. The team VPN was the winner in Alpha stack.

After break the events like Hit the tumbler, Biscuit Quiz and Mr. & Ms. Unique were conducted from 2pm – 4pm. All these three events were individual events, in Hit the tumbler the person have to arrange the give tumblers in the form of a pyramid and will be given three chances to hit the top cup of the pyramid with a ball. The biscuit Quiz is similar to a normal quiz but here instead of buzzer the participants have to eat the biscuit, one who eats the biscuit first will be given the chance to answer the question. In both these events H on H team won the game. Mr. & Ms. Unique’s prelims - a written round and second round – a surprise round was conducted on the first day.

The day two started with a chase in Treasure hunt from 9:30am – 12:00pm where the clues where in the form of QR codes. The Swag’ah team found the treasure. The event Pictionary was also conducted from 9:30am – 12:00pm where there will be two per team one has to draw the given sentence/proverb using left hand while the other have to find the answer using that. VPN team played brilliantly and won the game. The final round of the main event of the day Mr. & Ms. Unique was conducted where the talent show and personality check tasks where given. The best of the three rounds were selected. Mr. Unique was won by Harisudhan from IOT and Ms. Unique by Harshitha from U/A.

EVENT DESCRIPTION:

As everyone would have been very bored in these quarantine days the main idea behind this individual development session is to bring out a useful effective and an informative id session. The main aim of this session is to give an idea to everyone on how to overcome these quarantine holidays. The session was conducted by Rtr.Gowtham Kalyan, who is a certified District Trainer and Rtr.Suparna who is District Trainer Designate and the session was hosted by Rtr.Nandhitha, District Trainer Designate. The session was conducted live via the insta page of Rotaract club of CIT which is rac_of_cit. The session was very much useful and interactive. The trainers gave ideas to everyone on making this quarantine days a productive one by reading books, resume building, helping their parents and so on. The participants were able to interact with the trainers via the comments and the trainers also responded looking on to the comments. Over all everyone had an amazing and a

different experience through this online id session. 273 viewers have watched the live ID session.

30-03-2020 to 05-04-2020 (Ramayana Week)

The 2nd of April is the most precious day for each and every Hindu devotee. The day is celebrated as “**Ram Navami**” which means the celebration of the birth of Lord Ram.

“Ramayana is one of the two major epics of ancient India”

Though we all have some basic knowledge about the plot of this epic, there are lot more facts that we are not aware of. So, the main motive of this Ramayana week is to enrich one’s skill by exhibiting the unknown facts about the Ramayana.

Also, this week was made more interesting and interactive. Along with the daily facts about Ramayana, a Riddle was posted. The participants were asked to guess the answer and send it to us. The participants who have answered correctly were recognized the next day. This process continued for the entire week and at the end of the week the INFO GURU RIDDLE WINNERS were announced.

பின்னர் Sri Rama and Sathya were dwelling in the forest, they had a swimming race in a lake where Lakshmana was the referee. Rama was initially swimming faster than Seetha. When He realized She was unable to keep up with His speed, He then voluntarily slowed down and let Her finish first. He later told Lakshmana that He always wants to see Her win and be happy.

06-04-2020 to 12-04-2020 (Health Tip Week):

“The first wealth is health”
-Ralph Waldo Emerson

Our health is at the center of our life. Every part of our life relies on us having good health. 7 April 2020 is the day to celebrate the work of nurses and midwives and remind world leaders of the critical role they play in keeping the world healthy. This day is celebrated as **World Health Day** to provide awareness to public health issues.

Thus, the daily facts related to health were posted this week. Each day a Health tip was given and along with that, a task was given on daily basis that involved expressing their thoughts and opinions through their writings. The participants were asked to send their content to us. This process was continued for this entire week and the participant who gave the best content for each day was selected as the Winner. The winner list was announced at the end of this week.

13-04-2020 to 19-04-2020 (World of Heritage Week):

“The heritage of the past is the seed that brings forth the harvest of the future.”

Each and every person must know about the heritage of his/her own country because a person without the knowledge of their past history, origin and culture is like a tree without roots. Culture is the widening of the mind and of the spirit and this culture is always depicted through the heritage. That is why the World Heritage is always given importance in this world. Thus the World Heritage Day is celebrated every year on 18th April presenting the importance for cultural monuments and sites and encourages us to preserve the world's culture.

Thus, the daily facts about World Heritage were posted this week. Along with that a task was given on daily basis similar to the previous week. Scores

were assigned to the participants based on the quality of their content. The scoreboard was displayed each day that encouraged the participants to give their best and at the end of this week the winners were announced.

The least visited world heritage site would be the sites for which all visitors are barred to protect the site from damage. The most remote may be Heard and Macdonald Islands in Australia. They are in the South Indian Ocean and ships only visit once every few years. Other sites like Surtsey in Iceland bar all human visits, save for scientists who visit a few times a decade.

EVENT DESCRIPTION:

The government of India had announced the lockdown for 21 days to control the spread of COVID-19 in India. In order to make the boring quarantine into a joyful one we came up with the idea of “**FROLICIA**”, an online event where a WhatsApp group was created to conduct the event. The event was conducted for four days with more interesting games every day. The day one event was “**READY JUTEEE**” where the players have to collect the objects of the given color and points were allotted to them according to the number of objects they had collected, **Rtr.Dharshini Shivani** won this with a highest of 1020 points. And another event named “**KOLUTHI PODU**” was conducted where a picture was given and the players have to give a caption for that picture as funny as possible. At last the best 10 captions were selected and the best from those were chosen by the players by voting. **Mr.Bangam** was **Rtr.Shahjahan**(Rotaract Club of PSG CAS) and **Ms.Bangam** was **Rtr.Aarthy** and the **Bangam star** was **Arjun.S**.

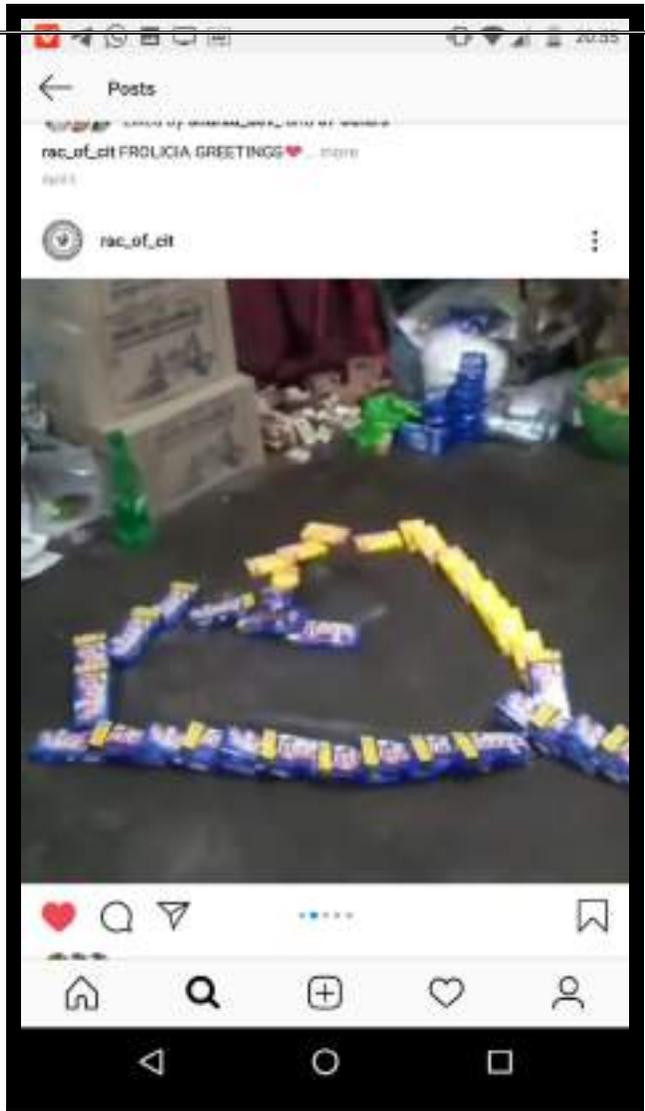

On day two we came up with our third game “**JIGIDI KILLADI**” where some dialogues were given and the players have to represent the dialogues through emojis and the best ones were done by **Rtr.Roopesh** and he was the Mr.Jigidi Killadi and **Rtr.Niranjana** and she was the Ms.Jigidi Killadi . The next day’s event was “**DOMINO IN THE HOUSE**” where the players are asked to make a domino using the objects in their home and really the players came up with more creative domino’s using notebooks, soaps, bricks, cards etc..The most creative domino was done by **Rtr.Mohan**(Rotaract Club of Coimbatore Main) and **Rtr.Gayathri** and the longest domino was done by **Rtr.Jotheeswaran**. The last day event was “**MR/MS POSE PANDII**” where some pictures with funny poses were given to the players and they have to capture a picture of them with the same pose. The winner of this event was **Rtr.Niranjana**. Members from different clubs were participated in order to make their bored quarantine into a fun filled one.

Dreams must be realized

Once upon a time, a person was working in a firm named "Maragon". He was asked by a man, "Why are you working in a firm?" He says, "With a desire to build a house as a civil engineering student, where I have cleared the confusing paper [engineering graphics] in first class. As per my desire I had built the house for my family in my firm by getting loan, with a Spectacular structure. After a few years my village was suffered from famine. There was no food and grains in my village. We have suffer a lot. I was asked help from my relations. But they said, "why he had built such a majestic house by gathering money from his relatives, where we have sufficient grains for us only". I was fallen in mental anxiety. So I took a decision to work in a firm as a farmer. So, I have destroyed my lovely house and I have made it as a farm. I had striven in my work and grow up with a lot of money and grains. By this money I had build a house in my own village. Which has supported me to help my village with grains which leads to my contentment life. Thus the agriculture is our identification and it lead to our peaceful and healthy life.

THE QUEEN OF CHOCOLATE WORLD

There was a small girl named Ratri who lived her father and grandma very much likeable, she like chocolate as that much of her father. But she was not always able to see her father as he was in different state. She was grown up by her grandma. Ratri actually wants to see her father, as she asked grandma to take her there. In order to convince Ratri, grandma take her for shopping. There she see many things particularly, at store she became enthusiastic that there was a pool of chocolate. After she returns home, her grandma started telling story. Ratri asked her grandma what she should tell her story only about chocolate. Then grandma started story that there is a girl who was getting into a chocolate world. eagerly Now at once at the heard that, she told that the girl getting into the chocolate world would be magical the queen of chocolate world. Ratri started imagined that she was getting into a chocolate world, with full of excitement as she was seeing her people after a long time. In the chocolate world, there was a small girl named angel who loves chocolate very much. There was only one chocolate in the world. The girl wants that chocolate, because she queen she wants the chocolate. Both of them fight each other, atlast the queen won and she had the chocolate. There was a miracle happened that the queen was effected with an exciting energy. With the help of that energy, the queen was very ambitious to change the bread, biscuits, fruits, sweets, chips, cream, etc into caramel, luffles, puffles, etcetera. But she was unable to do so with the energy. So she had learn using the magic stick which was given by the angel of the heaven world. With that she had been able to change the whole world into full of chocolate. Angel and the other people became more happy and thanked the queen. "Ratri wake up girl", her mother told. This time was a dream.

Manitham ondre theeravagum

Everything was black in the beginning. No planets, no stars, no universe. Suddenly a spark was ignited and the world was created by the Big Bang! Our beautiful Earth was created. She was dressed in adorable green and had calm and quiet oceans, awesome animals, birds, habitat. The moment man was created, he did all the worst things to her! He disturbed her peace by polluting her environment, resulting in sudden climate, ambient change. But Nature is more powerful. She knows how to re-create the balance. The recent example is Covid-19. So, we have to take care of our earth atleast from now. At the same time we should not lose our humanity also. "Manitham ondre theeravagum!" Heaven on Earth is a choice that we must make, not a place that we must find!

“The art of being happy is to be satisfied with what you have”

EVENT DESCRIPTION:

The online ID session “**beYOUtiful**” was conducted by Rotaract Club of Coimbatore Institute of Technology with the motto of “How to be happy with what we have”. The event was graced by the presence of Speakers of the day - Rtr.Premakanthi – Certified District Trainer, Rotaract Club of Info Institute of Technology and Rtr.Sathish Balakrishnan – District Trainer Designate, Rotaract Club of Covai User Group. Rtr.Premakanthii started the session with a wonderful icebreaker and briefly explained by sharing a story that each one of us have born to do something in their own way. Her speech also made everyone understand,

“Adjourn SUPERIORITY! Discern INFERIORITY!

Concern INTERIORITY!”

She also emphasized that all must trust and appreciate one's own work by considering time as a precious thing. Finally, her speech made all participants realize that

“Happiness is both getting and giving something”.

After that Rtr.Sathish Balakrishnan addressed by asking a question “Whom do you love the most in your life?” make all the listeners to think curiously. He shared his view as “Love yourself & find new things within you”. His speech encouraged all to believe in oneself by understanding the real meaning of YOU which is Young, Unique & Opportunity. Both the speakers made all the participants to value the one within their own. Also, they gave interesting and thoughtful answers to all the questions asked by the participants.

Finally, the session made everyone's quarantine time valuable and made all to stay in an enthusiastic manner. This proves that whatever it may be love yourself and trust yourself and be happy with what you have.

“Ignorance is the biggest crime to be committed”

EVENT DESCRIPTION:

The number of cases of child sexual abuses is getting higher and higher day by day. Child seems to be an easy prey for those deadly inhumane predators. A child who has undergone such trauma struggles a lot to come out of it and face the society. One root cause for the crime is lack of knowledge and self-control among those who commit the crime.

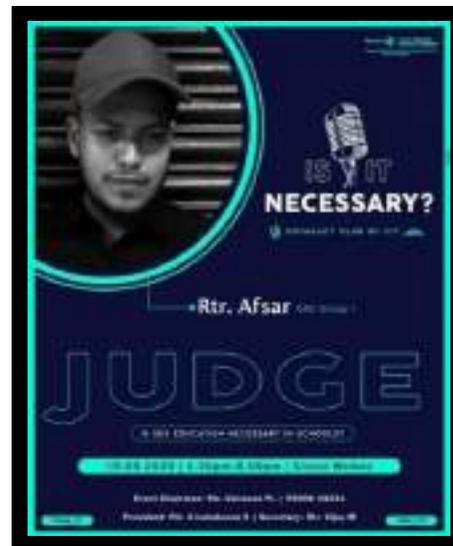

This event, **“Is it necessary? Is sex education necessary in schools?”** aimed to stress the importance of imparting sex education among the young brains of the nation in schools. Sex education not only gives a knowledge and reason for the physical and hormonal changes that they encounter in their body during adolescents, but also gives an insight of what they counter parts undergo and how do they suffer. It helps to understand them that sex is one of the feelings of human beings like happiness, sadness, joy and it is not a fantasy as it is portrayed now days. Sex education in schools prevents students from being guided by unwanted pornographic content on the internet. With proper sex

education, the urge which makes people to commit such inhumane crimes can be greatly reduced.

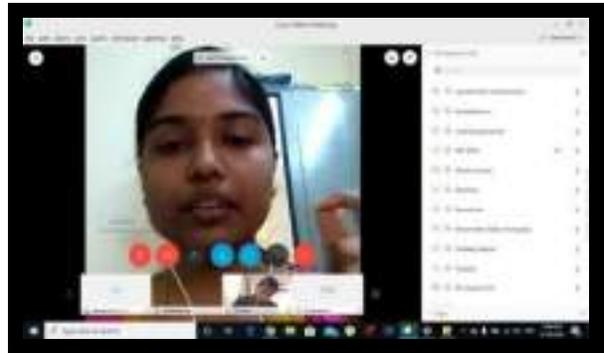

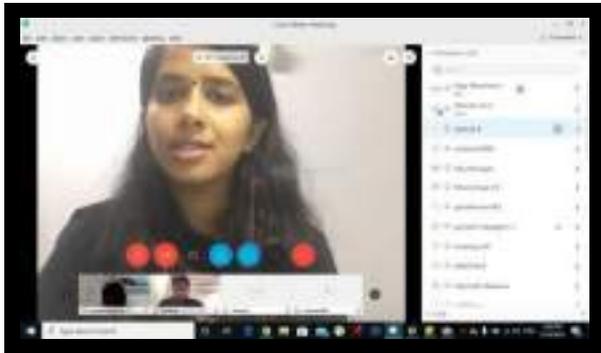

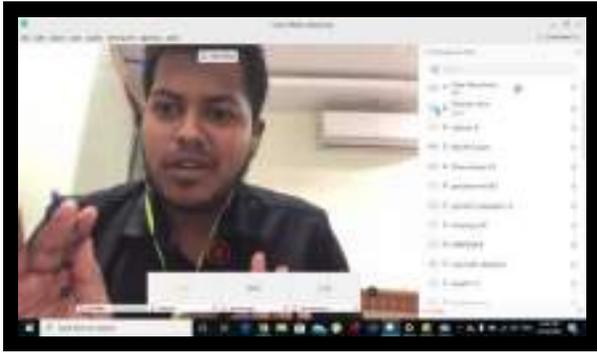

The event was conducted in two phases. The first phase involved a google form with some questions regarding child sexual abuse and how do they respond to such crimes. 33 energetic young minds of the nation responded to it, out of which 6 best responses were selected and the participants were invited for the debate. The participants were GomathiNyagam, non-rotaractor from Ramco Institute of technology, Rtr.Supanra from RaC Kochi Mahanagar, Rtr.Nandhita from RaC PSGCAS, Rtr.Haritha from RaC Western Valley, Rtr.Sashtika and Rtr.Adhitya from RaC CIT. The participants were divided into two teams, one team spoke in support of the topic and the other team spoke against the topic. Rtr.PP.Mohamed Afsar, GRS Group-1, was the moderator for the debate.

The debate went for nearly 2 hours, where each participant laid out their opinions. At the end of the event, Rtr.PP.MohamedAfsar explained his thoughts and the pros and cons of sex education in schools, and concluded that Sex education is necessary in schools.

Rtr.Suparna was selected as the best speaker and Rtr.Sashtika was selected as the best opposition speaker.

“Happiness is the best makeup; we will give you a chance to be beautiful and handsome with our world class makeup artist.”

EVENT DESCRIPTION:

After 2 months of lockdown, there are negative vibes starts spreading everywhere. We just planned an event to bring back the positive vibes and make the participants enjoy the lockdown. Event was conducted for 3 days in which the participants are separated into groups which consist of 5 or 6 members. The main purpose of the event is to enhance the fellowship, teamwork and bonding between our rotaractors.

Day 1:

Each team member will be given a word separately. The members have to discuss and find the apt word which will relate all this words. This is the first round so main focus is to enhance the communication between members. This was conducted for two hours and five sets will be given to each team and they have to find within two hours.

Day 2:

Second day it was DUMP CHARADES. Team Members are asked to select a person among their team. The person who is selected will be given a movie and he should convey it to the rest of the team by his/her acting. That day a bond was developed between the team mates as a result of the fun. The mode of conduction is through zoom app.

Day3:

Third day the task was to make a short video using their creativity that can be singing, dancing, tiktok, etc... Everyone was excited and sent the videos in which most of their talents were exposed. The main focus is to find their hidden talents, and also to enhance the team work and communication.

Finally, the three days had come to an end, the event was with full of fun and memories.

“The greatness of humanity is not in being human, but in being humane”

EVENT DESCRIPTION:

This is the saying by Father of our Nation Mahatma Gandhi “To unveil the humanity among the students”. We, the Rotaractors of the Rotaract Club of Coimbatore Institute of Technology have initiated an event titled “MANITHAM”. The main theme of this event is to thank the frontline workers serving for the nation to get rid of the worldwide pandemic COVID 19. Humanity is like the fingers of a hand. Each one is different. But we are all connected as one. In this event the participants were asked to send their thank you message to the contacts mentioned in the posters.

We all are aware that the entire world is fighting against the novel corona virus disease. By this time, the only thing that the doctors need is our love and support to them. So we thought that the right way to show our gratitude is to thank them by sending the letters to them and to honor their selfless sacrifice to the nation. The event not only focuses on thanking the doctors but also to each and every soulful heart who are working during this pandemic.

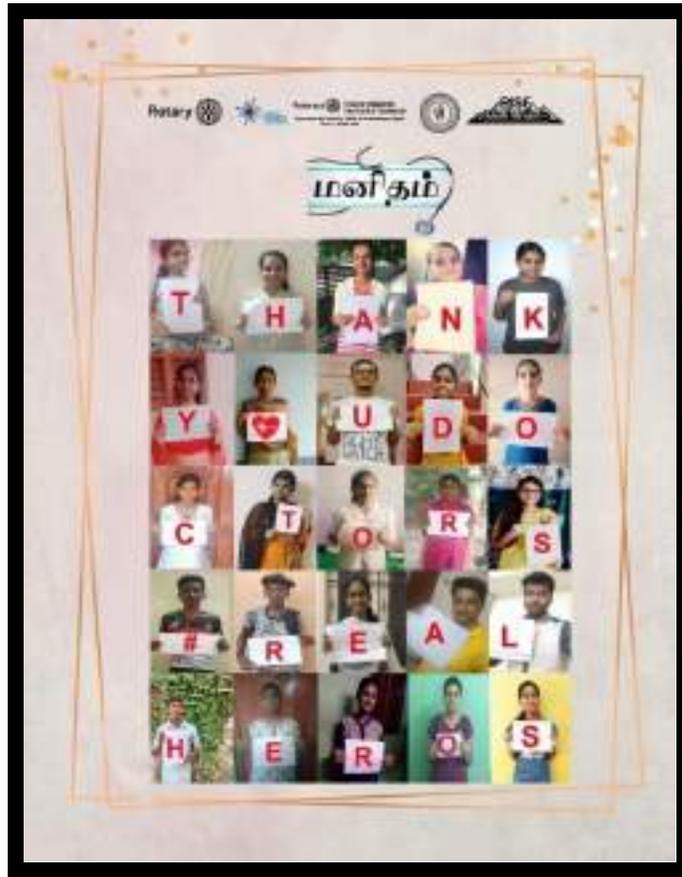

The response from the students during the event was very tremendous. Nearly sixty participants have actively participated by sending their message of

thanks to us. Their messages were made as a booklet and sent to the doctors serving at different hospitals. The booklet was sent to the doctors through mails and social media platforms such as Whatsapp, Instagram and Facebook. We admire and salute the doctor's remarkable hard work, dedication and care.

DOCTOR – “A person with a motto of retrieving the healthy days of the country.”

The event was successful and this initiative united all of us and gave a golden opportunity to thank the angels and heroes wearing masks. It also proved that together we can fight against this deadly disease and become a corona free nation soon.

“Drawing is not what one sees but what one can make others see.”

EVENT DESCRIPTION:

As everyone are open to learn something new not because of their interest but due to boredom, Rotaract Club of Coimbatore Majestic along with Rotaract Club of Coimbatore Institute of Technology and Rotaract Club of CEG, RI District 3232 came up with a huge project known Scribbles.

The guide of the event artist - Mrs.Manju Parkavi (@artm_design) gave an awesome hand on drawing session to draw a portrait of a famous person. As the title was portrait of heroine everyone over there were confused of which heroine they are going to draw and it was revealed in the WhatsApp group. It is none other than inkem inkem fame Rashmika Mandana using zoom as a conveying platform. She is the one who known for her expressions. Part of the crowd was happy that they are going to learn something new and the rest was very happy to draw a person they know.

The event started at 11 am with some preliminary works. The print of the portrait should be in each and every hand which was sent in the WhatsApp group two days before. There were 45 eager participants who were waiting to learn drawing and importantly it's a portrait so the hype and response for the event is high.

The session ended with the clarification of doubts from the participants by the artist Mrs. Manju Parkavi. The participants also drawn the portrait of Rashmika Mandana with the instructions of the artist and many turned out very well. It's a beautiful session for both beginners and also for the learnt artist too.

“Birds are singing the silent fame of nature”

EVENT DESCRIPTION:

Feeding the was an International initiative by the Rotaract Club of Sophia College for Women, RI District 3141. Later, few clubs from many districts had joined in this initiative. The Rotaract Club of Sophia College for Women, RI District 3141 along with the Rotaract Club of Calcutta, RI District 3291, Rotaract Club of Pune Bibwewadi, RI District 3131 Rotaract Club of Pimpri, Pune, RI District 3131 and Rotaract Club of Coimbatore Institute of Technology, from Tamil Nadu, RI District 3201 had joined hands in this project.

After everything the main intention of the project was to help the society by also giving Rotaract exposure and promotion in many ways so what she decided was to promote the project through our Instagram handles while serving the society so, the project involved mentioning of all the clubs and RID 3141. While doing this there was another need that came into consideration and that was to appreciate people for their good deeds, so there was the idea of giving E Certificates which include the logo and signature of all 5 club from different district and their President's signature which came into existence.

While doing this project there was another thing that was observed that people didn't just do it for the time being or for a day they wanted to do it again and again and did it daily as it was well understood that the need for us to help others is too much now. Because people couldn't move out of their house, they found this appropriate and did end up helping a lot of birds. This even helped many such fowls to stay alive and have a living.

"Let food be thy medicine and medicine be thy food"

EVENT DESCRIPTION:

Smart Foodie was an online event conducted to create awareness on food safety. This was conducted for three days with three different rounds.

DAY 1 – (12.06.2020)

In this round, we have posted certain questions through WhatsApp group related to **food safety** and its healthy effects. This round was held for 1 hour. The questions were sent in different forms and some of the questions include food safety signs, food ingredients usage and food related proverbs. **Icebreakers** are also conducted in the mid of the event with useful facts related to food items to make participants active. The total number of participants in WhatsApp group was 25.

- **The Winner of this round : Rtr.Kaviya Shri**
- **The Runner of this round : Gowri K**

DAY 2 –(13.06.2020)

In this round, following the icebreakers **Google forms** were circulated through WhatsApp group and the participants are asked to fill it within a specified time. One main question is to prepare a healthy dish and the image of the dish should be uploaded mentioning its benefits. All other questions are like sharing their personal experiences and ideas on food wastage and food safety. This can make all lead a healthy lifestyle. Totally we had received 10 responses for the Google form.

- **The Winner of this round: Rtr.KaviyaShri**
- **The Runner of this round: Gowri K**
- **Active participant: Rtr. Roopesh, Rtr. OmamaIqbal.**

DAY 3 – (14.06.2020)

An online id session was conducted on Instagram live for 1 hour. The session was handled by **Dr.Raja Rajeshwari Venkatesh** -Obstetrics and gynaecology resident. She cleared all the doubts asked by the audience and the session was very interactive.

All must START focusing on WHAT we eat was made understood by her. She gave various tips on dieting and how healthy foods are related to hair, face and so on.

“EAT breakfast like a KING

Lunch like a PRINCE and

Dinner like a PAUPER”

Like this saying, the importance of breakfast was mainly insisted by her. She also discussed on various diseases caused by skipping healthy foods and by eating junk foods. There were nearly 27 participants who attended the live session. During the lockdown period, this session was very helpful to everyone to lead a happy healthy life.

“Poverty is not being without money, but being without hope”

EVENT DESCRIPTION:

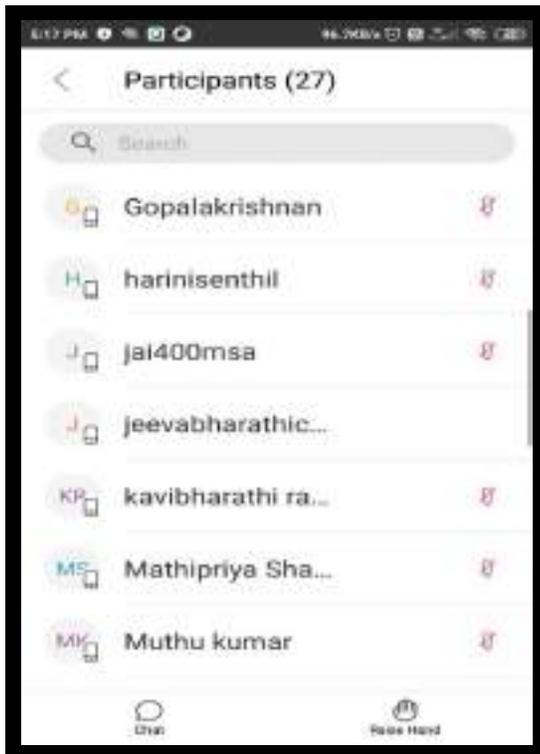

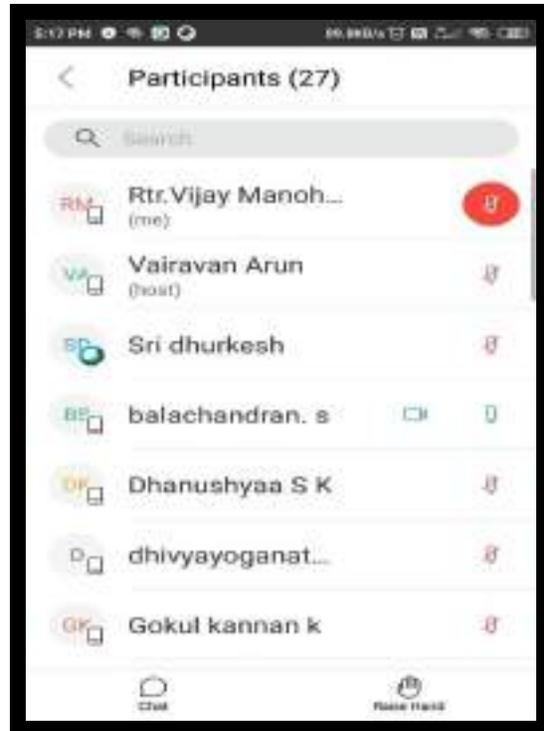

Millions of children around the world lack access to basic necessities such as food, clean water, sanitation, medicine, shelter, education, books, fun, family, laughter, love, etc. so sir Balachandar said we can help poor children have a better future in a number of ways. Volunteering your time and efforts to children can make a very big impact. We can also raise money and donate goods to charity. He highlighted that education is one of the best predators of success in children. We can help the students who are struggling in their life to succeed in school life by donating our time or money. And from his experience he said many children do not have their basic necessities even. New clothes, books, toys can make a big difference in their life. Balachandar sir asked to collect school supplies, gifts for the holidays, new shoes, coats, sweaters, etc. And he said that there are around 400 million children world-wide living in extreme poverty. For a small monthly donation, He asked to help one child pay for food, school, medicine, and clothes. From his survey there are many charities that offer to help you sponsor a child, both at home and abroad. Children international, world vision, save the children are some of the reputable ones. Some volunteers might need volunteers to help organize inventory, supervise

events, and distribute aids. We can decide what type of aid we want to give as we take money: money can go long way in helping a charity reach out poor children, but we should think about where you want to go to. Many charities allow you the option to choose how to spend the money. So, he asked to decide to send your money towards food, school tuition, medical care, books, toys, clothes, and supporting an orphanage and there are many different children's charities. Some are focused towards a specific cause, such as education or healthcare. Others are of general welfare of children. Before you donate money to charity to make sure that they provide the majority of their funds to their cause. UNICEF, Children in need, St. Jude's children's research hospital, children's miracle network, youth law center, Reach out and read are some of the reputable charities.

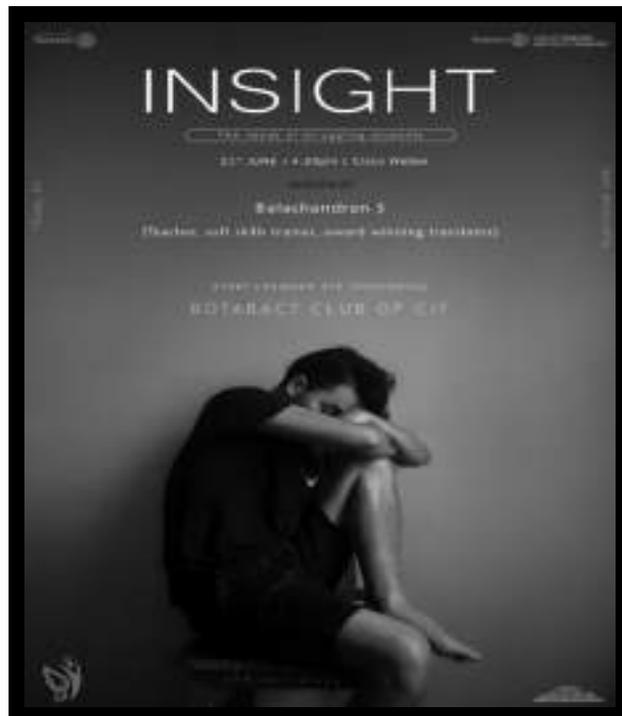

While you can give out of your own pocket, you might also want to encourage other people to donate as well. Advertise our charity of choice to friends and family. Encourage others to chip in so that our money can have a larger impact. Social medias such as Facebook, Twitter or Instagram, blogs, video appeals and your personal website are helpful for publicizing our cause. And he said that better idea for raising money for children is to sell something and give the proceeds to charity. You can set up a stall in front of your house. You may find some strangers are willing to buy things just to help out a good cause.

Thus, the session extends for one and half hours and he is really an extraordinary man who can left their whole life on serving children's. From this session we can know lots of struggling of children's and had an idea of how we can help them to serve the needy. And his ideas made us inspirational to help children for a better way.

- JAM (just a minute)

Most of the contests were common and can be understood by everyone and the topics were also open just to make it easy for the participants to showcase their skills in this pandemic situation. Some of different contests are listed below

Talent Show:

Talent show is basically a contest in which the participants can expose their different types of skills. The topic was also open so that the participants didn't face any difficulties. Some of the creative talents like pencil carving took place in this contest.

Chain reaction:

Chain reaction is basically the dominos actually in which the tiles will be falling down in a chain. But here the participants have used different kinds of things to form a chain reaction which portrayed how creative they are.

Then vs Now:

Who gets bored of seeing their old pictures, everyone would have that experience of getting laughter on seeing their childhood pictures? When it comes to our friends it will be funnier and cuter as well. The participants were very enthusiastic towards this event.

Modelling:

Nowadays all the youngsters are so much active in social media platforms like Facebook, Instagram, etc., uploading their pictures in it. We just wanted to create a platform for them to showcase their works that's why we had a modelling contest.

JAM (Just A Minute):

It is basically a speech competition in which the participants can speak on a topic happiness. The entries were uploaded in our YouTube channel.

“Gift is spreading the spark of humanity.”

EVENT DESCRIPTION:

Gift of care is an event conducted to gift sanitizers and face mask to the social workers. As we all know that social workers play a major role in maintaining the well-being of our society during these pandemic COVID-19 days. In order to thanks them and also keep them safe, we had taken a step to gift sanitizers and face mask to the social workers near our home. Many Rotaractors actively involved in doing this help to the social workers.

“Happiness doesn't result from what we get, but from what we give!”

“Every ending is a new beginning”

EVENT DESCRIPTION:

“Angavai Sangavai – Vaanga pazhagalam” was an event conducted by Rotaract Clubs of Coimbatore Institute of Technology and GCT Coimbatore to build healthier relationship between the two clubs. This event was executed by twins of the Sister clubs – Rtr.Indhuja from RaC GCT and Rtr.Sindhuja from RaC CIT. These two clubs are sister clubs parented by Rotary Club of Coimbatore East. The session was handled by Rtr.PP.Karthik Gonsalvez, Certified District Trainer, RI District 3201. The session was started by 8:30 pm. He came to the session with a bag full of fun games just to make interaction between the members of two clubs. The session on “Happiness” was so lively. He explained through a plenty of examples which won’t be forgotten by our members. During the course of session, he pinpointed by few and asked what he was said. If they failed, they were asked to do dare. This had almost made everyone to be more attentive than listening to online classes. The trainer was amazed by the token of love presented by two clubs. He thanked the Sister Clubs for the astonishing works made for the token of love. He loved it very much.

The session was adjourned by 9:30 pm. This event had created a heap of memories for both the clubs as it was the last event for both clubs in Namma Year. Thus, Namma Year was completed successfully with Angavai Sangavai.
