Date: 05/02/2024

Venue: CIT Campus

Duration: 30 mins

Target Audience: II, III Year B.E. / B.Tech Students around 1250

Introduction:

To create a safer and more supportive campus environment, the CIT Anti-Drug/Ragging Committee conducted an awareness program aimed at educating II, III Year B.E. / B.Tech Students about the dangers of drug abuse and ragging. The session aimed to inform students about the harmful effects of these issues and to promote responsible behavior, respect, and a healthy college experience.

Objectives:

Raise Awareness: Educate students on the risks of drug abuse and the consequences of ragging.

Preventive Measures: Teach students how to avoid involvement in both drug abuse and ragging.

Support Systems: Provide information on available resources for counseling and reporting incidents of ragging or substance abuse.

Program Overview:

The program was structured as a 30 mins session with two main components:

Session on Anti-Drug Awareness - A committee head discussed the risks of drug abuse, including physical and mental health consequences, legal ramifications, and available support services.

Session on Anti-Ragging Awareness - An experts presented the legal and emotional impacts of ragging, stressing its harmful effects on both victims and perpetrators. Senior students shared their experiences, promoting a positive, ragging-free campus culture.

Q&A Session - Students participated in an interactive Q&A, where experts addressed concerns and provided guidance on avoiding involvement in drugs or ragging.

Key Outcomes

Anti-Drug Awareness: Students learned about the dangers of drug abuse, including its physical, psychological, and legal consequences.

Anti-Ragging Awareness: The program emphasized that ragging is illegal and harmful, encouraging students to report incidents and promote respect among peers.
