Research Promotion Policy

Research promotion policy of Anna University aims to foster and sustain excellence and leadership in Research and Innovation. Our students and faculty will be encouraged to break new ground in research and achieve first of a kind impacts in technological applications/ designs/ formulation of new public policies/institutional capabilities. Our students will be encouraged to learn about the world through hands on practical problem-solving projects in collaboration with fellow student in other department and with our faculty as supervisors/ mentors. Our faculty and students would be encouraged to involve in inter disciplinary/ multi-disciplinary/ translational research in finding scientific and technological solutions to 21st Century grand challenges. Anna University desires to build strong and robust research and innovation ecosystem through,

1. Providing generous seed funding to young Assistant Professors (fresh Recruits) to establish their laboratories and kick start their research

2. Providing international travel grant to faculty and students to enable them to participate and present papers in International Conferences providing large funding in the selected emerging technologies to group of active faculty members

3. Provide funding for start-ups to students and faculty members
